PAUL LEONARD

Lyceum Number to Feature Birdman With Program on Mystery Instrument

Paul Leonard, bird man and musician, will be featured in the Hinds assembly program next week as one of the first in a group of Southern School Assemblies series, according to Miss Thelma Prassell, secretary to the presi-

The assembly program will be on Wednesday, September 26, and not on Tuesday as normally scheduled, Miss Prassell pointed out.

Mr. Leonard is the son of a Baptist minister and has travelled with his father in England, Palestine, and Egypt. As a youth he learned to imitate bird calls in the Berkshire Hills of Massachusetts and to play the piano and trumpet.

Combining his bird whistling

and trumpet playing into a program of entertainment, he evolved his present program of music, then added a mystery instru-

The mystery instrument is playwithout keyboard strings, reeds, slides, valves or keys; and is played without being touched. On a recent "Truth or Consequences" show no one was able to guess its name.

Mr. Leonard is recognized as a trumpeter of the first rank and has played with some of the best bands in the Los Angeles area in addition to appearing several years with his own program in person and on the radio. Recently his television appearances were seen from coast to coast.

'Tryout' Staff Edits Hindsonian First Six Weeks

For the next six weeks the HINDSONIAN staff will be composed of students who are working on a "try-out" basis. These students, one-half of whom are members of the journalism class will be given a chance to do a thorough job in all phases of newspaper work and will help to edit the paper each week.

The temporary staff consists of the following:

Cameron Ferguson, Thomas hirley, Bob Harleston, Barban McRae, Frank Mashburn, James Dillon, Lawana Stewart, Dot Gerrard, Doris Wilson, Ann Carr. Virginia Farr, William Davis, Mary Ellen Williamson, Thomas Lofton Leisa McNeely, John Newman, Vivian Wadsworth, Robert Ferguson, Hilton Robinson, Patricia Williams, and Edwin Cobb.

Mr. Harold Turnage is sponsor of the HINDSONIAN.

Students Select Five Cheerleaders

Five cheerleaders have been elected to lead the cheering for the football season of 1951. The groupcomposed of two boys and three girls, were selected by Australian ballot on Tuesday, September 11, at chapel period.

The quintet is composed of the following:

Greenville; Barbara Gressett, high school sophomore, from Jackson; Betty McLain ,freshman, from Clinton; Curtis Early, sophomore, from Water Valley: and Billy Price, sophomore, from Utica.

The first pep meeting was held in the auditorium the following Thursday in preparation for the first game that was played Satur-

Student-Faculty Board Begins Work On Recreation, Planning Constitution

Assuming responsibility for student recreation and planning a student association, the Hinds Juaior College Student-Faculty Council has begun operation this year on a full-time basis, according to Mrs. J. R. Harris, faculty chair-

34th Year Opens With 571 Enrolled

With enrollment well above the number of students reported at the close of school last year. Hinds Junior College opened its 34th session September 3 with a total of 571 students en-

Though the enrollment is less Than that of last year at the opening of the school year, the drop is less than the 20 per cent expected on a national average by educators because of the draft, enlistments, and the lower birthrates of the depression-stricken Thirties.

The largest single class is the freshman class with 185 students registered. The high school department reports 148 students, the vocational department. 132; and the sophomore class, 106. A number of the present sophomore class were members of the Dixie Division activated last year for federal serv-

The enrollment figure is expected to climb further before September 24, last day for registration of new students other than those now enrolled in some other

Incoming freshmen had a week of orientation, registration, and entertainment, with classes beginning the following Wednesday morning. Monday night students were invited to the school square dance. Tuesday night was given over to a community sing and get together; Wednesday afternoon students enjoyed a swimming party and picnic at Raymond lake; Thursday night the churches of Raymond invited members of the student body to programs; and Friday night students had a picture show party in the college

man of the group.

At present the council is preparing a constitution for the proposed student association defining the aims and powers of this association. This constitution is now under study for final revisions before being submitted for approval.

Student members of the council now include James Ratcliff, student chairman; Larry Wheat; Fannie Mae Blaylock; Joe Terry; and Janie Mashburn.

Present faculty members include President G. M. McLendon; Dean M. F. Herring; Dean A. L. Denton; Mrs. J. R. Harris; and Mr. Jack Rice.

The council began meetings Wednesday, August 29, a week before the beginning of regular class work at Hinds. Since the opening of school they have met several times to plan student recreation and work on the constitution.

The student-faculty council was organized last spring by the Hinds Faculty Club after a study of student-faculty relations. The initial group meeting last spring included presidents of the college and high school classes and members at large from the classes along with the faculty members now on the council.

8 Chapel Programs Already Booked

Eight future chapel programs, including a series of lyceum numbers, have been scheduled this year to date, and sponsors of classes and organizations are being asked to submit requests for dates on the program calendar, according to Miss Thelma Prassell, chairman of the chapel committee.

The next program will be a lyceum number featuring a birdman-magician on September 26.

Other programs scheduled during the year include:

October 24, lyceum number (music-marimba artist); October 30. Dr. Robert Lee, Baptist revival preacher; November lyceum number (magician); February 11, lyceum number (acrobats); March 17, lyceum number (cowboy); April 9, lyceum number (musical duo); and April 28 lyceum number (science program.)

Several of the lyceum programs fall on Mondays and Wednesdays. In these instances the regularly scheduled program for the activity period on Monday or Wednesday, which ever it happens to be, will be held during activity period on Tuesday, and the assembly will take its place on the other

Member Passociated Collegiate Press

Eagles Need Your Support

Elsewhere in this issue dear reader you will find an article taken from that worthy newspaper, The Jackson Daily News. This article put the Hinds Eagles on the spot before the season even got underway by making them an overwhelming favorite in a pre-season coaches' poll, to cop conference honors. Only two coaches out of 13 consulted failed to place the Eagles 1-2-3.

Coaches, this is all very flattering to say the least, but if our memory does not fail us it seems that about this time last year an article of like nature was published in the Daily News' Football Edition. Where did the Eagles wind up? Although they had a fairly successful season many fans were badly disappointed, because they had such a high pre-season buildup, through no fault of the Eagles.

This year let's play each game as we come to it. Let's not expect too much of our team although they do have wonderful possibilities. With the proper student co-operation and a fair share of the breaks this could be the big year for the Eagles. All of us are going to have to be out there rootin' at every game (I mean rootin' and not/just sittin') to see our Eagles come out on top when the dust clears away at the end of this gridiron session.

-Ferguson.

Council Success Depends on Us

Last week the students of Hinds were given a privilege that they have never had before. The newly formed student council has paved the way for social dancing on the campus and is working on a program for a better rounded recreational life at Hinds Junior College

The dancing was approved after a set of rules had been drawn up by the faculty committee and the student council. The rules for dancing are: (1) "Only regularly enrolled students of Hinds Junior College may dance." You may think this is a foolish rule, but after all the program is set up for the student's benefit and not as a dance hall for the general public.

(2) "Dancing will be from supper till 7:15." Now this gives an hour or a little more for dancing and recreation in the girll. This has been the usual social hour on the campus for a long time. Now they give you the opportunity to have a little more fun during that period.

(3) "Students should conduct themselves as ladies and gentlemen." Now this last rule may be unneeded, but it may well be the most important one that has been set up. Let's try to conduct ourselves as we should and not force the higher-ups into taking away the privilege that we have worked for for so many years.

It seems to yours truly that this student council may be to Hinds what the Renaissance was to civilization, so let's try to help them and work with them as they plan for your future. And there is no better way of helping them than by abiding by the rules they set up for activities. Just remember that the student council can't make this recreational program go over, neither can the faculty committee. Only you can do that!

"Have you forgotten that you owe me five dollars?"

"No, not yet. Give me time, and I will.

Eagles Nest Rated One of Best Grills In Nation Today

"We found so many of our students liked Walgreen's, we just picked it up and transferred it to Hinds," says President G. M. Mc-Lendon about the new Eagles Nest that opened September 6 under the direction of Mr. W. M. Moss.

Situated in the new cafeteria building, the new grill is one of the best student grills in the nation, according to Hinds teachers who have attended schools in various parts of the country.

Decorated in rose green, and beige the new grill has asphalt tile flooring suitable for dancing and nickelodeon to supply music. Counters line two sides of the room, one side being devoted to sundries and supplies and the other side to food.

A short order stand has been opened with completely new Westbrook fixtures and modern kitchen appliances. Here students can place orders for hamburgers, various types of hot sandwiches, cold drinks, malted milks, coffee, pie, and a variety of other types of food.

On a third side are ten booths upholstered in green and grey leather. Light is provided by nine modern fluorescent light fixtures and the place will be heated by two overhead hot air radiators.

Several Hinds Alumni Visit Friends Here During Past Weeks

Several former Hinds students were visitors on the campus during the first two weeks of the session.

Among them were Don Lasseter, Bobbie Morris Dot Harrison Stan. Wanucha, Katie Belle Waters, Oliver Shearer, Berniece Lindsey, Betty Lou Prassell, Joe Alliston. Tony Manguno, Elizabeth (Puggar Mills. and Mary Dee Darby.

Former faculty members visiting the campus were Mr. George Bowling and Miss Hannah Pitts.

Hinds "On the Air" Every Gridiron Night

The Hinds Junior College Eagles are "on the air" every Saturday night as they take the field against their gridiron foes, and plans are underway for a second Hinds Junior College radio program.

All Eagle football games are being broadcast as they occur by Mr. Bill Goodrich of Station W. S. L. I. in Jackson Mr. Goodrich is covering not only home and Jackson games but also the games away from home

The second program being planned will be a 15 minute broadcast from a tape recording made here on the campus and replayed at 6:15 on either Tuesday or Wednesday nights. Each week a different program will be prepared, along with material on various departments of the college.

Ann Smith Named Head as 4-H Club Chooses Officers

Ann Smith, college sophomore was elected president of the Raymond unit of the 4-H Club in the balloting which was held at activity period Friday, September 14.

Other officers for the year are

Mary McKenzie, vice-president; Rosa Taylor, secretary-treasurer; and Mary E. Smith reporter.

Barbara Brummett and Norma Owen are the recreational leaders; Martha Gillespie, Peggy Stubbs and Janie Mashburn compose the membership committee; and Mary McKenzie, Janie Mashburn, Norma Owen, and Ann Smith will prepare the programs.

All out-of-county 4-H members are invited to attend the meetings, which are held every Friday at activity period, in Main lobby. Those who wish may keep their membership in their respective counties and also belong to the club on the campus, according to the president.

Campus sponsors for the club are Mrs. W. M. McKenzie and Mrs. Albert Mashburn.

Depleted College 'Y' To Be Re-Activated Dean Denton Savs

Depleted by the activation of the National Guard unit last year, the Hinds Junior College Y. M. C. A. faces a reorganization this year, according to Dean A. L. Denton sponsor.

Dean Denton will announce the time and place of the first meeting for the group, which has as its purpose the promotion of religious activities on the campus. Any student interested in becoming a member is asked to be present at the pending meeting or to contact Mr. Denton

STUDENTS OF HJC ASKED TO SELECT DANCE RECORDS

What records would you like to dance to?

Mr. W. M. Moss, sponsor of the Eagles Nest is asking students of Hinds Junior College that question. In the spaces below list your preferences and give the list to Mr. Moss, who says he will attempt to obtain those found most popular.

Five New Instructors on Hinds Staff To Fill Vacancies, Expand Offerings

Five new members have been added to the staff of Hinds Junior College this semester. They are Miss Jean Lancaster, band director; Mr. Donald Christmas, piano teacher; Mr. Louis Boteler, high school coach; Mr. A. G. Liss refrigeration instructor; and Mr. Chester O. Bishop, vocational academic co-ordinator.

Miss Lancaster is a graduate of M. S. C. W., where she earned her Bachelor of Music degree, and has done further study at the University of Michigan and the University of Colorado. In college she belonged to the Sigma Alpha Iota musical fraternity. Before coming to Hinds Miss Lancaster taught at Jonestown, Amory, and Morton. Under her direction the Amory band won all superiors in the state band contest.

Mr. Christmas, a recognized artist in his own right received his B. M. ann M. M. degrees from Louisiana State University, where he belonged to the Phi Mu Alpha Sinfonia, musical organization; Phi Kappa Phi, scholarship honorary; was student president of the music school, and a member of the student council. During the summer he was accompanist for

the Houston Summertime Light Opera Company.

Mr. Boteler, high school coach, attended Mississippi Southern and Hinds Junior College, making an outstanding record on the gridiron. This past year he coached the Capitol Ice Company of Jackson basketball team to the championship of the City League in Jackson.

Mr. Liss attended Pratt Institute in Brooklyn, N. Y., and Coyne Electric School. In Brooklyn he was president of the Y. M. C. A. Boys' Club. Before coming to Hinds he had previously taught at the Bedford Y. M. C. A. in Brooklyu and the Mississippi School of Refrigeration in Jackson.

Mr. Bishop received his B. S. and M. S. from Texas A & M, where he taught radar. The father of Chester Bishop, former Hinds student and boxing star, Mr. Bishop instituted the vocational department at Copiah-Lincoln Junior College, Wesson, several years ago. He teaches woodworking, mechanical drawing, hobbycrafts and a vocational information course. In addition he is to serve as co-ordinator between the academic and vocational schools, arranging for academic students to take vocational courses of their choice.

Religious Organizations Hold Joint Services

Religious organizations of the campus held their first joint vesper services here in the lobby of Main, Sunday, September 9.

Taking part on the program were:

Mary Edith Mills, song leader; Betty Milner, who read a poem and led the business discussion; Jerry Franciskato, who sang the "Lord's Prayer," accompanied by Alice Rainey; and Vivian Wadsworth, who brought the devotional on worship. Pianist for the evening was Virginia Farr.

IRC Makes Plans For New Members

At its first meeting of the year Thursday, the International Relations Club extended an invitation to all students interested in international subjects to meet with the club Thursday night at 7:15 in the Music Hall, then made plans to vote 15 or 20 more persons into membership at the coming meeting, according to Mr. J. R. Harris, sponsor.

Through the I. R. C. students have an opportunity to study and to express themselves on international affairs. Officers of the club are Fannie Mae Blaylock president; Barbara McRae, treasurer and chairman of the finance committee; Grace Pickett, secretary; and Billie Burt, reporter

DRAFT LAWS STILL REMAIN UNCHANGED FOR COLLEGE MEN

Draft laws will continue unchanged at present for college students according to Mrs. Anna Rosenberg assistant secretary of defense

Under the present college draft postponment regulations, men in the upper half of the male students in their class scholastically, those who have passed the college qualification tests given last summer, and those who are in school now and have not already been granted a postponement will be allowed to continue in school through the present academic year unless manpower demands change sharply she said.

Those students in the upper half and those passing the college qualification test are in a student classification for the academic year. This classification ends at the close of the present academic year after which students may or may not be reclassified, principally on their college work.

Millsaps Professor Leads Study Group For Sunday School

A training school for Sunday school teachers and workers began Monday evening, September 17, for the Methodist churches.

The churches of Raymond Bolton, and Clinton joined together for the school which is being conducted by Professor Ray S. Musgrave, teacher of psychology at Millsaps College, Jackson.

DeVall, Renfroe Prepare Eagles For Saturday Clash With Wesson

By ROBERT FERGUSON

Resuming skull practice sessions and getting down to hard work on the field the Hinds Junior College Eagles under the tutelage of Coaches L. C. DeVall and Joe Renfroe are preparing for a meeting here Saturday night with their arch rivals, the Wesson Wolfpack.

After crushing an outclassed Senatobia eleven 63-0 last week, the Eagles will be out for another win at the expense of the Co-Lin Club

Last year the Hinds team walloped a game Wesson squad by the sccre of 33-13 at Co-Lin's own stadium. This, however, will have no bearing on this year's game, since all record books are disregarded when the Wolves and Eagles meet. In fact coaches throw out previous records, statistics, and scouting reports that might tend to make them the least bit optimistic, for in this game they have learned predictions are futile. This year's clash is no exception to that finding.

Wesson was defeated last week 7-6 by an up-and-coming Summit Bear crew, but they will be out to even their season's record Saturday night and if they can do it at the Eagles expense they'll be even happier. Even the news that Wesson lost to Summit isn't cheering Hinds coaches, for according to game reports Wesson fielded the most powerful team in Co-Lin history and lost primarily because of inexperience and mixups in signals. With a week to get these things straightened out and a hard game under their belt,

the Wolves promise the Eagles such a show that the stands are expected to be filled long before the 8 o'clock whistle.

The Wesson juggernaut, under the guidance of Head Coach J. W. Waites, is built around a nucleus of four returning lettermen including two backfield starters from last year's team.

Coaches DeVall and Renfroe will depend on a hard-hitting line that tore holes through Senatobia last week end for the fast Eagle backs to race through, and as good a collection of backfield stars as they have had in recent years.

HJC Publicity Office Sends Football News To Hometown Papers

News articles on each football player are being sent to their home town newspapers this year by the Hinds Junior College publicity office.

The articles are being prepared by Patricia Williams from information supplied by the players on personnel sheets turned in early in the season.

Thus far items have been sent to newspapers in Calhoun City, Hattiesburg, Learned Canton, Florence, Jackson, Vicksburg, and Philadelphia all in Mississippi. In Louisiana they have been sent to New Orleans, Baton Rouge, Houma, Shreveport Transylvania, Franklinton, and Bossier City.

Eagles Exhibit Powerful Offense; Defeat Senatobia in Season Opener

Unleashing a powerful ground and air offense, the Hinds Eagles opened their season here by smashing out a 63-0 victory over the Senatobia Rangers Saturday night as the powerful Hinds line knocked holes for the fast Eagle backs to scamper through.

Working with a precision built from daily stretches at "skull practice," the Eagles ran up 10 touchdowns during the night. One of them was recalled on an offsides penalty, but the other nine and the beautifully precise point kicking of Roy Price added up to 63 points. Senatobia was unable to get through the Hinds defense.

Billy Juenke of Houma La., scored the Eagles' first tally, then before the quarter was over had added two more.

The first Eagle score came when Juenke took a pitchout from James Ratcliff on the 5 yard line around right end to score. The play had been set up by a steady march from the Hinds 10, where the Eagles took the first kickoff.

Hinds' second scorer was Billy Cooper. Cooper, on the Senatobia 5 yard line, took a pass from Ratcliff on the 45 and walked over. Unable to penetrate the Hinds line Senatobia was twice forced to punt. Juenke, playing safety, took the first punt on the Eagles 35 and returned it all the way. Their next punt he took on the Hinds 30 and again returned it to the Senatobia goal post, making the score 28-0 at the end of the first quarter.

In the opening play of the second quarter Willard Rachal intercepted a Senatobia pass on the Hinds 30. Billy Hugh Montgomery, Erwin Dillard, and Tony Montalbano brought it up to the Senatobia 28, where Montgomery, playing quarterback faked a pitchout then ran over to score.

Bob Smith of Florence joined the touchdown parade just after the intermission break when he took a Senatobia pass on their 45 and broke through for a goal run.

In the final quarter Dickie Craddock scored from the one yard line, going through the middle of the line; and Smith scored again on a quickie from O'Quinn on the 5 yard line.

The entire team, with the exception of the injured players, saw action.

Baby Eagles Face Jackson 'B' Team Tomorrow Night

The Baby Eagles of Hinds Agricultural High school will open the season this year with a new coach and largely a new team. Coach Louis F. Boteler has undertaken the task of rebuilding a dismembered Eagle team which in 1949 was in the play-off for the District Six class BB championship.

Last year the Baby Eagles played only three games, winning from Terry and losing to Redwood and Jett. The only returning men from last year's squad are Ralph Butts and Ray Boyd, tackles, and Clyde Glisson, halfback.

The Baby Eagles boast a rugged seven game schedule and have open dates on October 26 and November 16.

The Raymond schedule includes September 20 — Jackson "B" team at Raymond. (Game time, 8:00 p. m.); September 28 — Utica at Utica; October 5 — M. S. D. at Raymond; October 12 — Bentonia at Bentonia; October 19 — Culkim at Raymond; October 26 — Open; November 1 — St. Joseph at Jackson; November 9 — Terry at Raymond; November 16 — Open.

The team this year should be of special interest to Hinds countians outside the city of Jackson because most of the talent is being drawn from the local areas of Bolton, Learned Raymond, and other nearby communities.

Boys who have begun workouts thus far are Junior Sweeney, John Broome, Ray Boyd, Terry Worrell, Billy Bates, Ivor Davis, Ralph Butts, Billy Conlee, Eddie Beasley, Barney De Laughter, Clyde Glisson, Bill Lampkin, Roy Pesnell, Raymond Tomlinson,

Frank Boyd, Jesse Griffin, Julius Russell, Gerald Chapman, Benjamin Banes, Carlos Zacarias, Billy Giardina, Marvin Lancaster, Bobby Boyd, Marion Aken, Saith D. Guy, Carlos McNair, and Beau Holliday.

Coaches Pick Hinds Eagles To Win In '51

The Hinds Junior College Eagles of Raymond, coached by L. C. DeVall are favored to win the 1951 Mississippi Junior College Conference football championship, on the basis of a coach poll conducted by Carl Walters, sports editor of the Jackson Daily News.

Head coaches of the 13 schools in the conference were asked to pick the teams which they rated 1-2-3 and eight mentors tagged the Eagles to finish first, two picked them for the runner-up spot and one voted for them to place third. Only two coaches overlooked Hinds in the balloting.

On the basis of three points for

a first place vote, two for second and one for third, the Eagles wound up with 29 points. Pearl River of Poplarville (three first place votes) ranked second with 17 points and Jones of Ellisville (one first place vote) ranked third with 13 points.

Holmes Junior College of Goodman, which won the 1950 championship, got six points on one first place vote, one second and one third.

Unless the coaches did a much better job of pre-season picking this year than last, however. Hinds will not end the season as the champion. For the coaches picked the Eagles last year, too, and they wound up in fourth place, with a 7-3-1 record, while Holmes, which got only four points in last year's poll, won the title with a 9-1 record.

Pearl River was tagged as the No. 2 team in last year's poll -- same as this year—but finished in fifth place with a 6-3-1 record.

The only team that the coaches called right in 1950 was the East Central Warriors of Decatur. They were picked to finish third and did, with an 8-3 showing. This year the Warriors, who lost a raft of players to the armed services, did

not get a single point in the balloting.

Farm Helps Menu In HJC Cafeteria

Students at Hinds Junior College will eat well this year, according to Mr. Grady L. Sheffield, manager of the Hinds Junior College Cold Storage and Meat Curing Plant.

Vast amounts of produce from the college farm and livestock production program have been processed by the plant for use in the school cafeteria during the winter months.

From the HJC farm 500 dozen ears of corn and 120 gallons of peas have been processed. From the school's livestock production program, 40 hogs, totalling over three and one-half tons of dressed pork were slaughtered and stored during August and September, Five head of beef have already been slaughtered, and 13 more are in the fattening process now to be slaughtered soon. An average of approximately 370 pounds of dressed beef from each carcass is expected, Mr. Sheffield said.

Mr. Sheffield has also purchased 100 bushels of peaches from a local peach orchard for frozen storage.

MOTORS BURN OUT AT STORAGE PLANT

Two motors burned out last Thursday night at the Hinds Junior College Meat Curing Plant, according to Mr. Grady L. Sheffield, plant superintendent.

Mr. Sheffield commended the college electric motor rewinding department for their work in rewinding the motors and putting them back in working order within 24 hours after the accident. The cause of the accident was not known.

MISS LANCASTER MAKES TEXAS TRIP TO SEE DRILL UNIT

Obtaining ideas for the Hinds all-girl parade unit being organized, Miss Jean Lancaster, Hinds Junior College band director, and Miss Grace Shurden, sophomore majorette, visited Kilgore, Texas, Junior College, home of the famous Kilgore Rangerettes, last week end.

The Rangerettes, founded by Mrs. Gussie L. Davis, have brought the Kilgore school's name before the public in all parts of the country as they appeared at parades, halftime shows, and other special events, including the Jackson Memorial Game last year.

Miss Shurden is to be in charge of the group of selected Hinds Junior College girls making up the parade unit. They are to make their first appearance in public in Jackson on October 6, when they entertain the Jackson Touchdown Club with a floor show.

McNeil Resumes Training in Radio

Charles McNeil, after several months absence, has returned to the radio shop to resume his study of radio mechanics.

B. S. U. Elects Mills As New President

Mary Edith Mills and Zula Greenlee, sophomores, are the new president and vice-president, respectively, of the Baptist Student Union, as a result of the election held Sunday evening after the regular vesper services.

Other officers are as follows:

Doris Hedgepeth, secretary; Billy Weeks, treasurer; and Virginia Farr, pianist. Vivian Wads, worth, Jean Price, Jean Richardson, and Zula Greenlee are the program chairmen.

Miss Lurline Stewart is sponsor of the BSU.

Hinds Issues Checks To Get New Students

Hinds Junior College is issuing checks for \$25. Will you get yours?

President G. M. McLendon announced in assembly the first week of school that any Hinds student who could persuade another to enroll here would be given \$25, preferably on his tuition.

The only provision was that the new student must stay at H. J. C. for six weeks.

Activities Room Now Open for Use

Adding to the recreational facilities on the campus a new activities room has been opened and furnished.

This room is a spaicous section of the new cafeteria building with walls of pastel green ,large modern windows, and flooring of asphalt tile. It is furnished with 22 upholstered chrome chairs and six tables. Games available include checkers, Chinese checkers, cards, games, and dominoes. Ping pong tables have also been set up.

Couches, easy chairs, lamps, and reading tables are to be added soon which will undoubtedly make this a comfortable and pleasant place where students may spend leisure hours. Miss Gertrude Davis, Dean of Women, says.

Y. M. C. A. Begins Regular Meetings

Under the direction of Alice Grace Pickett, president, Y. W. C. A. programs have begun on schedule

Wednesdays at activity period the cabinet holds regular business meetings. Wednesday nights at 7:15 the general meeting is held in the lobby of Main dormitory.

A recognition service honoring new members is being prepared.

Other officers who have returned to the campus are the following: vice-president, Doris Hedgepath; secretary, Betsy Milner; treasurer, Jean Price; publicity chairman, Bertie Mae Brown; workshop chairman, Jean Richardson; recreation chairman, Fannie Mae Blaylock; music chairman, Mary Edith Mills; fellowship chairman, Frances Putnam; welfare chairman, Wlima Ryan.

Miss Gertrude Davis and Miss Emma Fancher are the sponsors.

It's Our Grill

This year the Hinds students are privileged to be the first of the generations to come to make use of the Eagles' Nest, new and modern grill. In years to come, this grill will serve many thousands of students who will be on the campus and it is up to us, NOW, to keep it in good condition.

Notice the fact that the Nest is primarily ours, not the faculty's or the town people's. It belongs to the students attending H. J. C. and it is our duty to keep it looking as nice as possible. (And it is possible).

Acclaimed as one of the "best grills in the nation today," it gives us a good reason to be proud; and we can keep it one of the best, if we remember three things: cooperation, consideration, and cleanliness.

The manager and student workers are laboring hard to serve and please you in the best way possible — why not be satisfied and wait your turn to be served? After you have finished drinking and eating return your bottles and dishes to the couter and leave the booths clean for the others who come in. Keep your feet out of the seats. This tends to wear the seats out. Many students get the idea that he ash trays are put on the tables for souvenirs but they are placed there for a purpose—for discarding used cigarettes. Some have been throwing their cigarettes on the floor and the fire from the lighted end burns into the asphalt and ruins it.

Maybe you have found out that John loves Mary and want everyone to know about it. Don't carve the message on the table. Initial carving makes the tables and walls look so bad and anyway, who is going to know John and Mary three or ten years from now?

The big gum chewers (and the little ones too) never find a place to discard their gum, so promptly it goes under the table. It's not a pleasure to feel under the table and find gum that has been chewed and left there to rest; and certainly it is no pleasure to clean it up. Wrap your ABC gum in a piece of paper and throw it in the nearest trash can and you will find this saves someone a lot of trouble.

When you go into the activities room, only take cold drinks and after finishing, please put the empty bottles in the racks which will be provided.

The profits made in the grill go directly to the student activity fund. After the merchandise, workers, and taxes have been paid, the rest is put into the fund, which helps promote the recreational activities. The less labor and upkeep expenses, the more money for these activities.

If we will cooperate with each other, we can keep our grill one of the best in the country. Won't you do your part?

-Wadsworth.

Band Camp, Square Dances, Sports Highlight Summer Session at Hinds

By JOHN NEWMAN

Summer school can be swell—that is, providing it's at H. J C.! Such was proven to some 200 students who attended classes here during the past summer session. Many who were exposed to Hinds for the first time were amazed at the friendliness of the student body and also the variety of activities offered to students in the summer.

Inaugurating the summer term with a bang, the southern belles in Westside Dormitory invited the boys from Eastside over for a "Get Acquainted Party." Later on, Mrs. Gertrude Rowzee entertained a large group of Hindsonians with a quiz progarm in the college library.

As is the case during the regular session, those who wanted to help pay their tuition by working were given jobs on the campus. After the dismissal of classes students usually worked or entertained themselves by playing ping pong, tennis, softball, football or basketball. Also, Raymond Lake, being a scene for swimming parties and picnics, was a hangout for a large number of boys and girls in the evening. Some, however, preferred to check out for Jackson to take in a show or do some shopping.

Social hour this summer was from 6:30 to 7:30 every night. At that time nearly everyone would gather on the porch and around the front of Main Dormitory to talk, square dance, listen to Melvin (Wee Man) Henderson and his "String Eagles." or reat dhe "Hindsonian Gazette," summer newspaper.

The summer choir met twice a week under the supervision of "Prof" Robinson, and the Vesper Choir performed a number of

times in front of the Administration Building.

A lighted softball field on the Consolidated School grounds was dedicated by the Licus Club and many of the collegians spent their leisure time either playing softball or just watching.

The Grill and the Raymond Theater were the favorite hangouts of the masculine set after dark. The girls though, spent the early hours of the night studying, writing love letters, and preparing for the next day. Bull sessions were held frequently this summer in Eastside Dormitory. The intelligence and wittiness of a person was determined by his performance at the said.

The intellectuals of the Freshman English class spent their spare time browsing around the library, working on term papers writing essays, and preparing book reports. Meanwhile others ran laps around the track field, walked with the night watchman, and cleaned dormitory rooms — by request

The population of Hinds was doubled when the state bands camped here for two weeks. During that time a concert was given by the All-State Band, a talent might with refreshments was featured, and square dances were directed by Paul Douglas. Jo Ann Fulmer, "Miss Majorette of 1951" performed with the band campers. Social functions were at their peak at Hinds during the band camp, and Hindsonians were offered an excellent opportunity to

Yes, everyone had a wonderful time at summer school this year, and if you missed out on the fundon't let the same happen to you next year. Summer school is not dead!

establish new friendships.

Hinds Has Students From 3 Countries, 15 States, 46 Counties

Hinds Junior College's enrollment this year includes students from fifteen states, 46 of Mississippi's 82 counties and two foreign countries, according to a tabulation by Miss Mildred Herrin, registrar.

Honduras has five students at Hinds, while Cuba has three. The states represented include Alabama, two students; Arkansas, two; California, one; Florida, seven; Georgia, 11; Illinois, two; Indiana, one; Kentucky, two; Louisiana, 21; Massachusetts, one; Missouri, one; New Jersey, two; Ohio, one; and Tennessee, 10.

Hinds County has a total of 300 students enrolled, while Rankin county is second high with 37 students registered. Warren has 18, Copiah and Madison 16 each.

Hobby Craft Class Offers Hand Work

"Learning to do things with your hands is a part of culture," according to Mr. C. O. Bishop, vocational instructor for the hobby craft class. "It is a great aid to those engaged in social and economic work," Mr. Bishop added.

Some of the crafts to be learned by students in this class are: leatherwork, ceramics, and woodwork. Leatherwork by far the most popular, includes the making of belts, moccasions, and purses.

Later a cabinet will be placed in the Administration Building to display articles made by the students. Anyone interested in attending the hobby craft class should cotact Mr. C. O. Bishop.

Classes meet every Monday at sixth and seventh periods. One hour credit is given for this course in which there is no outside work.

Baby Eagles Hope To Comeback After First Loss

By EDWIN COBB

After losing 52.0 to the Jackson Central High Bees, the Raymond Baby Eagles are preparing to meet the Utica High Eleven at Utica, Friday night.

They are spending the week attempting to build their inexperienced squad into a team that will hold its own befor etoo much longer in the season, and as the season progresses give opponents some real trouble.

The squad, which includes only three returning members of last year's squad which played only three games, fought gamely in their opener here Friday night and held the larger and faster Jackson Bees on even terms during the first quarter before their lack of weight and reserves showed.

A large crowd of supporters for both sides turned out for the game at Eagle stadium.

Jack Hester began the scoring parade for Jackson with a short plunge to paydirt in the opening period. In the second suarter another sustained drive paid off, and a moment later Roy Wolf scored on a double reverse after a blocked punt. Jack Martin added a third score on a short plunge. In the third quarter Martin again scored and Hester followed this with a 50-yard touchdown dash.

Jackson added the finishing touches by scoring twice more in the closing stanza. All extra points were made on running plays.

Although outmanned, the Raymond team nevertheless showed fight and promise, with Ray Boyd playing an outstanding game for the Baby Eagles.

The Hinds starting line-up included: Ends—Butts and White; tackles—Broom and E. Shirley; guards — F. Boyd and Davis; center — Worrell; quarterback—Oberhausen; halfbacks — Glisson and Smith; and fullback—R. Boyd.

In charge of the Touchdown Club Banquet at Hinds recently was Mrs. Kathleen Matthews, Hinds dietitian. Through oversight, Mrs. Matthews' name was omitted from the list of committee members serving for the event.

Two Officers Named As Hi-Y Club Begins Re-Organization Here

Hoping to furnish a well-balanced program of religious and social activity for high school boys, the Hi-Y Club made a step toward re-organization Wednesday with the election of a president and vice-president. Terry Worrell is the new president; Joe Gearhart, vice-president.

Mr. J. B. Patrick, sponsor spoke briefly on the aims and activities of the Hi-Y Club at the initial meeting Wednesday. When questioned about programs by members, Mr. Patrick emphasized that the type of weekly program depended on the program committee and the interests of the boys themselves.

"The Hi-Y has much to offer the high school boys in the form of organized recreational and social activities and Christian fellowship," Mr. Patrick said.

The meeting Wednesday was attended by seven members. The organization is open to all high school boys, and the meetings will be held each Wednesday at activity period in the Music Hall auditorium

The club is planning a camping party at Raymond Lake September 28-30.

Future Farmers of Raymond Meet To Organize Elect New Officers

The Raymond chapter of the future Farmers of America met Friday to organize for the new session and elect new office while the Tomato Belt Council of the F. F. A. also hel pla meeting in Clinton earlier in the week for organization purposes.

Officers elected in the Raymond Club were Harold McNair, president; Ernest Boyd, vice president; Ivor Davis, secretary; Ray Boyd, treasurer; Terry Worrell, reporter; and Frank Boyd, sentinel. Mr. J. C. Treloar, vocational agriculture instructor, is the club sponsor.

In the Tomato Best Council officers were elected from member schools of the council. The officers elected were Paul Murriel Clinton, president; Charles Ray Sauls, Hazlehurst, vice-president. Morris Currie, Utica, secretary; Wayne Mahan, Crystal Springs, treasurer; Robert Ferguson, Raymond, reporter; and Robert Peoples, Clinton, sentinel.

The Tomato Belt Council also decided on meeting places for the different activities to be held during the year. The October meeting will be held at Culkin Academy on October 15. In November the Council will meet at Crystal Springs to hold the parliamentary procedure contests. Other meetings are December 1 at Hazlehurst for "hill billy" band and quartet contests, January 12 at Utica for basketball tournament, February 23 at Raymond for all judging contests, March 1 at Terry for public speaking, and April 21 at Clinton for the talent contests.

HJC Eagles Defeat Hinds Eagles Preparing for Battle Co-Lin Wolves 20-7

By ROBERT FERGUSON

With a determined line and a crew of break-away backs the Hinds Junior College Eagles handed the Wesson Wolfpack a 20-7 defeat on a soggy gridiron here Saturday night.

The Eagles did all their scoring in a thrilling second quarter and held on gamely for the remainder of the game to win.

Waging a punting duel during the first quarter, neither team was able to make much headway. Not until early in the second quarter, when Hinds took the ball on a touchback after a Wesson punt had rolled into the end zone, did either team make a drive of any length. Starting on his own 20 James Ratcliff, Hinds quarter back went 15 yards on an optional pitchout play. Then after a penalty had placed the ball on the Wesson 49 yard line, Tony Montalbano drove to the 47. At this point Billy (Choo Choo) Montgomery took the pigskin, circled right end, evaded the whole Wesson team in a brilliant bit of broken field running, and raced untouched across the goal line. Roy Price missed his first attempted extra point in ten tries and the score stood Raymond 6, Wesson

Seconds later, after Wesson had been penalized deep in their own territory, Eagle halfback Bob Smith took a punt on the 50 and handed off to Billy Juenke, who scooted all the way to the Co-Lin 30 yard line. From that point Ratcliff heaved to Cooper who was immediately downed on the three yard line. Ratcliff then plunged over for the score. Price added the extra point from placement to put the Eagles in front 13-0. After Wesson received the kickoff, failed to gain, and was forced to punt out on the Hinds 30, fleet-footed Billy Juenke loped around right end, ran through the Co-Lin secondary and raced unheeded over the goal 67 yards away. Price agai made the extra point and the Eagles led 20-0.

The third quarter was much like the first. No scoring was done in that period as defensive ball playing prevailed over the offensive style.

In the fourth quarter after Bob

Smith had punted out of bounds on the Wolves' 29 yard-line, Wade Alexander, on their first play after the punt, crashed through the middle of the line and ran through the entire Eagle team to go 71 yards for the longest run of the night and Wesson's only touchdown. Watson made the conversion from placement and the score stood Raymond 20 Wesson 7.

The two teams fought on even terms for the rest of the game that ended with Wesson in control of the ball on the Hinds 45 yard

With Pearl River 'Cats' on Saturday

Although hampered by rain and mud throughout the week, the Hinds Junior College Eagles have been hard at work in preparation for a game with perhaps the most powerful foe that they are to face this year, the Poplarville Wild-

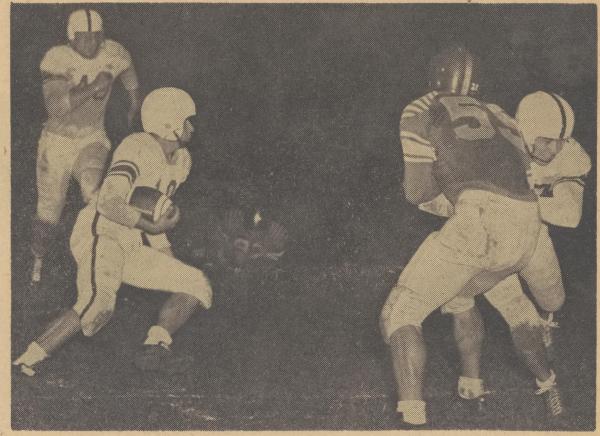

The 'Cats this year have beaten last year's champion Holmes Bulldogs 6-0 and a good Summit Bear team 39-0. Summit beat the same Wesson team that gave the Eagles such a rough time of it last week. So this game, to be played in Poplarville, shapes up to be a natural.

The Hinds assault will be led by two Louisiana speedsters, Billy Juenke and Willard Rachal. Mississippians Billy Hugh (Choo Choo) Montgomery, Bob Smith and James Ratcliff will also see their share of offensive duty in the Eagle backfield.

The Hinds defensive line, which is shaping up as one of the best in years, will be led by such stalwarts as John Crechale, Burnett Blackmon, Billy Holloway and Charles Dees. On the line offensively R. T. Raymond, Harry Franklin, Billy Cooper, and Jesse

Students Are Good Housekeepers

Students at Hinds Junior College are good housekeepers this year, according to reports from Miss Gertrude Davis, dean of women, and Mr. A. L. Denton dean of men.

Mr. Denton mentioned one room in particular as being "pretty clean — in face better than the others." That is Room 5 in East-side; while Miss Davis said "There is marked improvement in both girls dormitories.

A number of the residents in Main and Westside have made their rooms attractive. Especially in Main on the first floor has remodeling taken place. The rooms have been painted in pastel colors; and lamps, rocking chairs, and colorful curtains and bedspreads have all added to the beauty of the rooms.

Both deans agree, though, that the rooms could be improved. They suggest that the students take more pride in the appearance of their rooms, compare it with others, and try to make theirs the nicest.

Miss Davis even said that there might be a prize some morning to the owners of the neatest room.

Thought For The Week

By PRESIDENT McLENDON

We wish to commend the editorial in the Hindsonian last week pertaining to the grill. The attitude expressed was excellent, and the majority of students are expressing that same attitude by their actions. However, there are still some one or two people who are failing to do their part as citizens of the campus in this respect. We earnestly solicit their co-operation in this matter so that our grill will continue to be the fine one it now is.

66 Per Cent of Hinds High School Graduates Continue Formal Education

Of the 50 students finishing high school this past spring and summer, 70 per cent of the boys and 56 per cent of the girls, or 33 students, are continuing their education; and 90 per cent of those are continuing it at Hinds Junior College, according to a tabulation by Miss Mildred Herrin, registrar.

Three are continuing their training in professional fields, three are dontinuing in school elsewhere; eight are in the armed services; one is married; four are working; and the present status of one is unknown.

Continuing at Hinds are Gus Alfen, Roy Arnold, Robert Bailey, Milton Berryhill, Rachel Epperson, Robert Ferguson, Grady Gill Margaret Holliday, Sally Lawrence, Mims Lee, Tip Lewis, Waverly Liles

Howard McKissack, Leisa McNeely, Harold McNair, Dan Mashburn, Frank Mashburn, Morris Meeks, Joanne Mattis Ira Newman, Vito Patti, Barbara Roberts,

Richard Smith, Betty Stubbs, Robert Trotter, Billy Turnage, James Van Horn, Vivian Wadsworth, and Gwendolyn Watson.

The present status of Boris Comancho is unknown.

HJC HI-STEPPERS' DIRECTOR

Grace Shurden, graceful brownette from Greenwood and a sophomore at Hinds Junior College, is in charge of the newly organized girls' precision drill unit, the Hinds Hi-Steppers.

Meeting with the group each afternoon after school, Miss Shurden is teaching them their basic steps for the October 20 show in Jackson. Teaching dancing is nothing new to Grace, for she hopes to be a professional dance teacher when she finishes her education.

The daughter of W. H. Shurden of 403 North Stone Street, Greenwood, she is a graduate of Greenwood High school where she was a member of the band and secretary of the Tide Club. At Hinds last year she was majorette for the Eagles band and also helped organize the precision drill unit founded last spring under the direction of Mr. Don Key, former band instructor.

Among her hobbies she lists skating, music and — naturally — dancing.

Draft Deferment Tests Scheduled In December for College Students

Selective Service College Qualification Tests will be given Thursday, December 13, to registrants who have begun and plan to continue their college or university studies, according to an announcement from Selective Service headquarters.

Scores on the tests will not themselves determine eligibility for student deferment, but will be used by local draft boards in considering the eligibility of registrants for occupational deferment as students; and students whose academic year ends in January rather than June are advised particularly to apply for the December 13 testing, rather than the test scheduled April 24, 1952.

To be eligible for the examination an applicant must be a Selective Service registrant who intends to request occupational deferment as a student must be satisfactorily pursuing a full-time college course leading to a degree, and must not previously have taken the test.

Application cards for the test may be obtained from any local board. These applications must be postmarked no later than midnight November 5, for the December examinations and no later than March 10 for the April tests.

Selective Service will then mail applicants an admission ticket for the testing center at which he is to take the examination.

Sample copies of the tests may be had in the HJC library, and Mrs. Gertrude Rowzee, librarian, also has on file books on how to prepare for the Army tests which are somewhat similar and recommended for this purpose.

Much of the Selective Service test is based upon reading and interpreting college-level reading material.

Although each local board has jurisdiction to classify its own registrants as it sees fit, the policy followed during the past year was postponement of the student if he fell in the upper scholastic half of the male students of his class or if he scored 70 on the qualification tests.

Failure on the tests did not bring a loss of civilian status if the student ranked in the upper half, nor did ranking in the lower half bring induction if the student did well on the tests.

HJC STUDENTS WIN AT MEMPHIS FAIR

Janie Mashburn, high school senior, won first place in the 4-H Club dress review which was held in connection with the Mid-South Fair in Memphis, September 22.

Winning second place in the review was Stephanie Lewis of Edwards.

The canning judging team winning second place was composed of Rosa Taylor and Jewel Mattis. Taking first place in the poultry judging team were Peggy Stubbs, Elizabeth Thornton, Bertha Cox, and Joan Butts. Rosa Taylor won first place in the canning exhibit with Martha Gillespie and Mary Will McKenzie coming in second and third respectively.

At the banquet held that night, Janie and Stephanie again modeled their dresses.

Campus sponsors for the club are Mrs. W. M. McKenzie and Mrs. Albert Mashburn.

SCHEDULE RELEASED ON CHAPEL PROGRAM

A list of assembly programs on docket for the future has been released by Miss Thelma Prassell, chairman of the assembly program committee.

Programs and their dates are: October 2, dancing program; October 16, International Relations Club forum; October 24, music program (Marimba); October 30, Baptist revival preacher; November 20, high school play; November 30, magician,

Hinds F. T. A. Chapter Elects Betty Milner President for 51-52

Betty Milner was elected president of the Hinds chapter of the Future Teachers of America in a meeting held last Friday. Dean F. M. Herring and Mr. A. L. Denton are the sponsors of the club, which meets each Friday at activity period in Room 1 of the Administration Building.

Students who plan to teach after completing their education are eligible to attend these meetings.

HJC Faculty Member Attends Meeting Of Parliamentary Club

Miss Ruth Boyd attended the Jackson Parliamentary Club meeting in Jackson last Thursday evening.

The purpose of the meeting was to plan a convention of all the Parliamentary clubs of Mississippi. The state convention will be held in Jackson on October fifth.

Magazine Carries Graduate's Articles

Miriam Steen Skardon, a 1940 graduate of Hinds Junior College, is the author of two articles in the October issue of GLAMOUR.

Mrs. Skardon was formerly a staff member of the LADIES HOME JOURNAL but resigned to begin work with her husband for the King Syndicate.

MEDAL WINNER AND BAND LEADER

Leading a band can almost get to be a habit, judging by Carolyn Milton, high stepping head majorette for the Hinds Eagles Band this year — the fourth year she has been up front as the bands began to play.

A newcomer to Hinds, she was leader of the Morton High Band for three years and collected four medals during her "tour of duty" with them before coming to Hinds.

Two of those medals were for superior in twirling in the state band contests in Jackson, and one was for a supedior rating in the signal drum majoring contest. The other medal is one her band as a whole won in the Mississippi Band festival in New Orleans.

Drum majoring is not her only extra-curricular achievement, either. She plays the flute in the concert band and was assistant editor of her school paper and elected editor for the Morton High paper this year. She had also been class reporter for two years, president of the band, and reporter for the band, as well as a member of the home economics club. After finishing high school she plans to major in either English or music.

Students Urged To Join Gaveliers

"Everyone, at some time or other, is called upon to attend meetings to take part in them, or even to serve as officers or on committees. To prevent one from being embarrassed by not knowing what one should do at such time, we suggest that he join the Gaveliers Club and learn the correct way to take part in and conduct public meetings in an orderly way," says Miss Ruth Boyd, club sponsor

The club will hold its next meeting Friday at activity period in classroom 6 of the Adminstration Building. The purpose of the club is to promote a thorough knowledge of elementary rules of procedure for elections, officers and their duties, committee reports, model constitutions and bylaws, and other essential features. These are all treated from the practical standpoint of the best and simplest parliamentary procedure.

Fumbling First Half Costs Hinds First Defeat of Season

By ROBERT FERGUSON

Plagued by fumbelitis for the entire first half, the Hinds Junior College Eagles dropped a narrow 20-14 decision to the Poplarville Wildcats at Poplarville last Saturday night. The game ended with the Eagles in possession of the ball and a first down on the Wildcat three yard line.

The game was unusual and confusing in many respects as it began with the opening kickoff being executed three times.

Hinds, unable to gain control of the ball long enough to start an offensive, was on the defensive most of the firs thalf. The Wildcats drew first blood in the opening period when Jimmie Mason plunged over from the six yard line. Daniels added the extra point to give Pearl River a 7-0 advantage.

The other two Poplarville tallies, like the first, were set up by Hinds fumbles. One was on an eight yard pass from quarterback Doug Daniels to Mason and the next was a ten yard flip involving the same combination. Daniels made one of the conversions and missed the

other to give Pearl River a 20-0 halftime lead over the surprised Hinds Eagles.

The Eagles came back strong in the third period with Willard Rachal doing most of the carrying in a drive to pay dirt. It was Rachal who went over from the 30. Roy Price's attempted conversion was good and the Eagles were back in the ball game 20-7.

Seconds later Billy Juenke gathered in a Pearl River punt on his own 20 and raced eighty yards for a touchdown and the longest run of the game, Price again added the p. a. t. and the margin was narrowed to 20-14. Pearl River again threatened in the fourth quarter but Hinds held in a valiant goal line stand.

The final Eagle drive came in the closing minutes of the game when "five" minutes of playing time was presumably left in the game. Seconds later after Billy Cooper had caught a 30-yard James Ratcliff pass on the Wildcat three yard line the whistle blew denoting the end of the game.

A disappointed Eagle crew trudged from the field, so near to victory and yet so far.

BABY EAGLES SEEK FIRST VICTORY IN HOME GAME FRIDAY

Under the direction of Coach Louis Boteler, the Baby Eagles of Hinds High are working this week on basic fundamentals, preparing for their Friday night tilt here with the Mississippi School for the Deaf on the Eagles' gridiron at 8 p. m.

Still lacking in experience, the Eagles are getting better with each game, and are showing constant improvement at workouts. Handicapped by the fact that many of the students are bus students, the team is having to train on a split-shift basis; but even this has made little impression on their spirit and eagerness.

The Deaf School has played only one game this year, against St. Joseph of Jackson, losing 54-6, while the Baby Eagles will also be seeking their first victory. Previously they have lost to the Jackson Central High Bees and this past week to the Utica eleven 14-0.

Expected to see much action Friday night are the following team members:

Ends — K. Lewis, Ralph Butts, Perrin White, Marion Aiken, Roy Pesnell, Jesse Griffin, and Marion Lancaster; tackles—John Broome, Eddie Beasley, Earl Shirley, Billy Lancaster, Carlos McNair, Bobby Sheffield, Bobby Boyd, and Tom Shirley.

Guards — Frank Boyd, Ivor Davis, Billy Conlee, Carlos Zacarias, and Junior Sweeney; centers — Terry Worrell and Hugh Gillespie III; quarterbacks — George Oberhausen and Raymond Tomlinson; halfbacks — Louis Mealer, Jerry Smith Gerald Chapman, Billy Giardina and Clyde Glisson; and fullbacks — Ray Boyd and Benjamin Baines.

Assisting Coach Boteler in the daily workouts are Joe O'Callahan and Sam Murphy of the college department and managers Harry Puryear and Cameron Ferguson.

Hinds Eagles Preparing For Battle With Evenly-Matched Perk Bulldogs

After light workouts Monday and Tuesday the Hinds Eagles got down to hard, gruelling, head-knocking work this week in preparation for their tilt with the Perkinston Bulldog's here Saturday night.

With Monday's drills being devoted to a check of Hinds' defenses and Tuesday to a check of the "T" formation Bulldogs' plays, much emphasis is being placed now on open field tackling in an effort to find backfield men who are good tacklers in the secondary.

Drills were scheduled to be tapered off to light work Friday afternoon with the game opening Saturday at 8 p. m.

Two Eagles John Crechale and Erwin Dillard, are on the ailing list this week. Crechale has an injured ankle, while Erwin Dillard has a strep throat. Neither has been able to take part in the full-speed drills this week, and coaches are grooming Billy Ricketts and Bob Harleston to take their place in the event they are not able to play.

In their workouts, too, coaches are seeking a sticky material to put on the boys' hands after the past week end. In the game with Pearl River the Eagles fumbled the ball throughout the first half, losing it after almost every successful play.

The Bulldogs, a ways a rough team for any opponent, defeated the tough Summit Bears this past week end 20-13; so the game this weekend should furnish fans with a high-scoring evenly matched affair. Particularly is this true since both teams have outstanding backs who can go all the way from the kick-off to the goal line.

Loggans Has Requests For Students With Machinist Training

Having recently received requests for 12 machinists in the state, Mr. W. C. Loggans, instructor in machine shop at Hinds declares the vocational department offers students an excellent opportunity to enter the skilled trades.

During the 18 month training period the trainees cover all phases of machine shop practice. They have recently completed rebuilding two machines, built a fertilizer loader for the school farm, and pesently are building four power mowers for use on the campus.

PASS OUT THE CIGARS

The Hinds Junior College hog family welcomed the arrival of 45 pigs last week.

"When I married you, I thought you were an angel."

"So that's why you never bought me any clothes."

High School Girls Open Hardwood Drills With Coach Boteler

All girls who wish to try out for the high school girls' basketball team are invited to report to the gymnasium each day at the third period, according to High School Coach Louis Beteler.

He added that he hopes to have a good squad this season and that positions would go to the "ones showing the most fight and hustle, regardless of previous record or reputation."

Oats Planted on Farm

Fifty-five acres of oats have been planted on the college farm for the grazing of dairy cattle and hogs this winter, hogs this winter.

Plunging Fullback

Powerful fullback Willard Rachal, coming to Hinds from Byrd High School in Shreveport, set the pace for the Eagles' backfield in the Poplarville game. This 180 pound backfield star helped Hinds click in the third quarter by racking up the Eagle squad's first touchdown on a 30 yard run. He excells in offense as well as defense.

280 Lbs. Of Power

Charles Dees, 6 foot, 280 pound guard who hails from Plant City, Florida, helped set up a defensive wall that kept the Pearl River crew away from pay dirt a number of times last Saturday. Dees lettered in football and track in high school, and helped lead his football team to the South Florida championship. In addition he was in the All South Florida Conference last year.

CYO President Elected

Roy Price high school senior, has been elected president of the Catholic Youth Organization for Hinds Junior College. Other officers include Pat O'Bryan, vice-president; Anne Carr, secretary and treasurer; and Bonnie Shackleford, reporter.

Penny Fair Date Set October 26, Y. W. C. A. Reveals

The annual Penny Fair, sponsored by the Hinds unit of the Y. W. C. A. will be October 26, according to Grace Pickett, "Y" president.

Classes will meet Monday, October 22, to choose their candidates for king and queen, and students are asked to be present at their respective class meeting.

The fair one of the year's social highlights, is scheduled for the last week in October as a Halloween celebration.

In years past the program has included such concessions as fortune telling booths, fishing ponds, sleeping beauties, a chamber of horrors, a faculty graveyard, and similar events. The climar of the evening is the crowning of the king and queen of Penny Fair from among the class candidates.

Rebel Flag Sent To Hinds Marine

Purchased by employees of the Jackson Clarion-Ledger, a Confederate battle flag is on its way to Bob Ramsey, former Hinds cheerleader now stationed above the 38th parallel in Korea with a Marine detachment.

Ramsey, who left Hinds last year to enlist in the Marines, wrote the Clarion-Ledger for assistance in finding a flag. According to his letter, Ramsey was stationed with a group of "damyankees," who continually reviled and poked fun, at the South.

Ramsey wanted the flag to "take some of the wind out of their sails," he wrote.

Before the edition carrying his letter had been cleared from the streets of Jackson, members of the Ledger staff had collected money to buy a large Confederate flag and mailed it by air to him in Koren

Advanced Training Is Offered To HJC Vocational Students

Training in advanced refrigeration and air conditioning is being added to the curriculum of the HJC vocational department, according to Mr. W. H. Gibbes, coordinator.

The course, a continuation of the present refrigeration training, will be a 12 months training program.

Y. M. C. A. Elects Hill, Jackson Freshman, President For 51-52

Bentley Hill, Jackson freshman, was elected president of the Hinds Junior College Y. M. C. A. at its organization meeting last Wednesday during activity period, according to Mr. A. L. Denton, sponsor.

Others elected to Y. M. C. A. offices included Wilfred A. Bailey, vice-president; Lawrence Cheatham, secretary-treasurer; and Ted Dunning, program chairman.

All college men are eligible for membership in the Y. M. C. A. The group meets each Wednesday during activity period.

HJC Eagle Staff Plans '52 Annual

Plans for the 1951-52 EAGLE, Hinds Junior College yearbook, were begun last week with a meeting of students interested in trying out for the staff, which plans to issue the book before the end of the year, Mr. T. T. Beemon and Miss Mary Halford, sponsors, report.

Candidates for the editorial staff under the direction of Mr. Beemon include Fannie Mae Blaylock, Zula Greenlee, Bobby Allen, Suellen Abernathy, Billy Dugan, Anne Ross, LaNelle Williamson, Alice Raney, George Hicks, Margaret Johnson, Ann McGuffee, Barbara McRae, Bonne Shackleford, and James Van Horn.

Those seeking positions on the business staff include James Marble, Lawrence Cheatham, and Lamar Selby.

Pictures will be made by National School Pictures Company of Jackson early in November, Mr. Beemon said. Students will pay \$1 and get 16 pictures from two poses.

Student-Faculty Council Makes Plans For Improving Activities On Campus

To improve four phases of student life — religion, dormitory, recreation, and campus, — committees have been set up by the Hinds Junior College Student-Faculty Council.

Composing the religious committee is one member from each of

Hinds Hi Steppers Perform Thursday

If their new uniforms arrive in time, the Hinds Hi-Steppers will perform with the regular band at an "Oil Progress Day" parade in Jackson Thursday, according to Miss Jean Laneaster, band director

"Otherwise," said Miss Lancaster, "their first performance will be at the Decatur-Hinds game Saturday."

Tentative plans have been completed for the band, led by the Hi-Steppers, to give a performance at the halftime of the Raymond-Decatur clash in Tiger Stadium Saturday night. The theme of the program will be United Nations Day, which is October 24.

Improving tailoring of band members, orders have been placed for replacements of lost and deteriorated band equipment.

SPANISH CLASSES ORGANIZE CLUB

A Spanish club, under the direction of Miss Hilda Ree Davis, will be organized on Thursday during activity period. Students who are taking Spanish are requested to meet with Miss Davis in Room 1 of the Administration Building to help with the organization of the club.

the eight religious organizations on the campus. This group will plan vesper services, encourage Sunday School and church attendance, and encourage attendance at all other religious activities.

The dormitory group, composed of two freshmen and two sophomores from each dormitory will work toward improving campus dormitories.

Functions and memberships of the recreation and campus committees are still being completed.

The dormitory committee has already held one meeting and completed plans for the coming weeks. At this meeting it was decided to hold an open house in one of the dormitories each month with Shangri-La holding the first on October 26.

Visitors will inspect the dormitory from 4 until 6 o'clock in the evening, and refreshments will be served by the students living in the dormitory. Slated second will be Westside, followed by Boys, Main, and Eastside, respectively. Meeting with the students were Mrs. J. R. Harris, Mr. A. L. Denton, Miss Gertrude Davis, and Mr. M. F. Herring.

Members of the dormitory committee include:

Westside — Frances Putman, Zula Greenlee, Betty McLain, and Vivian Wadsworth; Main — Lawanna Stewart, Bertie Mae Brown, Sarah Aldridge, and Beatrice White; Shangri-La — Thomas Rowlett, Kenneth Teeter, Joe Boyd, and Tony Truitt; Boys Dorm — Curtis Early, Carroll Smith, John Lawrence, and Lawrence Cheatham; Eastside — Ted Dunning, Billy Holloway, George Hicks, and I. J. Jones.

HJC Band Presenting First Radio Program In Series On College Life

First in a series of weekly broadcasts publicizing Hinds Junior College, the Hinds Band is presenting a program Thursday night at 6:45 over Station WSLI in Jackson.

The program is being made possible through the efforts of Mr. Bill Goodrich and Station W S L I as a public service feature. Mr. Goodrich has broadcast the Hinds football and basketball games during the past year and is broadcasting the gridiron contests again this year.

Miss Ruth Boyd, speech teacher at Hinds, has been named chairman of a faculty committee responsible for the programs each week. Others on the committee are Mr. Lavan Robinson and Mr. Harold Turnage.

According to Miss Boyd, the programs will feature student actors and performers whenever possible, and will be devoted to various campus activities and departments. The programs are recorded on the campus by means of a tape recorder and played at the radio station for broadcasting. This recording method allows a greater number of students to take part in the program, since it removes the necessity for traveling to Jackson for a "live" show.

THOMAS GRAYSON, EX-HINDS STUDENT, KILLED IN KOREA

Sgt. Thomas Grayson, Jr., 19, a graduate of Hinds High School called into service with the 31st Division last January, was killed in action in Korea, according to a notice received by his father, former Adjutant General Thomas J. Grayson of Jackson.

After graduating from Hinds, Grayson enrolled at Millsaps College where he was a member of Lambda Chi Alpha fraternity. At Hinds he had been a member of the Hindsonian staff and of the high school dramatics club. Previous to enrolling at Hinds he had attended Gulf Coast Military Academy.

He was killed just six days before his 20th birthday.

What Makes America Great?

A sensational pride enveloped me as I toured a number of our states recently. I saw angry rivers tamed by dams and humbled by bridges. I viewed immense rectangular towers overlooking and governing cities. And below these towers I saw industries of all types.

Then in the suburbs there were farms, equipped with every modern convenience. And near these farms were highways — Highways that led to the cities, highways that cut paths around mountains, ighways that dipped under rivers. I saw diesel streamliners and airplanes linking sections of the nation together . . . On these streamliners and airplanes were contented, prosperous people. And I wondered what made America a great nation.

Then as I passed along the Eastern coast I visualized the landing of my first forefathers. I recalled that centuries before that time they had settled on those same shores. And they had found those shores to be ideal for their purpose, the establishment of freedom.

I suddenly remembered from my study of American history that outsiders had meddled in my country's affairs since colonial times. These outsiders had wanted to rob an denslave the free American people. They had failed to do so, however, as Americans had always gone to war to preserve their liberty. And I concluded that this courage and determination was what made America a great nation.

Three months after returning from my trip I watched a murder trial in the Hinds County Court House at Jackson. I was impressed by the protection given by the court to the accused. I also began to realize the importance of justice to the progress and safety of the nation.

Later I attended a session of our state legislature and saw laws democratically proposed and placed before the body. I saw the freedom of speech vigorously exercised by senators and representatives. And in my school elections were being conducted.

I went to church Sunday and worshipped according to my faith. The paper I just read was uncensored by the government. I have lived another day without being imprisoned for my beliefs. And I know what has made America a great nation.

-Newman.

Spiritual Food Necessary

It is my true and honest belief and firm conviction that each human life must have a spiritual food to thrive on just as it must have food and water to nourish it physically. To keep alive a proper and well balanced spiritual attitude one must feed his soul just as he must feed his body to stay alive and well physically.

All of us who have accepted Christ as our personal Saviour know what it is to be comforted by his divine spirit. We know the difference in being lost and coming to know Jesus as a rescuer.

We all could give more time to Him. He wants us to give Him our time just as He wants us to give Him part of our earthly possessions. He wants us to be able to live with Him throughout eternity knowing that we have given Him the best that we have.

The point is that we should try to set aside a special time each day to thank God for all His rich and wonderful gifts, to ask forgiveness of our many mortal sins, and to study his Word so as to come to know him better and more personally.

St. Luke 9-23—"If any man will come after me, it him deny himself, and take up his cross daily, and follow me."

-Ferguson

Thought For The Week

By PRESIDENT G. M. McLENDON

We are requesting that all classes be considered closed when the first bell at the end of the period rings, and are urging that the students leave immediately. Too often students are arriving tardy for their next class, and the usual excuse offered is that their previous teacher kept them overtime.

FERGY'S FIKSHUN

By ROBERT FERGUSON

Last week seemed to be one of some mixed pleasure and unhappiness. There were many long faces trudging around the Hinds campus on their way to a sixweeks test. Then there were a few happy faces looking forward to the holiday week-end.

Yes, the State Fair has come and gone again. Same shows same rides, same exhibits, same eats, but I wouldn't miss it for the world

Now no one's going to admit going into the "girly" show. In fact I'm sure that no guy from Hinds Junior College was to be found in that tent last week. We Hinds fellows strictly stuck to the bumper cars and the ferris wheels, didn't we? (That parrot did have one peach of a job though, didn't he, fellows?)

We always like to see the old students from Hinds show up well when they get away out into the outer world. Couldn't help noticing all the rave notices about last year's star full ack for the Eagles, Bucky McElroy. Playing in that same psition for the Mississippi Southern Southerners this year, the 200 pound sophomore had gained 237 yards in 44 carries before the S. U. I. game, to lead the team in that department. Bucky, who has averaged 5.4 yards a try this year, also leads the team in scoring with 30 points.

That faint rumor is being heard That that day is almost here. "What day?" asks the ignorant freshman. (unlucky dog). Of course he doesn't know it but that most dreaded of all days for the first year boys and girls is almost here. That is the day (drat it all! I'm a freshman) that the poor frosh must abide by and obey the high and mighty soph's every whim and fanatical fancy. You frosh had better start eating your "wheaties" now (pardon the plug), because that day will be one ordeal to tax your strength and endurance to the utmost.

If you don't know anything about meter and rhyme, maybe you could bring yourself to read this poem. It sorta expresses our sentiments in a crazy way.

The Ranger team looked pretty bad;

The Wolves' team was a dilly. The Wildcats made us very sad; We made Perk look silly

Sunflower didn't cause much pain; Yet Decatur may hold us still. But if we get at those 'Cats again; We'll devour Poplarville.

FAIR HOLIDAY DATES FROM 13th CENTURY

By JEAN RICHARDSON

That holiday you took Friday began in the 13th century.

Like the majority of other schools in Mississippi, Hinds Junior College observed a holiday Friday so that students might have an opportunity to attend the state fair in Jackson. That custom originated as early as fairs in the 13th century, when holidays were declared for that same purpose.

At that time people living on the large feudal estates took a few days of each year to go into the large cities. The occasion was a religious holiday, but the merchants lined the streets to sell wares to the visiting peasants and Their families.

As the years passed the merchants began to combine their efforts and move from place to place. Games were added to attract more people. These found amusement in cock fighting, horse racing, bear baiting, and various other contests.

As everything else, the fair found its way to the United States as people began to come to the New World, bringing their idea of entertainment with them. The first fair in America was held in New Haven, Conn., in 1644 and exhibited agricultural products. The first fair held after the United States was organized was sponsored by William Thornton.

Although the games and rides attract more attention, especially from the younger people, the usual fair is still based upon agriculture—or in Mississippi's case, agriculture and industry.

The farmers still bring in their best products to put them on exhibit along with the farm wife's new patchwork quilt, jam, and preserves. This is the reason the occasion is usually held in the fall of the year. The farmers are through with their work, but the products are still fresh; and he even might have some of his cotton money left to exchange for "cotton" candy.

Local I. R. C. Offers World News Service

Do you need information about national or international events for use as study material in class or club or to increase your own knowledge of current events?

World News of the Week, a pictorial account of news at home and abroad, is again available to students at Hinds through the International Relations Club, according to Mr. J. R. Harris, club sponsor. Issues may be borrowed by contacting Mr. Harris or used for individual study in the Music Hall auditorium. Back issues are filed and a guide is published to aid in locating desired material.

Local Boards Have Draft Test Forms

Applications for the December 13, 1951, and the April 24, 1952, administrations of the College Qualification Test are now available at Selective Service boards throughout the country.

Eligible students who intend to take this test on either date should apply at once to the nearest local board for an application and a bulletin of information, according to a press release from the national Selective Service headquarters.

According to the Educational Testing Service, which prepares and administers the test for the system, it will be greatly to the student's advantage to file his application at once, regardless of the testing date he selects. The results will be reported to the student's local board of jurisdiction for use in considering his deferment as a student.

WORRELL ELECTED HI-Y PRESIDENT AT FIRST MEETING

Terry Worrell was elected president of the Hinds Hi - Y at the organizational meeting of the group Wednesday during activity period in the Music Hall auditorium.

Other officers elected were Joe Gearhart, vice-president; Billy Bateman, secretary; Eddie Beasley, treasurer; and Thomas Shirley, reporter.

An invitation is being extended to all high school boys to meet with the organization each Wednesday.

HJC Gaveliers Visit Parliamentary Meet In Jackson Recently

The Hinds Gaveliers attended, as visitors, the state convention of the Parliamentarians at the Edwards Hotel in Jackson Friday, October 6th. Three national officers spoke at this convention.

Among those who attended were: Mrs. Efleta Tomlinson, Mattie Jo Daniel, Lawana Stewart, Dalton McKenley, Mary Ann Pressley, and Miss Ruth Boyd, sponsor of the Gaveliers.

Grady Sheffield Speaks On Radio

Mr. Grady L. Sheffield, manager of the Hinds meat curing plant, broadcast last Saturday morning at 6 a. m. over W S L I on behalf of the Farm Bureau membership drive. Mr. Sheffield, secretary-treasurer of the Hinds County Farm Bureau, announced the bureau's "Harvest Supper," which is to be held in the Hinds cafeteria Friday night, November 2.

Raymond Girl Heads Hinds Dramatic Club; First Play Selected

Barbara Brummett of Raymond, was elected president of the High School Dramatics Club of Raymond High at the regular meeting October 4 in Room 2 of the Administration Building, at which time the club selected its first play and voted to stage several others so that more students might have a chance to participate.

Other officers elected include Nancy Arnold, vice-president; Barbara Gressett, secretary; Harry Puryear, treasurer; and Tommy Shirley, reporter.

After reading and discussing several plays, the club selected, "The First Dress Suit," a one-act comedy by Russell Medcraft for its first production. The play wilh be presented as the assembly program on November 20.

Boys' 4-H Club Work Offered At Hinds Under C. H. Estess

Boys' 4-H Club work will be offered on the Hinds campus each second and fourth Friday of the month during activity period in Room 5 of the Agriculture Building, according to Mr. Charles Estess, assistant county agent.

The first meeting will be held November 9, and all boys interested in 4-H Club work are invited to attend the meeting, when officers will be elected and the year's program discussed.

I. R. C. Gives Program On Atlantic Pact, UN

The United Nations and the North Atlantic Pact was the subject of a symposium presented by the International Relations Club in chapel Tuesday. Taking part on the program were Edwin Cobb, Ted Dunning, Bonne Shackleford, and Wilma Ryan, Introducing the program was Mr. J. R. Harris, sponsor of the club, who discussed America's present financial efforts to secure world peace.

Ex-Gavelier President Requests Information On Organizing Club

Raymond Wiley, graduate of Hinds Junior College and former president of the Gaveliers, has written from Oak Ridge, Tenn., for information on how to organize a parliamentary procedure club according to Miss Ruth Boyd.

Wiley writes that there is a possibility of his teaching a class in parliamentary procedure there.

37 Junior College Graduates Continue Formal Training at Senior Colleges

Only 52 per cent of Hinds Junior College graduates continued in school this year, as compared to 62 per cent enrolling in senior colleges last year, a tabulation by Miss Mildred Herring, registrar, indicates.

Chief factor in the drop is the large number of girls entering employment. Only five girls of the May and August graduating classes have transferred to senior college, as compared to the 50 per cent of the girls graduating last year.

Thirty-four per cent of the total graduating class is employed, with Southern Bell Telephone employing 32 per cent of all those working. Eight girls have married since graduation.

The largest number of students transferring to senior college are enrolled at State College, which took 23 per cent of all transfers. These include Travis Abel, Cecil Abel, William Champion, Lee Hall, Elmo Johnson, Clayton Pope, Richard Tadlock, Jimmy Wilkerson, and Bobby Prescott.

Millsaps claimed 18 per cent, or seven students: Emmett Anderson, Doris Barnette, Richard Bush, Wilbur Luke, David McFarland, Steve Moore, and Philip Payment.

Six are attending Mississippi College. They are Bruce Campbell, A. J. Comfort, Margaret Farr, William McLain, Clark Mashburn, and John Ed Tabor.

Five students are at Mississippi Southern. They are Milton Hall, Allison Killingsworth, C. D. Lancaster, Bill McDonald, and Betty Lou Prassel.

Bill Cantrel, Paul Douglas, and

Ray Johnson are attending the University of Alabama, while J. D. Bennett and F. E. Brasfield are at the University of Mississippi.

Others attending senior colleges include:

Carolyn Clarke, Belhaven; Jerry Brooks, Tulane; Jerry Schlung, Unversity of Illinois; Pete Street, University of Tulsa; and Jerome Tharpe, University of South Carolina.

Those in service include Roany Lackey, Karen Neely, Kevem Neely, and Lamar Peyton.

Doris Aldridge, Jill Ray, Jeannine Smith, Joann Webb and Joyce Kelly are married.

Florene Abernathy, Wilma Faye Peyton, and Mazelle Campbell are teaching.

Working with Southern Bell are Carolyn Gresham (married), Mary Elizabeth Leake (married), Patricia Loflin, Theresa Marbury (married), Lucy Mikell, Mary Elizabeth Mills, Gloria Overby, and Carolyn Parker.

Others employed include:

Evelyn Adcock, in Edwards; Aubrey Anderson, in Jackson, expects to be called to Air Force; Faye Berryhill, State Office Building, Jackson; Bonnie Clarke, Brookhaven; Mike Crossin, professional baseball; Eva Jewel Echols, Jackson; Martha Ivy, Knoxville; Thelma Letchworth, Jackson;

Ernest McNair, Jackson; Colleen Mann, New Orleans; Bettye Smallwood, Atlanta; Charles Townsend, expects to enter L. S. U. second semester; Billy Vaughn, expects to enter Southern second semester; and Katie Belle Waters, Jackson.

Agriculture Classes Plan Trip To Oakley

Two agriculture classes are planning trips to the Brown Loam Experiment Station at Oakley this week. The animal husbandry class plans to see the livestock and pasture plots, while the crops class plans to watch the harvesting of crops and observe the crops that have recently been planted.

Former Hostess Visits Friends on HJC Campus

Mrs. Eva Askew, hostess of Main Dormitory for many years, was a recent visitor to Hinds Junior College.

"Mother of a thousand girls away from home," Mrs. Askew retired this summer from active duty. She is now living in Edwards, managing her own household among her friends and neighbors there. She lives near her two daughters, Mrs. Clark Robbins and Mrs. Walter Luster, and near enough to Raymond to visit Hinds.

Navy Records Set With Alumnus' Aid

Seaman 1-c Thomas Gayle Houston, 19, a Hinds Junior College alumnus, has been in the Navy just a little over a year, but in that time he has been a participant in the establishing of two Navy records.

Gayle is a member of the crew of the U. S. S. Platte, an auxiliary oiler, which recently established a record for the longest period at sea, 2000 hours — previous record was 1500 hours. The other record was for fueling more ships in one day than had ever been done before.

Son of Mr. and Mrs. W. T. Houston of Bolton, Gayle left San Diego in December, 1950, for Pearl Harbor, then for the Far East where he fueled fighting ships off Korea.

The Platte hauled "everything from ice cream to ammunition," in addition to the fuel, Houston said.

The seaman has earned four ribbons during his year of service: the China Service, Japanese Occupation; Korean Defense, and United Nations.

Tiger Stadium Will Be Scene; Eagle-Warrior Clash Saturday Montgomery Hits Paydirt Four Times

Hoping to continue rolling as they have in their last two games, the Hinds Junior College Eagles are hard at work in preparation for a tough conference game with the Decatur Warriors in Jackson Saturday night.

The game is expected to be a hard-fought affair, with Decatur seeking Eagle scalps for the 19-0 upset defeat handed last year when the Warriors seemed headed for a state championship and overlooked Hinds for a "bigger" game the following weekend.

According to reports from the Warrior's section, the East Central squad has been "pointing" for Hinds this year, and were so anxiout to begin practice for the game they gave up on of their holidays

The Eagle squad, which has rolled up four impressive victories this year to one defeat, is showing up well in practice sessions, strengthened by the return of several injured players and some team members who have been out since the first of the season.

Billy Cooper 148 pound scrapping end from Canton, a sophomore player, was back in action after being out with minor injuries. Also at end position two other Eagle players were showing up well. They are Benton Fortenberry and Earl Jefferson. Fortenberry, who had never played football before this year at Hinds but was an outstanding baseball and basketball star, has been receiving a great deal of individual atten-

tion from Eagle coaches. Their efforts are paying off, for at least three Eagle touchdowns can be attributed to Fortenberry's pass re-

In the backfield, a department already fairly strong, two others are being added. Freddy Knight of Hattiesburg, hampered early this season with an ankle injury, is dressing out and showing quite a bit of improvement. Roy Price, who has been restricted to the work of extra point kicker because of a sprained ankle, got into his first full speed scrimmage this week. Usually billed as a quarterback, he looked exceptionally good running from the fullback spot.

At quarterback position, Ryron O'Quinn of Fayette is shaping up as a promising junior college quarterback. Though still lacking in experience, he is beginning to connect regularly with pass receivers on his long shots. Coaches, too, expressed themselves as well pleased with Reynold Ledet, tackle. If Ledet continues to hustle they believe he will make an outstanding showing as linesman before the year is out.

Chief threats to the Eagles' goalposts at Tiger Stadium Saturday night will be Harold Crowson, Louisville High all-state fullback, and the running and passing attack of Bal and Duffy. In addition to stressing their passing and kicking game the Eagles have been trying to set up defenses against these three, who with Floyd Smith and A. J. Kilpatrick, trounced the Summit Bears 19-6.

Denton Reveals Three Trick Plays; Were Used For Extra Scoring Power

Grid mentors DeVall, Renfroe, and Boteler need worry no longer about fielding a winning team. Touchdowns are almost guaranteed if they will take a page from the book of a former gridiron coach, Dean A. L. Denton.

Although Coach Zeus admits his system is not infallible, he does have some secret "sleeper" plays, that according to him, were responsible for his teams' scoring while he coached.

The four are masterpieces of simplicity that will leave the opposing team, counting on their fingers before every play to make sure every player is accounted for.

The favorite of his four is the "official" play. On this a player holds the yard measuring chain on a first down when the teams are lined up well toward the center of the field. One player, preferrable a small one who won't be

noticed, sneaks off the field just before play begins. As the ball is snapped the chain holder abandons his post to receive an aerial and gallops down to score while the opposing team piles into the line-

Even simpler is the "waterbucket" play. During a timeout the waterboy carries water to the players but forgets to take his bucket off. As play is resumed, the captain notices the bucket and one of the ends grabs it and carries it toward the sidelines. As the ball is snapped the end tosses the bucket over the sideline and breaks downfield for a touchdown pass.

The "fight" play works much the same way. Two players begin fighting and the captain sends one off the field. However, that player, instead of taking his punishment, takes a pass instead.

Eagles Beat Sunflower In 55-0 Tilt;

By ROBERT FERGUSON

With a display of sheer power and some excellent break away running by little Billy Hugh (Choo Choo) Montgomery, the Hinds Junior College Eagles romped to a 55-0 triumph over an outclassed Sunflower Junior Colleve eleven in Moorhead Thursday night.

A sparse, chilled audience watched the Eagles roar to three touchdowns in the opening period and two in the second to take a 35-0 halftime lead. Hinds, using second and third stringers, failed to score in the third quarter, but zoomed back in the final frame with three scores. Roy Price, extra point specialist, came through on seven of his eight tries at conversion to give him 24 successful boots out of 27 attempts.

Stunned by Montgomery's two opening minute runs of 40 yards plus for touchdowns, the Trojans were never able to get into the ball game as far as scoring was concerned.

After "Choo Choo" had chugged to his broken field beauties, the next score for the Eagles of Coaches Les DeVall and Joe Renfroe came when Quarterback James Ratcliff tossed a 30 yard aerial to End Benton Fortenberry streaking over the goal line.

Hinds countered their first marker in the second period when Bob Smith circled right end from three yards out.

A few minutes later the irate Eagles scored again when Billy Irby intercepted a Trojan pass on the Sunflower twenty and Tony Montalbano went over on the next

No scoring was done in the third quarter, but late in the fourth setto the Eagles went to work again. Willard Rachal, steam rolling fullback, bulled his way for a 40 yard scoring run.

The next Hinds score came when Montgomery, the ex-Hattiesburg High flash, weaved through the entire Moorhead team for a 46 yard scoring jaunt.

After Irby had returned a punt 40 yards to the Sunflower 13, Montgomery went over again for the game's final score to give the Eagles a 55-0 verdict.

BILLY HUGH MONTGOMERY

JAMES RATCLIFF

These two Hinds backs will see much action Saturday night in Jackson when the Eagles meet the Decatur Warriors at Tiger Stadium. Billy Hugh Montgomery of Hattieshurg scored four touchdowns last week against Moorhead although he saw limited action because of the high score Hinds had run up. "Choo Choo", as he is known around the campus, lettered in football, track, and tennis at Hinds last year.

In high school at Hattiesburg he lettered in football, tennis, track, and basketball. Billy Hugh, who stands 5 feet 7 inches and weighs all of 135 pounds, is the 21 year old son of Mr. and Mrs. J. H. Montgomery of Hattiesburg. "Choo Choo" is expected to cause the Warriors a lot of worry Saturday.

James Ratcliff is the dependable play-caller for the Eagles this year. Besides being an expert at calling the right plays, he is fast developing into a dangerous passer and is always a threat on the optional pitchout plays. James, son of Mr. and Mrs. M. L. Ratcliff of Philadelphia, lettered in football and tennis at Hinds Last year. The 5 foot ten inch sophomore who tips the scales at 165 pounds lettered in football, basketball, and baseball while in high school. James, who is 19 years of age, was president of the student body at Philadelphia High School. While at Hinds he has been elected president of the sophomore class and serves as chairman of the student government committee. A Hinds win will depend greatly on Ratcliff's work Saturday night.

Rowzee Attends Library Meeting

Mrs. Gertrude Rowzee, Hinds Junior College librarian, attended the annual meeting of the Mississippi Library Association, October 20-22 in Jackson at the Heidelberg Hotel. The chief subjects of discussion at the meeting were public libraries and the two regional libraries recently established.

4-H Club Girls Meet Friday To Discuss Achivement Week

Local observance of National 4-H Club Achievement Week, scheduled November 3-11, will be discussed by the Hinds Junior College 4-H girls at their meeting Friday, when they will also discuss installation and initiation of officers and

As the regularly scheduled program, a demonstration on "eating a better breakfast" will be given.

Penny Fair Slated For Friday Night; Campaigns For Favorites Underway

Money boxes were rattling and secret plans were buzzing as Hinds students began campaigning for their candidates for king and queen of the carnival, whose coronation Friday night will highlight the annual Y. W. C. A. Penny

Candidates for the regal titles were selected by each of the classes

Wadsworth, Ferguson To Head Paper; Appointment of 21 Others Announced

Vivian Wadsworth of Jackson and Robert Ferguson of Learned have been selected as co-editors of the HINDSONIAN, Hinds Junior College student newspaper, after try-outs during the past seven weeks, according to Mr. Harold Turnage, sponsor.

Other important staff positions will be filled by William Davis, Terry, news editor; Jean Richardsn, Flora, and John Newman, Jackson, feature editors; Patricia Williams, New Augusta, and Mary Ellen Williamson, Madison, vocational news editors; Edwin Cobb, Yazoo City, sports editor; Thomas Shirley, Jackson, club editor; Barbara McRae, Brandon, circulation manager

Members of the editorial and feature staff include:

Thomas Loftin, Raleigh; Bobbie Davis, Terry; Ann Ross, Port Gibson; ff DeCelle Anderson; Bobby Trotter, Bolton; Dot Gerrard, Canton; Virginia Farr, Flora; Lynette Collins, Lake Providence, La.; Carolyn Hall, Magee, Joe Lee, Ruleville; Jean Reeves, Yazoo City; and Ann Carsley, Jackson.

Daughter of Mr. and Mrs. H. E. Wadsworth of Jackson, Vivian has been a member of the HIND-SONIAN staff for the past three years. Last year she and Robert Ferguson, while still in high school, published the weekly news-

In addition to her work on the paper, Vivian has been reporter and president of the Modern Miss Club, vice-president of the Baptist Student Union, social chairman of the Y-Teens, and a member of the chorus and dramatics

This year she has been elected president of the Spanish Club and program chairman of the B. S. U. She is also a member of the Mixed Chorus and the Y. W. C. A.

Robert, son of Mr. and Mrs. G. R. Ferguson, has served as sports editor of the HINDSONIAN for two years. In high school he was class president and vice-president; president of the Hi-Y, treasurer and reporter of the Future Farmers of America. He was a member of the debate team, the dramatics club, the football team, and the 4-H Club. While still a senior in high school he was elected president of the Mississippi Junior College Press Association, a position he is now filling.

The climax of the evening will be the coronation of the king and queen and a floor show to entertain their majesties.

Robertson Plans HJC Fire Brigade

Initial plans for the organization of a Student Volunteer Fire Brigade at Hinds Junior College are being made by Mr. Cecil V. Robertson, chemistry and physics teacher, who is in charge of firefighting equipment at Hinds,

Mr. Robertson said he will appoint 10 students to the brigade in the near future. "This will be a public service and the students will serve without pay," he said.

The group will be given lectures on the use of various types of fire extinguishers and the proper manner of extinguishing different types of fire, he said. "It is planned to have the large pump-type extinguishers located in a central spot from which the brigade can roll them to any necessary point.

At present Mr. Robertson is checking all fire extinguishers on the campus to see that they are in working order. These extinguishers are located in all important buildings on the campus.

I. R. C. Gives Next Hinds Radio Program

The International Relations Club, sponsored by the social science department, will present the weekly radio broadcast Thursday night at 6:45 over station WSLI in Jackson.

All campus activities and departments will eventually be represented on these programs.

Spring Cleaning Begins This Week

Lynette Collins, Carolyn Hall, and Joe Lee.

Anderson, Bobby Trotter, Dot Gerrard, Virginia Farr,

Spring cleaning will come early this year at Hinds.

In last week's issue of the Hindsonian there appeared a story about the dormitory committee that was appointed by the Student Faculty Council. The functions of this committee are to improve the dormitory surroundings and to make suggestions on how the campus can be kept clean. As capable as this group is, it alone cannot do a thorough job; but with the help of you, the student body, it can be done.

According to the news story, "open house" will be observed in each of the dormitories, and everyone will have the privilege of visiting the rooms during the designated hours. Yes, that means that you girls will be able to see how your favorite boy friend keeps house, and you guys can get an eyeful of how the fairer sex lives.

This may come as a shock to some of the boys preparing for the occasion, but cleaning does not only include sweeping the floors, making beds, and dusting. If you'll check with your mothers you'll find it also includes washingthe windows (don't forget the paint on the window panes, scrubbing the walls (I use the word "scrub" because many of the walls need it), brushing down the ceiling, cleaning the venetian blinds (a little ammonia in the water helps), mopping, and waxing the floor. It might also be a good chance to straighten out the closets and shelves.

Sounds like work, but after it's done, no one can complain about the appearance of your room.

In addition to keeping our domiciles clean, we should remember the campus grounds. Our visitors draw their opinions from the appearance of our grounds. Many occasions arise during the school session in which having the campus clean plays a major role. Let's refrain from throwing candy and gum wrappers and other refuse on the lawns and sidewalks.

With the help of you, the student body, the committee can not only make Hinds a cleaner place but keep it that way.

Thought For The Week - By G. M. McLendon

"It is more blessed to give than to receive."

Let the student body be in this frame of mind by letting former students know of the Hinds Homecoming in four weeks. We believe that they will be tremendously impressed with the improvement of the physical plant since they were here. The occasion will be the Booneville game, November 17.

Superstitions, Customs, Ghosts Are Important In Hallowe'en Celebration

"Turn your boots toward the street.

Leave your garters on your feet,

Put your stockings on your head,

You'll dream of the one you're going to wed."

This is one of the many superstitions that was believed in old America. Other superstitions and customs gathered through the ages go into our celebration of Hallowe'en or "Holy Eve" that Hinds students observe this week end with the annual Penny Fair.

The ancient Druids had a threeday celebration at the beginning of November. On the eve before, they believed, spirits of the dead roamed abroad and they lighted bonfires to drive them away.

The Druids also believed that October was the end of the year and ovember the beginning. They thought that souls of the good entered the body of another human being at death, but souls of the wicked entered the bodies of cats. For this reason the cats were considered sacred. It was long accepted as the truth that cats had once been human beings and had been

changed into their present form as punishment for evil deeds. This is the reason the cat symbolizes Hallowe'en.

Hallowe'en was a time when it was once supposed that witches and ghosts were most likely to wander abroad. The belief in witchcraft is very old and evidences of it are found in the Bible.

A Pennsylvania belief was that if one went out of the front door backwards, picked up grass or dust and wrapped it in paper, and put it under the pillow one would dream with certainty of what the future held. In Maryland the girls put an egg on the stove to fry and opened wide the doors and windows. Then the man they were to marry would come in and turn the egg. At supper the girls stood behind the chairs confident that their future husband would come and sit in front of them.

The custom of Hallowe'en is no longer taken seriously. The children of today go about the neighborhood wearing masks and fancy costumes, asking for apples, cookies, and other goodies — all a survival of the seventeenth century when people took their witching seriously.

FERGY'S FIKSHUN

By ROBERT FERGUSON

It seems that Fergy is acquiring some critics down Poplarville way. The Pearl River Junior College CADET put out some nasty remarks about our coverage of a recent football game. In my story on the Poplarville game I was throwing no shade on the integrity of the officials of their ability, nor on the ability of the Wildcats who played a first great half.

To the CADET staff though may we say we're truly grateful for the information on how to time plays. We were wondering how it was done. According to the president of the Mississippi Athletic Officials Association, who was in the stands at the time, it is impossible to keep time for a football game with a wrist watch which was the method used for a good part of that game. There is no method to stop a wrist watch for the time-outs, for the incompleted passes, for the out-ofbounds plays. Yet a wrist watch was used. Before the CADET enlightened us as to the twenty-five seconds needed per play we were mighty concerned over how that official did it.

Well, the Eagles have done it again. Nobody can say we had an easy time with the Warriors though. Now, all roads lead to Ellisville and the Eagles must beat the powerful Bobcats to stay in

RED CROSS HEADS VISITS HJC CAMPUS

Mrs. John K. Bullock and Miss Frances Decell of the Red Cross office in Jackson visited here Thursday, October 18, to discuss setting up a program of Red Cross activities on the college campus.

Mr. B. L. Hill, commissioner of junior colleges from the Mississippi Department of Education, was a visitor on the campus Friday, October 19.

the conference race. Those guys from Ellisville would like nothing better than beating the ole Eagles' tailfeathers.

If anybody ever tries to tell you that Hinds unior College doesn't have a luscious bunch of lovely lasses you just sock 'em in the nose. Man, not after watching those Hinds Hi-Steppers Saturday night. In their first appearance they won the admiration (and admiring glances) of the whole throng at Tiger Stadium.

The Hinds Junior College money getting machines oiled up thein parts this week as the annual Penny Fair is rapidly approaching. Don't be surprised at any scheme you have seen or heard of to raise money for the "King" and "Queen" of the respective classes. I'm sure such publicity stunts as "a penny a kiss and a penny a hug" would not be adverse to many of the campaigners.

Education Class Uses New Building

Dean A. L. Denton's education class got the jump on the other Hinds students Monday when they held the first class in the new Administration Building.

The education class began meeting in Room 3 of the old Administration Building at the opening of the year. Last Friday they were chased out by the development of a reading class, so they moved into the auditorium.

Freshmen intent on politicing, took this over Monday morning, and the education class had to move once more.

Giving the matter serious consideration, Dean Denton said, "Grab a chair everybody," and led the way to the new building.

There will not be any other classes meeting in these buildings for quite a while because the heating system has not been installed, according to Dean of Instruction M. F. Herring, so the education class not only pioneered the building but promises to have the lead for some days to come.

Course in Flying Will Be Offered

Plans for a course in flying to be offered in the near future to Hinds students are being completed by Mr. Kenneth E. Bryant and Mr. C. O. Bishop of the Hinds vocational training staff.

Upon completion of details, training will be given at the John Bell Williams Airport, which is being prepared for the classes. Classroom work will probably be offered on the campus with the actual flying offered at the field, Mr. Bryant said.

Advancement of students will depend upon individual abilities, weather conditions, and time available to the student.

Costs to students, transportation * to the airport, and other details will be announced later, he said.

Two New Students **Enter Mechanics**

Two students have enrolled in the vocational department to study aircraft mechanics, according to Mr. Kenneth E. Bryant, instruc-

The course is an 18 months training program, and includes work on engines varying from 65 horsepower to 2000 horsepower. It also includes training on the latest type of jet engine.

Williard E. Toole and Billy E. Ray are the two students presently enrolled. Other interested persons may enter training at any time, according to Mr. Bryant.

Mrs. Rowzee Reveals Brief Summaries of Several Library Books

Moonfleet, a story of smugglers, hidden treasure, love, and the curse of he Black Mohunes, is a recent addition to the Hinds Junior College library.

The story by J. Mead Falkner is told by a young orphan who accidentally stumbles upon two dangerous secrets and becomes involved in one perilous situation after another.

A new collection of short stories by such authors as Mansfield, Hardy, Lawrence, Porter, Shaw, and J. Johnson has also been acquired by the library.

Lamplighters Elect Sartartia Sophomore

Mattie Jo Daniel, Sartartia sophomore, was elected president of the Lamplighters Club at the first meeting of the year held in the Home Economics Building.

Other officers include Jo Millican, vice-president; Carolyn Paxton, secretary; June Mobley, treasurer; Lanelle Williamson, social chairman; and Doris Hedgepeth, publicity manager and reporter.

The club is composed of college girls interested in home economics. Members meet each Wednesday at activity period in the Home Economics Building, and an invitation is being extended by the new president to all girls interested in becoming members.

HIGH SCHOOL TEAM FETED WITH SUPPER AFTER CULKIN GAME

Miss Lynn Cummings whose parents, Mr. and Mrs. H. B. Cummings, own and operate the Parkview Cafe and Lounge just under the arch in Vicksburg, treated the Raymond football team to a dinner at her establishment Thursday night after the Raymond-Culkin football game.

The dinner, which promises to be an annual affair, consisted of oysters, French fried potatoes, a salad, olives, bread, and any fruit drink desired.

"The entire squad expressed Their thanks for a fine meal," Mr. Boteler said.

Around The

Collegiate Loop

Ever so often in the HINDSON-IAN this column will appear, bringing you the latest news and views on the senior and junior colleges in Mississippi and in other parts of the nation.

At Jones County Junior College, the students are seeing "double." It is reported in the RADIONIAN. campus newspaper, that there are four sets of twins attending school! That's seeing "doubledouble" if you ask me.

It Doesn't Pay . . .

At Ohio State university it doesn't pay to cheat. Minimum punishment is a failure of the course and an added five hours on requirements for graduation.

East Central Junior College has organized a drill squad, similar to ours, which is composed of thirtyfive girls who will accompany the band and majorettes in marching at half time shows at the football

Forgetful . . .

Recent comment from a University of Texas professor: "The trouble with a fellow who thinks he can read women like a book is that he's always forgetting his place."

In the BULLDOG BARKS, campus newspaper of Perkinston Junior College, editor Fred Haise wrote a fine article about Hinds, In fact there were many stories about the trip that was made by the Perksters to see the Hinds-Perk clash.

Dirty Mail . . .

The University of Kansas post office issued a plea to the student body: "When you get ready to ship the first bag full of dirty clothes home to mother don't stick a letter inside."

It seems this turns the laundry into first class mail.

The following poem appeared originally in the Daily Lobo, University of New Mexico:

He asked me: "When?"-I could not tell. He queried: "Who?"

Thomas Hal Phillips Featured Speaker At Librarians Meet

Thomas Hal Phillips, graduate of Hinds Junior College, spoke at the Mississippi Library Association Friday, October 19.

Born in Kossuth in Alcorn County, where he still lives, he won the 1951 O. Henry Memorial Prize for short stories. He has published two novels, "Bitterweed Path" and "Golden Lie," and is working on a third one which will appear in

Mr. Phillips will be a visitor on the college campus in the near future, according to Miss Boyd who is a good friend of his.

Again I fell. He named a man To me a stranger. And I could see Myself in danger. What was this plight - this mystery?

Oh! Just my course in history. A proposed honor system is being discussed at Millsaps by a student social group committee. Various systems are being studied in order to decide on the type that shows the best possibilities.

It is reported in the PURPLE AND WHITE, student newspaper of Millsaps that the lounges in the Christian Center are being changed from Men's and Women's Lounges to Smoking and Non-Smoking Lounges. In his column, THE MOVING VAN, editor Van Cavett states: "It is good in that it breaks down the segregation into sex, but is bad in that it breaks down into smokers and nonsmokers. That to us seems a particularly bad way of segregating students." I agree!

Ah, To Dance . . .

The Goldenrod, Wayne State Teachers college, Nebraska, is a bit fed up with certain types of male dancers. Here are the types:

Harry the Hepcat — "He asks a girl to dance as if he were Louis B. Mayer asking a starlet to star in a million dollar picture extravaganza. While twirling his partner back and forth like a yoyo, he is constantly speaking in a line of jive jargon . . . "

Bashful Bill - "Bill feels terribly embarrassed and the only excuse he can think of is that he just washed his feet and can't do

a thing with them . . ."

Luke the Lover — "He says he used to be conceited but went to a psychiatrist and was cured. Now he is the nicest guy he ever met. If someone doesn't wise up to this character, he is liable to love himself to death."

Isn't that just like some of the guys around here?

Hinds IRC Elects 12 New Members

Twelve students have been elected to membership in the Hinds Junior College unit of the International Relations Club, according to Fannie Mae Blaylock, president.

The new members include Carlton Anderson, Mary Ann Bassett, Barbara Hubbard, David Lewis, Buck Coates, James Ratcliff, Joan Taylor, Ted Dunning, Marilyn Sandifer, Roy Price, Erwin Dillard and Joe Terry.

Membership is limited and offered by invitation to those students who show a special interest and capacity for such study.

Eagles Prepare to Resume Old Rivalry On Ellisville Gridiron Saturday Night

A decisive "game of the season" is scheduled at Ellisville this week end when the Hinds Junior College Eagles tangle with the Jones County Bobcats in a game that has come to mean the strongest rivalry in the junior college

The Bobcats have been undefeated this year in their first six games and suffered only one tie, while the Eagles have lost one game, to loop-leading, unbeaten Pearl River of Poplarville.

The game will have a tremendous effect on the standings of the two teams, since Jones is now above Hinds in the state ratings.

In the past seven years the Hinds Eagles and the Bobcats have played a series of games in which one or two points have decided the issue - usually in Hinds favor. Many of these close games have resulted in further matches in the Laurel Lions' Bowl, with more close scores, again most of them in Hinds' favor.

In last year's game the Eagles, rated as an underdog team, staved off repeated Bobcat attacks to win 8-6 before a cheering crowd. In that game Bucky McElroy scored a touchdown and Burnett Blackmon nailed an Ellisville passer behind his own goal for the precious two

This game promises to be even closer, wth both teams worked up to a fever pitch for the event, which is expected to draw one of the largest crowds in junior college conference ball this weekend.

Spearheading the Hinds attack will be Willard Rachal, Billy Juenke, and Billy Hugh Montgomery in the backfield; Earl Jefferson, Leonard Williams, Billy Cooper, and Benton Fortenberry, receiving ends for the rifle quick passes of James Ratcliff and Freshman Byron O'Quinn.

The line will boast such standouts as Earl Leggett, Burnett Blackmon, John Crechale, R. T. Raymond, Jesse Greer, Billy Cooper, Bob Harleston, Billy Ricketts, Harry Franklin, and Billy Holloway, all of whom turned in an outstanding game last weekend.

Spirited Baby Eagles Ready to Meet Benton In Game Friday Night

After playing their best game to date against Culkin Academy, the Baby Eagles of Hinds High have been preparing this week with daily full-speed scrimmages for their invasion of Benton Fri-

Expected to be an important weapon in the Eagles armory that might is the passing ability of George Oberhausen, quarterback, who heaved 33 passes in the Culkin game and connected with 12 of

Score Cannot Register Spirit

The Raymond High School football team went to Vicksburg Thursday night and was defeated by Culkin Academy, 50-0. That score alone is decisive enough but it doesn't tell a complete story. It doesn't tell of a scrappy Raymond team that hustled from the opening whitle to the final gun, although they were clearly faced with a stronger, more experienced ball club. They played like a team fighting for a championship, not like a team that had yet to win a game this season.

That kind of spirit wasn't hard to spot. You saw it by watching Jerry Smith chase a runner 50 yards to haul him down on the 4-yard line. (Culkin scored three plays later.) You could tell when Raymond Tomlinson blocked a kick with his face although Culkin already led 44-0. The best example came at the very last when Coach Boteler asked little 100-pound K. Lewis if he could handle a halfback Culkin had just sent in. K's only answer was: "Heck, where's my helmet?"

That kind of spirit deserves backing. They haven't been getting that backing either. Coach Boteler has a fine bunch of boys with fighting hearts. All they need is a little fan support.

So, in the midst of HJC's possible march to the JC crown, why can't everybody take time out to watch another Raymond team? They won't win as many games but they'll try just as hard.

Hinds Eagles Down Decatur Warriors In High Scoring Game in Jackson

In a battering, bitterly-fought game the Hinds Eagles crushed the Decatur Warriors of East Central 49-28 in Jackson's Tiger Stadium Saturday night. The game was highlighted by a fanatical desire to win on Decatur's part and an equal determination on the Eagles' part that they should not.

Behind the running of Willard Rachal, Billy Montgomery, Billy Juenke, and James Ratcliff the Eagles scored on the sixth play of the evening when Ratcliff connected with a 35 yard pass to Leonard Williams standing on the Decatur 5. Price's kick was good for the conversion, his first of six that night that brought his total to 31

Before the first quarter ended, William Young of Decatur had scooped up a Hinds' fumble on Hinds' own 8 yard line to set up a Warrior touchdown. The Eagles held three attempts at ground play, but a George Ball to Conrad Smith pass from the 6 to the end zone scored. Norman Lee kicked his first of four extra points to tie the game 7-7.

The second quarter found the Eagles scoring three times to the Warriors' two as both teams settled down to play a hard ball game.

After Billy Irby had knocked down a Decatur pass, the Warriors were forced to kick out to the Hinds' 22. Rachal brought it back to the Hinds 39, and here Billy Hugh Montgomery took a pitchout around left end to score.

The Warriors staged a similar drive from their own 25, harried by John Crechale, Freddy Knight, Billy Holloway, and James Jones of the Eagles. On the 1 yard line after 10 plays, Charles Duffee drove over to score off tackle.

Marching down field from the cickoff to their 20, the Eagles scored again on a Ratcliff to Williams pass from the Decatur 40 to

The Warriors rocked the Eagles back on their heels on their next play when Floyd Smith took the Eagle kick on his own 20 and ran through the entire Hinds squad to

Four plays after the ensuing kickoff, the Eagles hit pay dirt again on a 35 yard scamper by Bullet Billy Juenke. Power plunges by Rachal set up the score. After Price had kicked the extra point, the score stood 28-21 the Eagles

Hinds had the ball on the Decatur 15 at the end of the first half as a result of a pass interception and a 30 yard runback by

Rachal. Hinds got the scoring started in the third period when Juenke, Rachal, and Smith wirked the ball down to the East Central 15 on straight running plays. From there the bruising Rachal took a pitchout and went all the way for the

The next Hinds score was set up when Juenke dropped back to kick from his own 45 and was presumably trapped. The elusive Juenke, after dropping the ball twice, evaded the Warrior tacklers and scampered down the sidelines to the East Central 2 yard line for a first down. After Rachal had moved the ball down to the 15, he was kicked by an East Central player and a roughness penalty put the ball on the Decatur 1

yard line. Rachal rammed over on the next play. Price again methodically added the conversion and the Eagles led 42-21.

The final Hinds tally came early in the fourth quarter when Bob Smith went 25 yards around right end on a pitchout for the score. On the conversion try the ball was centered over Montgomery's head and he had to rack back pick up the ball and try to elude the Warrior tacklers who were swarming after him. After dodging and running all over the field, he finally picked up some blocking and dashed over the goal for the extra point to give the Eagles a 49-21 edge.

Decatur came back with another core when they recovered a Hinds fumble on the Hinds 18. Seven plays later Ball plunged over for the score. Lee added the extra point with a perfect boot and the score stood Hinds 49,, East

The game got rougher as it progressed and almost turned into a free-for-all before the final whistle blew. Several players from both teams were injured.

Freshman Day Will Be Observed Tomorrow; Pity Lowly Freshman!

ARNOLD SELECTED CLASS PRESIDENT OF TENTH GRADE

Nancy Arnold of Jackson was elected president of the 10th grade in elections conducted October 23, according to Mrs. W. M. McKenzie, sponsor.

Other officers elected include Cameron Ferguson, Raymond, vice-president; Ann Shelton, Jackson, secretary; Harry Puryear, Raymond, treasurer; and Wilmuth Cooper, Jackson, reporter.

Gus Vallas, Martha Gillespie Elected King, Queen of Annual Penny Fair

With Gus Vallas, Jackson freshman as king and Martha Gillespie, Raymond high school sophomore as queen, Hinds celebrated its annual Penny Fair Friday night, taking in a total of \$216.22 for the Y. W. C. A. and \$30.90 for the Y-Teens.

In the campaigns for king and queen prior to the coronation the freshman class collected \$86.30; the sophomores \$48.81; and the 10th grade \$55.47. Admission to the variety program and the booths netted \$25.64. The Y-Teens collected their money with a cakewalk prior to the fair.

Members of the 10th grade elected their queen by pooling their entire resources on her as a single candidate. Sophomores, too, attempted to elect their queen in the same fashion.

Taking part on the variety program staged to entertain the royal pair were Betty Lou Milner, master of ceremonies, George Hicks, Ann Smith, Kenneth Teeter, Leisa McNeilly, Beatrice White, Carolyn Milton, Mary Jo Laird, Miss Mil-

dred Herrin, Mrs Gertrude Rowzee, and Mrs. W. M. McKenzie, Bonne Shackleford, and members of the Hi-Steppers.

18-Year-Old Draft Recommended

The 18-year-old boy's across the nation sat up and took notice this week when the Congressional Committee on Universal Military Service recommended six months of military service for all ablebodied 18-year-olds.

Hinds boys are no exception. They've all noticed that the commission's 123 page report has been completed. "How will this new development affect me?" ask the affected students. Of course this plan has not passed the legislators yet, but some of the backers of the bill feel sure that it will.

One tremendous blockade to the UMT program is the huge cost. It is estimated that the program will cost about \$4,187,983,600 for the first year. A billion dollars is a lot of tax money no matter how you look at it. After the first year the cost will probably settle down to about \$2,158,746,200 the experts estimate. It would cost this much money to train 800,000 boys a year.

Should the UMT program become law, service branches will claim the new draftees in the following percentages:

Army, 50 per cent; airforce, 22 per cent; and Navy and Marine Corps. 28 per cent.

In addition to the six months of continuous training, each trainee would also be subject to eight years in the reserves of the various branches.

Names May Reveal Character

By JOHN NEWMAN

What's your name? Whatever it may be, most likely it has a meaning. In ancient times each person was called by but one name, and that name was usually "tailormade" to fit. For example Cicero, the Latin word for pea, was so named because one of his ancestors had a wart on his nose.

Today such nicknames as "Red," "Slim," and "Shorty" are aimed to characterize their possessors.

Thus we find such names as George, meaning "farmer"; Paul, meaning "small"; Helen, meaning "light"; and Henry, meaning "ruler of the home".

Some names like Allen, meaning "cheerful"; Katherine, meaning "pure"; Ann, "gracious"; and Rich-

ard, "generous," show their owners

Others such as Jane or John, mean "the Lord's grace"; Michael, "he who is like God"; or Elizabeth, "oath of God" portray the desire to come closer to God.

A few names such as Barbara, which means "foreigner," have undesirable meanings. Others like Ray, "faith"; Gloria, "glory'; and Norman, "man of the north" have changed little through the years.

Now much less thought is given to the meaning of teen-agers, but it is still fun to know what our names mean. However, it doesn't actually matter so long as our names mean "okay" or "fine fellow" to our friends.

THOUGHT FOR THE WEEK By G. M. McLENDON

Freshman Day will have a happy climax Thursday. According to representatives of G. E. Bass Construction Company and Westbrook Manufacturing Company, the new cafeteria will be open for the evening meal that night.

Survey of Students Reveals Variety Of Thoughts on "Why Attend College"

By PATRICIA WILLIAMS

"Why did you come to college?"
That question was asked a number of Hinds Junior College students this past week, and they answered in a variety of ways.

Billie Burt said, "I came to play basketball, to improve my knowledge, and to attain a teacher's certificate." Rose Manton, after thinking a minute, said "I came to get an education and because my family expected it."

Bobby Allen gave a quick answer by saying, "Can you think of a better way to stay out of the army?" Ann Rees' reply surprised no one when she said, "I came to be with Kato."

Carolyn Thompson didn't have to think too much before sayng, "I came to find me a boyfriend and to take pre-nursing." Burnett Blackmon said, "I came to play football."

Fannie Mae Blaylock declared she came "to meet men and because I don't want to go to work." Walter Shurden answered honestly, I came to give some girl an 'M. R. S.' Degree"

Bonne Shackleford said "It was

expected by my friends and family, and I came hoping to set high ideals and live up to them." Alice Raney said simply, "I came because I'm too young to join the air force."

Doris Hedgepeth confessed she didn't know, "unless it was to get an education." Benny Hill came "in order to have something to do in my leisure time." Catherine Brown answered, "I came because I was too young to work and couldn't stay in high school. I did not come to get a man; there are plenty of them at Byram."

Vivian Wadsworth declared, "If I hadn't come I would not have had any knowledge of how to do anything but sit at home." Dot Brewer came "to be in the Hinds Hi-Steppers." Margaret Jones said, "My mother and daddy made me come." Betty May came "to take zoology under Mr. Beemon."

Most students had one thing in common — a period of hesitation as they sought an answer to the question.

And you? Quick now without any hesitation!

FERGY'S FIKSHUN

By ROBERT FERGUSON

Freshman day seems to be the center of interest on the campus at this time with the 'igh "mitey" sophomore dishing out threats and the "lowly" freshman quaking in his boots. "Wut is the 'dog' treatment?" asks the unknowning but suspecting frosh. "Yuk-yuk, wait and see," replies the soph. Here's hoping we can live through

This is looking a little far ahead, but ole Fergy would like to predict an extremely successful season for HJC cagers this year. We believe that the Eagles of Coach Arliss Ricks will be strong contenders for conference aurels. Coaching championship teams is nothing new to Coach Ricks who turned out two champion teams while coaching for our erstwhile rival, Copiah-Lincoln Junior College.

Whew! Another game like Ellisville and Fergy is going to have to grow a new set of finger nails. That was a ball game where the breaks just happened to go the wrong way. The winner could have been either team and it turned out to be Ellisville, a great ball club. Let us turn our attention to this week's game. How many remember standing in that ice cold downpour of rain last year and watching our team lose out on the championship? Holmes must be paid back for that defeat and here's

Freshman Consider College Study Habits At Monday Meeting

"The Freshman and His Study Habits," an informal forum, will be the topic of the program to be held Monday, November 5, for the freshman class of Hinds Junior College.

Teachers serving on the panel will be:

Mr. M. F. Herring, dean of instruction; Miss Gertrude Davis, dean of women; and Mr. A. L. Denton, dean of men.

Students taking part on the program will include:

James Ratcliff, Edwin Cobb, and Jean Richardson, from the sophomore class; and Joyce Alexander, Gene Walker, and Vito Patti, represpenting the freshman class.

hoping the boys feel the same way.

Roy Price, Eagle kicking specialist, has now been successful in 34 of 37 attempts at kicking extra points. We believe this is a Mississippi Junior College record. Congratulations to you and your educated toe, Roy. Incidentally if you take the time to figure it out you will find that his percentage is .919. We believe that's a pretty fair average in any league.

Despite the fact that the Eagles have lost two games so far this year they have amassed a total of 270 points to lead the conference in that respect. While scoring these 270 points in seven games, they have averaged 38.6 points per game.

Vivian Wadsworth Elected President Of Spanish Circle

Vivian Wadsworth, Jackson, has been elected president of the Hinds Junior College Spanish Club, El Circulo Espanol, for the coming year, according to Miss Hida Rec Davis, sponsor.

Other officers of the club in-

Dorothy Lewis, vice-president; John Newman, secretary; Patsy Clemens, treasurer, and Rachel Epperson, reporter.

The club, composed of high school and college students enrolled in Spanish, was organized for the purpose of studying the people of South America and Spain and converse in the native language. The members hope to present a radio program in the near future and a play, in which all dialogue will be Spanish.

At the second meeting there was a discussion of Spain and its influence on the United States. Reports were made by the following people:

Vivian Wadsworth, "Spain in Our Part of America"! Sara Aldridge, "The First Spanish Town in Our Southwest"; John Newman, "Spanish Life in Early California"; and Dot Lewis, "Fiestas in Our South and West."

El Circulo Espanol meets every Thursday at activity period in the Music Hall.

ELEVENTH GRADE ELECTS OFFICERS

Wesley McFarland, Bolton was elected president of the 11th grade of Hinds High School in the elections held Monday at activity period.

Other officers for the class include:

Jewell Mattis, vice-president; Shirley Hutchins, secretary and treasurer; and Pat Hollis, reporter.

Sponsors for the class have not been elected.

Students' Assistance In Grill Is Requested; Suggestions Listed

"Student co-operation could speed services in the Eagles Nest and assist student workers there," Mr. W. M. Moss, grill sponsor, declared today, appealing for students' help in the grill.

He listed the following suggestions for co-operation:

- 1. Don't take bottes, cups, or dishes out of the grill.
- 2. Don't throw papers and other articles on the floor. Leave them on the tables.
- 3. Please carry dishes and drink bottles over to the counter when you are finished with them.
- 4. Please don't prop your feet on the seats or tables. Both seats and tables are new and a majority of the students want to keep them pretty as long as possible.
- 5. Don't rub cigarettes out on the walls and tables, and don't throw the ashes or stubs on the floor.
- 6. One of the glass counters in the grill has been broken by setting a bottle on it, so please do not place bottles or dishes on the glass tops.

Freshman Students Issued Handbook; Lists Every Member

"The Freshman at Hinds Junior College," a handbook of information for freshmen, was issued Monday to class members at their activity period meeting.

The booklet contains a message from the class sponsors, Miss Mildred Herrin and Mr. Lavan Robinson, followed by a list of class officers and committees for the year, a program outline for the first semester, and a freshman directory containing the names and campus and home addresses of the students.

I. R. C. Presents "Live" Radio Program

The old saw, "Third time's the charm," paid off for the Hinds Junior College International Relations Club Thursday night as they staked a "live" radio program, the second in a series of broadcasts featuring various Hinds departments.

The first time the program was presented was in the Hinds auditorium before members of the faculty and student body. Plans were made to record it at this time, but they fell through. A second performance was done for the tape recording to be used in the radio program, but the tape was found to be defective. So, Thursday night five members of the I. R. C., accompanied by their sponsor Miss Lula Mae Fowler, went to Jackson

to present the show as a "live" program.

Gracie Pickett introduced the program dealing with problems of European defense. Edwin Cobb, program chairman, serving as master of ceremonies, introduced the speakers — Ted Dunning, Bonne Shackleford, and Wilma Ryan. According to Miss Fowler and those hearing the broadcast, the third program was the best of the three.

The programs are being broadcast under the direction of Mr. Bill Goodrich through the courtesy of Radio Station W S L I every Thursday evening at 6:45 o'clock. Miss Ruth Boyd is in charge of the faculty committee responsible for the preparation of the programs each week.

Varied Opinions Given by Students On Virtues of Annual Freshman Day

By VIVIAN WADSWORTH

With Freshman Day scheduled tomorrow, a poll was conducted among the students of Hinds to discover the opinions of the freshmen and sophomores as to the value of that day. There were a variety of answers with all the sophomores agreeing wholeheartedly that it is a wonderful day and the poor freshman taking a negative viewpoint.

Charlie Bennett, freshman, declares, "It's okay, we can take what they give us, that's all we are able to do."

Ann Smith, sophomore, thinks "it's about time we got our revenge."

Jim Van Horn, freshman, says, "I'm glad it's not a senior college where it happens every day."

Geneva Whittington, freshman, believes that it is a day that all freshmen should enjoy.

Theresa Cox, sophomore, consoles the lowly frosh by saying, "The freshmen have more fun than the sophomores."

Marlene Love, freshman, declares that it will be a day to remember.

James Newkirk, freshman, will accept it as it comes, but thinks that "veterans should not have to go through it."

Mrs. Efleta Tomlinson who doesn't knew whether she is a sophomore or a freshman, agrees with many of us that it is a part

Three Commttees Appointed for I. R. C.

Three committees were appointed and three more students, Mr. and Mrs. William Davis and Eugene Walker, were elected to membership in the International Relations Club when it held a business meeting Thursday, October 25, in the music hall, according to Alice Grace Pickett, secretary.

The committees and committee members are as follows: Membership Committee — Larry Wheat, Carl Anderson, Mattie Jo Daniels, and Fannie Mae Blaylock; Finance committee — Barbara MacRae, Joanne Taylor, James Ratcliff, Bertie Brown, and Marylin Sandifer; and the Social committee — Bonnie Shackleford, Billie Bert, Erwin Dillard, Joe Terry, Barbara Hubbard, and Mary Ann Bassett.

Herring's Son-in-Law Reports for Navy Duty

Mr. Frank E. Berry, son-in-law of Dean and Mrs. M. F. Herring, left Monday, October 29, for San Francisco to report for duty with the U. S Navy as a line officer on transport duty. of school life that makes it as grand as it is.

Faye Davis, freshman, says, "I dread it but I look forward to it because it will be lots of fun, I'm sure.

J. B. Horn, sophomore, agrees

with a previous opinion, "I'm glad it is here because I can get revenge for last year and show them what I went thrugh."

Billy Juenke, sophomore, declares that he will have fun with all the freshmen.

Syvia Scott, sophomore sums it all up by saying, "I think it's wonderful!"

Doris Hedgepeth, sophomore, thinks "it's a lot of fun but I feel sorry for the freshmen because they are going to really catch it. Take it from one who knows."

Bobby Trotter, freshman, says, "If I get all I'm promised, I don't think it's so good."

DeCelle Anderson, freshman, and Kenneth Teeter, sophomore, both agree that the big day should have been earlier in the year. Kenneth declares that it is a fine way to initiate the frosh and they should take it with a true spirit.

Tommy Brown and Billy Woodward, both freshmen, decided that there are a few things that ought to be abolished.

Wilma Ryan, sophomore, states what every sophomore is probably thinking, "Wish I were a freshman again."

Debaters Selected Following Tryout

First and second teams for the Hinds Junior College Debaters have been selected after tryouts Thursday morning during activity period, Miss Ruth Boyd, debate team sponsor, announces.

First team members include Joe Boyd, Jackson; William Davis, Terry; Pat Nowell, Jackson; and Bonne Shackleford, Edwards. Bonne Shackleford is the only team member from last year returning. Second team members include Melvin Bishop, Raymond; Bobbie Davis, Terry; Elsie Evans, Greenville; obert E. Lee, Jackson; and Jack Mullins, Mendenhall.

Judges in the selection of the team were members of the faculty.

PARLIAMENTARIAN VISITS ON CAMPUS

Mrs. T. B. Etephonson, Jackson, a registered parliamentarian, visited the Hinds Junior College parliamentary procedure class Thursday afternoon. She was the guest of Miss Ruth Boyd, parliamentary procedure instructor here, for lunch.

Hinds Eagles Prepare For Battle With Evenly-Matched Holmes Bulldogs With Bolton Recently

Eagle Stadium will be the scene of a clash of two strong junior college rivals Saturday night. Last year's champion Holmes Bulldogs will invade the Eagles' nest for a battle royal.

The Bulldogs from Goodman will be after the Eagles this week after edging Summit 21-13 last Saturday. The Eagles played a hard ball game in losing to Ellisville by a 32-28 score.

Expected to be leading the Bulldogs will be Leonard Cain, Jack Sanders, and Allen and John Ables. All these were instrumental in last week's victory.

Hinds' small but fast backfield will be their "ace in the hole." Led by Willard Rachal, Billy Juenke, Billy Hugh Montgomery, Bob Smith, Tony Montalbano, James Ratcliff, the men of Coach

BENTON DEFEATS **BABY EACLES 41-20** IN SCORING DUEL

The Baby Eagles of Hinds High, still fighting gamely though still seeking their first victory of the season, play St. Joseph of Jackson Thursday night at 8 p. m. on the Pearl High Field at Pearl.

St. Joseph, one of the strongest teams in the conference, has won eight games and lost only one, to Pearl, 7-6. The game Thursday night will be their homecoming game and they will be playing for a decisive victory.

The Baby Eagles scored 20 points, their highest number to date, last weekend against Benton High. However the Benton Bulldogs overwhelmed the Raymond squad 41-20 in the high scoring tilt. Benton's attack was led by Alderman, who accounted for 17 points. Ray Boyd scored 12 points for Hinds.

Benton scored in the opening period as Dixon climaxed a sustained drive with a 3 yard plunge to pay dirt. In the second period Dunson passed to Davis, who lateraled to Alderman, the latter going 35 yards to score.

Early in the second half Ray Boyd stunned Benton as he intercepted a Dunson aerial on the goal line and sprinted 100 yards to score. Smith ran the extra point. Benton immediately retaliated with two quick scores, Dunson passing to Guthrie for one and Alderman racing 15 yards with a pitchout for the other.

A moment later Boyd of Raymond again rocked the Benton squad as he scooped up Oberhausen's fumble and galloped 35 yards to score. Dunson threw to Dixon for Benton's final score. Alderman ran two of Benton's extra points and passed for the other three.

Raymond's final tally came in the closing minutes as Oberhausen threw to White on a 60-yard scoring play and Boyd ran the extra point.

L. C. DeVall have piled, up 270 points.

The Eagles will be out to avenge last year's defeat at the hands of the bulldogs in a rain soaked thriller at Goodman.

This will be the final Hinds home game before the Homecoming encounter on November 17.

In preparation for the match the Hinds squad has been devoting this week to full-speed, head-knocking, rough scrimmages designed to strengthen defenses against the Bulldogs' attack.

Drawing particular attention from Coaches L. C. DeVall and Joe Renfroe were blocking and tackling and pass defenses. For two hours each afternoon earlier this week the squad has been engaging "rough work" on these phases.

Preparing to add to the attractions of the game, the Hinds Hi-Steppers all-girl drill and dancing corps, will present a new dance routine in the band show at half-

H. J. C. Baby Eagles Hold Practice Games

High school basketball practice is underway with promises of two representative squads this year, according to Coach Louis Boteler.

With three returning forwards from last year's strong team, the girls squad looks especially promising, he reports. The three returning forwards are Pat O'Bryan, Mary Nail, and Peggy Rosser; and newcomers Martha Gillespie, Rosa Taylor, and Lou Kendricks are giving them competition.

The defense line-up includes Bebe Epperson Mary McKenzie, and Kathy Kerrel, ready to supplement veterans Jewel Mattis, Liz Anderson, and Peggy Holliday.

Hampered by conflicting football practice, the boys squad is being built around returning players Ray Boyd, Joe Gearhart, Hilton Dawson, Perrin White, and Billy Lancaster.

In a recent practice game with Bolton, the Raymond girls were held to a 39-39 tie, while the Raymond boys won 24-13.

Florence Flash

Bob Smith, speedy Florence halfback, will see much action Saturday night when the Eagles meet the Holmes Bulldogs. This freshman has developed into an outstanding ball carrier and punter for the Hinds team.

Refrigeration Class Adds New Teacher, Seventeen Students

A new instructor and 17 new students have been added in the Hinds Junior College refrigeration training program, according to Mr. W. H. Gibbes, vocational coordinator.

The new instructor is Mr. William Hamilton, graduate of O. I. T. I. in Chicago and former instructor at the Mississippi School of Refrigeration. Supplementing Mr. A. G. Liss and Mr. Leroy Summers, he will teach in the even-

New students enrolled include:

Claude Sexton, James Catlett, George Berry, T. D. Allen, Leonard Dorr, Norman Price, W. D. Yates, Roy Overby, Hervey Ballard, Billy Tompkins, Howard Burt, Ed Taylor, Joseph Cudd, James Miles, Charles West, Fred Davis, and Eldon Williams.

Office Machine Repair Added as Hinds Course; Kynerd is Instructor

A new course, office machine repairing, has been added to the vocational training program at Hinds Junior College with Mr. Curtis E Kynerd, former instructor at Trades Training Institute, Prairie, as teacher, Mr. W. H. Gibbes, vocational co-ordinator at Hinds announces.

The 26 months' course will include a thorough training in the repairing and conditioning of typewriters and adding machines and study of the operation and minor adjustments of check protectors, calculators, and cash registers. The course includes work in both electric and manually operated models common in business establishments today, Mr. Kynerd

Hinds Edged by Jones on Wet Field: Bobcats Victorious by 32-28 Score

In a scene of bedlam Saturday night at Ellisville, the Hinds Eagles were subdued by the Jones County Junior College Bobcats in a thrill-packed 32-28 encounter.

The first Ellisville score came in the first quarter when Bill Lamb recovered a Hinds fumble on the Eagle 39. Several plays later Jack Parker, who was the outstanding Jones player on the field, plunged over from the five for his first of three touchdowns. He also added the extra point to give Jones a

The Jones lead was short lived, for Bullet Billy Juenke took the following kickoff from his endzone through the mud to the Ellisville 10 yard line. Billy Hugh Montgomery sailed around left end for the score on the next play. Roy Price added the conversion from placement to knot the score at 7-7.

Bobby Sims intercepted a Raymond pass to set up a second Ellisville score. Buddy Sallisbury went over from the one. Parker missed the placement and Jones led 13-7.

Hinds came roaring right back and tied up the ball game with a pass from James Ratcliff on the 20 to Tony Montalbano on the 5, who fought his way over for the six points. The Eagles went ahead 14-13 when on a fake placement Montgomery took the ball and circled left end untouched.

Jones drove down the field for another score just before the half. A plunge by Darel Castle ended the drive. Parker added the p. a. t. to give the Bobcats a 20-14 halftime lead.

The Eagles came right back in the third period on their first play

from scrimmage when Willard Rachal shot through the center of the line and dashed 81 yards for the tally. Price again converted to give the Eagles a 21-20 lead.

Tommy Wood went 45 yards to the Raymond 9 before being hauled down to set up the next Jones touchdown. Parker went over from the 3 to score but failed in his conversion attempt to give the Bobcats a 26-20 lead.

Early in the fourth quarter Rachal went over for his second touchdown to give the Eagles the lead once more. Price kicked the extra point and Raymond led 28-

The Eagles of Coaches L. C. De-Vall and Joe Renfroe tried vainly to halt an Ellisville drive late in the final quarter. Parker crashed over for his third tally after leading the drive downfield with his running and passing. He again failed to kick the extra point. With approximately seven minutes left to play the Bobcats held a narrow 32-28 lead.

The Eagles were forced to punt after the kickoff, but hopes were aroused when an Ellisville fumble was recovered on the Bobcat 33 yard line. But Hinds lost its last scoring chance when Jones then recovered an Eagle fumble at approximately the same point. The two teams, both contenders for conference laurels and possible bowl bids were fighting viciously for possession of the ball as the game ended.

The game was so hotly contested, and so thrilling that several Hinds fans fainted and had nervous attacks.

School to Recess For Thanksgiving

The Thanksgiving Holidays will begin at the end of the third period on Wednesday, November 21, and continue through 8 p. m., Sunday, November 25.

Faculty members have been asked to give six weeks tests before the time scheduled, and to record a grade of "0" for those failing to take six weeks tests These tests may not be made up except when students have such an excuse as death in their immediate family.

School Evaluation Plans Being Made

Hinds Junior College is again making plans for an evaluation of its plant and services, according to Dean M. F. Herrin, who reports that the study will be made the last week in March. A previous application of the "evaluative criteria" two years ago was deferred when the Old Science Building was destroyed by fire just before the evaluation was to take place.

Committees appointed to serve on this year's evaluation before the visiting committee arrives in March include:

Pupil population and school community - Mr. J. C. Treloar, Miss Mary Halford, Mr. Louis Boteler, Miss Fleta Whitaker, and Mr. David Lewis.

Educational needs of youth -Mr. W. M. McKenzie, Miss Jean Lancaster, Mr. J. B. Patrick, Mrs. A. L. Denton, and Mr. C. O.

Program of studies - Miss Mildred Herrin, Mr. W. M. Moss, Mrs. J. R. Harris, Mr. T. T. Beemon, and Mr. W. C. Loggans. Pupil activity program — Mr. Lavan Robinson. Miss Lula Mae Fowler, Miss Gertrude Davis, Miss Emma Fancher. and Mr. Jack Rice.

Library services - Mrs. Gertrude Rowzee, Mr. Harold Turnage, Miss Ruth Boyd, Mr. C. V. Robertson, and Mr. A. G. Liss. Guidance — Mr. L. C. DeVall, Miss Lurline Stewart, Mr. Knox Broome Mrs. W. M. McKenzie, and Mr. D. C. Ware.

School plant - Mr. Troy A. Ricks Mr Joe Renfroe Mr J R Harris, Mr. Travis Stewart, and Mr. Leroy Summers.

School staff and administration - Mr. A. L. Denton, Mr. W. H. Gibbes, Miss Mary Sue McNair, Mrs. Kathleen Matthews, and Mr. L. Kenneth Clark.

The steering committee in charge of the entire program is made up of Miss Mildred Herrin, Dean M. F. Herrin, and Mr. Broome.

Anne Carr, Jackson sophomore, was elected queen of homecoming for the Hinds Homecoming Celebration here November 17, according to the steering committee in charge of the event.

The announcement came late Tuesday after student ballots had been counted, and Miss Carr was found to have a lead far surpassing other candidates. Originally, it had been planned to have the first balloting serve as a nominating device, with a run-off follow-

Hi-Steppers, Band Pe

Already winning a reputation throughout Central Mississippi as a halftime show organization, the Hinds Hi-Steppers were presented in chapel Tuesday in a round-up of their past dance routines

Accompanied by the Hinds Band, the group performed Spanish, Russian, and American dances as the first part of their program, Carolyn Milton, state drum majorette champion, then staged an exhibition of twirling, after which the Hi-Steppers were presented in a waltz, can-can, jitterbug, and

Preceding the program by the Hi-Steppers the Hinds band played "Under the Double Eagle." The final number by the band was the trio from the march "The Thunderer."

Mashburn to Rule **OverHomecoming** At Raymond High

With Janie Mashburn, Raymond senior, as queen, Hinds High School will celebrate its first homecoming Friday night when the Baby Eagles play host to Terry in a gridiron clash closing the day's activities and the Baby Eagles' season.

Opening the day's program Friday morning, the Hinds unior College Band and the Hinds Hi-Steppers will lead a parade of all high school and colege students in downtown Raymond.

Friday night, at the opening of the gridiron program, the homecoming queen wil be accompanied to her throne by 12 escorts, four from each high school class. Senior escorts are Norma Owens and Clara Clements of Raymond, Ralph Faulkenberry of Louisiana, and J. B. Middleton of Jackson. Junior class escorts will be Peggy Robinson of Pascagoula, Jewell Mattis of Learned, Benjamin Banes, Terry, and Julius Russell of Raymond. Sophomore class representatives are Martha Gillespie, Rosa Taylor, and Cameron Ferguson of Raymond and Bill Stovall of Clinton.

Immediately preceding the football game, which opens at 8 o'clock, Mr. William Moss will give a short address on the work and merits of Hinds Junior College and Agricultural High School.

The Hinds Band and Hi-Steppers will again perform at the halftime ceremonies, which will feature the crowning of Miss Mashburn as homecoming queen by Ray Boyd, captain of the football team.

The teams playing that night are evenly matched; and, though neither has a spectacular record this season, they are traditional rivals; so plenty of action is expected.

4-H Club Presents Program on WSLI

Hinds Junior College's 4-H Club, under the direction of Mrs. Albert Mashburn and Mrs. W. M. Mc-Kenzie, will present the radio program this week over Station WSLI, Jackson, at 6:15 p. m., Thursday, according to Miss Ruth Boyd, faculty member in charge of the program each week.

The 4-H Club is observing National 4-H Club Achievement Week, nd their program will deal with their club's achievements, aims, and history.

Students who will appear on the program are Janie Mashburn, Peggy Stubbs, Mary Will McKenzie, Mary Elizabeth Smith, Rosa Taylor, and Anne Smith.

THOUGHT FOR THE WEEK

by G. M. McLendon

We are endowed by our type government to possess certain inalienable rights. We are fortunate to possess same. Due to our complex mechanism of both government and social standards, we frequently feel that we do not have time to do the things that are most worthy. It might be that if we would stop and think on our daily schedule and not waste our efforts too much on the trivial that we would find that we have an abundance of time for the things that count for most.

Hinds Will Offer Course In Flying As Soon As Plane Can Be Purchased

By WILLIAM DAVIS

Do you have a Piper Cub, Aeronco, or any other light trainer type of airplane for sale?

Hinds Junior College plans for flight training are being held up by difficulty in finding a suitable airplane for the course.

As soon as a plane can be secured, training will begin with flight training scheduled at the John Bell Williams Airport, which is under the school's administration,

The airport, located four miles out on the Raymond-Clinton road, was built before World War II and used in the Civilian Pilot Training program. During the latter part of the war the federal government assumed control and used it as an auxiliary field in training members of the Netherlands Royal Air Force. At the end of the war it was returned to the Hinds County Board of Supervisors, who placed it under the administration of Hinds Junior College.

The airport has three 5,000 feet paced runways, an all-steel 80 x 105 foot hangar, and a new administration building. The location of the runways allows landings in any kind of weather and wind direction. Water for the buildings is piped from a water system located on the field.

Civil Aeronautics Authority in-

spectors visiting the field several weeks ago reported it to have a very desirable location, with no obstructions from any approach. As it is already equipped for night flying, the inspectors said it would require very few modifications to comply with CAA regulations covering training fields. Thes modifications are being made at the present time.

Although plans to use the Hinds airfield for flight training purposes are recent, the 650 acres contained in the plot have been used for several years by the school farm to grow feed and furnish grazing for beef herds. Mr. W. M. McKenzie, manager of the school farm, reports that 3,000 bales of hay, 1,500 bushels of oats, and 2,-500 bushels of corn were produced, there this year. In addition 65 hogs are following the corn harvest, of which it is estimated that 20 per cent should finish for market. Thirty-two head of beef catwere grazed there throughout the year.

The airport was named in honor of a Hinds graduate, John Bell Williams of Raymond Mr. Williams was seriously injured in a plane accident during World War II. Returning to civilian life he won the post of county attorney, then sought, successfully, election as Seventh District Congressman, which post he now holds.

Office Reveals 47 HJC Students Will Celebrate Birthdays During November

FERGY'S FIKSHUN

By ROBERT FERGUSON

Naturally, I've got to say something about that football game. We won didn't we? Although not a high scoring thriller like the Decatur and Ellisville clashes, we saw some good, sound football in perfect football weather. (For an Eskimo)

Best wishes, congratulations, good luck, and all that kind of stuff to the high school in their first homecoming. May they be setting a precedent that will not be broken for years to come.

Received a trophy to present to the school for having the best dressed student body in Mississippi. But, I just had to send it back when it was learned that the observation of dress on the campus was made Monday when annual pictures were taken, and more ties could be seen on the campus than at the Club De Swank. (or whatever)

Well, us all won't be doing any starving this year; that's for sure. The school farm has finished harvesting all its crops and came through with 2,000 bales of hay, 2,000 bushels of corn, and 150 bushels of sweet potatoes. I know we can't eat the hay, but those ole' cows will be mighty glad to see it this winter.

Our erstwhile placement perfectionist, Roy Price, is still booting those extra points. He got two last week in three tries to run his total to 36 points out of 40 attempts. It is interesting to note that Roy is one of the team's leading scorers and has yet to score a touchdown. The next thing you know he'll be trying for three points at a time.

FARMER STUDENT VISITS ON CAMPUS

Miss Grace Dyck, now Mrs. Ferguson, from Hutchinson, Kansas, was a visitor on the college campus Sunday afternoon. After graduating from Hinds where she majored in music and was an outstanding voice student, she graduated at Delta State Teachers College.

Mrs. Ferguson brought greetings to friends from Mrs. L. B. Davis, former head of the music department at Hinds.

Wilma Ryan Elected Wesley President; Group Discusses Trip

Walma Ryan, Bentonia sophomore, has been elected president of the Wesley Foundation for this session, according to Miss Gertrude Davis, sponsor.

Others elected include Lynette Collins, vice-president; Betsy Milner, secretary; Bertie Mae Brown, treasurer; Sam Murphy, song leader; Dorothy Brewer and Suellen Abernathy, pianist; and Ted Dunning, James Marble, Thomas Trevillion, and Larry Wheat, house committee.

The club also discussed the trip to the Methodist Children's Home in Jackson scheduled November 25.

Here's hoping that we don't get too far ahead of the Southwest team next week because rumor has it that if we do, the Summit boys are going to dress their mascot in a football uniform and send him into the game. This wouldn't be so funny because he's a real, live bear!

You May Select Books for Library, Declares Mrs. Rowzee, Hinds Librarian

Stars In My Crown, by Joe D. Brown, is a story of a Protestant minister who, when he entered the community, went first to the saloon and said, "Boys, I'm your new preacher and I aim to give my first sermon right here." He always came up with a solution for each problem his parishoners presented.

Pennies from Heaven, by Max Winkler, is the life story of an immigrant who came to New York

TWO 4-H'ERS MAKE MINNESOTA TRIP

"Minnesota's a fine place, but Mississippi's the best," is still the view of two Hinds students, Bobby Trtter and Martha Gillespie, after a 27-day trip to Minnesota with 24 other picked Mississippi 4-H Club members this summer.

While there they visited farms and homes in Kandiyohi, Crow, and St. Louis counties, the headquarters of the Mississippi River, Camp Eshquaguma, mines, and harbors, the General Mills and Wilson Company plants, and other places.

The trip was the subject of a radio address by Martha Gillespie Saturday, October 7. Spending money totaling \$25 was given by the Hinds County Booster Club to assist students on their trip.

Two Hinds Teachers To Visit With Group Evaluating Goodman

Miss Fleta Whitaker, home economics teacher at Hinds, and Mr. Knox Broome, guidance director, are scheduled to visit Holmes Junior College, Goodman, Monday, Tuesday, and Wednesday of next week to apply the evaluative criteria to the high school and junior college divisions of that school.

The evaluative criteria was originally designed to aid high schools in establishing a standard of value based on mre vital terms than school plant and facilities. Mississippi's junior college system has adapted the criteria to junior college use, and almost every junior college in the state has completed such an evaluation.

Miss Hannah Pitts, Former Teacher, Weds H. C. Kelly In Ecru, October 27

Miss Hannah Pitts, former teacher at Hinds Junior College, was married to Harold Clayton Kelly on Saturday, October 27, in the Ecru Baptist Church, Ecru, Mississippi.

The bride was escorted to the altar by her father, who gave her in marriage. She wore a classical wedding dress of white satin with fitted bodice and long sleeves ending in lily points over the hands. Her bridal bouquet was a beautiful arrangement of white, centered with a perfect white orchid.

Miss Ruth Pitts, sister of the bride, was maid of honor. Mrs. Melna Graddy was senior bridesmaid and Miss Ann Morris, cousin of the bride, was junior bridesmaid. All the attendants wore white dresses of identical design made of imported net and lace. The attendants carried bouquets of red roses and wore a single rose in their hair.

The wedding ceremony was preceded by a program of wedding music presented by Mrs. Marguerite Tucker and Miss Thelma Prasel. Mrs. Tucker played three numbers while the guests were being seated. Miss Prassel's solos were "I Love Thee" by Greig, "Because" and "The Lord's Prayer," which was sung at the close of the ceremony.

Mr. and Mrs Pitts entertained with a large reception immediately following the ceremony The home was decorated in the traditional green and white and was lighted by candles.

The young couple will reside in Yazoo City after a brief honeymoon.

Around The

Collegiate Loop

By VIVIAN WADSWORTH

A year ago, Millsaps inaugurated an unlimited cut system on a trial basis and has been continued this year. The PURPLE AND WHITE, campus newspaper conducted a poll among the students and faculty members to see their reactions to this system. It was found that the students were cutting classes less and less. The students that were questioned favored the system and its continuation.

THE BEACON, University of Rhode Island, threw a stock question at assorted students: What do you think about studying in the library? Answers included:

"I go there because I like to meet people, and you never can tell who you will find underneath the tables."

"The heavy reference books make good pants pressers."

"After studying for fifteen years, it is too hard to concentrate with no noise."

It's always fun to put in a cute little ditty so here's one borrowed from THE SUNFLOWER PET-ALS:

To miss a kiss

HINDS Y-TEENS SLATE PROGRAMS

The programs for the Y-Teens for the remainder of the first semester have been announced by the Y-Teen cabinet.

They are as follows: recreation, Nov. 12; worship, Nov. 19; Mrs. Wells to lead panel discussion on boy and girl relations, Nov. 26; cabinet meeting, Dec. 5; chapel program, Dec. 11; recreation and craft, Dec. 12; Christmas program for children in veteran apartments, Dec. 19.

Freshmen Hear Hints on Study Habits

"The Freshman and His Study Habits" was the subject of an informal forum Monday in the auditorium at the meeting of the Hinds Junior College freshman class.

The forum panel included three faculty members — Miss Gertrude Davis, Dean M. F. Herring, and Dean A. L. Denton — and four students — Vito Patti, freshman; Joyce Alexander, freshman; Jean Richardson, sophomore; and Robert Ferguson, freshman, acting chairman.

Some of the suggestions for better study included:

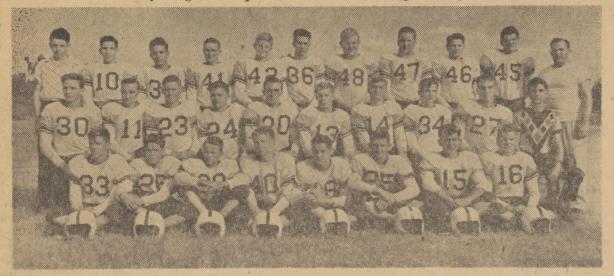

Select a place for study where there is ample light to relieve unnecessary eye strain and reduce the chance of headaches. An example is the library. Choose a "not-too-easy" chair when reading. If you become drowsy get some fresh air.

Train yourself to concentrate. This can be done by working at one thing for a short time and then relaxing briefly. Prepare yourself to concentrate. This can be done by working at one thing for a short time and then relaxing briefly. Prepare yourself for extended periods of concentration as rapidly as possible. Make an outline in your own words. Baby Eagles Prepare for Homecoming Friday

Under the direction of Coach Louis Boteler, the Hinds Baby Eagles celebrate their first homecoming in history here Friday night when the Eagles meet the Terry Yellowjackets. Pictured above is the Raymond squad.

Left to right, first row: Jerry Smith, Jesse Griffin, K. Lewis, Terry Worrell, Billy Conlee, Gerald Chapman, Louis Mealer, Marion Akin.

Second row: George Henry Oberhausen, Clyde Glisson, Ray Boyd, Bobby Boyd, Perrin White, Billy Giardina, Marvin Lancaster, Tommy Shirley, Ralph Butts, Cameron Ferguson (manager).

Back row: Harry Puryear (manager), Raymond Tomlinson, Carlos Zacarias, Benjamin Banes, Hugh Gillespie, Billy Lancaster, Frank Boyd, Ivar Davis, Earl Shirley, Eddie Beazley, and Coach Louis Boteler. Not pictured: John Broome and Joe O'Callahan, Assistant Coach.

HJC Cage Squads Start Workouts

With winter fast approaching, the Hinds Junior College cage squads have begun regular workouts under the tutelage of Coach Troy A. Ricks. The girls practice in the afternoon and the boys at night.

The Hinds Eaglettes, who were runners-up in the conference last year, have looked very promising in early season practice, according to Coach Ricks June Mobley, Lavell Nutt, and Billie Burt are the returning numeral winners on the offensive side while Dot Gerrard of Canton and Faye Davis of Benton are giving them competition. On the defensive side, letter winners Francs Putnam, named to the All-State team last year, and Mary Ann Presley are supplemented by Freshman Ann McGuffee and Margaret Johnston of Clinton, Joyce Alexander of Tennessee, and Marline Love of Calhoun City.

This group recently defeated the highly-rated State Board of Health team.

The Hinds Eagles, hard-hit by the departure of the National Guard last year, are rebuilding and show promise of having a squad that will furnish competition for any team n the circuit.

Benton Fortenberry, an All-State selection last year recently sustained a twisted knee in football practice, but should be ready to go in the season's opener. Grady Gill, Billy Weeks, and Ronald Walsh are the other returning lettermen. Tom Poe of Tennessee, Sam Murphy of Louisiana, Wilford Bailey of Calhoun City, Charlie Roberts of Florida, Joe Brown of Tennessee, Howard McKissack of Bolton, Ralph Faulkenberry of Louisiana, and Joe Jones and Luther Thompson of Kentucky are newcomers who have shown up well in

Hinds Baby Eagles Thoroughly Trounced By St. Joseph Rebs

A thoroughly chilled homecoming crowd of St. Joseph fans saw the Catholic school's Rebels paste the Hinds Baby Eagles 65-6 at Pearl Stadium last Friday night.

St Joseph hit paydirt four times in the first quarter and were never headed thereafter.

Raymond's only score came in the final quarter when End Ralph Butts scooped up a Rebel fumble and galloped 30 yards for the score. The extra point attempt failed.

Eagle Scoring Threats

These two performers will probably see much action Saturday night when the Eagles take on the Summit Bears at Summit. At the left is Leonard Williams of Jacksonville, Fla. Leonard, a six foot two inch, 182 pound end, has become a pass receiving threat to all opponents. Making several touchdown catches this year, the 18-year-old Floridian is expected to keep the Bear secondary on their toes Saturday night.

Dickie Craddock of Baton Rouge, La., has developed into a dangerous runner for the Eagles. Against the Holmes Bulldogs last week, Craddock came into his own as he scored two of the three Hinds' touchdowns. Dickie is the 19-year-old son of Mr. and Mrs. W. C. Craddock of Baton Rouge. He is five feet nine inches tall and weighs 160 pounds.

In Florida last year Leonard was placed on the All-City, All-County, and second team All-State teams.

Dickie made the All-City team his last two years at the Louisiana school.

Hinds Eagles Win Over Bulldogs 20-6 On Cold Gridiron

Plagued by bitter cold, fumbles, and dropped touchdown passes, the Hinds Eagles defeated the Holmes Junior College Bulldogs here Saturday night 20-6, the lowest winning score the Eagles have recorded this year.

The game was marked by outstanding defensive play on the part of the Eagles during most of the first half, when they kept the Bulldogs entirely out of Hinds territory.

The first score of the game came in the first quarter after the Bulldogs had been forced to punt out after four plays from opening kick off, the Eagles had fumbled and lost the ball on the Holmes 40, and Billy Juenke had recovered it by intercepting a pass on the Hinds 45.

From the Holmes 42, Willard Rachal took a pitchout to the 3, where Billy Hugh Montgomery went over to score. Roy Price added the conversion to give Hinds a 7-0 lead, which it held throughout the quarter.

Shortly before the half the Holmes squad managed to penetrate the Hinds defense to carry the ball up to the Hinds 20. From here Allen Ables connected with a quick pass to Eddie Lewis on the 10, and Lewis went over. Karl Jones kick was wide, and the Eagles held a one-point lead at halftime.

Both teams came back strong after the halftime period, and both were forced to punt out several times before the next score, which came after a sustained Hinds drive had put the ball on the Goodman 3, where Dickie Craddock went over on a handoff to score. Price's kick for point failed, and the Eagles led 13-6 at the end of the third.

In the final stanza the Bulldogs took to the air in desperation. Their passes fell incomplete or were intercepted by Hinds men. Billy Irby nabbed two and Billy Ricketts one, while several others were knocked down.

The final score of the evening came when Holmes punted out to the Eagles 30 and Billy Hugh Montgomery brought it up to the 50. Dickie Craddock took it here to go off tackle in the final seconds of the game for the 50 yards to pay dirt. Price added the final conversion.

Volume 18, Number 8

Staff of Yearbook Will be Guided by **Editorial Board**

Headed by a five-man editorial hoard, the staff of the EAGLE, Hinds Junior College yearbook, is being appointed now, according to Mr. T. T. Beemon, sponsor, who reports that several key positions will be filled from the candidates now serving.

The staff at present includes: Alice Raney, Zula Greenlee, Ann Ross, and Billy Dungan, editorial board; Bobby Allen, Lanelle Williamson, Jerry Pitts, Suellen Abernathy, and Doris Wilson, club editors:

Fannie Mae Blaylock, Bonne Shackleford, James Van Horn, and George Hicks, feature editors; Barney DeLaughter, Margaret Johnson, Ann McGuffee, Barbara McRae, sports editors; Marjorie Wooten and Carolyn Milton, high school editors; and Lynette Collins, snapshot editor.

Business managers of the annual, according to Miss Mary Halford, will be James Marble, Lamar Selby, and Lawrence Cheatham.

The annual will cost four dollars, and at present plans are being made to allow students to pay a deposit of two dollars now and two dollars when the order is placed with the publishing company.

ing Scheduled Saturday

With the classes of 1921, 1931, 1941, and 1951 being singled out for special recognition and the theme of "Old Southern Belle," Hinds Junior College will observe homecoming Saturday.

Approximately 3000 invitations to the affair have been mailed to Hinds alumni, according to the registrar's office.

The day's events will include registration; a tour of the campus and farm, with Hinds' three new buildings being open for inspection by the visiting group; an afternoon program at 4:30 with Mr. J. B. Patrick serving as master of ceremonies and President G. M. McLendon delivering the welcoming address; supper in the new cafeteria; the Hinds-Booneville football game; and a recep-

Entertainment for the afternoon program will be supplied by the Hinds Boys' Quartet under the direction of Mr. Lavan Robinson and the High School Dramatics Club under the direction of Miss Lurline Stewart.

In ceremonies before the game

at 8 o'clock, Anne Carr, Jackson, sophomore, will be crowned as queen of homecoming. Her maids will be Rose Manton, Brookhaven, and Dot Walters, Jackson, both freshmen.

The queen's float will carry out the "Old Southern Belle" theme, but the exact nature of the float is being kept secret by the float and steering committees, who declare, ,'It's to be a big surprise."

At the half time show the Hinds Band and the Hinds Hi-Steppers will present a spectacular show, climaxing their halftime shows for the year.

Members of the steering committee in charge of the event are Mr. T. T. Beemon, Mr. A. L. Denton, and Miss Gertrude Davis.

The 3000 invitations mailed to alumni do not include all former students, according to Miss Mildred Herrin, registrar, because no accurate alumni lists are available. All former students, friends, and patrons of the school are being asked to extend the invitation to others, so that all may know of the event.

Manton to Enter Ole Miss Contest

Rose Manton, Brookhaven freshman, has been selected to represent Hinds Junior College in the "Miss Dixie" contest to be held at the University of Mississippi Sat-

Rose who was one of four nominees, was elected Monday night by the Student-Faculty Council. The other nominees were Kyrous Gunter, Learned; Gloria Bolton, Utica; and Elsie Evans, Greenville. The winner of the contest will be given a scholarship to the University of Mississippi.

The contestant will be judged on her appearance in both evening gown and bathing suit. She will also be judged on poise and her ability and manner of answering a few simple questions.

Rose is the 18 year old daughter of H. A. Manton, 140 Josephine street. Brookhaven. She was selected "Miss Brookhaven" while still a senior in high school.

4-H'ers to Attend **Jackson Meeting**

Twenty 4-H Club representatives from Hinds Junior College will be on hand for the Mississippi 4-H Club Round-up in Jackson this week, while three Hinds Junior College students have won first in the state in their 4-H Club competitions, according to an announcement from state headquarters at State College.

The twenty who will attend the state meeting in Jackson Thursday and Friday include Harry Puryear, Dorothy McNair, Janie Mashburn, Martha Gillespie, Rosa Taylor, Mary Will McKenzie, Peggy Stubbs, Jewel Mattis, and Thomas Rowlett, district winners; Mr. and Mrs. W. M. McKenzie, Mr. Troy A. Ricks, Mrs. Albert Mashburn, Julius Russell, Jerry Smith, Terry Worrell, Thomas Keith, Barbara Brummett, Ann Smith, and Norma Joyce Owen, sponsors and officers.

The three state winners, all of whom are now eligible to compete in the national 4-H Club competitions include Thomas Rowlett, in project achievement from Chickasaw county; Janie Mashburn, clothing, and Julius Russell, beekeeping, both from Hinds County.

Rowlett received a \$300 scholarship and trip to the National 4-H Club Congress in the tractor maintenance competitions last year, where he won first in the nation. For the past four years he has attended the state 4-H Club Congress and the past three the 4-H Club Round-up in Jackson.

Cafeteria Opening Causes Rejoicing: Students Enjoy Peaceful Atmosphere

By WILLIAM DAVIS

Hinds sudents are so happy this week they've forgotten their little game of "spin the bottle to stir the milk," The cause of their happiness is the new cafeteria, which was opened November 1, with a barbecue supper.

Not only does the cafeteria afford a much more pleasant atmosphere for a meal, but it also removes the inconveniences of standing in long, slow moving lines exposed to the weather.

A quick look at some of the outstanding features shows many improvements.

The first thing one notices upon entering is the size, which is much greater than that of the old cafeteria. In fact, the dining area alone is larger than the old dining hall and serving room combined.

Next one would see the two serving counters with a steam table for each. The counter has a glass shield which provides a better display as well as protects the food. Just back of the counters are the kitchens. There one finds a well organized unit that contains two new storage counters for dishes, a new vegetable peeler, five new maple-topped work tables, and a new stove unit with a magic canopy and deep fryers. The kitchen itself has a terra cotta tile floor. Behind the scenes is a baking

room with a large stove for cooking biscuits and other types of quick breads. Beneath the kitchen are large walk-in iceboxes and cold storage units for meats and vegetables. A special ramp below ground level for trucks facilitates the handling of these things as does an elevator to bring the food up to the kitchen.

Returning to the ground floor back to the checker's stand and on into the dining room again one notices the ice water fountain that filters the water as it comes from four outlets. Just beyond this is a double coffee urn.

Upon taking a seat in the dining hall one would find that the tables and chairs are from the old dining hall, but have been reworked and painted to blend with the two-tone green surroundings. Overhead will be found a ceiling of soundproof celotex material and fluorescent directional lighting. Also located overhead are automatic circulating fans for the steam heaters. The fans are made automatic by the functioning of thermostats located on the wall-behind the water fountain.

Looking down one might notice that the floor is a gray asphalt tile and then to complete the survey make a rough estimate of the seating capacity — 250 to 300 persons.

FERGY'S FIKSHUN

By ROBERT FERGUSON

Last week a number of us were fortunate enough to see a sample of American democracy in action. We were able to hear a panel discussion in which congressmen and the governor of our state took part-It is wonderful to realize that the small people can still ask questions, voice their opinions, and have a part in this wonderful American government.

The first annual Hinds High School homecoming was a rousing success in more ways than one. But it was especially successful so far as the outcome of the ball game was concerned. Receiving probably their best support this year, the Baby Eagles rallied their forces in the second half of the game to get their first bite of victory this year by a 14-7 score.

Well, the two junior college bowl games that are to be played in Mississippi have already been filled with Mississippi's teams. Pearl River Junior College of Poplarville will be the host team in the Memorial Bowl classic in Jackson. The grand daddy of junior college bowl games, the Laurel Lions Bowl, has selected Jones County Junior College of Ellisville as its Mississippi contender. These

schools have not met on the gridiron this year as yet, but they will close their seasons against each other in what should be a real thriller and decide the conference championship. Both of these schools trimmed the Eagles' feathers in close games and congratulations are due them no matter which wins the conference title.

Alabama had a field day Saturday in trouncing Mississippi Southern 40-7, but it was a Mississippi Southern and former Hinds fullback who was by far the outstanding back on the field. Bucky McElroy, a Hinds contribution to the All-State squad last year ran through the Alabama team for a net rushing yardage of 189 yards to strengthen his hold on the rushing leadership in the Gulf States Conference. Bucky also completed a 40 yard pass during the contest.

Two other former Eagle stars now perform with the Southerners. They are Ken (Curly) Farris, a firstline guard on the offensive platoon, and Jack Fulkerson, a 220 pound stalwart at tackle on the defensive platoon. At Hinds, Farris was an outstanding end and halfback while Fulkerson was an AllState tackle performer. Both are seniors at Southern this year.

Ole Fergy is looking forward to the homecoming game Saturday. And here's hoping we can end the season on the same note of victory with which we began it.

Hinds Colorful History Records Growth And Progress Since Founding In 1917

Founded in 1917 on the promise that Hinds County youth should have the best possible educational opportunities at the lowest possible cost, Hinds Junior College celebrates its 34th year Saturday at Homecoming.

During those 34 years it has seen several thousand students go through training here to acquire a better opportunity in life, during that time it has had the wholehearted support of Hinds County citizens.

Founded as an agricultural high school in 1917, the campus that first year consisted of the Administration Building, later known as the Old Science Hall and destroyed by fire in 1949; the boys' dormitory known as Shangri-La; Girls' Main Dormitory; the superintendent's home, now known as the Art Building; the power plant; one barn and 74 acres of land.

The school had an enrollment of 118 students, taught by a staff of eight faculty members.

Today the campus contains 28 buildings, including the new Cafeteria and Student Center, the new Administration Building and the new Academic Building; has access to over a thousand acres of farm land, a cold-storage plant and meat curing plant for Hinds farmers; and the student body numbers approximately 600. The staff of the college has grown to 60.

Just four years later — in 1926

— the county decided it would do well to add the second year of college work to the curriculum, so that it was in 1926 that Hinds Junior College was officially born.

That year, also, the Administration Building was constructed at a cost of \$100,000.

The fall of '26 saw the enrollment creep past the 400 mark, with 74 of those registered being college students.

So well did the school flourish that first year that it was admitted to membership in the Southern Association of Secondary Schools during the first year of its existence. The first year of college work was added to the curriculum in 1922, and the first year of high school was discontinued. That first freshman class had 30 members.

The year 1927 was a good one for Hinds. It began a long winning streak for the Raymond school. The state cup for first place in literary and athletic events went to Hinds students that year, and the three years following.

The college department "grew up" in 1928 when it was admitted to membership in the Southern Association of Colleges and Secondary Schools.

G. J. Cain became president in 1930. Two faculty homes were constructed then, also. By 1933, Hinds had grown so that the enrollment had passed the 550 mark. The year 193 brought the state

cup for literary and athletic competition back home to the Hinds students and first place honors to the Hinds debate team.

The growing school had really begun to expand by 1937 when a well equipped gymnasium and a second dormitory for boys were erected. President G. M. McLendon came as president in 1938, and the state's "big cup" came home once more.

The following year campus driveways were paved; a lighted football field was added; adlitional shops were constructed; the Civilian Pilot Training program was approved and begun; and the Meat Curing and Cold Storage Plant was constructed as an added service to Hinds county farmers.

The fall of 1940 found over 700 students at Hinds portals. An N. Y. A. workshop and a duplex dwelling were built. More recreational facilities were added, and a moving picture machine for visual education was purchased.

The commercial department was expanded to increase opportunities in secretarial and commercial sciences in keeping with the school's policy of having course offerings to meet the needs of students.

Meanwhile the students themselves were wasting no time, for in 1940 Hinds once more won highest honors in literary competition, a superior rating in dramatics, the championship in track events, and for the fourth consecutive time, first place in debate. The next year, 1941, the beginning of the war, Hinds won first place in state platform events, and the debating championship for the fifth time.

The Civilian Pilot Training Program was continued, and to meet growing needs of the defense program, a National Defense Clerical School was organized for training selectees-to-be in office forms for military correspondence and procedures. Classes in first aid were also offered in defense training.

As the need for an "all out" war effort grew, Hinds added more and more to its curriculum. In 1942 the War Production Training Program was begun with classes in welding, aircraft riveting, and auto-mechanics. Physical fitness was emphasized for every boy and girl and an obstacle course was built for C. P. T. trainees.

An accelerated scholastic program, introduced in '42, enabled boys and girls to complete high school and college work in a shorter period of time and to enter vital war work earlier.

The Civilian Pilot Training program was expanded and the services of the Cold Storage Plant were increased with the addition of canning and slaughtering units to help the public during the wartime rationing. A nutrition course was introduced in 1934, and every jun-

ior college student enrolled.

The year 1944 brought the junher college football championship to Hinds. That same year, HJC placed five men on the all-state team.

With the war over, Hinds turned to training veterans in vocational trades to help them find a better job in industry. The vocational building was dedicated in

The next year found the HJC band marching down Capitol street in Jackson one memorable afternoon in a parade honoring the returned war hero, Jonathan Wainwright. A new girls' dormitory was completed, and a veterans' housing project was opened for returning servicemen.

Hinds bowed to Ellisville and took second place in the junior college football conference in 1947, for the first time since '44; but came back in a post-season game to defeat the champs. That year also added a new vocation building and a new boys' dormitory.

Continuing the program of expansion, the school added a new practice field with semi-circular drive, a new music hall, and a new science building. That year, 1948, the Eagles went to the Spindle Top Bowl in Texas. Students took an active part in the States' Rights campaign and even organized their own chapter. Weight-lifting was added to the wide variety of athletic activities, and Hinds won four championships.

Going undefeated the entire season, the Eaglettes won the state basketball championship. A National Guard unit was organized. The school won national recognition in the pages of PATHFIND-ER News Magazine, which cited Mississippi's outstanding junior college system.

The highlight of the 1949-50 session was the burning of the Science Hall. One of the original buildings on the campus - the

'First Dress Suit' To Be Presented By Dramatic Club

"The First Dress Suit," by Russell Medcraft, a sprightly one-act comedy of teenage romance, will be presented by the Hinds High School Dramatics Club here Tuesday morning at the regular assembly period.

The cast of characters includes Teddy Harding, seventeen years old, played by Raymond Tomlinson; Mrs. Harding, his mother, played by Barbara Brummett; Betty Harding, his older sister, played by Jo Anne Burkett; and Johnny Drake, her fiance, played by Thomas Shirley.

Property manager for the play is Lynn Pardue, assisted by Joyce Rogers; while Nancy Arnold will announce the play.

The story of the play deals with the trials and tributations of a young boy on the occasion of ordering and wearing his first dress suit.

administration building when the school opened - it was destroyed by a night blaze on March 24. The enrollment that year was approximately 750 students, one of the largest in the school's 33-year history. The expansion program was continued with the addition of a Band Hall joined to the Music Hall by an auditorium. A full scale chicken raising project was begun to supply eggs and poultry for the cafeteria.

The cold storage plant facilities were increased by the addition of a milk-pasteurizing unit and a bulk food room.

Other changes and improvements were also made at the plant. A press box was added to the facilities of the football stadium. Hinds won the state track meet for the fourth time in succession and the girls' basketball championship a second time. To take care of all the trophies, a set of trophy cases was built and placed in the Administration Building. That spring Hinds was host to the state junior college music festival, and on the gridiron the Baby Eagles won over Morton for the BB district championship. That summer the older boys' dormitories were renovated and concrete porches added to Main and Shangri-La.

Last year Hinds continued to grow. As a regular program, station W R B C in Jackson broadcast the Hinds football games, both at home and on trips. The enrollment was almost up to the record setting total of the year before, and construction work was begun on three new buildings.

The John Bell Williams Airport was given to the school, and training in airplane body mechanics and airplane engine mechanics was offered. A new administration building and a new classroom - shop building was constructed at the airport. A more intensive program of individual guidance work was added to the school's educational program and the college instituted night classes for adults.

This year progress is still being made. The newly formed Student-Faculty Council began operation at the beginning of the school year and has done remarkable work. It was under their direction that the students were allowed to dance in the new grill, the Eagles' Nest. This new and modern grill has been acclaimed as one of the best in the nation. Adding to the recreational facilities on the campus, an activities room complete with games for the students' use was added to the new cafeteria building. A precision drill unit was formed, the Hinds Hi-Steppers, including 21 of the most talented co-eds on the campus. They made their first appearance at the Decatur-Hinds football game, held in Jackson at Tiger Stadium.

In October the Hinds Band presented the first radio program in a series of programs of college life over WSLI. These programs, a public service feature, are devoted to various campus activities and departments. For the first time in the history of the high school, the students had homecoming exercises.

Around The

Collegiate Loop By VIVIAN WADSWORTH

At M. S. C. W. the students (all, girls, incidently) have started their intermural volleyball games. Already the juniors and sophomores are in the lead by winning the first game of the series.

Up at Delta State Teachers College some girls in one of the dormitories conducted a survey about kissing. It was revealed that the greater percentage of girls keep their eyes closed while being kissed. The statistics were not thought to be very reliable because they were not made from actual experimentation.

At the University of Missouri a student walking through the Quadrangle on midnight was accosted by two husky lads who tried to "roll" him. Since it was dark, and he was obviously outnumbered, the student did the only thing he could do-he ran.

At Turfts College, Massachusetts, the TURFTS WEEKLY asked freshmen what they wanted most in their fraternities. Most frequent answer was, "a good chef." Second in frequency was, "access to the exam files."

ADVICE . . .

On the eve of the big football trip to Buffalo, N. Y., the BONA-VENTURE, at St. Bonaventure University, offered student travelers some serious advice:

"Remember that you are representing a famous, old, Franciscan institution dedicated to Catholic education.

"Remember that vandalism in any form is a sin, and someone has to pay for your destruction.

"Remember that moderation is the mother of virtue. Remember to go to Mass Sunday. Remember to go to the game . . .

Russell Is President Of Boys 4-H Club; **Meetings Commence**

Hinds Junior College and High School students now have open to them a boys' 4-H Club operating on the campus, according to Mr. W. M. McKenzie, newly elected sponsor.

Julius Russell has been elected president; Jerry Smith, vice-president; Terry Worrell, secretarytreasurer; Thomas Keith, recreation leader; and Harry Puryear, reporter.

Phil: "So you're a salesman! What do you sell?"

Bill: Sait.

Phil: "I'm a salt seller, too, shake."

Each year since 1917, Hinds has made a step forward in progress and today the school is still growing, enlarging for the purpose of giving more students the privilege of attending one of the finest junior colleges in the state.

You have heard the question, "Should 18-year-olds be allowed to vote?" THE BRADLEY SCOUT student newspaper at Bradley University, Ill., recently polled some of its campus leaders on this question and came up with some interesting results. Below are a few opinions given:

"The average 18-year-old is not well enough versed on the national situation to vote wisely."

"Eighteen-year-olds should be allowed to vote. In most states women are legally of age at 18 and all men 18 years and older are eligible for the draft."

"With the higher educational standards in our high schools, 18year-old voters could be equal to, if not better than, older voters as far as qualifications are concerned."

"Those who fight at 18 should be allowed to vote." Many students are found to agree with the last opinion.

The students at Ole Miss are having "Dixie Week" this week. One of the interesting features of the "Week" is a beard growing contest. The military heads have given consent for ROTC students in the three branches to grow beards for the contest. Another highlight will be the judging of the "Dixie Queen," from the junior college entrants. Our own entrant for the contest is Miss Rose Manton, freshman. We wish you luck, Rose.

I never could find a cute poem. Guess the people nowadays aren't interested in writing. Oh well, here's some advice for all of you who has troubles (and who hasn't?): "It's just as well to forget your old troubles, because there are a lot more coming."

Delegates Attend Y.W.C.A. Meeting; Piggott on Board

Seven Y. W. C. A. representatives from Hinds Junior College attended the Mississippi Y. W. C. A Conference held in the Educational Building of the Capitol Street Methodist Church November 10, at which a dozen Mississippi colleges were represented.

The theme of the conference was "What Does God Require of Us." Dr. Fred Neal, professor of philosophy and religion at Mississippi State College gave the principal address.

The Hinds delegation had charge of the morning worship program, and Peggy Jean Piggott was elected as a member of the 1952-53 planning commission.

Other Hinds representatives included Grace Pickett, Wilma Ryan, Zula Juan Greenlee, and Miss Gertrude Davis, sponsor.

Eagles to Meet Booneville Tigers In Homecoming Match Saturday

Returning alumni have the prospect of seeing quite a ball game at the annual Hinds Junior College homecoming Saturday night. To furnish more than enough opposition will be the strong Booneville Tigers of Northeast Mississippi Junior College.

The powerful Tigers tied the Lions Bowl bound Jones Bobcats earlier in the season. Jones beat Hinds in a thriller 32-28 three games ago. In that light on a comparative basis the Tigers will rule a slight favorite.

The game has the prospect of being a real crowd pleaser as both teams are noted for rolling up big scores. Booneville showed its scor-

Baby Eagles Win Homecoming Tilt

Led by Captain Ray Boyd, who scored all their points, the Raymond Baby Eagles defeated Terry 14-7 Friday night at Raymond's first homecoming game.

Boyd, who missed the last game because of a back injury scored two TD's and two extra points in the Raymond victory.

In the first half it looked as if Raymond would again drop into the loss column. Neither team could gain in the first quarter, but deep in the second period Freddie Jones of Terry intercepted an Oberhausen aerial and carried it to the Raymond 15. Three line plays moved the ball to the 3 where Dickie Morgan went off tackle to score. Robert Peoples ran the extra point and Terry led 7-0 at the half.

However, a fired-up Raymond team came out in the third quarter. Early in that period George Oberhausen intercepted a pass and gallopped to the Terry 1-yard line. From there Boyd took a pitchout to score. Boyd went off tackle on the conversion attempt to tie the score at 7-7. A moment later Clyde Glisson intercepted a pass and went to the Terry 35. Raymond Tomlinson quarterbacked Raymond to the 2 and Boyd again scored on a line play. He also ran the extra point and Raymond led 14-7. The Baby Eagles then held on until the final whistle to gain their first triumph of the year.

In pre-game ceremonies Captain Boyd crowned Miss Janie Mashburn as Raymond's first Homecoming Queen. Then all the graduating seniors met with the officials as Raymond's co-captains. The seniors are: George Oberhausen, Billy Lancaster, Eddie Beasley, Frank Boyd, Perrin White, Raymond Tomlinson, Louis Mealer, "K" Lewis, Ivor Davis, and Earl Shirley. The Hinds Band and Hi-Steppers performed at halftime.

Coach Boteler's charges closed out the season with one victory, six defeats, and one tie. ing power last week then they ran roughshod over the University of Tennessee Junior College to the tune of 47-0. Hinds has been noted for scoring points all season, having rolled up 318 points in nine games.

A flock of fleet backs will lead the Northeast attack. Jimmy Harrell, Pete Honeycutt, Paul Stovall, Bobby Drewry, Bob Henry, and Jimmy Dodwell are the scoring threats of the Tigers from Northeast.

The Eagles will have a flock of speedy lads themselves. Willard Rachal, Billy Hugh Montgomery, Billy Juenke, Bob Smith, Tony Montalbano, and James Ratcliff will head Eagle thrusts into Tiger territory.

Hinds Art Club Holds Initial Meeting; Plans Exhibit For Graduates

The first meeting of the Art Club was held Wednesday at activity period in the Art Building. Presiding was Anne Carr, sophomore, from Jackson. The club now plans to alternate their meetings with the Lamplighters Club, at activity period one week, then on Wednesday night one week. These meetings will feature soap carving and elementary sculpturing.

In February the Art Club will sponsor an exhibit of work of Mississippi artists. This will be held in the library.

Exhibits of those students graduating at mid term will be held in the new art room during the first semester.

RAYMOND SPLITS WITH BOLTON IN PRACICE GAMES

Raymond's high school cagers split a pair of practice games with Bolton Wednesday night, the Bolton girls capturing the opener 14-20 and the Raymond boys winning the afterpiece 31-27.

In the first game Bolton took an early lead and won going away. Gwenn Polk, Ellen Milano, and Francis Graham paved the way to victory with 16, 10, and 12 points respectively. Peggy Rosser and Rosa Taylor each got 6 points for Raymond.

The boys game was close all the way with Raymond taking a last half lead and holding on to the end. Doug Brewer led local scoring with 11 points while Joe Gearhart garnered 9. Raymond Shelton topped Bolton's tallying with 17 points.

HJC Defeats Co-Lin 49-26 in Practice Tilt Preceding Cage Season

Hinds' hopes for a successful basketball season got a breath of life Thursday night when the Hinds Eagles, in a practice game, defeated the Wesson Wolves of Co-Lin by a score of 49-36.

Flashy Charlie Roberts practically stole the show for Hinds with his trick shots and 25 points. He also showed promise of being a fast, aggressive ballplayer. Thomas Poe, Sam Murphy, Grady Gill, and Howard McKissack all showed up well in the rebound department.

The entire squad exhibited fire and hustle but still lacked experience in finding the goal range. However, their set plays worked well

The Eagles are under the coaching of Mr. Troy A. Ricks, who led the Co-Lin Wolves to two state championships in two years of coaching at the Wesson school.

F. T. A. to Present 'Education in Crisis' As WSL1 Program

The Future Teachers of America, sponsored by Dean M. F. Herring, will present the weekly radio broadcast Thursday night at 6:45 over Station W.S. L. I in Jackson.

The program is entitled "Education in Crisis" and is based on National Education Week which is this week.

Students taking part on the program include: Mary Edith Mills, Jean Hart, Betsy Milner, Zula Juan Greenlee, Carolyn Paxton, Jean Price, and James Marble.

Y-Teens Plan Play For Jackson Meeting Of District Group

Six delegates to the district conference in Jackson on December 1-2 have been elected by the Hinds Junior College Y-Teens, and the organization will present a play for the conference.

Night delegates will be Ann Shelton and Mary Lucille Nail. Day delegates will be Bebe Epperson, Rosa Taylor, Mary Will Mc-Kenzie, and Martha Gillespie.

Eagles Come Back To Beat Summit In Third Quarter

The Hinds Junior College Eagles had to do it the hard way Saturday night as they came from behind in the second half to take a 28-13 decision over the Southwest Junior College Bears at Summit.

Southwest led the Eagles 13-7 at the halfway mark, but a three-touchdown outbreak in the third quarter iced the victory for Hinds.

Hinds scored first after Billy Hugh Montgomery had taken the ball to the Southwest 30, and Quarterback Byron O' Quinn shot a pass to End Earl Jefferson for the tally. Roy Price added the first of four perfect placements. He now has 40 extra points out of 44 attempts.

Southwest completely dominated play during the first half, led by Cramer, the quarterback. They rolled up two touchdowns and an extra point before the second period ended. They also led Hinds in first downs at the half, 6-3.

Bob Smith zoomed 90 yards to set up the tying touchdown for the Eagles. He then proceeded to score from the 2 as he personally put the Eagles back into the ball game.

The third Hinds tally was set up when a Summit fumble was recovered deep in Southwest territory. A few plays later, James Ratcliff went over on a quarterback sneak from the 3.

Willard Rachal, fullback, accounted for the final Raymond score. After bulling his way for 40 yards to the 5, he went around end on a pitchout for the touchdown.

The Eagle defense tightened in the second half as Linemen Billy Hollway, Charlie Dees, Jessie Greer, John Crechale, Earl Leggett, Reynold Ledet, and Billy Cooper played outstanding ball. Billy Irby, Tony Montalbano, Billy Juenke, and Irwin Dillard were standouts on defense in the Eagle backfield.

"INTOXICATING" MILK

An old man's cow got loose, visited a neighbor's still, and ate so much sour mash that she died. The old man put in a claim against the neighbor for the cost of the cow.

"I'll never pay it," said the neighbor. "My whiskey mush didn't kill your cw. She gave eggnog, and you milked her to death."

THOUGHT FOR THE WEEK ...

By G. M. McLENDON

The degree to which the Faculty-Student Council members work cooperatively in trying to determine the things of maximum benefit, being unselfish in each step of the procedure, the greater will the success be. We find ourselves constantly in a democracy not agreeing with all that is, and it is perfectly democratic to work for changes within the framework of a democratic society.

Makes Florida Trip

President G. M. McLendon of Hinds Junior College is attending the meeting of the Southern Association of Schools and Colleges at St. Petersburg, Florida. He left here November 29 and is expected to return December 6.

HJC Spanish Club Presents Program

El Circulo Espanol, the Spanish Club of Hinds Junior College, sponsored by Miss Hilda Ree Davis, presented the radio program on WSLI Thursday night, November 29.

The program, conducted by Vivian Wadsworth, president of the club was an interview featuring students from Honduras. Each boy gave an account of their country in relation to the United States. Boys taking part on the program were:

Salvador Canahuati, who spoke on the geography of Honduras; Alfred Handel, who told about the food and the Christmas customs; Carlos Zacarias, who gave an account of the favorite sports; Vito Patti, who reported on the differences in the school system; and Louis Mealer, who told about the social activities of the Honduran boys and girls.

Classroom Flags Planned by I. R. C.

Plans for securing an American flag for each classroom at Hinds Junior College were discussed at the last meeting of the International Relations Club.

The club met Thursday during activity period, and Edwin Cobb led the discussion on differences between democratic and totalitarian government forms. At the previous meeting Ted Dunning was elected vice-president.

Students Can Make Class Changes Now

Schedule changes for the second semester will be made beginning Monday, December 3, and continuing until January 11, the registrar's office announces.

Students who wait until the beginning of the second semester for such changes will be required to pay \$1 for each change.

Seven Sophomores Invited To Join Junior College Honorary Fraternity

Seven sophomores at Hinds Junior College are being extended invitations to become members of Phi Theta Kappa, national junior college honorary fraternity, according to Miss Gertrude Davis, sponsor of the Hinds circle of P. T. K.

The seven are Edwin Cobb, Juanita Holliday, Larry Philyaw, Mary Ann Presley, Sylvia Scott, Joe Terry, and Larry Wheat. The addition of the new members will bring the number of Hinds students belonging to the organization to 14.

Present active members include Kyrous Gunter, Alice Raney, James Ratcliff, Charles Brown, Theresa Cox, Bobbie Crechale, and Rose Parsons.

Phi Theta Kappa is the national scholarship society for junior

colleges. The purpose of the nonsecret organization is to promote scholarship, to develop character, and to cultivate fellowship among the students of junior colleges in America.

Membership in the organization is dependent upon the following qualifications:

At the time of election the student must be within the upper ten percent scholastically of the enrolled student body of the college division, with a grade point ratio of 2 or above for all his college work prior to election. He must be of good moral character and possess recognized qualities of citizenship as judged by the faculty committee and all active members of the local chapter.

Fight Socialism With Education

"What can college students do to fight socialism?" That was a question asked by one of our own students during a forum of senators and representatives that was held recently in Jackson.

That question was answered by one of our members of Congress. He said that the best way for college students to fight the creeping form of socialism that is seeping into this country is to study and familiarize themselves with the history and basic principles of American government.

The creeping socialism can have far more effect than the average student realizes. It will slowly drain us of our state's rights, personal liberties, and political rights. Its objective is to gradually but surely put more and more power into the hands of the Federal Government and take it away from Mr. John Q. Public.

The youth of today, if not educated in the basic fundamentals of our American democracy, may become easy prey for the socialist minded idealists. That is, they may unwittingly be tricked into voting for a communist (which is extreme socialism) minded person without knowing exactly what he stands for.

Personally we think the average American youth is a lot more mature than he is given credit for being. If he goes out to fight in the so called "police action," he should at least know what he is fighting for. If a fellow is going to be jerked away from his schooling, his career, and loved ones to fight for his country, why shouldn't he have a part in making the laws of that country. If he's got to protect the laws, rights and privileges of his country, he should at least be allowed to cast his vote for the man who he thinks is capable of filling a law making, enforcing, or other office that deals with the business of both local and national governments.

We think that the American youth within draft age should be allowed to vote. But if we never get this right, let us remember those basic constitutional principles of our government so that we may never unknowingly stand for undemocratic ideas that would keep our country from being the democracy that it was intended to be.

We, the youth, are the voters of tomorrow. Let's fight suh! Fight to retain what our forefathers fought so hard to give us.

All Deserve Credit

With the moving into the new buildings now coming closer each day, we feel that students and faculty of Hinds Junior College deserve a lot of credit and praise for the way they have co-operated since the destruction of the Old Science Hall. Hinds has had 85 per cent complete utilization of its instructional space during that time.

FERGY'S FIKSHUN

By ROBERT FERGUSON

The ole Eagle will preen his feathers this week getting ready for the opening cage game of the season with the Lions of East Mississippi Junior College.

The Eaglettes are also prepping for a match with the feminine basketeers from Scooba. The Eaglettes were runners-up in the conference last year and are always a threat to take the laurels. This year should prove to be no exception.

* * * *

The Eagles are working out under a new coach this year. Coach Ricks, however, is far from new in coaching circles. While coaching at Copiah-Lincoln Junior College of Wesson, he produced two state champion teams. After coming to Hinds, his high school teams had two very successful seasons, going through 22 games before tasting defeat. We believe that this year's Eagle team will give anyone a fight for conference honors.

Not long ago several of the HINDSONIAN staff made a trip to East Mississippi Junior College of Scooba for the fall meeting of the Mississippi Junior College Press Association. Aside from Fergy forgetting his cuff links and having to lace his cuffs together with cord string and a few other such incidents, we had a wonderful time. The faculty and student body at East Mississippi was one of the most friendly we have ever encountered. Here's hoping that the spring meeting, which will be held at Hinds, will be as successful as the fall meeting.

Hinds has been invited to send two voting deegates to the meeting of college student-councils at Delta State this week end. The delegates have not been named as yet, but the meeting should increase the knowledge of our young student-council and help build up a better one next year.

Ahhh-! What is that tantalizing aroma? Why I do believe I am catching the scent of oleanders in my nostrils. That beautiful little evergreen shrub is beckoning from the plains of Texas. Yes, that's the name of the bowl game the Eagles will perform in January First at Galveston, Texas. Hinds will help make history that day as it will take part in an experimental move. The game will be played at ten o'clock in the morning in order to attract a bigger crowd. The object is to attract the people who go to, or listen to the big bowl games in the afternoon. This is the first time this has ever been tried, so let's hope

Spirit of Yuletide Has Been Spread By Christmas Cards For A Century

By VIVIAN WADSWORTH

With Christmas just around the corner everyone is turning their mind to trees, Santa Claus, presents, and most of all, Christmas cards

For ages people have been sending greeting cards to friends and relatives to wish them "A Merry Christmas and a Happy New Year." But how did the custom originate?

The first known Christmas card was published in 1842 in London by William Maw Egley, Jr., a 16-year-old engraver's apprentice. The first American card was published in 1875 by a Boston lithographer, Louis Prang.

Holiday celebrations of the early Victorian period were engraved into four scenes on the cards and there were pictures of a Punch and Judy show, top-hatted ice skaters, and a happy dinner party waiting for plum pudding. Even back in the old days the inside of the card bore the inscription, "A Merry Christmas and a Happy New Year To You."

In 1843 Charles Dickens wrote the beloved "A Ghristmas Carol"

ENGLISH TEACHER ATTENDS MEETING

Miss Gertrude Davis attended the forty-first annual meeting and the fortieth anniversary celebration of the National Council of Teachers of English at the Hotel Sheraton-Gibson in Cincinnatti, Ohio, November 20-24.

The theme of this convention was "English and Human Personality."

Hinds was also represented by a former member of the English department, Miss Evelyn Steadman, of Hattiesburg. Miss Steadman is remembered on the campus as a dramatics coach, speech instructor, and publicity director.

which is heard so often during the season.

In the next few years, artists and publishers intensified their efforts, and Christmas cards went through an experimental or facelifting period. Then, in 1866 Messrs. Marcus Ward and Company of Belfast, Ireland, were commissioned by an English firm to lithograph a set of four designs by the artist, C. H. Bennett. Reproductions from this set, were the forerunners of the first "popular" Christmas cards.

The modern era of Christmas cards dates from 1900-1910, when a number of new publishing firms were first established. But the big boom came immediately after World War I. At that time, public fancy was completely won over by the symbolic designs—Christmas trees, holly wreaths, gleaming candles, and church bells — which are as popular today as they were then.

This year, when you send a Christmas card, remember you are sending along a bit of cheer to someone who will appreciate it.

Debaters Make Trip To Alabama University To Attend Conference

Joe Boyd, Jack Mullins, Pat Nowlin, and Bonne Shackleford, accompanied by Miss Ruth Boyd, attended and participated in a "regional discussion conference" at the University of Alabama recentiv.

Of the 22 colleges from seven states present, only Hinds and Wood Junior College of Mathiston represented Mississippi's junior colleges.

While there the Hinds group met Mr. James Kuichell, Paul Douglas, and Dr. and Mrs. Richard Ainsworth, all formerly of Hinds. Dr. Ainsworth is a professor in the mathematics department there.

Tenth Grade Gives Talent Show Monday At Regular Meeting

Members of the program committee of the 10th grade provided a talent show for the class' regular meeting Monday.

Taking part were Barbara Brummett, who sang "Syncopated Clock," accompanied by Norma Owen; Ann Shelton, who played "Golden Earrings," "Beerbarrel Polka," and "Two Guitars," on her accordian; Jackie Andrews, who sang "I'll Get By," accompanied by Ann Shelton on the piano; Nancy Arnold, who sang "I'll See You in My Dreams;" Emily Noble, who played "Butterfly" on the piano; Harry Puryear, who recited "The Rival," and Martha Gillespie, Rosa Taylor, and Mary Will Mc-Kenzie, who sang "I Didn't Know the Gun Was Loaded."

Around The

Collegiate Loop

By VIVIAN WADSWORTH

Remember the "Miss Dixie" contest held at Ole Miss two weeks ago? Most of you know that our own entrant, Miss Rose Manton, came up with second place, but did you know who took the top honors? Miss Eva Nell Bogan, representing East Central Junior College, captivated first place. She won a scholarship to the University for one year.

Thursday, Millsaps will present three one-act plays as the second production of the year by Alpha Phi Omega. The three are: "A Woman's Privilege," "How To Propose," and 'The Monkey's Paw."

At the University of Kansas the UNIVERSITY NEWS asked the coeds what they looked for in boys and here are some of the answers that were given:

"One, has he got a car? Two, a fellow that treats me like a lady and takes someone else into consideration besides himself. Three, two big arms . . ."

"Gee, I guess I look for those broad shoulders . . . "

"The first thing I look for in a boy is a good personality. Next, I

Registrar's Office Requests Students Apply for Diplomas

Students in both high school and college expecting to take diplomas in either January or May should make their applications between now and January 11, according to an announcement from Miss Mildred Herrin, registrar.

"Making application for diplomas consists of checking requirements for graduation, including quality points for college students, in the registrar's office and depositing \$5 for the cost of diploma, cap, and gown," she said.

Hinds Choir Plans Four Appearances During Yule Season

Beginning with a trip to Ruston, La., where they will stage pertions of the Messiah at Louisiana Polytechnic Institute on December 12, the Hinds Junior College Choir, under the direction of Mr. Lavan Robinson will make four public appearances during the Christmas season.

The choir was asked to appear at Ruston by the director of music at the college. Other programs scheduled include an appearance in chapel on December 18 to lead Christmas carols; a presentation of a Christmas cantata in the auditorium on December 19 at 7 p. m., and a radio program just before Christmas featuring carols.

Mr. Robinson, director, has also been asked to join a number of outstanding Mississippi and Louisiana musicians in presenting the Messiah at Jones Junior College, Ellisville, on December 14. He will sini the tenor solo parts in the oratorio.

"I look for their more personal qualities like a car, money, etc. You know."

The Big Game . . .

The Wildcats of Pearl River Junior College are making preparation for their game in Jackson, in the Memorial Bowl. Following is an excerpt from the campus newspaper, THE CADET:

"If it comes to a matter of weight and reserves, the Vikings from Del Mar definitely have the edge for this game, but regardless of what the final outcome the Wildcats from PRC are sure to give a good account of themselves"

If any of you see the game, be sure to back up the Wildcats for they are representing Mississippi and the junior colleges.

Parking Problem . . .

As reported in the BENNING-TON WEEKLY, a University of Georgia coed is jailed if she is apprehended by the law for sitting in a cemetery in a parked car, and is not able to start the car immediately.

The letter below in its entirety to the CAVALIER DAILY, University of Virginia may agree with many of the students, but not around Hinds — especially the last two lines:

"Dear Sir:
No football
No cuts;
This college
Is nuts.

Robert Ferguson, Vivian Wadsworth, Jean Richardson, and Mary Ellen Williamson, accompanied by Mr. Harold Turnage, represented Hinds Junior College at the fall workshop meeting of the Mississipi Junior College Press Association at Scooba November 17-18. Ferguson, co-editor of the HIND-SONIAN, is president of the association and served as chairman of the various meetings.

The meeting featured a series of forums on problems of sponsors, business managers, and editors. Mr. Turnage served as discussion leader for the sponsors' paper, while Vivian Wadsworth was one of the principal speakers on the editors' panel.

Principal speaker at the meeting was Dr. Gerald Forbes, head of the Department of Journalism at the University of Mississippi, who spoke on "The Responsibility of the Editor."

Powerful Bowl-Bound Hinds Eagles Prepare For January 1 Gridiron Clash

The Hinds Junior College Eagles, one of the most powerful scoring teams in the nation, are back on the gridiron this week preparing for their game in the Oleander Bowl, Galveston, Texas, on January 1. There they meet the San Angelo eleven in the New Year's classic, which has been scheduled for 10 o'clock that morning.

Hinds Eagles Take Third in Tourney Staged at Decatur

The Hinds Eagles squeezed out a 60-59 victory over Itawamba Saturday night to win third place honors in the Decatur Invitational Tournament, and it was Sonny Oliphant who provided the margin of victory.

With five seconds to play the soft-spoken guard from Philadelphia popped the net from near mid-court to ring down the curtain on a thrilling ball game.

Hinds had dropped into the loser's bracket by virtue of their 66-54 loss to the home team, Decatur. This game, played Friday night saw the swift-moving Warriors outshoot and outrun the Eagles to win going away. William Pogue, Ridhard Harris, and Charlie McMullan led the way for Decatur with 20, 19, and 13 points respectively.

Hinds kept close on the trail throughout but was never quite able to close the ever-widening point spread. Charlie Roberts paced Hinds with 11 points, closely followed by Benton Fortenberry with 10 and Grady Gill with 9.

Saturday night's consolation battle with Itawamba was close all the way. Itawamba maintained a slim lead for most of the contest but Benton Fortenberry, who tallied 17 points, and Tom Poe, who got 13, spearheaded an offensive that gave Hinds a 1 point lead in the closing minutes. However, Fred Davis, who was high scorer for the night with 26 points, quickly laid in another bucket to give Itawamba a 59-58 lead. It was at that point that Oliphant made his game-winning shot.

Other tournament games saw Holmes top Itawamba 64-60 to go into the final game only to fall before Decatur 58-55 as the home team won the tournament. Also, the Holmes girls defeated the Decatur girls 45-17 in a Saturday night preliminary.

The Hinds Eagles and Eaglettes will open their regular cage season Thursday night, playing East Mississippi at Scooba. They will play their first home game December 14 with Sunflower to furnish the opposition.

New Seats Planned For Recreation Room

To provide more seating space in three-sectioned leatherette settee the Student Recreation Room, a is being constructed by the Hinds auto body repair shop under the supervision of Mr. D. C. Ware. While the Hinds squad goes through light workouts this week, conditioning them after their layoff since November 17, the Hinds Band and Hi-Steppers are making plans for a spectacular halftime show for the game; and methods of transportation for the team, musical groups, and team supporters are being studied.

Present tentative plans call for a motor caravan made up of station wagons, a chartered bus, and cars. Also under consideration is the chartering of a bus for team backers, with those making the trip paying a reduced fare for bus seats.

The Hinds Eagles have racked up 372 points this season in 10 games to rank as one of the highest scoring teams in the nation. They closed their season with the homecoming game here on November 17 against Booneville 54-7, with only 113 points scored against them all season.

In setting their scoring record, the Eagles have defeated eight teams and lost to only two, Ellisville and Pearl River, both by narrow margins. The San Angelo team, champions of the Texas Pioneer conference, have a similar record of eight victories and two losses, both by narrow margins

Scores for the year at Hinds were as follows:

63-0, Hinds over Senatobia; 20-7 Hinds over Co-Lin; 20-14, Pearl River over Hinds; 41-0, Hinds over Perkinston; 55-0, Hinds over Sunflower; 49-28, Hinds over Decatur; 32-28, Jones over Hinds; 28-13, Hinds over Summit; and 54-7, Hinds over Booneville.

Willard Rachal, with 11 touchdowns for 66 points, was high scorer for the Eagles this year. Billy Hugh Montgomery was second with 10 touchdowns and two extra points; Billy Juenke, third, with nine touchdowns for 54 points; and Roy Price fourth with 46 points, all scored on point after touchdown kicking. Price connected with 46 of 52 kicks.

Other scorers included Leonard Williams, 18 points; Earl Jefferson, 12; Benton Fortenberry, 18; Tony Montalbano, 18; Dickie Craddock, 18; Byron O'Quinn, 12; James Ratcliff, 12; and Bob Smith, 36

EAGLE LINE STANDOUTS

BILLY HOLLOWAY

Harry Franklin, 6', 200 pound veteran guard on the Eagle line, hails from Chattanooga, Tennessee. Harry was an able workman on the Eagle front wall last year where he showed up exceptionally well after being switched from a fullback position which he played in high school. He will be depended on greatly to open some holes in the San Angelo line on January First.

Billy Holloway is a 19-year-old sophomore at Hinds. He lettered in football, basketball and track here last year. Billy hails from Learned, Mississippi and attended Hinds High School before entering college here. A standout defensive guard on the Eagle line this year, the 6' 3", 212 pound Holloway also won the state shot put crown last year.

High School Opens Basketball Season With Double Victory Over Madison

Getting off to a flying start in their '51-52 cage season, the Raymond High squads swept a doubleheader from Madison, but lost their next two twin bills to Clinton and Forest Hill

Playing at Madison in the season opener, the Raymond girls were hard-pressed all the way by the scrappy Madison lassies, but won by a margin of 36-27. Pat O'Bryan and Peggy Rosser led the scoring with 18 and 9 points respectively. Gought topped the Madison team with 14 points.

In the boys tilt Raymond took an early lead and had little trouble in posting their first victory of the year, 24-16. Coach Louis Boteler substituted freely, giving 15 boys a chance to exhibit their abilities. Joe Gearhart and James Brewer tied for point honors with 5 each; while Hughes had top scoring honors for Madison with 4 points.

In the game with Clinton, the Hinds girls lost 22-31 with Pat O'Bryan netting 15 points to lead Hinds' scoring attack. In the boys' game the Clinton quintet defeated the Baby Eagles 43-24 behind the scoring of their center, Lee, who scored 22 points for top honors of

the night. Raymond's high scorer was Brewer with 7 points, followed by Gearhart with 6.

In the Forest Hill game the Raymond girls lost by a score of 39-18, after trailing all the way. Forest Hill led 10-4 at the end of the first quarter; 23-10 at the half; 30-14 at the end of the third; and 39-18 at the close.

High scorer for Hinds was Pat O'Bryan with 11 points scored on five field goals and one freethrow. Martha Gillespie was second high scorer for Hinds with 6 points, four of them made on freethrows. High scorer for Forest Hill was Smith with 19 points, three of them on free-throws.

Hi-Y Meets in Jackson

Five members of the Hinds High School Hi-Y Club attended a meeting in Jackson last week to discuss with other regional clubs plans for the year.

The group included Julius Neil Russell, Billy Bateman, Terry Worrell, Thomas Shirley, and Cameron Ferguson. They were accompanied by Mr. J. B. Patrick, sponsor.

The center of interest in the exhibition, she said, will be the paintings done by students who will graduate this semester. They are Jean Richardson and Mary Ellen Williamson

Christmas activities with their chapel program service under the direction of Mrs. W. M. McKenzie, sponsor.

Residents of Westside will receive faculty and students at the annual open house and Christmas tea Thursday afternoon from 4:30 until 5:30 o'clock.

Friday and Saturday nights the basketball teams will hold the spotlight when they meet Ellisville and Moorhead in the local gymnasium.

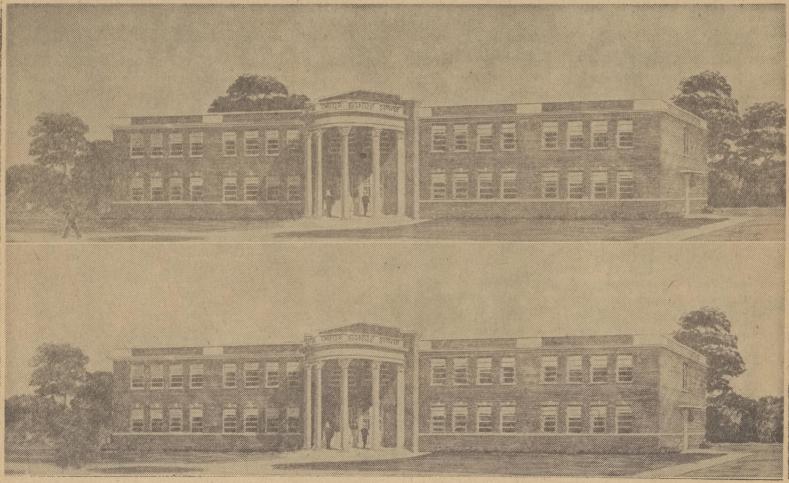

Sunday night the Wesley Foundation will entertain two little children with a Christmas tree and gifts, continuing a custom of years.

Tuesday afternoon at 4:45 the Phi Theta Kappa will hold public initiation services for fall pledges in the Hinds Library.

Wednesday night the voice department will present a Christmas cantata in the college auditorium.

Thursday night, December 20, the Y. W. C. A. will sponsor their "Cappy" Christmas tree for all dormitory girls and faculty women, closing the campus Christmas activities.

New Buildings to Be Occupied During Holidays

Offices and classes will be moved into the new Academic Building and the New Administration Building during the Christmas holidays, and many students will begin meeting classes in them after they return from the holidays, Dean M. F. Herring reports. The New Administra-

tion Building will house offices of the president, the registrar, the business office, the public relations office, supply rooms, and nine classes. The Academic Building will house laboratories and classrooms in bookkeeping business machines, and typing a visual-aid room; the home economics department; offices; and classrooms.

Final 1951 "Open House" Held

Thursday marks the last in the series of "open house" for the year of 1951 here at Hinds. Only one dormitory, Eastside, will observe the day in 1952.

Open house has shown much interest and enthusiasm among the students. The boys have done well in showing that they are good house keepers as well as the girls. Another reason, the dormitories have taken on that "new" look after all the marks, imprints, and dirt disappeared with the heavy scrubbing.

Many of us girls were surprised to see how neat and clean the boys had their rooms. There was an expectancy of pin-up pictures on the walls, but in their places, we found college pennants and framed pictures. (Wonder how the walls look now?) Some of the guys (did you notice girls?) even displayed hand embroidered sheets and pillow cases, lacy curtains, and table scarves.

In one room all the shoes were lined neatly in a row between chalked lines. There wasn't a speck of dirt any place, not even on the window sills. The boys wouldn't give up, their closets were just as neat.

If this spirit would continue throughout the whole year instead of once or twice during the school session, the dormitories would certainly benefit from it.

A bit of cleaning each day will contribute to the surroundings of the campus as well as to your own room.

May I say "hats off" to the guys and gals who have helped make open house a tremendous success!

Correcting An Oversight

Call it being rremature if you will, but I think some mention should be made of the fine play of the Hinds cage squads in their early-season endeavors.

While one of our editors has been sniffing oleanders and the other has been hunting boy friends, I have been haunting hardwood floors and have come up with a prediction. That prediction is that before too long Hinds will boast two of the most hustling ball clubs in the state. (And that statement is not an after-effect of roomatic forces)

The Eagles and Eaglettes are coached this year by Troy A. Ricks, known best to us as the menor of two championship teams at Copiah-Lincoln. Ricks possesses a rare ability in that he can impart now his net knowledge as well as he applied it in former years.

The Eaglettes met no real test in defeating Scooba and Decatur. But they showed a lot of spirit, and if the offense can match the defensive unit (they allowed only 39 points in two games) the team should go a long way.

Although the Eagles suffered a crushing loss to Scooba they nevertheless made everyone take notice the next night when they stopped the highly-ranked Decatur team. Hinds trailed 13 points going into the last quarter of that game but they refused to give up and their ninth-inning rally paid off in victory.

That kind of spirit deserves watching. Last year, the home crowds were so small that everyone thought the gymnasium had been quarantined. A little more fan support this year wouldn't hurt.

The Hinds teams this year won't have a Dot Harrison or a Nick Revon but they won't be patsies on anybody's schedule.

THOUGHT FOR THE WEEK .. G. M. McLENDON

We have observed from time to time that as we are approaching holidays or an occasion when we have a number of visitors on our campus that there has been a fine sense of responsibility, a fine display of courtesy, and a great pride shown in wanting the buildings and campus to be in the best condition possible for the visitors.

We would like to make an appeal to each one to have that same fine spirit existing from day to day since this is our home while we are here.

FERGY'S FIKSHUN

By ROBERT FERGUSON

The Eagles and Eaglettes open their home cage season this weekend with games with Moorhead and Ellisville on Friday and Saturday nights. Let's be out there and get them off to a good start.

* * *

When writing last week's column Fergy didn't realize that he was going to be one of the student council members to make the trip to the meeting of the Mississippi Intercollegiate Council at Delta State Teacher's College.

But anyway, we'd like to report a very successful trip along with Council Chairman James Ratcliff. The Delta school is what may be termed a small school. Its freshman class is not nearly so large as Hinds'. Despite its size, Delta State from my observation, is one of the most democratic schools in Mississippi.

Did we bring back any ideas from the other schools at the conference? You're so right we did! We only hope that they will be helpful and can be applied to Hinds as well as they have been to some of our state's larger institutions.

We think that Hinds has one of the best intercollegiate athletic programs in the state. Our teams are seldom if ever shown up very badly whether on the gridiron, the hardwood, the cinder track, or the baseball diamond, but we do believe we have fallen short in one phase of our athletic program this year. That phase is intramural sports. From the talk around the campus, there seem to be a number of persons interested in organizing an intramural basketball league and later on maybe a softball league. In past years we have had a good intramural sports program, and we'd like to see a group of interested students put another into effect.

The Hinds Eagles fielded one of he heaviest lines in the school's history this year. The first string offensive line averaged just under 195 pounds per man, and the usual defensive line averaged about 201. The latter line had 148 pound end, Billy Cooper, to pull the average down, but 260 pound Charlie Dees pulled the average right back up.

The same story could not be told for the Hinds backfield though. The Eagle ball carriers averaged only a shade over 158 pounds per man. The first string defensive backfield platoon had a little more weight. They averaged about 168 pounds per man.

The first string offensive team for Coach DeVall's men averaged almost 182 pounds per man, while the defensive aggregation tipped the scales at a shade over 188. This year's Eagle team was pretty well balanced if weights count.

Miss Davis Goes To Deans Meeting

Miss Gertrude Davis attended the annual fall meeting of the Mississippi Association of Deans of Women held at Mississippi Southern College the past week-end.

The activities began with a tour of new buildings and campus Friday afternoon. Visitors were guests of the college at a banquet Friday night and a luncheon on Saturday. They were served breakfast by sorority members in the Pan Hellenic House Saturday.

Business consisted of reports, formal and informal discussions, and a number of "buzz sessions."

Dean Helen Gordon of L. S. U. and President Cook of Southern addressed the group of representatives from most of the colleges in the state.

HJC Students Reveal Unusual Wishes For Gifts From Santa This Christmas

By JEAN RICHARDSON

Hinds students have been good little boys and girls this year, they believe, but they aren't pushing their demands on Santa too hard. In fact, most of them are quite modest in their requests judging by a sampling of the student body this week.

Grace Shurden, Patricia Williams, Betty McLain, and Lavelle Nutt just want a man - their own, or just any man. Tootsie Patrick wants a doll, while Jean Price is hoping for a teddy bear.

McLendon Named To J. C. Committee

President G. M. McLendon was elected to the Executive Committee of the Southern Association of Junior Colleges at the meeting of the Southern Association of Colleges and Secondary Schools in St. Petersburg, Florida.

One of the highlights of the meeting, President McLendon reports, was the address by the president of Rawlings College at the junior college banquet. He gave a graphic picture of the proposed legislation pertaining to military training and voiced the fear that present educational facilities are being neglected or left out of the picture too much.

Initiation Ceremonies For Phi Theta Kappa Scheduled Tuesday

Friends and relatives of the pledges of the first semester of the local chapter of Phi Theta Kappa are invited to attend the initiation ceremony in the library Tuesday afternoon, December 18, at 4:45 o'clock.

Kyrous Gunter, chapter president assisted by Rose Parsons, vice-president; Alice Raney, treasurer; and Bobbie Creshale, secretary; will direct the membership

Pledges to be initiated are Edwin Cobb, Juanita Holiday, Larry Philyaw, Mary Ann Pressley, Sylvia Scott, Joe Terry, Larry Wheat, and Charlie Brown.

HISTORY STUDENT **GUEST SPEAKER**

Gene Walker, student in Miss Lula Mae Fowler's European hisstory class, was guest speaker in Coach J. R. Harris' American history class.

His speech was on "European Background and American Democracy," which Coach Harris' class is now studying.

President McLendon also visited all the schools in St. Petersburg in the company of Miss Edith Davis, sister of Dean Gertrude Davis of Hinds. Miss Edith Davis is supervisor of home economics of schools in Pinellis County, Fla.

Around The

Collegiate Loop By VIVIAN WADSWORTH

In glancing through the exchange papers, I found stories concerning the success of the Homecoming at the various schools. At the University of Arizona the students celebrated in a big way by using 34 floats in the parade before the game. The average cost per float was about \$175, according to the ARIZONA WILDCAT, campus paper. At Itawamba Junior College the freshmen, clad in pajamas, led the parade through the streets of Fulton. Their Homecoming was spoiled by losing to Sunflower by a score of 7-6.

An interesting contest held recently at the University of Arizona was the Ugly Man contest. The proceeds of the contest went to the Campus Chest drive, which netted \$111.57. After getting that much money perhaps we could hold a similar contest to raise funds. Because of the fact that it is all in fun, we might be able to find some guys who would bear the title of "Most Gruesome."

The Colonel listed two ways for college boys to continue in school:

With the Christmas season here, the choirs from the colleges and junior colleges are to sing Handel's Messiah at various places. East Central Junior College will go to State College; Jones County JC will present the oratorio for the first time in their college auditorium, and our own choir will be guests of Louisiana Polytechnic Institute in Ruston, Louisiana. The Messiah is a sacred concert that tells of the foretelling and coming of Christ and also of His crucifixion and resurrection, which was the crowning achievement in His life.

If you have the chance to hear this oratorio, don't miss it; because once you've heard it, you'll never forget it and find yourself looking forward to its being presented the next Christmas season.

Whitaker, Pupils **Attend Meeting** Of Home Makers

Miss Fleta Whitaker, home economics instructor, accompanied by two students, Josephene Millican, Jackson, and LaNelle Williamson, Mt. Olive, attended the Province V Workshop of the American Home Economics Association for College Home Economics Clubs at Ole Miss, December 6-8.

Approximately 30 colleges from Mississippi, Tennessee, Arkansas, and Louisiana were represented. The Ole Miss and the M. S. C. W. Home Economics Clubs acted as hostesses.

The purpose of this annual workshop is to aid and improve the work of college home making

Miss Frances Urban, field secretary of the American Home Economics Association of Washington, D. C., was one of the guests at this meeting.

The group was honored at noon Friday with a luncheon; Friday afternoon they were given a tea in the home of Chancellor and Mrs. Williams of the University; and Friday night a square dance was held in the gymnasium for their benefit. They also toured the Home Management House.

Cage Fans to Have First Opportunity To See Eagles, Eaglettes, in Action

Hinds cage supporters will get their first glimpse this weekend of the conference quality of the Hinds Eagles and Eaglettes when they meet Moorhead and Ellisville on the Hinds hardwood Friday and Saturday night, respectively.

Coach Ricks has 13 boys and 10 girls reporting for cage drills, and declares that though both teams are a bit inexperienced yet, they should be in top form in the latter part of the season.

On the basis of pre-season games and the tournament at Decatur, Coach Ricks predicts anip-and-tuck conference race this season.

Coach Ricks declares he should have one of the best defensive girls' teams in the conference this year, and, "If we can just manage to score around 30 points or more, should do something in the way of winning." Playing Scoopa and Decatur, the Hinds girls have already opened their conference play with two victories.

Returning letter winners from Hinds strong girls' squad of last, year include Frances Putnam, allstate guard; June Mobley; Billie But, and Lavellet Nutt, all forwards

Newcomers to the girls' squad include Margaret Johnson and Ann McGuffee, Clinton, guards; Marlene Love, Slate Springs, guard; Joyce Alexander, Paris, Tenn., guard; Dot Gerrard, Canton, forward; and Faye Davis, Benton, forward.

The boys' squad numbers three returning lettermen — Grady Gill, Billy Weeks, and Benton Fortenberry, all forwards — and 10 new-

comers. These are Thomas Poe, Chattanooga, Tenn., center; Charley Roberts, Jacksonville, Fla., guard; and Ralph Faulkenberry, Louisiana, all high school students; Howard McKissack, freshman forward from Bolton, a graduate of Hinds high school team last year; Sam Murphy, center, from L. S. U.; Sonny Oliphant, guard, Ole Miss; Joe Brown, Oak Ridge, Tenn., guard; Winfred Bailey, Calhoun City, guard; and Joe Jones and Luther Thompson, forwards, Kentucky.

Eagle Cagers Split Twin Bill; Take 2 Games From Decatur

The Hinds Eagles and Eaglettes split a twinbill with Scooba and captured a pair of contests from Decatur as they rang up the curtain on the 1951-52 cage season.

The opening affair at Scooba Thursday night saw the scrappy Hinds lassies gain an early lead and coast to a 38-24 victory. June Mobley made 24 points on 9 field goals and 6 charity tosses to gain scoring honors for the night. Edwards and Burleson both had 7 points for Scooba.

In the second game, a fast-

breaking Scooba quintet overcame a first qurater scare and went on to trample the Hinds five 93-67. Benton Fortenberry chipped in 24 points for the losing side while Tom Poe had 15. Lang, a Scooba substitute, topped the victors with 19 points, 16 of them coming in the last period.

Friday found Hinds moving on to Decatur for a pair of tilts there. The Eaglettes had little trouble in winning the opener 34-15. Dot

in winning the opener 34-15. Dot Gerrard and June Mobley were the pacesetters in the victory with 13 and 12 points, respectively. Kirkpatrick scored 9 points to lead the Decatur sextet.

However, the second game was a different story as the Hinds Eagles fought an uphill battle to down the favored Decatur team 67-62.

The first half was a see-saw battle with Hinds maintaining a 1point margin at intermission. However, Decatur surged ahead in the third quarter to lead 57-44, going into the last period. But that period was their downfall. As the home crowd moaned in dismay Hinds held Decatur to 5 points and scored 23 themselves to gain the triumph. Fortenberry, again. took scoring laurels for the Eagles with 19 points. He was trailed by Charlie Roberts with 14 points and Grady Gill with 11. Pogue scored 16 points to lead the losers.

Friday and Saturday of this week, Hinds will open their home season in the recently re-worked Hinds gymnasium. Moorhead and Ellisville will furnish opposition on the succeeding nights.

Hinds Hi Cagers Take Double Header From Jett With 29-21, 38-20 Scores

The Raymond high school basketball teams broke a three-game losing streak as they swept a doubleheader from Jett after having lost two to Clinton last week.

Tuesday's engagement with Clinton saw Cox and Greer lead the Clinton girls to a 40-23 victory over the Raymond sextet. They scored 12 points each. Pat O'Brien and Martha Gillespie each had 10 points for Raymond.

In the boy's game Clinton had little trouble in posting their sixth straight. They took an early lead and went on to win 60-21. Wright led their scoring with 14 points, while Joe Gearhart and James Weaver had 5 points apiece for Raymond.

Friday night, however, Raymond came back to sweep a doublebill from Jett, the girls winning 29-21 and the boys 38-20.

Martha Gillespie and Mary Nail paced the Raymond lassies with 10 and 9 points, respectively, while Bell had 9 points for Jett.

Gearhart led the Raymond scoring in the second with 10 points while Curtis garnered 11 tallies for Jett.

To Go To Galeston By Chartered Bus

Chartered buses will provide transportation for the Hinds Eagles, the band and Hi-Steppers to the Oleander Bowl in Galveston on January 1, according to President G. M. McLendon.

Plans for a caravan made up of station wagons and cars were discarded because of the greater possibility of traffic accident.

Hinds Stalwarts Are Readying For Bowl Clash With San Angelo

These four Eagles are expected to play a big part in the Oleander Bowl game in Galveston, Texas, on New Year's Day, where the Hinds squad meets the eleven from San Angelo, Texas. Left to right they are Burnett Blackmon, tackle; Billy Cooper, end; Earl Jefferson, end; and Tony Montalbano, right halfback. Blackmon, a high school student, has been one of the starting tackles for the Eages this year. Weighing 200 pounds, he lettered in football and baseball at Hinds last year and in footbal at Jackson Central High. Billy Cooper, Canton sophomore, is a three-letter winner at Hinds, having acquired emblems in football, baseball, and basketball last year. This year he has been particularly outstanding on defensive play. Earl Jefferson, another high school

student, is expected to play a big part in the game for the Eagles, particularly since one of the starting ends, Leonard Williams, has been forced to withdraw because of the illness of his mother. Jefferson lettered in football, basketball, and baseball for three years in succession at Live Oaks, Fla., high. He was named to the all-conference team in 1951 and all-conference in basketball during the 1950-51 session. Jefferson is being counted on for several pass receptions in the Oleander Bowl. Tony Montalbano, who got off to a slow start this year, has developed into one of the Eagles' speediest backs. Last year he made the All-State Team in Louisiana, was voted most valuable player in 1951, and won honorable mention to the high school "All American"

The Hinds Junior College 4-H Club entertained friends and leaders of 4-H work with an banquet at the home of Mr. and Mrs. W. M. McKenzie, Saturday night

The home was decorated in Christmas style, and the plates of food were typical of the Christmas season. Approximately 25 guests enjoyed games and quizzes, after which presents were distributed from a Christmas tree.

College Who's Who Candidates Named In HINDSONIAN Election Monday

Nominations for the annual Hinds Junior College who's who elections were completed Monday under auspices of the HINDSON-IAN, weekly student newspaper.

Leading the nominations for "Mr. H. J. C." were Edwin Cobb, James Ratcliff, and Joe Terry. (In this and other positions, the nominated candidates are named in alphabetical order rather than in order of number of votes.

Nominations for "Miss H. J. C." includes Billie Burt, Kyrous Gunter, and Betsy Milner.

Nominated as "Most Beautiful Girl" were Anne Carr, Rose Manton, and Mary Ellen Williamson.

"Most Handsome Boy" nominations were won by Roger Thomas, Joe O'Callaghan, and Sam Murphy.

For "Most Popoular Girl" students nominated Fannie Mae Blaylock, Anne Carr, Pinky Evans, and Rose Manton. (A tie for third place.)

As "Most Popular Boy" they named Billy Juenke, Billy Hugh Montgomery, and James Ratcliff.

Y-Teens Entertain Pre-School Children

Entertaining all pre-school age children living in the veterans housing project, the Y-Teens Christmas party was held Wednesday at activity period with Santa Claus present to greet the young ones.

Gifts for Santa's bag were provided by members of the Y-Teens, who are under the sponsorship of Mrs. W. M. McKenzie.

Lions Club Sponsors Town Christmas Tree

Members of the Hinds Junior College Band, under the direction of Miss Jean Lancaster, and the Hinds Junior College Chorus, under the direction of Mr. Lavan Robinson, participated in a Christmas Tree party on the Courthouse lawn in Raymond.

The grounds were decorated for the occasion with lights and a big Christmas tree. Santa Claus was present to distribute candy among town children attending the affair.

The Hinds Band and Chorus presented special Christmas music for the occasion.

Dramatic Group Meets

The High School Dramatics Club, at its weekly meeting, discussed plans for a three-act play to be presented in March and proper stage settings and lightings. Kyrous Gunter, Theresa Cox, Alice Raney, and Mary Edith Mills were named as "Most Intellectual Girl" candidates.

"Most Intellectual Boy" selections were Charles Brown, Joe Terry, and Gene Walker.

Billie Burt, Sally Lawrence, and Frances Putman were nominated as "Wittiest Girl"; while Charlie Bennett, Bobby Trotter, and James Van Horn were selected as "Wittiest Boy" candidates.

As "Friendliest Girl" the ballots showed Zula Greenlee, Betsy Milmer, and Wima Ryan as leading candidates. Billy Cooper, Billy Irby, and Billy Weeks led the field for "Friendiest Boy."

Four outstanding football athletes led in the voting for "Best Boy Athlete." They were Billy Holloway, Billy Juenke, Billy Montgomery, and Willard Rachal.

For "Best Girl Athlete" students named Margaret Johnston, June Mobley, and Frances Putman.

"Most Courteous Girl" nominations were Jean Hart, Jean Price, and Bonnie Shackleford. "Most Courteous Boy" nominations were Bob Harleston, Billy Holloway, and Vito Patti.

As "Most Versatile Girl" Hinds students nominated Margaret Johnston, Lavelle Nutt, Vivian Wadsworth, and Beatrice White. Ted Dunning, Jerry Franciskato, and Albert McGuffee were named as runners in the "Most Versatile Boy" race.

Carolyn Paxton, Grace Shurden, and Vivian Wadsworth were named as "Most Neatly Dressed Girl"; while Billy Cooper Robert Ferguson, Billy Irby, Jerry Franciskato, and Roger Thomas were named as "Most Neatly Dressed Boy."

Except in case of tie the selections were restricted to the three leading candidates, except that no person is eligible for more than two positions.

Tabulations for candidates for "Greenest Freshman" and fou campus favorites are still being completed.

Gavelier Officers For First Semester

Names of officers who served the Gaveliers for the first semester were announced today by Miss Ruth Boyd, sponsor of the parliamentary procedure group.

For the first nine weeks Mattie Jo Daniel served as president, Lawanna Stewart as vice-president; and Wilma Ryan as secretary.

For the second nine weeks Mrs. Effleta Tomlinson was president; Ethel Cook, vice-president; Mary Ann Presley, secretary; and Lawanna Stewart, reporter.

The Meaning of Christmas

Yes, Christmas is fast approaching and Hinds students are looking forward to that day when they will be home with families or loved ones to celebrate the birthday of our Saviour, Jesus Christ.

Christmas is a day that is looked forward to all year, and when it arrives, it passes so quickly that we hardly seem to realize that it will be approximately 364 more days before we will celebrate Christmas again.

Christmas is celebrated in various common ways by all people. One of the ways most of us celebrate Christmas is by the giving of gifts to our friends and families. This custom has been going on since the wise men brought those gifts of gold, frankincense and myrrh to Bethlehem to give to the new-born babe.

The custom of giving is as old as Christmas itself and will continue to be a part of it until the end of time. Christmas began with a gift to the world from God. The greatest gift that has ever been given man was presented that night in a lowly stable in Bethlehem of Judea.

Another custom that is as old as Christmas itself and will continue to be a part of it as long as the day is celebrated on this earth, is the singing of Christmas songs. The angels that came to the shepherds that night sang the first Christmas carols.

Christmas is meant to signify peace and good will toward men, but this year as in so many years in the past there is not peace and good will on the earth as it should be. Enemies of free men and of all Christians are again trying to dominate the earth with hungry passions for power. We can't all be at home celebrating our Lord's birthday. Some of our closest friends are thousands of miles away from their homes fighting for the right to observe Christmas in the way that they see fit and to preserve peace and good will on this earth.

As we observe this Christmas, let's try to remember the true meaning of the day. Let's celebrate it in a spirit of good will and reverence and not let cur personal parties and good times push from our minds the main idea of Christmas.

Merry Christmas

FERGY'S FIKSHUN

By ROBERT FERGUSON

The Christmas spirit has hit Hinds Junior College with a bang. This last week before the holidays is really filled with parties, ball games, Christmas programs, and some of the teachers are even insisting that we do a little studying.

* * #

Well, we were beginning to think that some lucky soul had collected ten bucks for getting a new student enrolled at Hinds. Guess we needed glasses though. As we swept across the campus to interview our new student, we happened to notice that he was giving Joe O'Callahan a ride piggyback. The next thing unusual about him we noticed was that Eagle Manager Charlie Bennett was leading him down the sidewalk. (Thought he just didn't know his way around). But when he gave me a hee-haw for an answer, I realized that it wasn't a new student at all. I figured that maybe we had picked up a mule mascot and that we were going to drop our old Eagle. Perish the thought! We do need a real live Eagle, though.

It is interesting to note that the Ellisville Bobcats of Jones Junior College have always been a thorn in the side of the Eagles.

When the two teams met on the gridiron in 1946, the Bobcats spoiled a perfect season for the Eagles with a 6-6 tie. To show

that thre was some rivalry between the two schools we observe that the very next year the Hinds-Ellisville game again ended in a 6-6 stalemate. In 1948, however, Hinds put on all their steam and lady luck smiled upon the Eagles and saw them come through with a narrow 27-26 win over the Jones

But then came fateful '49 when the Eagles took three losses over the year by the score of 14-13, and to add to the Eagle's plight the Jones County juggernaught decided to make it a little more decisive, and they trounced the Hinds aggregation by a 26-6 score. This was the worst beating that the Eagles had taken in a long time.

Not to be denied revenge, the Eagles came back in 1950 to edge the Bobcats 8-6 in a tight defensive battle. And this year in the most thrilling game of the season for Hinds Jones took their measure 32-28 and went on to win the championship of the conference.

That basketball game the other night in which we were edged 50-49 was another example of the keen rivalry and competitive spirit that exists between the two schools. Seems like it's about time for the Eagles to come out on the winning end next time. Of course, Jones has been a little upset by a few bowl games that ended in Hinds' favor.

The chorus reports having a wonderful time over at Ruston, La., last week. It seems that the trip was highlighted by feats of magic by Bobby Trotter. The Louisiana people were amazed by Mr. Trotter's daring feats of mysticism.

Origin of Santa Claus Dates Back To the Coming of Dutch Settlers

By JEAN RICHARDSON

There are only five days before Santa Claus will be descending the chimneys and now the children will be remembering their best manners. Many children have asked questions about Santa, and for answering questions from Hinds students, here is the history of the kindly old man.

Santa Nicholas was the youngest and one of the kindest bishops in the history of the Roman Catholic Church. Children loved Santa Nicholas and his habit of giving nice gifts. The children in Holland were the first to receive gifts. The gifts were left in their wooden shoes, but for the bad children a bundle of switches was left. The custom grew so that after his death the spirit of giving was still continued.

In Belgium and the Netherlands, both young and old still celebrated his feast day. A person representing the saint and wearing the robes of a bishop rides through the streets on a white donkey.

The Dutch settlers brought the idea with them to America. The English-speaking people began to follow it, but because they found

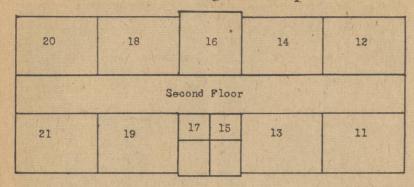

the name Sainta Nicholas awkward, the name changed to Santa or Santa Claus.

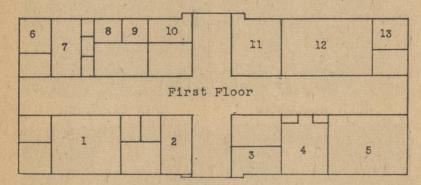

Washington Irving wrote Knickerbocker's History of New Amsterdam and described him as a jolly fellow with a broad brimmed hat, huge breeches, and smoking a long pipe. Irving's Saint Nicholas rode over the treetops in a wagon. He took presents from his pockets and dropped them down the chimneys.

In 1822 Clement C. Moore wrote for his children a poem A Visit From St. Nicholas which gives a more familiar picture of the saint as we know him today. His Dutch costume had changed to a suit trimmed with fur. In America the legend changed his wagon to a sleigh pulled by reindeers.

America is the only country that calls this good old saint Santa Claus. In England he is called "Father Christmas" and wears a long tail coat and a square beaver hat. The German children speak of "Kris Kringle" and the French children of "Pere Noel." But to all the children in a Christian country he stands for the same — the kindly spirit that the Christ Child brought into the world.

Around The

Collegiate Loop

By VIVIAN WADSWORTH

Arthur G. Phillips, associate professor of English at the University of Miami, Florida recently wrote a guest editorial for the MIAMI HURRICANE, in which he made the following observations about the species Freshman and Sophomore:

- 1. Freshmen believe that all of their professors are smart; sophomores believe that one or two of their professors are smart the ones that give them A's.
- 2. Freshmen are in college to get an education; sophomores are in college because their fathers refuse to pay their fare to Las Vegas.
- 3. Freshmen aren't dry behind the ears; sophomores are always dry.
- 4. A freshman will take a wooden nickel; a sophomore will take a wooden nickel too, and five minutes later put it in the slot machine.
- 5. Freshmen write home once a week; sophomores write whenever they're broke.
- 6. A male freshman is looking for a girl like his mother; this is also true of the sopomore, if his mother happens to be Jane Russell.
- 7. A freshman believes the way to get good grades is to study hard; the sophomore has decided that a better way is to sit next

Chorus Will Present Christmas Cantata Tonight In Auditorium

Members of the Hinds Junior College Chorus will present "The Story of Christmas," a Christmas cantata, telling the prophecy of the coming of Christ and of His birth, The program will be given in the college auditorium at 7 p. m.

Those taking solo parts include:

Norma Joyce Owen, soprano; Bobbie Davis, contralto; George Hicks, tenor; Jerry Franciskato, baritone.

Former Instructor To Visit Hinds Campus

Mrs. L. B. Davis, former music director of Hinds Junior College, wil be a visitor on the campus after the Christmas holidays.

Surprise Party Given

Mr. and Mrs. Harold Turnage entertained members of the HIND-SŌNIAN staff with a surprise Christmas party at the staff's regular meeting Tuesday night.

Those present included William and Bobbie Davis, Robert Ferguson, Mary Ellen Williamson, Patricia Williams, Vivian Wadsworth, Joe Lee, Virginia Farr, Edwin Cobb, Bobby Trotter, DeCelle Anderson, Abbie Jean Reeves and Lynette Collins.

to someone who studies hard.

- 8. A freshman's ambition is to get into "Who's Who;" a sophomore just wants to get called before the Kefauver committee.
- 9. Freshmen suspect that professors aren't human; sophomores know it.
- 10. Freshmen kiss their dates goodbye; sophomores kisk them hello.

Concludes the professor: "Everybody loves a freshman. What makes life so disillusioning to a professor is the though that this year's freshmen will be next year's sophomores. Sic transit gloria mundi." The translation of the Latin, for the benefit of those who don't understand the language, is "thus passed the glories of the world."

Oklahoma took the honors at the twefth annual Debate Tournament held at Millsaps College, December 7th and 8th by walking off with two of the three trophies that were awarded. The teams won both the men's and women's divisions while Louisiana College captured the junior championship.

Up in Hendersonville, North Carolina, at Brevard College the students have elected cheerleaders for the basketball season. The colege did not have a football team this year and consequently, there were no cheerleaders; so the squad will hear plenty of yelling from the students.

This is the last time the paper will come out before 1952, so happy holidays to you all!

Christmas Fiesta Held Monday Nite By Spanish Club

Amid a scene of Spanish American decorations, the Hinds Junior College Spanish Club, El Circulo Espanol, held a Christmas fiesta in the private dining hall of the cafeteria Monday night.

The menu for the night was composed of various Spanish delicacies. Under the direction of Miss Hilda Ree Davis and several of the Honduras boys the guests were served tortillas, frijoles, rice, combination salad, banana pudding, and coffee.

A quiz on Spanish America was given by Miss Davis with Carlos Zacharias winning. Guests were also presented with gifts from the Spanish pinata.

Those present were:

Dot Lewis, Vivian Wadsworth, Rachel Epperson, Edwin Cobb, Robert Ferguson, Lynette Collins, Lynn Pardue, Mary Smith, Jo Ann Burkett, Robert Lee, Katherine Sandidge, Carlos Zacharias, Salvador Canahuati, Vito Patti, Alfred Handel, Louis Mealer, Mrs. Kathleen Matthews, and Miss Bessie Bornman.

Eagle Cagers Split Twin Bill; Take Two From Moorhead

The home town fans got their first look at the Hinds basketball teams this week-end as the Hinds Eaglettes won their third and fourth successive games and the Eagles split a pair of tilts to bring their record to two victories and a similyar number of defeats. The Eaglettes rolled over Moorhead 52-18 and Ellisville 36-16, while the Eagles defeated Moorhead 63-36 but lost to Ellisville 50-49.

Friday night's opening game belonged to Hinds all the way as the scrappy Eaglettes quickly took the lead and scored almost at will to win 52-18. June Mobley led the scoring with 25 points for Hinds while her team mates, Dot Gerrard and Iavell Nutt, had 14 and 9 points, respectively. However, the real spark of victory was furnished on the other end as Frances Putman, Margaret Johnston, Ann Mc-Guffee, Marlene Love and Joyce Alexander all turned in sterling defensive performances to hold the Moorhead forwards virtually helpless. Nora Dykes led Moorhead with 11 points.

In the boys' game Hinds managed to maintain a slim lead throughout to grab their 63-36 victory. Benton Fortenberry and Grady Gili led the Hinds attack with 17 points each. Mason garnered 14 points for the losers.

In Saturday's doubleheader, James Ready dropped in a free throw with 30 seconds to play to provide the Ellisville Bobcats with a 50-49 win. The Bobcats led throughout the contest until the last two minutes when Hinds tied the score at 49-49 on the scoring of Benton Fortenberry, Charlie Roberts and Grady Gill. Ellisville had led 18-12 at the end of the first period, 30-22 at halftime and 38-28 going into the final stanza. Hinds had plenty of opportunity to shoot, and they did, but they could not connect, and it hurt in the final analysis. Fortenberry grabbed scoring honors in the game with 16 points for the Eagles. Randal Boone led Ellisville with 13

Raymond High Cagers Beaten by Brandon

Raymond High school dropped a doubleheader to Brandon at Raymond Monday night. The visitors won 37-32 in the girls game and 35-20 in the afterpiece.

Although Raymond led at the Intermission 18-16, Brandon dropped in five points at the beginning of the third stanza to gain a lead they never relinquished. Rosa Taylor led Raymond with 9 points.

In the second game, Brandon jumped into a 7-0 lead in the opening minutes of play and built up a margin that Raymond could not overcome. Glenn Stroud was high scorer for Brandon with 19 points while James Brewer topped the losers with 6 tallies.

The Hinds Eaglettes, however, reversed the tables on the Bobkittens to the tun of 36-16 in a game which saw both sextettes playing very close defenses. The Eaglettes overcame a 4-2 first period deficit to take over 11-7 at halftime and never fall from the lead, holding a 18-10 margin entering the final period. The starting sextets for both schools played the entire game, which often saw as many girls flattened on the floor as were playing the game on their feet. Lavelle Nutt of Hinds led the scoring with 16 points and was trailed by teammates June Mobley and Dot Gerrard with 11 and 9 points, respectively. Annie Merle Stockman led Ellisville with 5

Baby Eagles Top Utica, Jett Teams In Cage Contest

Raymond High Baby Eagles and Eaglettes took both ends of two doubleheaders in succession, trouncing Utica and Jett High in succession. In the Jett victory the girls won 30-9 and the boys won 36-32. In the Utica fray played on the Hinds hardwood, the Hinds girls won 33-27 and the boys, 51-

The girls game with Utica was a nip-and-tuck affair throughout with both sides scrapping hard. The score was deadlocked 11-11 at the half, but Raymond pulled away in the closing minutes to account for their victory margin. Pat O'Bryan led the Raymond scoring with 11 points, followed closely by Martha Gillespie with 10 and Mary Nail with 7. Moulder had 16 points for Utica.

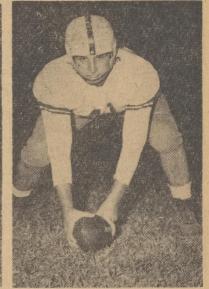

The boys game was all Raymond. They jumped into a 12-2 lead at the end of the first period and were never threatened thereafter. Joe Gearhart was outstanding for Raymond both offensively and defensively. He copped scoring honors with 16 points. Templeton paced Utica with 9 points.

In the Jett game, played there, the Raymond girls jumped out front early in the game and had little trouble in running up their 30-9 score. Mary Nail paced the Hinds squad with 15 points, followed by Rosa Taylor with 7.

In the second game, Raymond was pushed hard all the way but managed to squeeze out a 36-32 victory. Although threatened many times, Raymond managed to keep a slight margin throughout. Forward Joe Gearhart led the scoring with 9 points, followed by Brewer with 8 and Boyd and Weaver with 7

PLACED ON ALL-STATE TEAM

BILLY HOLLOWAY

JOHN CRECHALE

The Hinds Junior College Eagles placed four men on the Mississippi Junior College All-State team which was picked by the coaches

Halfback Billy Juenke and Center John Crechale gained berths on the first team while Fullback Willard Rachal and Guard Billy Holloway made the second team.

Juenke, a sophomore at Hinds, is a transfer from LSU where he played freshman football. The past season, at Hinds, he scored 9 touchdowns and also doubled as the defensive safety. The speedy back hails from Houma, La.

Crechale is a graduate of Jackson Central High School where he was a unanimous All-Big Eight and All-Southern selection. He too is a sophomore.

Billy Holloway is well-known to local fans, being a former player for Raymond High school. The big lineman was a standout in the forward wall this year, his last at Hinds.

In addition to the above four, Hinds also placed a like number in the Honorable Mention group. These four were quarterback James Ratcliff, halfback Billy Montgomery, and tackles Burnett Blackmon. and Earl Legget.

DeVALL REVEALS STARTING LINEUPS

Ten Resolutions That Cannot Fail

Even though Baby New Year is several wecks old, those of you who haven't made your resolutions for 1952 still have plenty of time. How did last year's resolutions come out? There may be some you didn't quite live up to and will keep this year. Then, there are those that came out successfully and some you didn't even bother to keep.

Although New Year's resolutions may be trite, it is a fact that setting a goal is a spur to accomplishment. Hence, the following ten resolutions, declared to be the wisest of them all, are suggested.

- 1. Adapt yourself to circumstances, but do not lose character and purpose.
 - 2. Be frank, but not blunt.
 - 3. Be courteous, but not defiant.
 - 4. Work hard, but consistantly, and not in spots.
- 5. Specialize and master some one thing but do not narrow yourself and lose perspective.
- 6. Cultivate the power of expression in writing and speaking, but do not be verbose.
- 7. Separate the fundamentals from the details and summarize action, but do not ignore the details.
- 8. Have faith in mankind and self confidence, but do not be gullible or conceited.
- 9. Be mindful of your business and personal associates, but do not be too familiar to the point of breeding disrespect.
- 10. Visualize and plan ahead, but not so far ahead as to overlook the immediate future.

Follow these resolutions and you can be sure to have a successful year.

-Wadsworth.

HINDSONIAN Staff Positions Open

Several editorial and reporting positions on the HIND-SONIAN are open to any high school or college student, according to Vivian Wadsworth and Robert Ferguson, editors of the campus newspaper.

Students, with or without previous newspaper experience, may apply for these positions. Present staff members editing, and headlining techniques.

Interested students are asked to contact members of the staff or to meet at activity period in the Public Relations office located in the new Administration Building on Friday

·Work on the newspaper staff carries one hour of elective credit per year for college students and one-fourth unit credit for high school students.

FERGY'S

By ROBERT FERGUSON

Back in the traces again and mumbling words of remorse over exams that should have been prepared for, is the condition of most of the Hinds students this week. Of course some of them had to be defferent and spend last week cramming their heads with needed knowledge. Then there were some who even took the trouble to cram their craniums before last week. Anyway it's all over now and things can get back to normal.

Did we say normal? We oldtimers are having a lot of trouble getting used to these ultra modern buildings wired for sound. This semester is without doubt introducing Hinds Junior College into a new era. Yes, Hinds is advancing with the times, keeping pace with other colleges in most respects, and has become the best equipped junior college in Mississippi. We admit that there is always room for improvement, but we also feel sure that this has

been the most progressive year in the history of Hinds Junior Col-

Former Hinds cage star, Nick Revon, seems to be supplying the punch for the powerful Mississippi Southern basketball combine this year. Playing in all of Southerns eleven contests to date. Nick is leading the team in scoring with 175 points and also has the team's best average per game with just one tenth of a point under sixteen points a game. Nick was one of Southern's leading scorers last year before he sustained a broken ankle in midseason and was lost to the squad for the rest of the

While at Hinds, Revon was a star performer in basketball, track and baseball. In basketball he was placed on the all-state team for two years and was probably the flashiest basketeer ever to be seen in action on the Hinds hardwood. In track Revon set two all-time Mississippi junior college records. These marks were set in the broad jump and the high jump. As a pitcher and a shortstop he led the Eagles to two championship baseball seasons. Yes, Nick was quite a boy at Hinds and he still has a brilliant college career ahead of him at the Hattiesburg school.

Hinds Male Students Must Beware; Editor Offers Tips On Catching Man

Beware the Ides of Leap Year! The long awaited year has finally arrived. Hinds girls have wholeheartedly added their 1951 resolutions to 1952 and are going all out for catching a man.

The many hopeless young women (alas the old ones, too) have their chance to make the most out of their life if they can just trap one of those beastly males. Girls, you have exactly 350 days to get a husband — so make the most

For those of you (and I am speaking to the females only) who do not know just how to woo your future mate, here are some timely and successful hints as how to go about it given by several of our more successful huntresses.

- 1. Have on hand the necessary equipment - lasso, hammer, track shoes, and a motor scooter (in case you wear out the track shoes).
 - 2. Treat him to a home-cooked

meal, to show him your mother can cook.

- 3. Interest yourself in his hobbies, whether it is collecting snakes or hunting orchids.
- 4. Show him you can be economical — insist on taking care of his money.
- 5 Always look your best. In case you have trouble, you can buy a beauty kit at the nearest
- 6. Hide your brains. At least, appear just a little less intelligent than he is. (This may be difficult in some cases but . . .)
- 7. Brag on his muscles (even if he hasn't any).
- 8. Always say, "yes, dear" no matter what he says. (With those magic words you can then do exactly as you please).

One thing I must add and that is, do not let your lover know you are after him - surprise him. And to you boys, all I can say is just start running.

THOUGHT FOR THE WEEK

-G. M. McLendon

A new-comer on our staff is Mr. Edward E. Morris. He succeeds to the managership of our campus grill and is to teach in the economics department. Mr. Morris comes well recommended and shows signs of energy and enthusiasm. It would be encouraging if the faculty and student body would pause long enough to give consideration to making his work pleasant in the grill by using the newly acquired wastepaper baskets. Just remember not to leave candy wrappers or any other waste paper around on the tables or tossed on the floor. One of the finest exhibitions of citizenship that could be demonstrated would be for a fellow student to pick up such waste and place it in the container in the presence of the one who thoughtlessly tossed it aside. This would be the most effective reminder that it should not have been done.

New Year Brings Baby Eagles Woes

The new year hasn't been a very happy one to the Raymond High school cage squads. Since the first of January, Raymond has lost successive double headers to Edwards, Forest Hill, and Bentonia.

On January 5, the Edwards girls topped the Raymond sextet 22-19 in a thrilling game that was close all the way Thornton led Edwards with 13 points while Martha Gillespie got nine tallies for the home team.

In the boys game, Raymond held a three point lead at half-time, but fased in the last half to lose, 51-42. Joe Gearhart led both teams in scoring with 25 points.

The following Tuesday, the Raymond girls lost another home game to Forest Hill by a score of 37-23, despite the good defensive job by Peggy Rosser and 15 points by Rosa Taylor. Smith spear-headed the visitor attack with 24

Raymond also dropped the afterpiece, 37-19, although they again led at halftime. Wayne Lee had 13 points for the winners, while Gearhart made 11 for Raymond.

Last Friday Raymond journeyed to Bentonia, only to lose another pair.

The Raymond lassies lost a heart-breaking 17-16 decision in the first game which was close all the way and numerously deadlocked. Rosa Taylor had nine points for Raymond, Cessna contributed seven counters for the vic-

The boys game, won by Bentonia, 75-45, was a rough and tumble affair that saw 47 personal fouls called. Four Raymond men fouled out of the game. Martin and Bond were high for Bentonia with 25 and 24 points, respectively. Brewer had 14 points for Ray-

Hinds Sextette Make Impressive Records In Season Openers

With the termination of the Christmas holidays, the Hinds cage squads returned to the hardwood wars and four double headers with Itawamba, two there and two here. On the whole, the Eaglettes won two. lost one, and tied one while the Eagles won one and dropped

In the first contest, at Fulton, the Hinds lassies suffered their, first loss of the season, 34-29. Adair and Timmon paced Itawamba with 14 and 12 points respectively while June Mobley had 17 points for Hinds.

The same two teams battled to a 32-32 tie the following night in a practice game. Mobley again led Hinds with 19 tallies.

The Eagles also lost their first game 59-50 but came back to win the practice tilt, 77-61, as Benton Fortenberry hit for 22 points and Tom Poe for 20.

The same squads met the following week end, and the Hinds girls won twice while the Hinds boys dropped a duo.

The Eaglettes won on Thursday night 37-28 as Lavell Nutt (who missed both road games due to illness scored 18 points. Mobley's 20 tallies paced the Eaglettes to a 40-28 triumph the following night.

The Eagles lost the first game 65-57, despite Fortenberry's 22 points. Itawamba duplicated the feat the next night 66-57, although Howard McKissack was a standout for Hinds both offensively and defensively.

Three games are on the slate this week. Hinds goes to Summit Tuesday night. Friday and Saturday Hinds will play at Perkinston and Poplarville.

Friday 4-H Meeting To Feature Judging

Hinds 4-H Club members will have a livestock and community judging program at their Friday meeting.

The livestock judging will help club sponsors to select four members from the county to represent Hinds in the district meeting.

The girls will have a community judging contest with each girl judging the exhibits of other members who have similar projects.

Around The

Collegiate Loop By VIVIAN WADSWORTH

February 23 is the date for the annual High School Day scheduled at Millsaps College in Jackson. More than one thousand high school students have been invited to this program, which will be very interesting from what I read in the PURPLE AND WHITE.

At the University of Illinois, a student felt that college cheers were not in keeping with the dignity of the student, so he proposed the following changes.

1. Instead of "Get the ball" -Obtain the oblate spheroid

2. Rather than "Hold the line" -Impede the foe's forward thrust along the two dimensional entity.

3. For "Go team go" — Proceed, oh valiant, proceed hey!

4. Instead of "We want a touchdown" - We demand a thrust forward, maintaining as our objective the passage of our adversary's goal.

5. And for "Hit 'em again harder" - Henceforth, smite them more than you sniote them heretofore.

What do you expect from your college newspaper?

That question was put to the students of Clarkson College of Technology, Potsdam, N. Y., recently and here are a few of the answers.

"News of various activities such as club meetings should be given fuller coverage. The paper should try to have more pictures."

"I would like to see a gossip column in the paper. I think the INTEGRATOR (the school paper) is doing a good job and if a little more emphasis was put on creating school spirit it would be the ideal small college newspaper."

"The INTEGRATOR should try to have more feature items such as contests."

The students gave some interesting answers and perhaps the INTEGRATOR has taken the hints and improved their paper. What do you expect of your paper? If you have some suggestions as to how the HINDSONIAN can be improved, come by the office and talk to the editors about it. This is your paper and we only want to please you.

One student had quite a busy day recently. At the University of Colorado, a freshman admitted he robbed a cab driver, stole the cab, got chased by the cops, crashed the cab into a curb, got shot in the leg by the police, and was finally arrested.

Detectives said the freshman "cracked up" under his studies.

If any of you students know of any news happening in other colleges around the nation, let me know and well pass the information on to the rest of the people.

Ballot Watching Interesting Business

A period at the polls-

Although sitting at the ballot box waiting for someone to vote on the Who's Who contest can sometimes become boring, train of thought will be broken few minutes by the sound of feet clumping down the corri-

Ah, yes.. There's Geneva Whittington picking up a ballot. We'll have a vote at last. And here's Ann Smith being the first student

Norma Owen (whewww) passes down the hallway, but she can't vote because she's in high school.

(A minor you know). Billy Hugh Montgomery just doesn't have time to vote right now but he'll be back. (He says).

Richard Smith gets a ballot, goes over to the wall and casts his vote for whom he thinks should be who at Hinds.

After a lapse of several minutes (during which several little girls from Bolton flutter down the hall) Dot Waters and Gus Vallas show up to express their votes. No coaching, Dot.

Ah, here comes Vivian at last and I can go eat lunch. Wonder if she'll find staying at the polls as interesting as I did?

Hinds Eagles Win Oleander Bowl Tilt; Montgomery Runs for Winning Score

The fighting Eagles of Hinds Junior College scored 20 points in the last half of the New Year's game to cop the Oleander Bowl trophy from San Angelo (Texas) Junior College Rams at Galveston, Texas. Billy Hugh Montgomery, 135 pound half-back, sprinted 48 yards for the game winning touchdown with only 2 minutes and 20 seconds remaining in the 4th annual Oleander Bowl game.

Plagued by injuries and fumbles and a blocked kick that spurred San Angelo scoring, the Eagles were on the short end of a 22-7 score going into the final period. But their determination to win was not to be denied.

Coach L. C. DeVall's charges scored three incredible touchdowns in that final period to win 27 to 22.

Billy Juenke scored Hinds' first touchdown midway in the first period when he went 66 yards. Roy Price converted to make the score 7-0

Late in the same period a Hinds fumble on the Eagle seven was recovered by San Angelo. Four plays later Cameron crashed over from the one. A. C. Talley's kick for the extra point was blocked.

The Rams took the lead in the second period when Dean Shaver capped the short drive by plunging over from the one-foot line.

Penalties gave Talley three tries at the extra point. His third try was good to put the Rams out front, 13-7.

Early in the third period San Angelo drove to the Hinds' nine where the attack bogged. Talley was sent in to try for a field goal. The ball was placed on the 20 and Talley came through with a beautiful 3-point kick to up the score to 16-7.

A blocked punt, recovered on the Hinds' nine by San Angelo set up the next Ram score, which came on a pass from Kenneth Henson to Taylor Meeks.

Early in the fourth period the Eagles drove 60 yards to score.

Willard Rachal and Billy Hugh Montgomery moved the ball to the San Angelo nine. From that point James Ratcliff hit Earl Jefferson for the touchdown. Price converted to make the score 22-14.

A San Angelo fumble on the 19 was recovered by Hinds. Montgomery drove to the 16. On the next play Ratcliff went around left end to the two and on the next try went over on a quarterback sneak. The try for the extra point failed, score 22-20.

With two minutes and 20 seconds remaining in the game the Eagles gained possession of the ball on their own 39. Ratcliff, on an optional, went to the 45. Montgomery took the ball on the next play and went over center for the full distance to score.. Price converted to make the count 27-22 in favor of the Eagles.

The Rams took the kickoff on their own thirty and on passes marched down to the 33 where Hinds intercepted with only 15 seconds remaining to end the ball game.

Raymond used the following players: Leonard Williams Ear, Jefferson J. B. Middleton, James Jones, Don Walker, Burnett Blackmon Reynold Ledet, Earl Leggett, Donald Saileau, Jesse Greer. Charles Dees. Harry Franklin, R. T. Raymond, Gus Vallas, Chat McGonagle, Billy Riekets, Billy Hugh Montgomery, Billy Juenke, Anthony Truitt, Tony Montalbano, Bob Smith, James Ratcliff, Roy Price Willard Rachal, Irvin Dillard, Billy Irby, Freddy Knight, and Scrappy Scruggs.

Fortenberry Leads In Scoring Records

With one-third of the season under their belts, the Hinds Junior College Eagles and Eaglettes have posted respective records of two victories and five defeats, and six victories against a single setback.

The Eagles have been victorious over Decatur (the only loss Decatur has suffered) and Moorhead while losing to Scooba, Ellisville, and Itawamba twice. The Eaglettes have won over Scooba, Decatur, Moorhead, Ellisville, and Itawamba with the last team handing them their lone defeat.

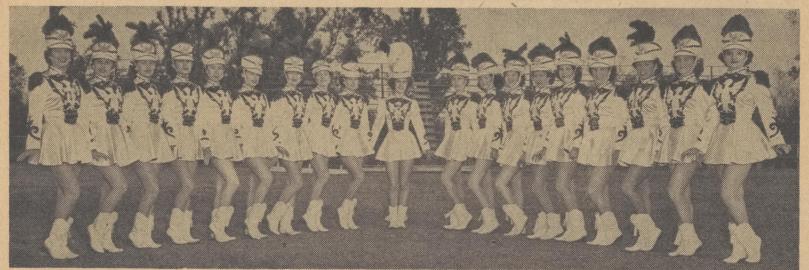

In the seven conference games, the Eagles have scored 414 points for an average of 59.1 points per game. 104 of these points have come at the free throw lane. The Eagles have made 68 per cent of their charity tosses. All-Stater Benton Fortenberry leads in the individual scoring department with 114 points made on 44 field goals and 26 free throws for a 16.3 point average: Howard McKissack has made 18 of 22 free throws for 82 per cent, high in that department. Eagle opponents have tallied 62.8 points per game.

The Hinds Eaglettes, among the leaders in the JC conference, have 39.3 points per contest while their tight defensive cordon of Frances Putman, Ann McGuffee, and Margaret Johnston have limited the opposition to 23.6 points per tilt.

June Mobley is tops for the forwards with 54 field goals, 22 free pitches, and 130 total points for an 18.6 average. She has made good 60 per cent of her free shots.

Halford Granted Leave of Absence; Clark is Successor

Miss Mary Halford, busiess educatio instructor at Hinds, has been granted a leave of absence so that she may return home, where her father is reported critically ill.

Joining the staff in September, 1944, Miss Halford has taught typing, shorthand, and bookkeeping and served as sponsor of several campus activities, including the Hinds annual, The EAGLE.

Miss Halford's classes will be taught by Mrs. L. Kenneth Clark, Hinds Junior College graduate and former secretary to President G. M. McLendon

Student Art Club To Sponsor Show

An art exhibition featuring paintings of Mississippi artists will be on display next Monday in the Hinds Library, sponsored by the Hinds Art Club. The Art Club, under the direction of Mrs. A. L. Denton, meets each Wednesday at activity period to have informational reports on art and to work on different art hobbies.

The club's chief functions are to entertain art students, to promote art exhibitors, and to make educational tours to nearby cities to view art exhibitions.

This week the club had a 15 minute talk on Grandma Moses, an eighty-four-year-old artist, who started painting at the age of eighty. The rest of the period was spent working on hobbies.

The art workshop is now open to all students who care to use it. Located in the new administration building, it is equipped with the latest art facilities.

GILLESPIE NAMED COUNTY WINNER

Martha Gillespie of the Hinds 4-H Club was named county winmer in a "Personality Contest" held recently in the Silver Room of the Heidelberg Hotel and awarded a wrist watch.

A 10th grade student, Martha was judged on the basis of her post cards and her personality at the banquet.

Seven New Students Enrolled At Hinds During Past Week

Seven additional students have enrolled at Hinds Junior College since last week, bringing the total of new students this semester to 17, according to Miss Mildred Herrin, registrar.

The seven are John Bart Cook, Jackson; Lloyd Fulton, Philadelphia; Marion William, Carthage; Jimmy Hardy, Jackson; Troy Anderson, Vicksburg; Connie Irby, Minden, La.; and Lemuel Pigott, Jackson.

The junior college division now has 304 students enrolled and the high school division 155.

Business Club Names Yazoo City Freshman As First President

Barbara Pilgrim, freshman from Yazoo City, has been elected president of the newly formed Business Club. This club, under the direction of Mr. L. N. Clark, is made up of the students who are taking intensive secretarial training.

Other officers of the club are as follows:

Barbara Hubbard, vice-president; Betty Ann Alliston, secretary and treasurer; Mrs. E. Tomlinson, program chairman, and Dorothy Brewer, reporter.

During the remainder of the year, the club members are planning to visit offices of the different business firms in Jackson, as one of their projects.

Before Christmas, Mr. Knox Broome, spoke to the club on the "Efficient Traits of a Secretary."

Mr. Broom Conducts Survey of Activities On School Campus

To determine the number of Hinds students taking part in extra-curricular activities, Mr. Knox Broom is tabulating a list of all clubs and activities and the membership of each.

When completed, the study will show how many students are members of clubs, the date, and the place of meetings of these organi-

The purposes of the study are: to discover those students who are not taking part in activities so they may be encouraged to do so, to discover those who are participating in too many to the extent it may be detrimental to their school work, to discover conflicts in times of meetings, to secure material for the students' permanent records, and to secure statistics for the application of the evaluative criteria.

14 Earn Special Honors For Semester; Three Students Maintain 'A' Average

Fourteen students, nine of them in college and five in high school, maintained a 2.6 average for the past semester to win special honors for the first term of the current year, according to the registrar's office. Of the nine college students, three — Charles Brown, Utica; Theresa Cox, Edwards; and Kyrous Gunter, Raymond — main-

TELEVISION HERE! STUDENTS INVITED TO SEE PROGRAMS

Seen any good television shows lately? Then you haven't been down to the Hinds Junior College radio department. Though 200 miles from the nearest television transmitter, Hinds now has television reception through the work of its radio students.

Students taking the course in television have built a receiving set which works, although reception is supposed to be limited to 50 miles.

The set has audio reception all the time and picture reception is clear over sixty per cent of the time, according to Mr. W. H. Gibbes, vocational co-ordinator.

Radio students are inviting all faculty and students of Hinds Junior College, both academic and vocational, to visit the shop after supper to see television programs.

They ask that those planning to attend the program contact Mr. O. C. Hughey or Mr. T. V. Hamrick to be assured of having a seat, since room is limited. They also report that class groups will be welcome.

WILLIAMS NAMED SECOND SEMESTER SEVENTEEN PREXY

Officers for the Seventeen Club, composed of high school home economics students, have been elected for the second semester. They are as follows:

Betty Williams, president; Wilmuth Cooper, vice-president; Patsy Clemens, secretary; Emily Noble, treasurer; Dink Hutchins, reporter; Peggy Robinson, social chairman, and Ruth Bell, recreational leader.

The club members are studying family relationships at the present time and later will begin practice cooking.

Sponsor of the club is Miss Fleta Whitaker, home economics instructor tained a 3.0 or "A" average for the semester.

In addition to the 14 winning special honors, 23 college students and 11 high school students won "honors" with quality point indices ranging from 2.2 through 2.5, the registrar reported.

Special honor winners in college and their quality point averages were as follows:

Charles Brown, Utica (3); Edwin Cobb, Yazoo City (2.6); Theresa Cox, Edwards (3); William avis, Terry (2.8); Kyrous Gunter, Raymond (3); James Newkirk, Jackson (2.6); Larry Philyaw, Chunky (2.8); Betty Jean Stubbs, Terry (2.6); Gene Walker, Vicksburg (2.8).

Special honor winners in high school were:

Frankie Aldridge, Bolton (2.6); Cameron Ferguson, Raymond (2.7); Martha Gillespie, Raymond (2.7); William Lamkin, Yazoo City (2.8); Billy Lancaster, Bolton (2.6).

Those who won "honors" in college were:

Mary Ann Byrd, Jackson (2.4); Bobbie Crechale, Jackson (2.5); Ted Dunning, Vicksburg (2.3); Rachel Epperson, Raymond (2.4); Martha Ann Hale, Terry (2.2); George Hicks, Jackson (2.3); Charlene Holcomb, Jackson (2.2); David Lewis, Raymond (2.2); Betty Milner, Yazoo City (2.2); Sara

Y.W.C.A. Changes Time of Meetings

Because of the campus-wide prayer services held Wednesday evenings in the college auditorium, the Y. W. C A. cabinet has set Monday evenings at 7:15 as the time for the regular Y meetings.

Monday night of this week, Doris Hedgepeth, vice-president, was in charge of the program. The program was opened by the call of the Y. A trumpet rendition of "Follow the Gleam" played by Mary Jo Laird, and a solo was rendered by Nancy Arnold. All the members participated in the study of a psalm that had been chosen by the group for special study at this meeting. Grace Pickett, president, made announcements concerning the state conference to be held at Castalian Springs in April.

The next meeting, which will be held in the Main lobby, will feature the freshman commission, who will begin a series of programs presenting to the members some of the responsibilities of the Y. W. C. A. beyond the campus, as well as on the campus.

Help Some Child to Walk

Saturday night I was listening to the radio and on one of the stations heard a program sponsored for the March of Dimes. The purpose of the program was to give the boys and girls all over the nation, who were afflicted with polio, a program they had requested. There were Hollywood stars on the show who gave the best five minutes of their career. Many sang the song that put them on top and some re-enacted scenes from their hit plays. All did their best and I'm sure the polio patients received a thrill from the show, for it was their program. Probably many of you students heard the show, emceed by the famous Helen Hayes, and you understood the need of the March of Dimes.

If you had to give five minutes of your time for the March of Dimes, would you refuse? Perhaps you wouldn't be able to perform as the Hollyood stars did, but I know something that would take less than one minute to do, and that is contribute. Small boxes have been placed in all the stores in the cities and towns in the United States for those who wish to contribute to the worthy movement. One dime may help a child to walk. Think of the number of children who would be helped if everyone would give a dime.

You may have a chance to attend a ballgame or a show in which all proceeds will go to the March of Dimes. -- Attend it. You will enjoy the show and at the same time you will have given something to the infantile paralysis program. It's our duty to help others, why wait-do it now!

THOUGHT FOR THE WEEK by G. M. McLendon

A worthy motto on which we might concentrate more diligently is: That from which I derive the greatest satisfaction is doing the things that are over and above that which is required of me.

GRILL WILL OPEN EVERY WEEKEND

The Eagles' Nest, Hinds Junior College campus grill, will be open weekends now, according to Mr. Eddie E. Morris, new grill man-

On Saturdays the grill will be open from 9 o'clock in the mornings until 11 o'clock, and from 6 o'clock in the afternoons until 8

On Sunday it will be open from 3 o'clock until 5 o'clock in the afternoons.

On nights on which ball games are scheduled, the grill will be open from 5:30 until 6 o'clock, he said.

Band, High Steppers Participate in Parade

Members of the Hinds Junior College Band and High Steppers participated in the inaugural parade of Governor Hugh L. White, who took office Tuesday morning.

Leading the 60th section of the 90-section parade, the Hinds group paraded up Capitol Street at 10 a. m. behind Carolyn Milton, drum majorette, and Grace Fairley, chief of the High Steppers, playing "Are You From Dixie."

The Mississippi State Golden Gloves Tournament being held this week brings to mind memories from the past when Hinds was represented at the tournament with some of the best boxing talent ever seen in this section of the country. Under the tutelage of Coach Perry Waldvogal, boxing mastermind deluxe, the Eagles used to field some mighty fancy teams of pugilists.

One of the better ringmen to graduate from the Eagle ranks was Tad Thrash, smooth lightweight boxer. Tad won the state Golden Gloves Championship for

two years at Hinds. After graduating from Hinds, Thrash attended school at Louisiana State University where he was national collegiate lightweight champion for two years.

Another great Hinds champion was Ed Kelson, state and midsouth Golden Gloves champion in the light-heavyweight division. Kelson fought a few pro bouts after terminating his career at Hinds.

Other flashy fighters who fought under the Hinds colors were: Jack Robertson, bantam weight; John Billy Huff, welter weight; Clyde McGee, welter weight; Kenneth Coker, welter weight; Joel Fooshee, light-heavy weight; Lyle Story, heavy weight; James Fondren, light weight; James McCoy, light weight; Ernie Elias middle weight; and there were many others who showed both great skill and courage in the squared circle.

Maybe in the future boxing will be restored to the Hinds curriculum, but if it is, it will have a long way to go to match the brilliant but short lived reign of Coach Waldvogal's mighty Eagle boxing

Outstanding Events of 1951 Reviewed; Hailed As Year of Progress For Hinds

The year 1951 was quite a year as far as Hinds Junior College was concerned. This year will have to do some fast stepping to keep pace with the outstanding events that took place while its predeces-

To begin 1951, 100 students left the Hinds campus after the first semester, some through the activation of the National Guard while others joined other branches of the armed forces and some went to work or were graduated.

Bozo, Hinds elephantine mascot, returned home for a short stay. "Nevertheless" topped the Hinds hit parade for the second consecutive week on January 10. President G. M. McLendon was elected to a three year term as director of the Jackson Touchdown Club. The Hinds Baby Eagles downed the Jackson High Tigers in a basketball doubleheader at Bolton to take their 20th and 21st consecutive win under the leadership of Coach Arliss Ricks. Two Hinds gridders won mention on the Paul Williamson Junior College All-American football team The honored players were Fullback Bucky McElroy and Center Gilbert Lindsey. Also in January the Hinds drill squad, later to be known as High Steppers, was organized under the direction of Band Director Don Key and Grace Shurden, Hinds freshman.

In February Hinds began offering night classes in vocational training for adults. Ann Smith, Hinds freshman, was named queen of the Hinds County Livestock Show at Edwards.

The Hinds Eaglettes reached the finals of the state junior college basketball tournament, only to lose the final game to Booneville 33-30. The Hinds Baby Eagles won the sub-regional basketball tournament held at Culkin Academy of Vicksburg.

In March the Hinds debaters placed second in the state debate finals. Six members of the Hinds Phi Theta Kappa attended the national convention at Independence, Kansas.

In April President Harry S. Truman ordered draft deferment for all upper ranking college students. This brought smiles of relief to many Hinds students. Hinds on its first baseball game of the season with a 11-10 triumph over Co-Lin. Betty Jean Stubbs and Jimmy Wilkerson were the high school and sophomore class speakers at graduation. Plans were made to organize a faculty-student council at Hinds. The HINDSON-IAN won a first class honor rating for the first semester in national competition conducted by the Associated Collegiate Press. The Hinds relay team won the mile relay at Lafayette, La.

In May Hinds placed second in the Mississippi Junior College track meet. This was the first time the Eagles had failed to win the championship in seven years.

Opening the fall session in September, Hinds' enrollment grew from the low ebb set when many

Inter-com System In New Buildings Has Various Uses

No, that wasn't a robbery going on in the president's office. It was just Miss Thelma Prassel, president's secretary, listening to a "whodunit" as she tried out the new inter-communication system installed in the three new buildings.

Capable of picking up sounds 30 feet from the receiver, the new system has everyone just a bit careful of what they say these days.

The system, though, is not used for eavesdropping. In fact it has some very useful functions, the greatest being that it speeds school communications. Through it the office may contact any teacher, or the teachers may contact the office.

The unit, which is located in Miss Prassel's office, may be used to broadcast ball games and programs from the school when connected to one of the Jackson radio stations by means of a telephone amplifier in the unit.

The set also picks up radio programs for broadcast throughout the school. An attached record player even makes soothing dinner music for the cafeteria possible.

joined the armed services in the previous spring.

A new and modern grill was set up in the new student activities building.

Hinds continued to progress as students were allowed to dance on the campus for the first time in the history of the school.

The Hinds Hi-Steppers made their first appearance at the Hinds-East Central football game held in Tiger stadium at Jackson.

Hinds began a series of radio programs over radio station W S L I. These programs are sponsored by the station as a public service feature and feature various campus activities and departments.

Martha Gillespie and Gus Vallas were named Queen and King of the annual Y. W. C. A. Penny Fair.

Hinds High School held its first homecoming in history with Janie Mashburn, Raymond senior, serving as queen for the occasion. The Baby Eagles celebrated the event by getting their only gridiron win of the season.

Anne Carr was elected by the students as queen of the annual Hinds homecoming. The Eagles trampled the Booneville Tigers to give the homecoming crowd a treat in the freezing weather.

The year ended just before Hinds students and faculty moved into the modern new academic building and administration building.

Yes,—it was quite a year.

Varied Occupations Selected by Alumni After Graduation

By BOBBIE DAVIS

What occupations do Hinds Junior College graduates follow when they finish their education? In a poll of alumni returning for homecoming this year, it was found that the greatest number listed as their occupations housewife and service in some branch of the armed forces.

Approximately 40 different occupations were listed, with post office employment as one of the leading ones after "housewife" and armed services,

Some of the other occupations represented included:

Senior enginees, trades, students, business managers, secretaries, teaching, merchant, bookkeepers, doctors, lawyers, civil engineering, electrical engineering, and mechanical engineering.

Photographer, clerks, bank cashiers, wholesale grocers, farrmers, ministers salesmen, sports editor, draftsmen, home demonstration agents, mechanics, West Point Military Academy, army nurse, service club hostess, registered nurse, horticulturists, dentists, rural mail carrier, telegraph operator, Women's Air Force, army chaplain, aviator, and athletics.

GRACE SHURDEN, TERRY FAIRLEY EXCHANGE VOWS

Climaxing a campus romance that began last year, Grace Shurden, daughter of Mr. and Mrs. W. H. Shurden of Greenwood, was married to Ovis Terry Fairley, son of Mr. and Mrs. P. E. Fairley of Leaf, at Calvary Baptist Church in Greenwood on December 19, 1951.

Dr. R. A. Tullos performed the double-ring ceremony by candle-light.

The bride, attired in pink moirre satin studded with rhinestones and pink pearls and carrying blue accessories, was attended by Mrs T. L. Hammack, her sister, as matron of honor.

The groom was attended by S. D. Fairley, Port Arthur, his brother.

The two spent their honeymoon in Greenwood and in Leaf, after which the bridegroom returned to Fort Jackson where he is a member of the Dixie Division. Mrs. Fairley returned to Hinds where she is employed in the physical education department.

Record? . .

The Daily Princetonian, Princeton University, claims it may have the best blood donation record of any college in the country: 58 per cent of the students pledged a pint of blood each.

THOUGHTS ON TERM THEMES

(Following is a partial reprint from a column in the Daily Texan by Bobby Jones).)

Whatever its faults may be, the University certainly is a place that goes in for education. Always educating people, giving them term themes to write, final exams to study for . . .

We've run into a rather ugly situation line that ourself when various teachers announced in class that certain tasks and homages were due them before the semester closed.

Beneath their covering of frightening work, though term themes are really as good for you as a whole keg of orange juice. They make you informed on such a wide variety of things — limited only by how thoroughly you cover the subject.

Take us, for example . . . Our theme was an English theme, and we chose W. S. Gilbert as a subject. That's the one who comes in front of Sullivan. As a result we're just loaded down with stuff we didn't use in the theme.

For instance, Gilbert has furnished us with quite a fe weatch phrases: "The policeman's lot is not a happy one." "The flowers that bloom in the spring, ta-la!" "What never? No, never. What never? Well, hardly ever."

LONG HOURS. GOOD PAY . . .

(From the Daily Tar Heel, University of North Carolina)

We object to Saturday classes because they are on Saturday.

However, we also object to the fact that the Board of Trustees insists that the quarter's work be measured in class days, and not by accomplihments of students. The 50-class-day quarter is a waste of time.

The class system is bad. It allows students to concur in the belief that they are getting an education, when they are only getting their lessons.

If we are going on an academic 40-hour week, how about over-time?

Organized Thumbing . . .

At Western Michigan College, Kalamazoo, Michigan, hitchhikers have been having a little trouble with the police. There's a law against thumbing in that town, and offenders must pay a \$10 fine and costs.

As a solution the Women's League has provided "ride depots," set up on various corners throughout the town. Students may legally pick up rides at these designated snots.

The chief of police added that hitchhiking "apparently is legal if the solicitor stays on the curb or back of it."

Realistic Reader . . .

When the Daily Athenaeum, West Virginia University took a reader opinion poll last month, it got back one rather disconcerting answer. Said the reader:

"The Daily Athenaeum is a pretty good little paper, but let's not kid anyone about it being a student paper. Let's call it an experiment of the journalism department and let it go at that."

Commented the editors, "Please, it's a school."

Statutory . . .

Three students at Ohio State University have been suspended from Chi Phi fraternity for being involved in the theft of a church statue.

A chapter spoesmakn said, "The fraternity has suspended the members involved in the theft, and feels it has nothing more to do with the incident. We would like to clear our names."

The Minute Women . . .

A 5-year-old freshman at the University of Connecticut, whose wife is national chairman of the Minute Women of America has been indirectly accused of looking alound the university for communists.

Colonel Edward Stevenson countered with, "I enrolled at the University only for my own intellectual enjoyment." His wife said it was true that her organization was "dedicated to ferreting out Communists" in universities, but added "he's wrong in accusing my husband of being a spy for the group."

Boyd's Class Plays English Cricket; Game Held Friday

Getting a taste of English sporting life, Miss Ruth Boyd's sophomore English class staged a game of English cricket here Friday.

Roy Arnold and Joe Lee managed the game, sides were chosen and the game proceeded as nearly according to rules as the class could manage, Miss Boyd reports.

The cricket set was a gift to Miss Boyd from Claude Holliday, formerly of Raymond.

Those taking part in the game were:

Malcolm Akens, Roy Arnold, Fanny Blaylock, Bertie Mae Brown, Charles Brown, Theresa Cox, Lynn Field, Doris Hedgepeth, Mary Jane Horn, Sally Lawrence, Joe Lee, Barbara McRae, Earl Palmer, Rauel Pascual, Larry Philyaw,

Grace Pickett, Jean Price, Hilton Robinson, Wilma Ryan, Marilyn Sandiford, Bonnye Shackleford, Ann Smith, Joan Taylor, Sidney Ellis, Fay Taylor, Thomas Trevillion, and Pat McNatt.

Eaglettes Are Among Loop Leaders After Three Victories Last Week

By EDWIN COBI

The rampaging Hinds Eaglettes retained their position as one of the top teams in the junior college circuit last week as they downed three opponents in a trio of road games. Summit, Perkinston, and Poplarville were the victims with the Perk sextette the only ones to furnish really stiff opposition. The three victories boosted the Eaglettes' record to nine wins against a single reversal.

The Summit game was close in the early moments, but Hinds gradually pulled away to win 46-30. Adroit defensive play by Frances Putman, Margaret Johnston, and Ann McGuffee was a huge factor in the win, while June Mobley hooped 31 points to provide the scoring punch.

At Perkinston, Hinds met a scrappy ball club and was hard pressed throughout, but they managed to squeeze out a 36-33 win. Mobley again led the Eaglettes with 21 points but Perk's Morris bucketed 24 to gain honors for the night

The following night, the Eaglettes gained a quick lead and rolled over Poplarvile, 48-31. Mobley hit her first five shots from the floor and wound up with 30 points for

HJC Cage Squads Split With Decatur Here Tuesday Nite

The once-defeated Hinds Eaglettes pushed their winning tally to 10 victories Tuesday night, defeating a surprisingly scrappy East Central sextette 28-24. The Hinds boys lost their game 75-61 after taking an early lead they failed to hold.

In the girls' game the Decatur girls led until the last stanza when Hinds came from behind to ice the game. At the end of the first quarter the Warriorettes were ahead 8-7, and at the half they had widened their lead to 16-9.

The Eaglettes began cutting down the Decatur lead in the third quarter as June Mobley began to work free from the close guarding of Faye Newsome of Decatur. At the end of the period the Eaglettes still trailed, 20-16.

The final quarter found the Eaglettes clicking as they scored 12 points to the Warriorettes four.

Despite the heavy guarding of Newsome June Mobley managed to retain high scoring honors for the game with 18 points. June Denson of Decatur was high scorer for East Central with 11 points.

In the after-piece, Hinds stayed close on the trail in the first half, but faded in the second to suffer a 14 point defeat. Richard Harris topped Decatur with 26 points while William Pogue was close behind with 20. Tom Poe was high scorer for Hinds with 16 points.

the evening. Ann McGuffee sparked the Hinds defense, which has now limited opponents to approximately 25 points per game.

However, the tables were reversed on the hapless Hinds Eagles who played good ball and scored plenty of points but never quite enough.

The Eagles lost to Summit, 73-68, although they led at halftime. The game was keynoted by fast ball players and slow officials. Jowers had 22 points for the losers.

Hinds played a fine game against Perkinston, but stayed a little behind and lost a close 59-58 decision. Fortenberry and Tom Poe paced Hinds with 22 and 16 points, respectively. Jackson topped the victors with 31 tallies.

In the Poplarville game, Hinds stayed close in the first half, but fell behind in the second to lose, 73-58. Mutt Watts as the big man for the winners with his rebounding and 26 points. Fortenberry scored 30 of his team's points.

Hinds plays at home this week, with Decatur scheduled on Tuesday and Holmes on Friday. Earlier in the season, Hinds gained a double victory over Decatur. However, neither of the Holmes teams have tasted defeat as of yet.

Many Weeks To Be Celebrated In 1952

It seems that 1952 is going to have a little spice that will rival anything that 1951 could come up with. There will be many special weeks in 1952 that we probably have never heard of, but all of them are important to certain groups of people.

The Tea Council in New York will celebrate Take Tea and See Week on Jan. 18-26. (not see weak).

On February 3-9 the National Peanut Council will hold National Peanut Week. All who love peanuts, whether salted, boiled, roaster or baked, will be in their glory during that week.

Hotdog lovers will welcome National Kraut and Frankfurter Week which will be held on February 7-16.

Ping pong enthusiasts who play all day in the recreation room will welcome National Table Tennis Week on February 10-17. The very next week will be the one for cocktail lovers when National Cherry Week is held.

When you see everybody walking around grinning like a cheshire cat on the week of March 9-15, don't be surprised. It's just National Smile Week.

For all who suffer with fallen arches and ingrowing toenails, there will be a National Foot Health Week on May 17-24.

But there will be celebrated on June 14, a day to top all of the weeks. You wouldn't guess it, but it's National Expectant Father's

Hinds High Cagers Win Twin Bill From St. Joseph

Hinds High's Baby Eagles and Eaglettes will enter the Byram Invitational Tournament, which begins Thursday, according to Coach Louis Boteler. The girls will meet Pearl at 6 p. m. Thursday and the boys will play Forest Hill at 7 o'clock that same night.

Thus far, the Raymond quintet has six victories against eight losses, two of the losses to Forest Hill. The Raymond lassies have eight victories and six setbacks.

Coach Boteler's quintet will be out to revenge their earlier losses to Forest Hill when the two clubs meet Thursday. The Raymond sextette, playing Pearl for the first time this year, also has high hopes of victory.

High School Cagers To Enter Tournament Thursday At Byram

The Raymond High School cagers won their first double-headers of the 1952 season here, Tuesday, January 15, with the girls downing St. Joseph, 46-13, and the boys winning, 37-33.

The Raymond sextette held an 11-8 halftime lead and went all the way with substitutes playing most of the final half. Rosa Taylor led the scoring for the Baby Eaglettes with 15 points and was trailed closely by teammates, Lou Kendrick and Martha Gillespie, with 14 and 10 points, respectively.

In the afterpiece, the Raymond quintet led throughout with the Rebelettes closing the gap to two points at one time. Nevertheless, the hard fighting Baby Eagles were able to squeeze a 37-33 final score. Joe Gearhart and James Brewer shared scoring honors with 13 tallies apiece.

The Raymond Eagles split a twin bill with visiting Bentonia here Friday, January 18.

Mary Nail led the winning Baby Eaglettes with 10 points as they downed the visiting sextette, 23-17. Rosa Taylor was second scorer with nine points for the victors.

The Bentonia Bulldogs increased a 23-12 halftime lead to a 35-28 victory over the Raymond five. James Brewer led the scoring with 15 points for the hometowners. Jerry Smith was next with four tallies. Bard led Bentonia with 12 points.

Two Unbeaten Teams To Invade Hinds Gym For Games On Friday

Holmes Junior College's undefeated girl cagers invade the Hinds Junior College gymnasium here Friday night to meet the oncedefeated Hinds Eaglettes in what should be one of the top conference games of the year.

The undefeated Holmes Bulldogs meet the Eagles in the second half of the twin-bill that opens at 7 p. m.

Behind the scoring of June Mobley, the tight defensive playing of Frances Putman, Ann McGuffee, and Margaret Johnston, the Eaglettes have won nine games and lost one, that one to Itawamba of Fulton. The following weekend they defeated the Fulton girls in a return match.

In the 10 games played up to this week, the Hinds girls have scored 405 points, the Hinds boys, 598 points.

The Northeastern, Northeastern University (Mass.) was surprised to learn that night school students have actually been plunking down nickels on the bookstore counter for a copy of the Northeastern.

Commented the paper, "Then there are the day students who get them free — and complain."

Seniors Sponsor School Dance In Student Center

Students and faculty of Hinds Junior College and High School are being invited to a Saturday night party in the new Student Recreation Center, according to Mr. Louis Boteler, who is in charge of the affair.

The party will feature dancing and games. For refreshments, the Eagles' Nest will be open during part of the 7-10 p. m. affair.

Sponsored by the senior class, the party is exclusively for Hinds students and faculty members.

Seniors appointed to make plans for the affair and decorate the student center include:

Peggy Rosser, Norma Joyce Owen, Louis Mealer, and Don Soileau.

Social Science Rooms Being Equipped With New Desks, Cabinets

Social science classrooms and offices, now located upstairs in the New Academic Building, are being equipped and decorated, according to Mr. J. R. Harris, social science instructor.

The offices will be equipped with new desks and filing cabinets. The offices, classrooms, and hall will be decorated with pictures supplied by Mrs. A. L. Denton's art department.

Mr. Harris' classroom houses various maps and charts which are now available to students. The maps are of Mississippi, the United States, and the world. There is also a "World News of the Week" chart which gives events of worldwide interest and another chart showing principles of our democracy.

14 Band Members Will Go To Clinic

The Mississippi Junior College band clinic will be held at Jones County Junior College on February 12-14, according to Miss Jean Lancaster, Hinds band director.

The following instrumentalists of the Hinds band will participate in the clinic:

Leisa McNeely, flute and piccolo; Rose Parsons, bassoon; Roy White, George Hicks, and Ellawees Ferrell, clarinet; Beatrice White, bass clarinet; Cecil Yarbrough and Bobby French, baritone saxophone; Joe Terry and Mary Jo Laird, cornet; Jerry Franciscate, baritone; Ted Dunning, trombone; Thomas Rowlett, snare drum; and Bobby Holcomb, baritone.

Eastside Dormitory To Hold Open House On Thursday, February 7

East Side Dormitory will observe open house on Thursday, February 7, according to Dean A. L. Denton. Everyone will be invited to come in from 3:30 to 5:30 p.m. to look through the building and to take refreshments which will be served by the hosts.

On the committee to look after the details of the open house are: Ronald Walsh, Eddie McCain, Ted Dunning, and Billy Dungan.

High School Who's Who Candidates Nominated in HINDSONIAN Balloting

Joe Gearhart, Billy Lancaster, and George Oberhausen were named as candidates for the title of "Mr. Hinds High School," while Janie Mashburn, Carolyn Milton, and Norma Joyce Owen were named as candidates for "Miss Hinds High" in the annual who's who elections sponsored by the HIND-SONIAN.

Voting Monday students also selected other candidates in the

school popularity poll. Clara Clement, Norma Joyce Owen, and Bettye Jean Williams were named as candidates for "Most Beautiful Girl;" Roy Price, Charley Roberts, and Dick Welch were candidates for "Most Handsome Boy."

Joe Gearhart, pianist and basketball star, won the title of "Most Versatile Boy" on the first ballot, getting well over half of all votes cast.

Martha Gillespie, Peggy Holliday, and Carolyn Milton were named as "Most Versatile Girl" candidates.

"Wittiest Boy" nominations included Billy Conlee, Thomas Keith, and Charley Roberts. 'The girls' race will have Barbara Hutchins, Mary Jo Laird, and Alice McKinley as candidates.

J. B. Middleton, Wesley McFarland, and Thomas Shirley were nominated as "Friendliest Boy," while Nancy Arnold, Clara Clement, and Peggy Rosser were named as candidates for "Friendliest Girl."

Burnette Blackmon, Ray Boyd, and J. B. Middleton were leaders in the "Most Popular Boy" competition, with Joan Geiger, Barbara Hutchins, and Janie Mashburn winning the nomination for (Continued on Page 3)

DeVall Organizes Leadership Class: Offers Credit in Directing Recreation

Under the direction of Coach L. C. DeVall, a class in recreational leadership has been organized at Hinds, offering three semester hours of credit and assuming direction of many of the recreational activities on the campus, as well as offering training in recreational leadership for members of the class.

The class has been divided into various committees which are responsible for different phases of student recreatin. One committee, the group singing group, recently prometed a song fest in the auditorium, which was attended by 143 persons.

The class is also learning to square dance and to call square dances. Each member of the class will then teach two couples, and when a number of students have mastered the art a square dance will be held in the student center.

Another committee in the class is sponsoring a volleyball tournament, which will begin Thursday, January 31, at 6:15 p.m. Mem-

Junior College History Beng Compiled For Publication as Folder

Hinds Junior College's history is being compiled for publication in booklet form, according to Mr. Knox M. Broom.

The booklet will set forth the purposes for which the school was founded and trace the development of the institution through the years in terms of physical plant, training services, achievements of its student body, and staff expansion under the direction of a board of trustees whose tenure of office has averaged over 13 years for each

From an original plant valued at approximately \$86,000.00 has grown to an estimated \$1,500,000 plant. An aerial photo of the campus will be included in the booklet.

The pamphlet wil be used for orientation, publicity, and for the evaluative criteria.

bers of the physical education classes, boys and girls will compete. Notices have been posted as to schedules and players on each team.

The class will sponsor also a tennis tournament, a basketball tournament, week-end picnics, a ping-pong tournament, and other activities.

Those enrolled in the class in-

Burnette Blackmon, Catherine Brown, Clara Clement, Charles Dees, Grady Gill, Doris Hedgepeth, Billy Irby, Billy Juenke, Freddy Knight, Betsy Milner, Billy Hugh Montgomery, Norma Joyce Owens, Mary Ann Pressley, R. T. Raymond, Billy Ricketts, Ann Smith, Quay Stribling, Anthony Truitt, Elizabeth Williams, and Cecil Yarbrough.

High School Debaters Enter District Finals At Forest Hill Today

The high school debate team, under the direction of Mr. J. B. Patrick, will participate in the district six finals which will be held at the Forest Hill high school on January 30.

The affirmative team is composed of Cameron Ferguson and Garth Guy, with Ann Shelton and Nancy Arnold on the negative side.

The two winning teams will take part in the Southern Regional Debate Tournament in Hatties-

Law Students Make Two Field Trips

Studying real property law, the business law class of Hinds Junior College made two field trips last week.

The first trip took them to the Raymond Courthouse where they saw land records and examined different types of deeds.

The second trip, Thursday, was to the Mississippi Title Insurance Company in Jackson, where they saw more records, including abstracts of titles; and heard an expert talk on the writings of deeds, the different kinds of deeds, the importance of insuring titles, and the importance of recording deeds.

The class was greeted upon en-

trance to the Jackson firm by Doris Thompson, Hinds graduate.

The unit of real property law that the class is studying has included the nature of real property, means of acquiring titles, land descriptions, various types of interest held on property, and steps in a real property transaction. The unit will be completed by a discussion of the landlord-tenant relationship and mortgages.

Mr. W. P. Bridges, Jackson realtor, has been invited to speak on the landlord-tenant phase and a representative of the First Federal Savings and Loan Company, Jackson, on mortgages.

Get All the Trimmings of Education

What are you getting out of your college education? In a recent survey conducted by Mr. Knox Broom, director of guidance at Hinds, it wa learned that a number of Hinds students were remarkably deficient in extra-curricular activities. Of course there were some who stood in the opposite category with so many out of class activities that they don't have enough time for study.

If a student is lacking in extra-curricular activities, we believe he will derive much more fun from his education if he will take up one or two of the clubs on the campus as spare-time hobbies.

Much can be learned from these activities, especially if they deal with the line of work in which the student intends to major. These activities are so important because they give the student the much needed practical experience.

Of course there are two sides to the question. Some students have so many jobs on the outside that they are forced to neglect their studies. This is just a sbad a situation as the other, but probably not any worse.

The point is that we'd like to advise you to arrange your schedule to have a better balanced educational program. Try to strike a happy medium!

THOUGHT FOR THE WEEK . . . G. M. McLendon

I shall be glad to receive suggestions from faculty and students as to matters that should be considered and policies that should be formulated for our spring activities. You may write your suggestion, seal it in an envelope, and bring or send it to the president's office. These suggestions may be signed or unsigned. Naturally, we hope that all suggestions will be constructive.

JOE TERRY NAMED STUDENT CHAIRMAN

Joe Terry, Brandon sophomore, was named as student chairman of the Hinds student-faculty council in a meeting of the council Monday night. Terry, 19 year old graduate of Brandon High School, succeeds James Ratcliff of Philadelphia. Ratcliff ended his requirements here at the end of the first semester.

Joe is the son of Mr. and Mrs. J. Walter Terry of Brandon. He plans to attend Mississippi College of Clinton upon graduation from Hinds. This year at Hinds he is vice-president of the sophomore class and is a member of the band.

Soils Students Tour Experiment Station; See Fertilizer Study

Under the direction of Mr. W. M. McKenzie, students in the Hinds Junior College soils class toured the Brown Loam Experiment Staton at Oakley, Friday during their laboratory period.

Special attention was called to an experiment concerning the relative advantages of placing fertilizer below the seed and of placing the seed in the fertilizer band.

Those making the trip were J. B. Horn, Alden McNair, W. M. Davis, Tip Lewis, Robert Sparkman, James Duffy, James Gregory, and Thomas Rowlett.

A second tour is planned in the spring, Mr. McKenzie says.

FERGY'S FIKSHUN

By ROBERT FERGUSON

That Oleander Bowl Trophy is really a beauty. Rather than describe the immaculate symbol of victory, I'll just tell you to go by the president's office and see it for yourself. The victory that gave Hinds the trophy will remain in the hearts of Hinds fans as long as the trophy is there to be a reminder of the hard-fought battle.

It seems that former Hinds boxing coach, Perry Waldvogal, hasn't forgotten how to give instructions in the art of fisticuffs. Coaching a team from Hattiesburg in the recent state Golden Gloves boxing tournament, Coach Waldvogal led his fighters to six of twelve possible state championships and in all he had nine boys taking part in the finals.

Mr. E. E. Morris is doing a splendid job of filling the shoes of Mr. William Moss, former manager of the grill. Since wastepaper cans and ash trays have been placed at convenient spots throughout the grill and recreation room,

Mrs. Denton Speaks To History Students On Artists, Paintings

European history students of Miss Lula Mae Fowler heard a lecture on the fundamentals of art, artists, and paintings of the 19th century at their meeting January 23. The lecture was presented by Mrs. A. L. Denton art instructor at Hinds.

The pictures shown and discussed were chiefly those on which the artists won their notability.

Members of the class: Tommy Brown, James Newkirk, Rose Parsons, Carolyn Hall, Robert Lee, Tip Lewis, Bobbie Davis, Willam Davis, Gene Walker, Billy English, Peggy Piggott, R. T. Raymond, Bettye Stubbs, Mitchell Sullivan, Betty Tipton, Bobby Trotter, Earl Paimer, Gwendolyn Watson, Jean Breeden, Herman Boteler, Wilfred Bailey, Steve Wallain, Faye Taylor, and Clara Clement.

19 Freshmen Named To Y. W. C. A. Group By Cabinet Members

The freshman commission of the Y. W. C. A. was elected by the cabinet at the weekly meeting of the Y group on Sunday night.

Members of the commission elected are the following:

Shirley Beadle, Patricia Williams, Doris Wilson, Joyce Alexander, Vivian Wadsworth, Faye Davis, Jean Reeves, Sara Aldridge, Lynette Collins, Beatrice White, Barbara Pilgrim, Peggy Jean Pigott, Betty Jean May, Janelle Donald, Lanelle Williamson, Cleo Battle, Jean Dossett, Ethel Cook, and Emma Lou Patrick.

some improvement has been made in the appearance of the building. Now, if we can only keep from dumping the contents of these containers on the floor, we'll have a sharp looking grill and recreation room. Since it is realized that sometimes there is not enough seating space in the grill, efforts are being made to increase the seating capacity.

Everybody's going to have a big time Saturday night in the grill and Recreation center where a big party will be held from 7:00 till 10:00. All students and faculty will be invited to attend the session of square dancing, just plain dancing, ping pong playing, and general amusement.

5 New Classics Added to Library

Five new streamlined, modernized editions of classics have been received by the Hinds Junior College Library, according to Mrs. Gertrude Rowzee, librarian, who lists their titles as Huckleberry Finn by Mark Twain; Tom Sawyer — Mark Twain; Robinson Crusoe — Daniel Defoe; Stories and Poems — Edgar Allen Poe; and Great Expectations — Charles Dickens.

In these modernized versions of the classics, Mrs. Rowzee points out, sentence structure has been so modified that long, rambling, confusing sentences are simplified. Colloquial and out-of-date expressions have been omitted, and lengthy desciption shortened.

With large and attractive type, the new classics are "books for tired eyes," she said.

The library now has copies of 30 of these streamlined classics. Eleven of them are by American authors, three by French writers, and eighteen by English writers. A complete list of them hangs on the wall in the fiction section in the library. A collection of the books has been placed on the display table near the library door.

METHODISTS PLAN TO ATTEND MEET IN EARLY FEBRUARY

Plans were completed at Wesley Foundation Sunday night for a "station wagon delegation" to the Methodist Student Conference that is scheduled at Mississippi Southern, February 8-10. The list of the delegates from the local campus indicates that an extra car may be needed to take care of the Methodists headed for Hattiesburg.

After the business meeting Sunday night the worship service was conducted by Lynette Collins, who led a discussion on talents. Other members participating on the program were Wilma Ryan, president; Ted Dunning, song leader and soloist; Beatrice White, pianist; and Grace Pickett.

Former Student Writes Registrar About Hinds Bowl Game. Korean Life

Taegu, Korea, 10 January '52

Dear Miss Herrin,

Like more former Hindsonians, I've never forgotten that certain, Junior College back in the heart of Dixie and the many wonderful friends that I made there. Being a true "Rebel," I'm always on the lookout for news from that section of the nation and it was with much delight that I should find an article pertaining to my dear old Alma Mater in the most widely circulated newspaper in the Far East. I'm enclosing the entire paper in the letter so that you and other interested parties may see the name of Hinds Junior College does go around the world.

As you see, this is only the Pacific edition (Stars and Stripes, Army newspaper) for UN Korean forces, but I'm sure the article on the back page of the sports section appeared in all other publications in the other theaters of military operation.

So it seems, from my viewpoint, what Hinds accomplished on January 1, 1952, did much to make itself known to all the world, and perhaps to sell itself to some future student. A wonderful bit of advertising.

I suppose you are wondering what I'm doing over here. It's been quite a long story, since I left with Clearing Co. of the 106th Medical Battalion from Raymond on January 16, 1951. I, like many others in the National Guard there, took some few months of training at Fort Jackson, S. C., and was sent to the Far East Command for assignment.

On September 25, I stepped ashore at Inchen, Korea, and started on a 200 mile trip south. I consider myself very lucky to be here in Taegu and to have the assignment that I have. My job is chief

As "Most Intellectual Boy" students nominated Cameron Ferguson, Bill Lamkin, and Billy Lancaster.

Frankie Aldridge won the "Most Intellectual Girl" title with a large clerk of the Preventive Medicine Division in the Surgeon's Office, Headquarters of 8th U. S. Army in Korea. I like my work here and have made numerous new friends that I'll never be able to forget.

This is an interesting country with ways and customs entirely new to me and the majority of the Western world, although they are thousands of years old. Japan is a wonderful country and I hope to spend more time there before returning to the most wonderful place in the world — the good ole U. S. A.

I have only been here a little over three months, but have learned more about this mysterious land than as many years of reading about them would have revealed. One must never get the idea that he fully understands the Oriental mind, for I have come to the conclusion that neither do the Orientals.

Many a Westerner has spent his entire life here and is still unable to predict the actions of these people with the "almond" eyes. Patience is a virtue with these Orientals and life is cheap. Their thoughts follow strange channels, and you, therefore, cannot reason with them as you would your next door neighbor. What you see on the outside and what goes on on the inside are usually of a most diverse association. One never knows. I can readily understand the problem before the negotiators at the peace conference. Too many people in the U.S. do not.

February 17-24 has been set aside as Brotherhood Week in schools and colleges. The week offers an opportunity to re-think and restate the goals for education in a multi-culture society. Its purpose is to focus attention on the need for Brotherhood the year round, both within the United States and throughout the world.

At Texas A & M the lost and found bureau advertised its possession of one biology final exam. Wonder if it was ever claimed?

Something For the Pot . . .

At Macalster College, Minnesota, the students have added a new twist to their annual Sadie Hawkins dance. The minimum cost per couple is 50 cents, plus a penny for every inch of the boy's waist.

At the University of Buffalo, the SPECTRUM, recently printed six reasons "Why I Never Joined a Sorority." They are:

1. I wanted to do as I wished and think for myself instead of being led around by a bunch of sorority sisters.

2. I had never gone into women's clubs and organizations before I came to college and I didn't want to start.

3. I had never danced with a man in my life and I didn't want

4. I didn't like the idea of having to room with the same girl all semester.

5. I didn't fill out a sweater and I didn't look very attractive in a sleeveless, low-cut gown.

6. I am a male.

Well, the last reason certainly was a good one, I must say.

A New Note In Chimes . . .

Students strolling around the campus at the University of Washington were stopped in their tracks recently by the chimes, which were giving out with "I Want A Girl, Just . . . " "Rock-a-Bye Baby." The explanation was that the chimer was heralding the birth of his fourth child.

It' a great kindness to trust people with a secret. They feel so important while telling it. The CADET, student newspaper of Pearl River Junior College, publishes a column for the lovelorn with Mr. Will U. Lovemore as the experienced counsel. At Mississippi Woman's College, Hattiesburg, an inquiring reporter asked this question: "If you were elected President of the United States, for a six months term, what changes would you try to bring about in that limited time?" Here are some of the answers given:

One girl decided that she could begin cleaning the slums of our cities and better the living conditions in the nation. Another girl thought she could do something about the gambling that has taken the nation by the hand, and would be satisfied with the six months term. Still another student wanted an equalized program of education for the Negroes.

Hinds High Cagers Lose Home Match To Byram Squads

The Hinds Baby Eagles and Eaglettes dropped a pair of games to the Byram cagers here Tuesday night. The Raymond girls lost by a 26-23 score while the boys dropped a 37-29 decision.

Byram's Dexter Scruggs led the scoring in the boy's tilt with 12 points. Joe Gearhart paced the Raymond attack with 9.

Both of the teams were weakened by sickness and injuries to star players. The Baby Eagles held the Bulldogs to a 10-10 tie at the end of the first quarter. The Byram quintet pulled ahead, however, in the second period and led 22-14 at halftime.

At the end of the third suarter the margin was seven pints as Byram led 28-21. After playing a fairly even fourth quarter, the game ended with Byram ahead by a 37-29 count.

Mary Nail of Raymond led the scoring in the girls' game with 15 points. Sylvia Dippery was the leading point maker for the Byram sextette. Byram was ahead 14-13 at halftime.

Eaglettes Halt Unbeaten Holmes Girls With 34-34 Tie; Eagles Lose 65-58

The Hinds Eaglettes played the unbeaten Holmes sextette to a 34-34 tie here Friday night to spoil the latter's straight victory record while the Hinds boys dropped their contest 65-58.

In the girls' game Holmes pulled into a quick 12-9 lead at the end of the first quarter and widened it to a 26-18 at half-time. However, the charges of Coach Arliss Ricks managed to cut the margin to 28-24 going into the final period. In the last stanza, the Eaglettes' Dot Gerrard dropped in a wide crip shot to knot the count at 32 all. Holmes quickly retaliated with another bucket to take the lead but a shot from the floor by June Mobley again tied the score as the game ended.

June Mobley led the Hinds attack with 17 points while Lavell Nutt had 11. Dot Gerrard contributed six points.

The Hinds guards, somewhat stymied in the first half, rose to

Volleyball Tilts Open Thursday; Brackets Posted

An intramural volley ball tournament, sponsored by the Hinds physical education classes as a part of the training in the new recreational leadership course, will begin in the Hinds gymnasium at 6:15 p. m. Thursday night.

Thursday night the second period Monday-Wednesday girls' team under the direction of Coach Joe Renfroe will meet Coach Louis Boteler's fourth period Tuesday-Thursday girls.

Following that game Coach Renfroe's sixth period M-W boys will meet Coach Boteler's first period T-Th boys.

Renfroe's seventh period M-W boys and Coach L. C. DeVall's seventh period M-W girls both have drawn byes in the upper bracket.

Games will be played in the lower bracket on Monday. The semi-finals of the tournament will be held on February 12, and the finals will be played on the night of February 28.

Eagle Staff Seeking Student Snapshots

The staff of the EAGLE, Hinds Junior College annual, has met all deadlines for pictures thus far this year, and is now working to meet their March deadline, Mr. T. T. Beemon, sponsor, reports.

The staff is seeking pictures of campus scenes and personalities, Mr. Beemon added, and if students have any such pictures, the staff would like to borrow them for the annual.

the occasion in the second half and held Holmes to eight points.

Margaret Johnston, who fouled out in the closing minutes, held the highly touted Patty Burton to four points.

Geneva Ballard paced Holmes with 17 points, but Frances Putman allowed her only one point in the last half.

The Eaglettes now boast a record of ten victories one defeat, and one tie.

In the boys game Holmes led from the beginning and extended their margin to 22 points at one time. However, the Eagles scored 22 points in the final quarter to cut the winning margin to seven points.

Howard McKissack and Charlie Roberts led Hinds with 15 points each. Miller Davis topped the victors with 20 points.

It was the ninth straight reversal for the Eagles.

Hinds High Cagers Drop First Games At Byram Tourney

The Hinds Baby Eagles and Eaglettes found little success at the Byram Invitational Tournament as the girls dropped a 27-21 decision to Pearl and the boys a 52-22 count to the Forest Hill cagers.

In the girls game the Baby Eaglettes took command in the first quarter, which ended 3-0. In the second half the Pearl sextette began hitting the basket and Raymond trailed 12-6 at intermission. Peggy Rosser's guarding slowed Pearl's offense in the second half, but it was not enough to prevent the Pearl squad from taking the game. Gray copped scoring honors with 13 points for the victors. Taylor and Gillespie shared scoring honors for Hinds with 9 each.

Although Jerry Smith, Ray Boyd and Joe Gearhart showed good ball handling throughout the boys' game, they were not able to stop the "hot" Rebels. Sammy Bailey scored 17 points for the Rebels while Joe Gearhart netted 14 for the Eagles.

Raymond Cagers End Season's Play With Road Games

The Hinds High Baby Eagles and Eaglettes close their conference play with a pair of road trips, meeting Byram on February 5 and Utica on February 12, according to Coach Louis Boteler.

Eight players will be playing their last games for Hinds High on the road trips. They are three graduating girls and five boys.

The girls include Peggy Rosser, guard; Mary Nail, forward and guard; Elizabeth Anderson, guard. The boys are Joe Gearhart, forward; Billy Weaver, center; George Oberhausen, guard; Perrin White, and Raymond Tomlinson, guard.

According to Coach Boteler Peggy Rosser and Joe Gearhart were the outstanding players of the season, and he added, that in his opinion Peggy Rosser was the best guard in the Middle-Mississippi competitions.

Techniques of Reading To Be Offered For High School Students

Classes in techniques of reading for high school students are being organized this week under the direction of Mr. Harold Turnage. Mr Turnage is also teaching a college course in reading.

Baby Eaglettes Hold Edwards 25-25; Eagles Lose 45-36 to Unbeaten Squad

"What we need is cool, thoughtful, hard fighting ball playing," Coach Louis Boteler told his Hinds High sextette just before they met the strong Edwards squad and held them to a 25-25 score, while the Hinds boys dropped a 45-36 decision to the undefeated boys' squad.

Trailing 23-18 in the last two mirutes of play, the Hinds girls had fought all the way. Martha Gillespie dropped in a free throw, then ten seconds later he dropped in a field goal to close the gap to 23-21. Peggy Rosser seized the ball from the back board for Rosa Taylor, who tied the game at 23

all. Martha Gillespie then bucketed a field goal to put the Hinds squad ahead for the first time that night.

Thornton of Edwards, though, managed to place a field goal, giving the Edwards sextette a 25-25 score as the period faded.

Thornton copped scoring honors with 14 points, while Raymond's Martha Gillespie followed with 12 points.

In the boys' game the Edwards squad led throughout, despite the efforts of the Baby Eagles. Joe Gearhart was high with 13 tallies, while Pennebaker was high scorer for Edwards and the game with 15 points

Phi Theta Kappa Names Delegates

Pictures of the official delegate to national convention and of active members of Gamma Lambda chapter of Phi Theta Kappa, have been mailed to The Golden Key, official organ of the society.

Publications setting forth plans and program of the convention, which will be held in Gulfport, April 3-5 ,are off the press.

This is the first time in thirteen years that the convention has been held in the South, the first being held in Monroe, Louisiana. Hinds was represented by seven delegates, who were headed by Robert Cannada, of Edwards.

A note from the sponsor of Gulfpark College, hostess to the convention, states, "We want to see the Mississippi delegates out-shine even the Texans with their big hats and high heel boots"

Official delegate for the Hinds chapter is Kyrous Gunter, who was recently named "Miss H. J. C." In her freshman year, Kyrous was president of her class, and this year she is serving as treasurer of the sophomore class, active member of the Y. W C. A., and president of the campus chapter of the Phi Theta Kappa, as well as a straight "A" student for both her freshman and sophomore years.

All the members of the local chapter of the P. T. K. expect to accmpany the official delegate to the Gulfport meeting.

Arnold, Howard D. Cullum, Billy R. Hays, Casper Kinkinson, Robert L. Diffinderfer, Dan S. Beard, and Johnny A. Estel, all of Jackson; and Carnis D. Pruett, Bolton.

Shop Training Students Upholster Grill Bench

Shop training students, under the direction of Mr. D. C. Ware, have completed the third section of the upholstered bench in the student recreation room.

The students who upholstered the frames are Benton Fortenberry, Reynold Ledet, Raymond Tomlinson, Clyde Glisson, and Perrin White.

The wooden frames were constructed by Mr. Edgar Bray of the school maintenance department.

Eleven New Students Enter Second Term; Enrollment Now 470

Eleven new students have enrolled within the last two weeks at Hinds for the second semester. They are:

Billy Ray King, Raymond; Leslie Tucker, Holly Springs; Dan Dubose, Jackson; Bob Ellis, Johnson City, Tenn.; William Moore, Cleveland; William Graham, Bogalusa, La.; Wade Patrick, Jackson; James Hopkins, Jackson; Bobby Machen, Rayville, La.; Clyde Wright, Piant City, Sla.; and George Tullos, Jackson.

These students bring the school enrollment to 470 in the high school and college division.

History Classes Hear Discussion of Music, Composers of 1800's

Continuing the study of the fine arts of the 19th century, Miss Lula Mae Fowler's European history classes heard a talk by Mr. Levann Robinson on how to listen to music. The discussion, treated in the form of a lecture, covered the fields of Opera, Oratoria, and Symphony. Examples of the literature were played before the classes.

Miss Mary Halford Former Instructor, Wed at Rolling Fork

Miss Mary Halford, former business training instructor at Hinds Junior College, and Jefferson Wren Nevels were married in Rolling Fork on Monday night, January 28.

The newlyweds went to Hot Springs, Ark., for their honeymoon, and are now making their home in Fayette. Mr. Nevels, a graduate of the vocational training program at Hinds, is employed in Natchez as a barber.

Miss Halford is the daughter of Mr. Giles Halford; Mr. Nevels is the son of Mrs. Cletus Byrd of Gloster

Horticulture Class Get Practical Training On Laboratory Trip

Raymond residents had the ground under their pecan trees cleaned Tuesday when Mr. W. M. McKenzie's horticulture laboratory made a field trip to study grafting methods.

The field trip included a journey to Dr. J. R. Cobb's resident to see the results of his grafting experiments on camelia japonicas.

Those making the trips were Alden McNair, J. B. Horn, William Davis, Billy Price, Jimmy Mobley, Tommy Brown, Tip Lewis, Rob rt Sparkman, Tommy Rowlett, and Leslie Tucker.

School Official Says Vocational Training Excellent at Hinds

"Hinds Junior College offers one of the best vocational training programs in the state," Mr. E. A. Parker, state supervisor of trade and industrial education, declares after visiting the campus last

At present the Hinds shop building is undergoing a "face-lifting" aciording to Mr. W. H. Gibbes, who invites members of the student body to visit the shop, and to reconsider it as a possible place to take terminal education training after finishing their junior college work.

The shop now offers three training programs for high school students also, he said. These include maintenance shop, electrical training, and woodworking.

W. S. S. F. Speaker To Visit HJC Campus

Miss Elizabeth Adams Stubbs, a representative of the World Student Service Fund, will be on the Hinds campus sometime this week to speak on behalf of the WSSF in connection with the Y. W. C. A.

Miss Stubbs was born in Alahama and was recent'y graduated from Randolph-Macon with a major in history. She studied at Oxford University in England for the summer session of 1950 and then traveled in Western Europe visiting with student friends in Germany.

Miss Stubbs spent the summer of 1951 in Canada as an American representative at the International Summer Seminar, sponsored by the International Student Service of Canada.

MISS BETTY SMITH JOINS HINDS STAFF OF P. E. INSTRUCTORS

Miss Betty Smith has joined the staff of Hinds Junior College as gicls' physical education teacher.

Educated at Laurel High School and Louisiana State University, Miss Smith is a member of Delta Psi Kappa, honorary and professional organization in health and physical education; secretary of the student government organization and took part in intramural athletic sports at Louisiana State University.

CHORUS TO MAKE TWO ACHIEVEMENTS

Chorus rehearsals are underway for two appearances of the Hinds Junior College choir in the near future, according to Mr. Lavan Robinson choir director.

The Hinds choir will present a program at the Forest Hill Methodist Church, Sunday. February 24. On March 13 the Hinds choir will take part in the annual Junior College Choral Festival at Copiah-Lincoln

The annual choral festival brings approximately 600 trained voices together for a program of individual choral programs and a massed choir program.

Represent Hinds by Jeining Choir

It seems that every time an editorial is written, the editor is trying to preach a particular point, such as keeping the campus grounds clean, joining a club, attending classes more regularly, and numerous other things. It gets very annoying and perhaps you students dislike that type of editorial. The only way we editors can attempt to bring an idea to you is to put it forth in writing.

In the early part of March, Hinds will be represented at the Mississippi Junior College Music Festival, which will be held at Copiah-Lincoln Junior College. In order to make a good impression at
the music fest, Hinds will have to have an exceptional chorus made
up of students who want to sing and who enjoy music. Many people,
for some idea, think that being in the chorus requires the knowledge
of reading music and above all, knowing how to sing. Some of the
present members, when they first joined the organization, couldn't
read a note of music and found it hard to keep singing in the right
key. By hard work and earnest effort, they have acquired that
knowledge they lacked.

The only way a person can learn a trade or profession is to train for a period of time and then use the training to the best of their ability. So it is in the chorus. From the teaching of Mr. Lavann Robinson, you learn the importance of music, from the classical to the modern song and of the lives of the famous music composers of the centuries. Chorus, then, is really a class where you sing and at the same time enjoy a lesson in music.

Since the first of school, the Hinds musical organization has presented various programs here on the campus, including a Christmas Cantata. Also the group was invited to sing The Messiah in Ruston, La. In the near future, the singers will preform in several churches in the surrounding towns and will present a spring concert, besides participating in the music festival.

Hard work and co-operation go hand in hand when you are a member of this organization; nevertheless it pays well in the end. You can help represent Hinds by becoming a part of the campus choir.

-Wadsworth.

Thought for the Week . . . G. M. McLendon

It was gratifying to note at the assembly Tuesday morning that the president of the sophomore class called a meeting of the class at which time suggestions were made to the class looking forward to assuming its rightful place of leadership in the student body. We wish for this class the greatest measure of success in making its citizenship appeal to the student body.

Tenth Grade Discuss Date Conduct

"What a Girl Should and Should Not Do on a Date," "Who's Popular," and "Are You Ready for a Date" were three subjects for discussion at the 10th grade meeting Monday in the Music Hall.

Mavis McNeil was in charge of the program. Dot McNair gave the talk on popularity; Cameron Ferguson on date conduct; and Barbara Brummett on date readiness.

FERGY'S FIKSHUN

By ROBERT FERGUSON

The sub-regional basketball tournaments will be held soon. This year's playoff is scheduled for Byram. The Hinds Baby Eagles have copped the sub-regional crown for the last two years. Let's hope they can do it again.

* * *

The Hinds Eagles and Eaglettes will also enter tournaments later this month. The girls will enter the Mississippi Junior College Conference girls' basketball tournament to be held at Holmes Junior College of Goodman on February 21-28

The Eagles will enter the boys' state tournament, which will be held at Itawamba Junior College of Fulton on February 27-28 and March 1.

The Eaglettes were runners-up in the tournament last year and will be one of the top teams entered this season.

The Eagles, who have lost some heart breaking games this season, have a poor seasonal record, but will bear watching once the tournament is underway.

The party in the recreation room Saturday night was such a success that many of the students are asking for more of the same. The senior class sponsored that get-together. If some of the other classes or organizations would follow their lead, we would have a better balanced recreational life on the campus. I think it would be a good idea for the interested organizations to schedule parties several weeks in advance in order to have a well planned program and to promote more widespread interest.

While on the subject of the party Saturday night, we want to give recognition to those who helped make it possible. On the decorating committee were Janie Mashburn, Peggy Rosser, Clara Clement, Don Soileau, Louis Mealer, and John Brantley. Mr. Louis Boteler and Miss Emma Fancher, senior class sponsors, had charge of proceedings along with Mrs. Grace Fairly and Miss Betty Smith. Some very fine music was furnished by a group of Hinds students. Those in the band that performed were Cecil Yarbrough, saxophone; Bobby French, saxophone; Bobby Holcomb, trombone; Joe Terry, trumpet; George Hicks, piano; and Thomas Rowlett, drums. These people should be congratulated for the wonderful job they did.

The volleyball tournament that is now underway is a great step toward a better rounded intramural sports program here at Hinds. It has already increased the students' interest in these intraschool athletics.

Men's Thoughts Vary Little in Spring

At this time of the year, many college papers carry features beginning, "In the spring a young man's fancy turns, etc." A feature writer of the Furman University Horret has presented different ways in which campus men are affected by the season:

"There is the 'Bard' type who, when smitten with spring love, breaks into flowing verse. From the head of one such ailing student we have this little ditty:

I love you from the top of me head to the bottom of me heel.

There ain't no proper words to tell you 'zackly how I feel, But if I finds I'se been a fool, and you don't love me too, I know darn well, I just can't live,

So I'll turn into a Shmoo.

"Budding love works in mysterious fashion indeed. There are a few who have turned into the "Glassy-eyed" type since Cupid flipped his dart. These, one sees strolling around the campus with a copy of "Adventures of Casanova" under each arm. You can spot them easily by their bandaged noses. They always bark their noses walking into trees, wandering fraternity men, or other obstructions.

"Then, there is the absent-minded type. Closely akin to the "Glassy-eyed" in his preoccupation, this type can, and usually does, manage to get into many embarrassing situations. One of

this type recently got up in the morning, and in a daze, thought he was going to a dance. He put on his tuxedo, staggered to school, and signed up a professor for the first two nobreaks before he realized where he was.

"Also seen on the campus these days is the 'Stag jump' type. They usually carry a flower in their teeth and glide over the tops of parked cars in leaps and bounds. A professor, meandering into Science Hall one morning, observed an example of this type sliding down the bannister. When he asked the young gentleman the reason for his odd behavior, the reply was, "Odd, did you say odd, doctor? You see, I'm in love, and I just feel so loose."

"With this the young man bowed gracefully, did three back flips out the door, walked on his hands to Main, climbed ivy, rang the bell from the outside and when last seen, was floating over a pink cloud. The professor picked up his pipe.

"Then of course, there is the jealous type. You can spot this type easily. They invariably have green eyes, and usually carry a concealed weapon. You see them peering around corners at their girls getting off the bus, or hiding in the bushes beside the library steps. If one looks at their girls more than once, he is required to send an explanation in triplicate or be challenged to a duel.

Men's Thoughts Vary . . . (Continued From Page 2)

"The 'Budding Romeo' type is dashing. He sings under the windows of the sorority houses. He throws blossoms to the girls in the windows. They put the blossoms into pots and throw them back at him. Since the vines at the houses are inadequate, he climbs up sheets tied together to reacn his love. He hardly ever reaches her. Some cat in a lower window always unties a knot, and he falls on his face. But he is happy. He is in love.

"The last, and saddest type is the 'Injured Heart' lover. He sits in a class and broods over his blighted life. An instructor recently asked one of this type if he thought Winston Churchill would win power again. The stricken one answered listlessly, "If you want him, darling, take him, I'll not stand in your way."

Hershey Clarifies College Draft Law

Major General Lewis B. Hershey, director of selective service, last week issued a statement clarifying the draft law, complete with 1951 amendments, as it pertains to college students. Here, briefly is how things stand:

There will be no more postponements only deferments That is, students who get called for induction will be deferred until the end of the academic year. But students in this situation are granted only one deferment - after that they must enter the service.

General Hersey says a student who gets his induction orders shouldn't get panicky. All he has to do is to ask his dean to tell the local board that he (the student) is doing satisfactory work, and that this work began before he got his induction notice.

But remember: Enrollment, acceptance and registration don't count The important thing is actual attendance at classes.

The classification described above is called 1-S. There is also a 2-S classification. This deferment may be renewed each year, thus permitting the student to finish college before "going in." A 1-S deferment, on the other hand, is a "one year" deal.

How does one get a 2-S deferment? Well getting a score of '10 or better on the selective service college qualification test helps a lot. So does being in the upper portion of the class. Draft boards take both these points into account when passing out classifications.

General Hershey says students who meet one or both of these qualifications can appeal to their state appeal board, if they don't

Around The

Collegiate Loop By VIVIAN WADSWORTH

The Hasting Collegian, Hastings College of Nebraska, asked some of the coeds what they consider to be an ideal date. Here are some of the answers:

"The ideal date doesn't have to be good loking or have a lot of money to rate high with me. I think that it is loads of fun to sit home and pop corn or listen to records. I think that this certain fellow should by all means be friendly to both young people and old . . Consideration and good manners are also important."

". . . One who is a good mixer, a good dancer, a good looker, and preferably a good athlete."

". . . Someone you can be at ease with and not be afraid of his 'taking your actions wrong."

". . . I like the fellow who has big ideas about what he wants to do in life and works hard to reach those goals. I like a fellow to be changeable, that is to say, one who switches from one mood to another."

". . . One who can make you have a good time and at the same time show you he is having fun. Good looks, money and reputation do not necessarily make a fellow a perfect date."

". . . Someone with a super personality."

I'm A Jerk . . .

(From the Miami Hurricane, University of Miami):

I'm the jerk who always marches into class late. I like to hang around the snake pit or the slop shop, and when the bell rings, 1 pay it no mind.

I have no qualms about disruptling a class that has been in session for five or ten minutes. I blithely walk in front of the room, strut in front of the professor, and look about for a seat near one of my friends, meanwhile making as much noise as possible.

After I'm seated comfortably, I ask my neighbor what has happened prior to my arrival, unmindful of the fact that I am annoving others in the room. Then I ask the professor to explain the assignment all over again, as I missed it, thus taking up more valuable

I wouldn't dream of waiting until class was over to ask for any explanations. Yeah, you know me - I'm the jerk.

get a 2-S rating. Furthermore, 1-S deferments may be switched, in some cases, to a 1-S at the end, of an academic year.

What about enlistments? The Army, Navy and Air Force have agreed not to accept any man for enlistment after he has been called for his pre-induction physical. Most students, says Hershey, completing their academic year in 1952 will have ample opportunity to join the service of their choice. -ACP

Doesn't that sound like some of the people we know? But we wouldn't find that around here, do you think?

At East Central Junior College, plans are underway for landscaping the campus grounds with the aid of the high school agriculture classes and the college horticulture classes. The students will get practical experience this way.

Also at E. C. J. C. a youth revival is being held from February 10-13 by a team of Mississippi College students. The revival is being sponsored by the Baptist Student Union of the college.

Dont sleep during exams. The chairs are awfully hard and might give you a stiff back.

Dont take off your shoes in class unless your mother has darned your socks recently.

Dont hold hands with your "true love' in class. It makes life difficult for the seven people sitting between you.

Don't take notes on a typewriter. This is terribly distracting to the students trying to sleep.

And above all, remember: Professors are just like people.

I think the teachers need a "Be Kind to Professors Week," around here since they are teaching class and attending a course themselves during the week. Whether or not the week is designated, be kind to them, they'll appreciate it.

The Jones County Junior College band will participate in the Mardi Gras parade in New Orleans on Tuesday, February 26. They will march in the Krewe of Comus section.

On closing, I'd like to leave this thought with you. A modern girl is one who can meet the wolf at the door and come back with a fur

HINDS ORCHESTRA TO GIVE PROGRAM

Sponsored by Miss Jean Lancaster, the Hinds Junior College Orchestra will present a musical program on "Hinds Junior College on the Air," weekly radio broadcast featuring Hinds.

The program will be heard Thursday night at 6:45 p. m. over Station W S L I.

Members of the orchestra are Cecil Yarbrough, alto saxophone; Bobby French, tenor saxophone; Bobbie Holcomb, trombone; Joe Terry, first trumpet; W. A. Shurden, second trumpet; George Hicks, piano; Thomas Rowlett, drums; and Jerry Franciskato, trombone and vocal.

Eagles, Eaglettes Move Toward End Of Play in League

Meeting Perkinston Junior College here Friday night, the Hinds Eagles and Eaglettes are moving toward the close of their conference play for the year.

Four other games, one of them at home, remain on the card. The out-of-town games are with Ellisville, Moorhead, and Wesson. The last conference game, a home affair, matches Hinds with Scooba on February 16.

The games Friday night are both expected to be extremely close on the basis of the previous double-header between Hinds and Perkinston. The Hinds girls squeezed by the Perk girls 36-33; while the Hinds boys lost their match by a single point, 58-59.

The games begin at 7 p. m. on the Hinds hardwood with the girls game opening the twin bill.

Volleyball Tourney Is Now in Progress; Four Games Played

Hotly contested, the boys and, girls intramural volleyball tournaments are underway with two double-headers already played.

Thursday night's game saw Coach Louis Boteler's Fourth Period T-T girls defeat Coach Joe Renfroe's Second Period T-T girls 15-9. In the boys' game Coach Boteler's first period T-T class took the measure of Coach Renfroe's sixth period M-W boys 15-11.

Monday night, the third period M-W girls of Coach Renfroe defeated Coach L. C. DeVall's sixth period T-T lassies 15-8. In the boys' game Renfroe's third period T-T class downed the first period M-W boys of Coach Boteler 15-12.

The next game of the tournament will be the semifinals on February 12.

Baby Eaglettes Show 9 Victories, 8 Losses For Season's Play

Services of Library Explained in Play Presented on Radio

Nine students from high school and college presented "The Doctor Prescribes (Books)," a two scene play based on services of the library, as the Hinds Junior College on the Air program Thursday night.

Under the direction of Mrs. Gertrude Rowzee, students presenting the play included Bob Harleston, Zula Greenlee Mavis McNeal, John and Bobbie Crechale, Barbara Brummett, James Marble, Fannie Mae Blaylock, and Bobby G. Allen.

Two Former Students Visitors on Campus

Ray Johnson and Paul Douglas, former Hinds students, were visitors on the campus Tuesday. They are now attending the University of Alabama.

Hinds Cagers Sweep Double-Header From Copiah-Lincoln Junior College

Hinds Junior College swept both ends of a doubleheader from Copiah-Lincoln, Thursday, in a March of Dimes benefit game as the Eaglettes won 44-34 and the Eagles followed up with a 70-61 victory.

The Eaglettes led throughout in the first game although Co-Lin was never far behind. Hinds led 22-16 at the end of the first half and increased that lead in the second half to gain their 10-point margin of victory. June Mobley paved the way for the Eaglette victory with 23 points, while Dot Gerrard contributed 15 counters. Marie Schwartz topped the losers with 22 points.

The boys' game was a thriller all the way. Hinds trailed until the last stanza when they tied the score at 49-all and went on to win.

Benton Fortenberry rebounded well for Hinds and led the scoring with 17 points. Eagle scoring was well-spaced, however, as Howard McKissack made 16 points; Charlie Roberts, 12; and Bob Ellis, a newcomer to the Hinds line-up, 11. Hinds made 18 free throws out of 18 tries. Mac Edwards topped the losing Co-Lin team with 23 markers.

A near-capacity crowd packed the Co-Lin gymnasium to witness the doubleheader.

Eagles, Eaglettes Take Two Games From Highly Rated Poplarville Teams

A huge crowd of hometown fans cheered wildly Friday night as the Hinds Eagles scored in the closing minutes of play to down the highly rated Poplarville Wildcats 53-51 and break a ten-game loosing streak. With the clock showing red, the Eagles' Benton Fortenberry dropped one in from the left-hand corner to bring his team from behind. A moment later Charlie Roberts hooped a free pitch to cinch the 2-point victory.

The Eagles led in the first half, once by ten points, but Poplar-ville closed the gap and led by one point going into the final quarter. Hinds again took a one-point lead in the final minutes but the Wildcats retaliated with another bucket to set the stage for the game-winning shot. Fortenberry paced the winners with 17 points while Howard McKissack had 12 and Rob-

erts 11. Mutt Watts led the Poplarville team with ?1 markers.

The double victory came on the heels of a twin set back at the hands of Holmes, however.

Those contests, played last Tuesday night, saw the Hinds Eaglettes lose their second game of the season 29-26 while the Eagles were bested 69-46.

The girls' game was close but the spirited Holmes team maintained a slim margin until the final whistle. Geneva Ballard ledthe winners with 17 points. June Mobley paced Hinds with 16.

In the boys' game Hinds trailed 27-23 at halftime but fell behind in the second half to suffer their worst defeat of the season. Fred Bigby of Holmes took scoring honors with 17 points while Bentom Fortenberry had 11 points for Hinds.

Hinds Basketball Teams Down Summit In Action-Packed Double-Header Here

With scoring honors well distributed among the starting five, the Hinds Junior College Eagles trunced the Summit Bears 65-58 here Tuesday night as the Hinds Eaglettes trimmed the Bearettes 28-23 in a pair of close games

The victory was the Eagles' third in a row over top-rated junior college teams. The Eaglettes' victory was the 12th of the season.

In the girls' game the Hinds girls led from the opening whistle until the half when the closely-guarded forwards were even with a 10-10 score.

In the third quarter the Eaglettes, paced by June Mobley and Dot Gerrard, pulled out front 21-16. In the final quarter Mobley continued her scoring streak to make the score 28-23,

High scorers for the game were June Mobley, 13; Dot Gerrard, 9 for Hinds; Carolyn Burnett and Barbara Ann Lawson, 10 each, for Southwest.

The Hinds boys took the lead at the opening of the game to hold an 18-12 margin at the end of the first quarter and a 31-26 margin at the half.

In the third quarter the Eagles pulled even further out front, leading by 13 points at one time. The score stood 50-45 at the end of the third stanza.

In an action-packed fourth quarter the Bears tied the score at 52-all in the opening minutes of the period, then seized the lead 54-52. Hinds made two free pitches to even the score again, then Bob Eilis added two other free throws to give Hinds a slim lead again, which Benton Fortenberry expanded with a field goal. The Bears threatened again to cut the point spread to 58-57, but Tom Poe scored twice in succession from the court and Charley Rob-

erts added a free pitch to cinch the game.

High scorers for Hinds were Tom Poe with 15 points, closely followed by Benton Fortenberry with 14, Bob Ellis, 13; Charley Roberts, 12; and Howard Mc-Kissack, 10.

High scorers for Summit were Combs with 19 points and Jowers with 13.

STUDENTS NEED HELP

The magazine School and Society, in an article on "Comparative College Success of Men and Women," arrives at the following conclusion:

"Further research is sorely needed. But enough research has already been completed to indicate that most students need help in learning to study and to budget their time, that students are apt to flounder around vocationally (and academically) for a long while unless given an opportunity to explore widely through survey courses and vocational information, and that students, too frequently, are left on their own before they have an adequate opportunity to adjust to a new and demanding situation."

To the Coaches . . .

I think that I shall never see
A coach so good that never he
Does have to worry for his job.
Or try to please the supporting
mob

Of fans and students and business men

Who want the team to win again.

They have a ten-game winning

streak

They lost but one — who is up the creek?

Though they had lost to a better

team,
It is the coach that's off the heam.

HJC News, Music On Radio Thurs.

Hinds Junior College news and a group of piano solos will be featured on the "Hinds on the Air" program Thursday night, according to Miss Ruth Boyd, director.

Members of the speech class will present the news items from the HINDSONIAN, and three students of Mr. Donald Christmas will present piano solos.

Martha Gillespie will play "Prelude in C Minor" from the Well-Tempered Clavier by J. S. Bach and "Cries in the Street" from Scenes from Childhood by F. Mompou.

Rosa Taylor will play the first movement of Sonata Op. 49, No. 2, by Beethoven; and Ann Shelton will play "Invention No. 8 in F Major" by J. S. Bach.

Members of the speech class who will present the news items include George Garrett, William Graham, John Newman, Hilton Robinson, Lawanna Stewart, Roger Thomas, and Leonard Williams.

The program will be broadcast at 6:45 p. m. over Station W S L I, Jackson.

Machine Placed in Main

For the use of students and faculty, a sewing machine has been placed on the first floor of Maim Dormitory by the home economics department, according to Miss Fleta Whitaker, home economics teacher.

FOR GIRLS ONLY

Tomorrow is Valentines' Day, and with this headline (see above) you can be sure your beau knows it now, even though he may be forgetful in other cases.

It has been customary through the ages for a young man to give candy or flowers to his sweetheart on February 14, but this modern age has changed the custom considerably. In many parts of the country the gifts have become expensive, and it's almost like having another Christmas.

But the greatest thing a boy can give his girl are three simple words with a heart full of meaning: Be My Valentine.

Hinds Now Serving Approximately 800; Will Be 1000 for Year

Hinds Junior College is serving approximately 800 students this year, and if the summer school enrollment is comparable with past years, the number of persons served by the Hinds County school will be well above a thousand, according to President G. M. McLendon.

For academic training in the high school and college divisions this year 470 students have enrolled. For full-time vocational training work 215 students have enrolled; and for on-the-job training under the Hinds agriculture department 55 students have registered.

Thirty-eight students are taking a combination of vocational and academic training; and, in addition, the agriculture department has served 85 persons in agriculture "short courses." These short courses have been offered in farm machine maintenance, crop and livestock production, and farm management.

"These figures are an indication that every person can have available further education in our enriched curniculum," President Mc-Lendon declared.

"In addition to serving the public with our present facilities, we are again contemplating the possibility of expanding our services by supplying transportation for those living in neighboring communities," he added.

Six Hinds Students Attend Conference At Miss. Southern

Six Hinds Junior College students, accompanied by Miss Thelma Prassel, president's secretary, attended the Methodist Student Movement conference held at Mississippi Southern, February 8-10.

The six included James Sylvester, James Marble, Thomas Trevillion, Wilma Ryan, Beatrice White, and Dorothy Brewer.

Lancaster, Mashburn Win Top Honors In High School Balloting Thursday

Billy Lancaster of Bolton and Janie Mashburn of Raymond took top honors in the high school's who's who elections, winning the titles of "Mr. and Miss Hinds High School" in the igh scool balloting Thursday morning.

Janie defeated Carolyn Milton of Morton and Norma Joyce Owen of Raymond for the title of "Miss Hinds High," while Lancaster defeated

Triangles Arranged For College Debates; 9 Schools Entering

Only nine schools of the Mississippi junior colleges eligible have indicated that they will participate in college debates this year, and triangles have been arranged for these nine, Miss Ruth Boyd, debate coach reports.

The state debate tournament is being abolished, Miss Boyd said, according to Mr. B. L. Hill, state junior college commissioner. The abolition, he explained, is to increase interest in debate as a college activity.

The three triangles will stage a single debate, with the Hinds affirmative going to the contests at Wesson and the Hinds negative going to Decatur.

Members of the Hinds debate team are Bonne Shackleford and Joe Boyd, Bobbie Davis and Jack Mullins, first and second teams affirmative; Pat Nowell and William Davis, Bobby Allen and Robert E. Lee, first and second teams negative.

The subject for debate this year is, Resoved: That the federal government should adopt a permanent program of wage and price controls.

CLASSES ATTEND RAYMOND COURT; HEAR SENTENCES

American government and economics classes at Hinds Junior College had a day in court last week, when they attended a session of the Hinds County Circuit Court, in session at the Raymond Courthouse.

Students of Mr. E. E. Morris, the classes heard sentence pronounced on two Negroes for the murder last August of Mrs. Annie Powell, aged landowner of near Raymond.

Indicted by a previous grand jury, the two Negroes had been found "guilty" by a jury and Judge M. M. McGowan sentenced them to "spend the rest of your natural life in prison."

Two other Negroes appeared in court for stealing cotton and were convicted on charges of "grand larceny." The verdict had not been given before the classes returned to school, however.

Joe Gearhart and George Oberhousen for the "Mr." title.

In the "most handsome boy" contest, students selected Dick Welch over Charley Roberts and Roy Price; in the "most beautiful girl" contest they named Clara Clement, who competed with Norma Joyce Owen and Bettye Jean Williams.

As "most versatile girl" Peggy Holliday was chosen in the race with Martha Gillespie and Carolyn Milton.

Charley Roberts was named as "wittiest boy" over Billy Conlee and Thomas Keith. Barbara Hutchins was elected as "wittiest girl," defeating Mary Jo Laird and Alice McKinley.

As "friendliest boy," students mamed J. B. Middleton in the race with Wesley McFarland and Thomas Shirley.

Nancy Arnold was named as "friendliest girl," defeating Clara Clement and Peggy Rosser.

Ray Boyd, in competition with Burnett Blackmon and J. B. Middleton, was named as "most popular boy;" while Janie Mashburn was named "most popular girl" in the race with Barbara Hutchins and Joan Geiger.

Foremost Artists Present Exhibit

Members of the Mississippi Art Association are presenting an exhibition of their paintings in the Hinds Junior College Library, under the sponsorship of the Hinds Art Club, according to Mrs. A L. Denton club advisor.

"Some of Mississippi's foremost artists are represented in the exhibition," Mrs. Denton said. Among them is Karl Wolfe of Jackson, who is in charge of the Allison's Wells Art Colony and probably the state's best known artist. Wolfe's wife and many of his students are showing pictures also.

Other outstanding Mississippi artists exhibiting are Carolyn Compton, Vicksburg; Marie Hull, Jackson; Elsie Mangum, Jackson; Ella Mae Mason, Jackson; and Mary Stringer, Eugenia Summer, and Ruth Stephenson, all of M. S. C. W.

Several of the paintings are on sale for prices ranging from \$3.50 to \$50.00.

Navy Says: Finish School

Should students stay in school? Or should they take a shot at a quick buck now? The United States Navy is saying, "Stay in School." In fact they're so convinced of the soundness of that view that they're spending money to get the message across to high school students.

In a special bulletin issued by the Naval Recruiting Service, students are urged to take a "long ranve view" of things. The present day is compared to the years of the American Revolution, or to the third Napoleon's power grab. Thomas Jefferson in his day declared that "the good things man had built up had giver way to force . . . the law of Barbarians. Victor Hugo, exiled from France, described Napoleon's era as "a crime . . . a tragedy."

Both of these had the long range view advocated by the Navy.

If it were a matter of class dopes of the country short-changing themselves, it wouldn't matterso much. But the plain fact is that those who want to give high school a large goodbye are not prize members of the knuckle-head squad. They are often just as smart as the smartest brain in the class, but have gotten themselves all goofed up on the score, the bulletin points out.

There are those known as "short spans" because they take the view that their life span is something like an ailing fruit fly. "Why should I' finish this last year of high school when this-here-now service station guy ain't gonna pay me any more then than he's offering me now," he argues.

Short-span is advised that with modern medicine, vitamins, and Gerkins' Breakfast Gudge he might live a year or so.

Too, without some knowledge of the things called "cultural" we often find ourselves getting restless and unhappy in advanced old age — at 26 or 27 say. We sometimes find that expressions like "You're telling me," and "You're not kidding!" no longer roll us on the deck," the bulletin argues.

The feminine edition of the short-span has a chant often heard during a national emergency: They'll pay me more for typing now than lotsa my teachers get for teaching, so why should I hang around here?

True, now is the time for all good men to come to the aid of their party.

The joker here, of course, is that in many cases Short-span Sally has her job only for the duration. After that she has to compete with gals who not only can type but who also have a general educational background that makes them valuable to have around.

Education is more than job aptitude test results and swapping comic books. It has something to do with the way that a girl walks and talks, the wall paper she selects, and the kind of moppets she tears. Not fair? That's the way it is, though.

One of the more telling points, perhaps, is the financial reward attached. Thirty-nine per cent of 100 high school grads reach the higher income groups, but of 100 who do not finish the eighth grade nly 14 will gain the higher earnings.

Don't throw away a lifetime's earning for pocket change now, the Navy advises. Don't burn the cornfield to get the rabbit.

FERGY'S FIKSHUN

By ROBERT FERGUSON

Next week end Hinds Junior College will be host to the Region Six High School Basketball Tournament. The return of the tournament to the Hinds campus will be welcomed by both faculty and students. Until two years ago it was an annual affair at Hinds, but then came the big fire and the tourney site was moved. Some top notch basketball will be on tap for cage fans in this section when the tournament gets under way.

A bulletin containing the history of Hinds Junior College and Hinds A. H. S. has been completed. This bulletin contains the history of this institution and a couple of pictures of the Hinds campus. If you don't know the background of old HJC, here's your chance to find out what's been happening here in the years past. The bulletin will be circulated among the students to acquaint them with the school. It will also be used to let prospective students know something about Hinds Junior College.

The Hinds boys' basketball team has really come out of the dold-rums in the last five games. The Eagles have won four of them and were edged out in the other by an 81-77 count. Previously this sea-

NINE PROGRAMS OPEN TO 4-H CLUB MEMBERS HERE

Nine national awards programs are open to Hinds Junior College 4-H Club members this year according to Mr. Charles Estess, assistant county agent in charge of 4-H work.

The nine programs include dairy achievement, meat animal production, health improvement, home grounds beautification, gardening, poultry achievement, public speaking, tractor maintenance, and recreation and rural arts.

Awards in the dairy achievement contest include silver medals for county winners, a trip to 4-H Club congress for state winners, and six college scholarships of \$300 each for national winners.

Meat production awards include medals for county winners, a 17-jewel watch for state winner, trips to 4-H Congress for sectional winners, and six college scholarships of \$300 each for national winners. Health improvement awards include certificates for county winners, ten cash awards of \$20 each for outstanding clubs in the state, a trip to 4-H Congress for outstanding state winners, and a \$100 Savings Bond for each member of the national winners group.

Awards in the home-grounds contest include medals, a wrist watch, and trips to the 4-H Congress. The gardening contest,

Do you happen to have the name Stuart as a part of your name? If you do, then you may be one of the descendents of Gilbert Stuart, noted portrait painter of George Washington. And if you are, the Artist's Fellowship of New York is searching for you.

If the Fellowship can find the right person they want to present him with a testimonial to the great artist. (There might even be some money involved). Mr. Stuart's family seems to have disappeared even though he had one wife and 12 children.

Look up your family tree, kids!

There should be no love lost when Delta State and Mississippi Southern meet in their next basketball clash. Southern has charged Delta with using a professional player in amateur competition and contends that he is ineligible. Delta has answered right back that the player is eligible for college competition.

You can rest assured that there will be a warm competitive spirit between the two schools when they meet for their game on the Southern campus.

We had a little question of proballplayers in the junior college circuit last year. I guess it just doesn't pay to play for pay.

Selective Service Announces Dates For Student Tests

College qualification tests, one of the bases Selective Service boards use in deferring college students from the draft, will be given on April 24, and students planning to take the examination must file an application to do so before midnight, March 10.

According to the registrar's office, students should make their application for and take the test in order to have their files complete with their draft board.

A bulletin of information on the test has been placed in every room of boys' dormitories through the efforts of the registrar's office, and all college boys are being advised to study it carefully.

At present local draft boards can defer students on the basis of the test or on the academic standing of the students. Students who fail to pass the test can still be deferred on the basis of their academic standing, or students who fall below the academic standards for deferment can be deferred on the basis of successfully passing the test.

Much of the test is based upon students' reading ability and understanding of word relationships. Other portions are designed to test students ability to comprehend and use numerical relationships.

Home Ec. Students Give Suggestions On Upkeep of Hinds' New Building

How can Hinds students take care of their new buildings? Seeking to preserve the freshness of the recently opened structures, Hinds home economics students have made several suggestions applicable to all the buildings.

Some of the suggestions are as follows:

- 1. When "snacking" between meals, drop wrappers and wastepapers in containers provided for that purpose.
- 2. Use the sand urns in the halls for discarded cigarette butts and
- 3. Adjust venetian blinds uniformly throughout the building to add to the attractiveness of the entire structure.
- 4. When opening and closing doors use door knobs, not the feet. 5. When not taking notes in

BETTY STUBBS SPEAKS TO I. R. C.

An account of conditions in Europe and Asia was given members of the International Relations Club at their meeting Thursday. The speaker was Miss Betty Stubbs, representative of the World Student Service Fund, who was visiting the Hinds campus to promote the work of the W. S. S.

In her speech before the I. R. C., Miss Stubbs told students what could be done to relieve suffering in Europe and Asia.

History of School Printed by Keith; Copies Are Available

Hinds Junior College is built on the old home site of J. R. Eggleston, captain of the Merrimac of Merrimac and Monitor fame.

That little-known fact is one of many items revealed in the "Histery - Hinds A. H. S. and Junfior College" published this week and now available to students at

Printed at Keith Press, the twocolor bulletin tells the school's early history up to the present day. Included in the bulletin are a cover picture of two former students in the front of the old Administration Building; the "ABC's" of Hinds, which sets forth a portion of the philosophy under which the school operates; and an aerial photo of the main campus. 13 Band Members Leave Tuesday For State Band Clinic

Thirteen Hinds band members and their director, Miss Jean Lancaster, left Tuesday for Jones County Junior College, Ellisville, to attend the state junior college band clinic, February 12-14.

Hinds instrumentalists who will take part in the clinic are Leisa McNeely, flute and piccolo; Rose Parsons, bassoon; Roy White, George Hicks Joan Geiger, and Ellawees Ferrell, clarinet; Cecil Yarbrough and Bobby French, baritone saxophone; Joe Terry and Mary Jo Laird, cornet; Jerry Franciskato, baritone; Thomas Rowlett, snare drum; and Bobby Holcomb, baritone.

Around The

Collegiate Loop By VIVIAN WADSWORTH

Because many of the school papers are published only twice a menth, few issues came this week and the college news is very scarce. But even with the scarcity, perhaps you can get an idea of what is happening in some of the colleges, and high schools.

Only 160 students are enrolled at Itawamba Junior College for the second semester. Compared with our 470 enrollment, IJC is a small "family."

The students of Whitehaven High School, Tenn., are very proud that a former student of the school has won praise as a singer in the Broadway show, "The King And I." Leonard Graves was given the chance to sing the male lead in the musical when Yul Brynner became ill and he had to fill in.

A professor at the University of Oklahoma has come up with a reliable test of student boredom. It's called the "Wiggle Meter." Wires are strung along on the backs of chairs; and every time a student yawns, stretches or wiggles, the impulse is recorded on a graph. Maybe a device like this should be used by some of our teachers, then perhaps the lectures would be more interesting.

The Right Retort . . .

The NEA Journal has come up with suggestions for "what to say" on a number of academic occasions. Here's the agenda:

Poultry achievement awards include medals, trips to 4-H Congress for state winners, and ten college scholarships for national winners. The public speaking program offers a gold medal for outstanding boy and girl county winners, a 17-jewel watch for the boy placing first in state and a set of silverware for the girl; and two \$300 scholarships and two trips to the 4-H Congress will be awarded to one boy and one girl selected from state winners.

Awards in the tractor maintenance contest include silver medals for county winners; 4-H Congress trips for state winners, and eight college scholarships for national winners. Rural Arts and Recreation contest winners will be given certificates for county club winners, a \$25 cash award for winning clubs, and 12 trips to National 4-H Congress for sectional and state winners.

Good Money Making . . .

For you boys who are trying desperately (and who isnt these days?) to earn some money, maybe you can try the "cake service" that two students at Washington University, St. Louis have started. Here's how it works:

Parents of out-of-town students who want to remember their son's birthday order a cake from the two students. The cake is delivered to the son's dormitory door. For a small extra charge, other birthday gifts will be purchased and deliver-

Hinds Junior College Cagers to Play Final Home Game on Saturday Night

Hinds Junior College basketball fans will get their last view of the Hinds Eagles and Eaglettes for the conference season here Saturday night when the Hinds squads cose their schedule with a double-header against East Mississippi Junior College of Scooba.

The Hinds girls, after two defeats and one tie in the 18-game season, rank second in the conference standing. First is undefeated Holmes of Goodman, whom Hinds has tied once and lost to once. Both games were extremely close, and the match between the two in the tournament is expected to be even closer, should the two meet.

The Hinds boys, apparently on the comeback road, lost their last conference game by four points after knocking off three top-rated, quintets.

East Mississippi of Scooba was the team Hinds opened its cage season with. The Hinds girls trimmed the Scooba sextette 38-24, but the Hinds boys lost their match 93-67.

In the game at Scooba, a fastbreaking Scooba quintet overcame a first quarter scare and went on to trample the Hinds five. Lang, a Scooba substitute, scored 19 points, 16 of them in the last quarter. Benton Fortenberry was high for Hinds with 24 points.

Eagles, Eaglettes Take Two Games From Perk Cagers

June Mobley scored 29 points here Friday night to pace the Hinds Eaglettes to a 42-30 win over the Perkinston girls, while the Hinds Eagles gained their fourth straight victory over top-ranking teams as they bowled over the Perk boys 76-62 and avenged a one point licking handed them by the Perk quintet earlier in the season.

The girls' game was Hinds' all the way. The Eaglettes led 13-6 at the end of the first quarter and increased that lead to 24-11 at the intermission, and 31-14 going into the final period. Hinds reserves played most of the last stanza

Mobley's 29 points was high for the night but Marianna Morris had 19 markers for the losers. The game was keynoted by the Eaglettes' sparkling defensive play. Frances Putman was especially outstanding, intercepting no fewer than 11 Perk passes.

The boys' game was hotly contested throughout with the lead changing hands quite frequently. The score was deadlocked 21-21 at the end of the first quarter but Perkinston held a slim 40-39 margin at the half. However, the Eagles closed the gap at the beginning of the third period and took a 46-44 lead, which they held until the fourth quarter, when Perk moved in front 56-54. At that point, Hinds put on the steam, regained the lead and went on to

Raymond High Cagers Drop Brace of Games To Byram High School

Journeying to Byram, the Hinds Baby Eagles and Eaglettes dropped a pair of games, the girls losing by 34-25 and the boys by 35-

Playing with a sprained ankle, Peggy Rosser turned in an outstanding performance at guard, but the Hinds girls could not connect with the basket frequently enough to stop the Byram sextette. Rosa Taylor led the losers with 9 points, followed by Martha Gillespie with 8 and Mary Nail with 6. Sylvia Dippery took scoring honors for the game with 13 points.

In the afterpiece, Byram's Dexter Scruggs led the scoring with 15 points while Joe Gearhart paced the Raymond attack with 10 points. Byram led in the first quarter 4-2 and at intermission the Baby Eagles held a 9-8 margin. In the final stanzas Raymond led as much as 8 points, but Byram began hitting from all angles of the court to surge to a 35-32 decision.

Perkinston Stadium. Will Again Be Scene Of State Track Meet

The Mississippi state junior college track meet will be held at Perkinston Junior College Stadium again this year, on May 2-3.

The Perkinston track with a 220 yard straightaway, is undergoing improvements with the addition of several freight carloads of fine cinders being used.

According to the Perkinston track coach, Harold White, track training will open officially there on March 1, but that several students are already practicing on their own specialties.

gain an 8-point victory.

Eagle scoring was closely divided with the entire starting five breaking double numbers. Bob Ellis was high with 17 points; but he was closely followed by Charlie Roberts with 16; Howard McKissack, 14; Tom Poe, 12; and Benton Fortenberry, 11. William Boone topped the losers with 23 markers while Warner Peterson had 14.

Hinds Girl Cagers Rack Up 14th Victory Of 1951-52 Season

The Hinds cage squads journeyed to Ellisville Saturday night and split a twinbill with the home team. The Hinds Eaglettes won the opener 33-27 while the Ellisville Bobcats downed the Eagles in the afterpiece 81-77.

The Eaglettes had little trouble in racking up their 14th victory of the season. The Hinds guards held the Bobkittens to one field goal in the first half. Meanwhile, June Mobley tossed in 16 points to pace the Eaglettes to a 27-6 lead at halftime.

Hinds reserves played most of the second half and preserved the victory. Ellisville made only six field goals in the encounter.

Mobley had 18 points to take scoring honors. Peggy Herrington, led Ellisville with 15 markers. 11 of them garnered on free throws. She had a total of 23 chances in the free-pitch lane.

The boy's game was a high-scoring affair, which saw Ellisville lead all the way but never by a large margin. The Eagles trailed 19-16 at the end of the first quarter, 39-38 at the half, and 66-61 going into the final period. Hinds managed to close the gap to 72-71 late in the final stanza but they never managed to go out front.

Randall Boone was a huge factor in the Ellisville victory. The speedy forward scored 42 points to take honors for the night. Benton Fortenberry topped the losers with 21 points.

The defeat snapped the Eagles' winning streak at four straight.

Hinds High Teams Enter Tournament On Saturday Night

Raymond's Baby Eagles and Eaglettes, drawing byes in the opening rounds of the District VI Sub-District Tournament at Byram Thursday night, take the court Saturday night in the semi-finals.

The Raymond girls will play at 7:30 that night against the winner of the Byram-Mississippi School for the Deaf game. The Raymond boys will play the winner of the Utica-Terry tilt at 8:30 that night.

Raymond's girls defeated the MSD squad earlier this year 46-13 and would hold the edge should that team win. However, if Byram wins, the going will be tougher, since Byram has already handed the Eaglettes two defeats, once by a 26-23 count and the other 34-25. On both occasions, though, Coach Louis Boteler's charges played the Byram girls a close contest until the final stanza.

In the boys' games, Raymond has already defeated Utica 51-23, but has not faced Terry this year.

Should either the Raymond boys or girls win their semi-final game they would move into the finals, which will be played at 7:30 and 8:30 Monday night.

The Hinds team will take the court tonight with Senatobia to furnish the opposition. If the Eaglettes win their initial encounter they will meet Summit, which drew a bye, Thursday night at 8:00.

The tournament begins Wednesday night at 7:00 and continues through Monday night, when the finals will be played.

Eight teams are seeded in the thirteen-team tournament. They are, in order: Holmes, Hinds, Itawamba, Pcplarville, Scooba, Summit, Perkinston, Decatur.

The boys' tournament will be held the following weekend at Fulton, and will follow the same procedure with the first game being played Wednesday and the finals coming on Monday night.

The Hinds Eagles will play Wednesday night at 7:00 with Senatobia as the slated foe. If they win that contest they will meet the winner of the Ellisville-Wesson clash Friday night at 9:00.

Don't Be Victim of Red Propaganda

This month is a month in which we celebrate the birthdays of two of the greatest presidents that our country has ever known. On the twelfth of February we celebrated the anniversary of the birth of Abraham Lincoln and on the twenty-second we will observe the birthday of our first president, George Washington.

These men tried in every way that they knew how to make America a great nation. George Washington attempted to form a government that would stand up for years to come and progress with the times. And Lincoln tried to preserve the union that Washington had helped form. Both of these men succeeded to a great extent.

Many of the customs of government, that existed in Washington's day, still stand. The same constitution, that was the highest law in the land in Washington's time, remains as the highest law in the land today.

But there is a group of people who are sifting through America today and are trying by sly, deceitful methods, to turn the American people unwittingly away from their basic principles of government. Some of these people are called left wingers, and some are called Communists, but no matter what guise they are under, they must be recognized for what they are.

One of the Communists' pet ways of operation is through youth. Another is by stirring up feeling between racial and religious groups. So clever is some of the Red propaganda, that it is not at first recognized for what it is. This fact makes it even more important that we watch at all times for evidence of Communist influence so that we will not fall an innocent victim to one of their schemes.

Communism is only an advanced stage of Socialism. Our country is now more socialistic in nature than ever before. The only way we can fight a creeping socialist movement is by educating ourselves so that we will know the principles of our government.

No such danger was threatening our country in the days of Washington and Lincoln. Perhaps they had never heard of Communism. But if they had, I am sure that they would have fought it to the very end.

The leaders of the country can't stop this threat to our way of life. It can only be done by the people. And the youth of the country, more than any other group, needs to be prepared to carry on a tight against Communism.

RAYMOND SUFFERS TOURNEY LOSSES

After drawing byes that put them in the semi-finals Saturday night, the Hinds high school boys and girls were eliminated in the sub-regional tournament at Byram when Byram edged the Hinds girls 34-27 asd Utica took the Hinds boys 48-24.

In the girls game Rosa Taylor was high scorer for Raymond with 13 points, while Sylvia Dippery was high with 13 for Byram.

Brewer was high score man for Hinds with 8 points, while Currie for Utica netted 16 points.

FERGY'S FIKSHUN

By ROBERT FERGUSON

The paratroopers landed in Raymond this week and they came in numbers, too. The members of the 82nd Airborne Division encamped at the John Bell Williams airport while enroute to Texas for maneuvers. I guess Raymond will have to put in a few more night spots to accommodate the next troops that pass through. At the time of this writing, about 7,000 men have encamped at the local airfield and more are expected. Seeing this display of part of our country's military might, makes us realize more than ever that the "police action" across the Pacific is quite a serious affair.

The mighty display of men, vehicles, and guns that we have seen is a vital cog in the wheel of America's war machine. Soon, more and more of our nation's youth will be called in to take part in the battle against Communism. Let's face the facts — there's a war on!

Coach Louis Boteler's Hinds High School basketball teams wound up play for this year Friday night when both the girls and boys were eliminated at the subregional tourney at Byram. The Byram sextette defeated the Baby Eaglettes and the Utica Golden Wave plucked the Baby Eagles' tail feathers. Both Byram and Utica will be seen in action in the District Six tournament to be held in the Hinds gym this weekend.

The Baby Eagles probably set some kind of school record when they only netted two points

Chorus to Perform At Forest Hill Church; Program Announced

The Hinds Junior College chorus, under the direction of Mr. Lavann Robinson, will present a musical program at the Forest Hill Methodist Church on Sunday, February 24.

The program will be as follows:

throughout the second and third quarters of the game with Utica. Yes, the Baby Eagles were as far off as a man's straw hat on a windy day. And they were shooting at the goals like blind men caught in a snow storm. We all have our off days though, so let's try to forget it.

The Hinds Eaglettes are seeded second in the state junior college tournament at Goodman this week. If the Hinds girls reach the finals this year, it will be the fourth straight year that the team has reached the finals of the state basketball tourney. The Eaglettes were state champs for two years and were nosed out by one point in the finals by the Booneville sextette last year.

With spring in the air, thoughts turn to such sports as track and baseball. The Hinds baseball squad under the direction of Coach Joe Renfroe and the Eagle track team under the direction of Coach L. C. DeVall will begin practice soon.

Both the Hinds thinclads and the diamond crew were state junior college champions before last year, and both teams were dethroned last spring.

Coach DeVall's men had been the perennial state track champions until last year when they were beaten by Summit. They had won the coveted trophy for seven years straight. I guess it was about time to let some other school see what a track trophy looks like. We want it again this year though.

Coach Renfroe's horsehide thumpers haven't done so bad either. In the last three years they have won two state championships for themselves. Let's hope that they can begin a new string of championships this year.

COLLEGE CAGERS SWEEP TWINBILL FROM MOORHEAD

Hinds Junior College swept a doubleheader from Sunflower last Tuesday night on the Trojan's home court. The Eaglettes took an early lead and coasted to a 34-23 victory, while the Eagles overcame an early scare to win 66-48.

The Eaglettes hid little trouble in notching their 15th victory of the season as they held Sunflower scoreless in the first quarter and led 18-9 at the half. They increased that lead to 27-13 going into the final period. Hinds reserves played most of the final stanza.

June Mobley topped Hinds with 19 points while Dot Gerrard had 10 Frances Ashford had 8 points for Sunflower.

In the boys' game, Hinds met surprisingly strong resistance from the scrappy Sunflower quintet and left the court at intermission trailing 26-21. However, the Eagles gained the lead midway of the third quarter and were never threatened thereafter.

Tom Poe bucketed 25 points to take scoring honors. Glenn Mason paced Sunflower with 14 counters.

Gearhart, Gillespie Are Point Leaders

The Hinds Junior College High School basketball teams wound up this season's play Friday night as they were defeated in the subregional tournament at Byram.

The teams, under the direction of Coach Louis Boteler, have played 20 games this year. The Baby Eaglettes won seven games, lost 12, and tied one for their best season in the past four years. The sextette scored 518 points while their opponents were netting 529 points.

The Baby Eagles had a record of six wins and 14 losses for the year. They amassed 633 points to their opponents 755.

Martha Gillespie led the scoring for the Baby Eaglettes with 151 points. Joe Gearhart led the boys' scoring with 183 points.

Seasonal scoring records for other members of the girls' team are: Mary Nail, 133 points; Rosa Taylor, 104 points; Lou Kendricks, 52 points; and Peggy Rosser, who played most of the time at guard, 17 points, Senior girls who played their last game Friday night are:

OLD DINING HALL WILL HOUSE GIRLS P. E. CLASSROOMS

The "old cafeteria" is fast becoming an attractive addition to the girls' housing and physical education facilities.

The east section of the building has been renovated and arranged for physical education classes. New lights, hardwood floors, and fresh painting in pastel shades has converted this part of the building into a very adequate classroom for floor games, calisthenics, dancing, and other groups.

The west section of the former cafeteria is arranged for a girls' day room plus a section for washMary Anderson, Mary Nail, and Peggy Rosser. Other members of the squad this year are: Peggy Holliday, Jewel Mattis, Ann Shelton, Pattie Mae Banes, Jackie Andrews, Mary Will McKenzie, Bebe Epperson, and Nancy Arnold. Janie Mashburn served as manager for the team throughout the year.

Members of the boys team this year, with the exception of Gearhart, and the number of points they scored are: James Brewer, 120; Ray Boyd, 77; Ralph Butts, 55; Billy Weaver, 45; Hilton Dawson, 39; Jesse Griffin, 30; Billy Conlee, 29; Jerry Smith, 27; George Oberhausen, 19; Perrin White, 18; and Raymond Tomlinson, 5.

Perrin White, George Oberhausen, Hilton Dawson, Raymond Tomlinson, and Joe Gearhart are seniors and played their final game Friday night. K Lewis and Tom Shirley were the managers for the team this year.

Coach Boteler is now issuing a call for candidates for the boys' and girls' track teams. Practice will begin on Monday, March 3.

Many of the junior colleges and high schools are now busy practicing or presenting plays. The Holmes' high school senior class is planning to give "Amazing Gracie" in March. The same play is being given by the senior class at Sunflower Junior College in the very near future. Four one-act plays were given at MSCW recently in connection with the annual tournament class plays. One of the plays Pearl River gave was a harlequinade. The next drama production to be given at East Central will be the famous "Harvey." "Oh, Doctor!", an operetta, will be presented by the students of the Terrebonne High School of Houma,

At Millsaps a poll was conducted among the males as to their preference of the latest styles of hairdo, the "poodle" and the "horse tail." Not one favored the styles. Here are some of the answers:

"I've seen horses with prettier tails."

"... that poodle makes a girl look like she needs a dog blanket." "I like the one that makes a girl look like a horse."

"The poodle looks like a chicken that has gotten wet and been rubbed with a towel."

"I want to wag my tail when I see a poodle and whinny when I see a horse tail."

Well girls, if we didn't have our styles and such, the boys would find something else to complain about. Anyway, they wouldn't be boys if they didn't complain.

Best Foot-Forward . . .

The Home Economics department of East Central presented a Shoe Fashion Show, Tuesday to the students. Also a film entitled "Creating Barefoot Freedom" was shown, showing how shoes are made, how they should be fitted and many features regarding the

shoe business of today.

Ever heard of the Zouave Drill? Neither had I until I read about it in the Spectator, campus paper of MSCW. It is a precision military drill copied from the famous maneuvers of the crack troops of the French Zouaves in Africa. Since 1912, MSCW has presented this drill during the commencement exercises. Perhaps this year the drill will not be presented because there are not enough girls to participate.

The Terrebonne Tiger girls (of La.) brought fame to their high school when they won the trophy at the Morgan City Basketball Tournament, recently.

Television has hit the Pearl River campus. The students are now able to see a variety of good programs each night since a set was bought exclusively for them.

Sports Editor Predicts All-Staters Will Include Five Players From Hinds

By EDWIN COBB

With fond hopes that I won't be as wrong as Mr. Gallup, I venture to name a likely All-State aggre-

I make these selections on the basis of the games I have seen and the accounts I have read and heard.

The girls' team includes 6 forwards and six guards while the boys' squad has 10 men, named regardless of position.

You may compare this with the real All-State teams when they are named and laugh about how wrong I was.

The selections:

Girls Forwards

June Mobley—Hinds. Geneva Ballard—Holmes. Marie Schartz—Co-Lin. Betty Spears—Scooba.
Ellen Adair—Itawamba.
Mae Stainbrook—Holmes.
Guards

Frances Putman—Hinds.
Margaret Johnston—Hinds.
Ann Wilson—Itawamba.
Faye Newsome—Decatur.
Hernie Plunk—Holmes.
Ann McGuffee—Hinds.

Boys
William Pogue—Decatur.
Randal Boone—Ellisville.
Milton Robichaux—Co-Lin.
Miller Davis—Holmes.
Richard Harris—Decatur.
Benton Fortenberry—Hinds.
Mutt Watts—Poplarville.
Bill Travis—Scooba.
Fred Davis—Itawamba.
Fred Bigby—Holmes.

2 Hinds Players Are Top Scorers For This Season

The Hinds Eaglettes finished the season with a record of 16 wins, 3 losses, and one tie, while the Hinds Eagles won 7 games and dropped 13.

In the 20 games played, the Eaglettes scored a total of 784 points for an average of 37.4 points per game. However, the Eaglettes' sterling defense held the opponents to a combined total of 566 points, or 28.3 markers per con-

Top point-getter for the Eaglettes was June Mobley. The sophomore forward from Utica made 163 field goals and 77 free pitches for a total of 403 points, or 20.1 per game.

The Hinds Eagles scored 1219 points for a 60.9 average, while their adversaries had 1285 points for a 64.2 mean.

Benton Fortenberry, high school senior from Lake Providence, La., topped his team in points scored. His 343 points garnered on 143 field goals and 42 free tosses, gave him a 17.1 average.

FINISH SEASON IN SECOND PLACE IN CONFERENCE

The Hinds Junior College Eaglettes, seeded second place in the state tournament, left today for Goodman, where they will meet Senatobia in the opening game tonight. Members of the Hinds team are from left to right, front row: Billie Burt, forward; Marlene Love, guard; Ann McGuffee, guard; Dot Gerrard, forward; and Mary Ann Presley, guard. Second row: June Mobley, forward; Margaret Johnston, guard; Frances Putman, guard; Joyce Alexan der, guard; Lavette Nutt, forward; and Faye Davis,

Hinds Eagles, Eaglettes End Season With Pair of Weekend Double-Headers To District Games IN INTRAMURALS

The Hinds Eagles and Eaglettes wound up their regular basketball season last week as they swept a doubleheader from Co-Lin on Friday night but dropped a twinbill to East Mississippi Saturday night.

Both encounters with Co-Lin were close contests. The Eaglettes took their game 42-39 while the Eagles were victorious by a 60-57

In the girls' game, Co-Lin grabbed a 10-8 lead at the end of the first period, but the Eaglettes cut it to 16-15 at halftime and had taken a 30-26 lead going into the final stana. A thrill-packed last quarter saw June Mobley of Hinds and Marie Schwart of Co-Lin swap baskets until the final whistle which saw Hinds emerge with a 3point victory.

Mobley topped Hinds with 31 points while Swart had 26 counters for Wesson.

In the second game Hinds, trailing at intermission 31-24, fought from behind to gain their seventh victory of the season.

Benton Fortenberry led Hinds with 20 points while Grady Gill had 11. Milton Robichaux got 16 points for Wesson.

Saturday night saw Hinds drop a pair to East Mississippi to round out the season. The girls lost a close one 40-35 while the boys were outmanned 77-67.

In the first game Hinds trailed 16-4 at the end of the first quarter but gamely fought from behind to close the gap to 34-33 in the closing minutes. However, Betty

Spears dropped in a bucket and two free pitches to ice the game. Spears paced the Scooba sextet with 19 points while Bobbie Stokes had 17. June Mobley topped Hinds

The afterpiece saw the speedy Scooba quintet take an early lead and win going away. Hinds trailed 39-30 at the half.

Tom Poe's 16 markers was tops for Hinds, and Howard McKissack was next with 15. Bill Travis had 20 points for East Mississippi.

The Eaglettes finished with a record of 16 victories, 3 defeats, and one tie. The Eagles won 7 and lost 13.

Students Get Pen Pals From South America; 7 Countries Included

Learning more about their Latin American neighbors and getting practical experience in Spanish, members of Miss Hilda Ree Davis' Spanish classes are corresponding with students in seven Latin American countries.

Paying 15 cents for the name of sone student in South America, who in turn is seeking correspondence with an American, the Spanish students are using as much of their newly acquired language as possible in their letters.

Countries that will be receiving mail from Hinds include Venezuela, Cuba, Colombia, Peru, the Dominican Republic, Paraguay, and Puerto Rico.

Hinds Girls to Reign Over Livestock Show

Breaking a tradition of seven years standing, the Hinds County Livestock Association failed to name a Hinds Junior College girl as queen of the Livestock Show this year. Instead, it named two Hinds girls as "Regal Maids" to join five other girls from the county in reigning over the annual show and sale.

The two Hinds girls selected were Janie Mashburn and Rosa Taylor

The records of these "Regal Maids of the Livestock Show" were judged by a standard score card. Records of 4-H Clubs who have completed four or more years of club work were considered.

Conference Debate Dates Have Been Set; To Begin Next Week

Dates have been announced for three debates between junior college conference teams, according to Miss Ruth Boyd, Hinds debate coach.

The affirmative team from East Central of Decatur and the negative team from Copiah-Lincoln of Wesson will meet here Tuesday, March 4. Hinds' affirmative and Decatur's negative teams will meet at Wesson on March 5, and Hinds' negative and Wesson's affirmative teams meet at Decatur on March 6.

Student Council, 14 students have already pledged their donations. Joe Terry has secured nine pledges; Grace Pickett, one; and Edwin Cobb, five.

Other students working the blood drive are Zula Juan Green-lee and Carolyn Paxton. Miss Thelma Prassel, president's secretary, is heading the drive on the campus.

Type "O" whole blood will be sent to the Armed Forces Central Processing laboratory in California and then flown overseas. Other whole blood will also be sent to a commercial processing laboratory in Fort Worth, Texas, to be be made into plasma to be packaged and sent overseas.

The need for blood is so vital that within 72 hours after donations are made the blood may be in Korea ready for instant use.

To contribute blood one must be healthy; between the ages of 21 and 59, or 18-19 with parental permission; have undergone no operation; or pregnancies within six months, no malaria within two years, have no history of yellow jaundice; and weigh more than 110 pounds.

Blood donors should observe the following:

Get a good night's rest. Don't come hungry. You may eat a regular meal up to four hours before the donation, avoiding fats, cream, eggs. cheese, and fried feeds. If you eat one or two hours before donating blood, you may have fruit juices, crackers, dry toast, jam and jellies, black coffee or tea with lemon or sugar. Fatty substances in the blood will make it extremely difficult to process and may even eliminate the donation.

Medical histories of those seeking to contribute will be taken and the doctor in charge of the staff will be sure that making the donation will be harmful in no way to those contributing.

STUBBS WINNER IN 4-H CONTEST OF FOWL JUDGING

Peggy Stubbs of Hinds Junior College's 4 H Club is one of four students chosen from the county to represent Hinds County in the poultry-judging competitions of the 4-H Club this year.

She was selected on results from the county-wide contest held at Raymond Consolidated school recently.

We Can Help Spread Democracy

In another part of the paper you will find a short story about students in Spanish classes acquiring pen pals from South America. What an opportunity for them to spread the ideas of our democracy to these foreign students!

In many fore gn countries unfavorable propaganda is being spread concerning the United States, and the peoples of these countries do not think of us as friendly and democratic. In some of the countries the movie theaters have stressed American pictures showing cowboys and gangsters, and thus presented a false impression of America.

What these Hinds students can do to extend the goodwill is to give the real truth about our country, about our school, and be eager to develop their friendship.

In her speech to the student body recently, a young teacher from Terry gave an account of her experience in South America, when she visited in the home of one of her foreign friends. She said that her friend's family wanted nothing to do with her for a while, but through her continued friendliness they were won over to friendship and welcomed her into the home. It's like that in so many places, and it is up to us to extend our hands across the border.

If you have a chance to write to a foreign student, whether in South America, Canada, or Europe, give them a feeling of friendship, and perhaps through your correspondence that propaganda poison will be destroyed and the roots of kindness and brotherly affection will be planted in their hearts.

Where's That Western Hemisphere?

What most college students don't know about geography would fill several university libraries, a New York Times survey indicates.

The paper gave a geography test to about 5,000 students in 42 colleges. Some odd misconceptions of how the world is laid out were turned up.

For example, when asked to name the countries bordering Yugoslavia, some students named Belgium, Egypt, Manchuria, Portugal and even Canada. Only two per cent, incidentally, could closely estimate Canada's population.

Less than half the students could approximate the United States' population. Many thought it was 500 million or more, while some placed it in the billions. (1950 census estimate of U. S. population: nearly 152 million). Five percent could name the states bordering on the Atlantic coast. Many states as far inland as the Mississippi were mentioned.

So far few college papers have commented on this survey. The kansas State Collegian called the results "appalling" and added:

"The wild guesses show that our college men and women are deficient in basic facts about our country and the world . . . A refresher course on basic geography would be a fine subject to require of all students in order for the men and women to be 'wide-awake' and intelligent citizens."

The survey indicated that geography is seldom required by major schools. Less than five per cent of the nation's college students take even one geography course, according to the study.

FERGY'S FIKSHUN

By ROBERT FERGUSON

There was a group of the select basketball teams of Mississippi's sixth district in action here last week. The games were played before some of the largest audiences ever to see basketball games in the Hinds Gymnasium.

The quintot from the little hamlet of Ludlow in Scott County had the hottest group of net swishers in the tournament. They hit field goals from all over the floor and were just as apt to sink a shot from certer court as from under the hasket. The boys won the tourney mainly on the strength of their "eagle eye" for the basket. If they are hitting with their shots in the South Mississippi tourney as well as they were in this one, they should be one of the top teams in competition there.

It's tough that the Eaglettes had to lose out in the semi-finals of the junior college girls' tourney, tut there was an awful lot of competition to overcome before the championship trophy could be taken home. A tremendous height disadvantage was more than the Hin's sextette could overcome. Outscored but not outscrapped, we still think we have a fine girl's basketball team.

Well, a penguin has laid an egg in Mississippi. A petite lady penguin named Pam picked out the little town of Port Gibson to lay probably the first penguin egg ever to be laid in the western hemisphere. Hinds has several students from Port Gibson and they will probably be seen for days to come walking around with pleased smiles on their faces because of the event which happened in their city. Who says we have mild winters in Mississipni? It's cold enough to make a penguin lay an egg and that's cold enough for me!

Nick (the Cat) Revon is still leading the Gulf States Conference in scoring. The former Hinds cage great and all-round athlete had a big part in leading Miss Southern to its second conference crown in three years. Nick has earned national recognition for his flashy style of play for the Southerners this year.

After conducting a drive for blood donations to the Red Cross last week, Hinds Junior College has been able to sign only 50 pledges to give blood to the boys in Korea. Our neighboring rivals, Copiah-Lincoln and East Central, Lave had much more successful campaigns for blood donors than this. Please think about it a long time before you refuse to give a donation. The blood you give may save a friend's life or it might even save yours.

Former Student Visits Hinds Campus Monday

Mr. Fred Davis, former Hinds student, was a visitor on the campus Monday. At present he is employed at the Air Force Proving Grounds at Eglin Field, Fla., as a mathematician.

While at Hinds, Mr. Davis was a member of the Hindsonian staff, assistant editor of the Eagle, and belonged to the Phi Theta Kappa. After finishing two years at HJC, he transferred to Georgia Tech, then graduated from Mississippi State with a Master's degree in mathematics. He also attended Columbia University and last year was a member of the Fearl River Junior College faculty as a teacher of mathematics and physics.

Cakewalk Is Staged To Finance Journey To P. T. K. Convention

A cake-walk was held last Tuesday by the Hinds chapter of the Phi Theta Kappa, junior college honorary society. As a means of obtaining funds to go to the PTK convention, the cake-walk, led by President Kyrous Gunter, cleared \$12.95

Other projects are being planned by the PTK in order to obtain more funds.

American College Youth Declared 'Not Alone' In National Failings

Noting that college youth has recently been accused of being irresponsible, silent and slap-happy, the Kansas State Collegian declared:

". . . Please, please, accusers, don't stop when you've stoned college youth sufficiently. Please note that we're not alone. And because we're not, all your challenges for us to change will be of little avail, unless you couple them with a challenge to all Americans.

"It's a national problem, so how about national attention, not just singling out college youth."

However, "Because our faults seem to be the common faults of Americans, that must not be an easy excuse. We must be willing to face the accusations hurled at us and either prove them false, or try to remedy our ways if they prove true."

Hinds Junior College Eagles to Enter Cage Tournament Friday Afternoon

Previously scheduled to play Wednesday night, the Hinds Junior College Eagles will enter the state junior college boys basketball tournament Friday afternoon, meeting Jones of Ellisville.

The Hinds Eagles will leave Thursday morning enroute to Fulton, where the state tournament will be held. The games will begin Wednesday night and extend through Monday night, when the finals will be played.

Hinds was originally scheduled to play Senatobia on Wednesday night, but the plans were changed when Northeast of Booneville, supposedly ineligible on the basis of a conference ruling last spring, entered the tournament. The entrance of Booneville brought a rebracketing, and Hinds drew a bye in the opening round. Booneville had been banned from conference competition last spring after using a professional player in a national tournament.

Should Hinds defeat Ellisville Friday afternoon, the Eagles will play in the semi-finals Saturday. The Raymond squad is seeded eighth in the 13 game tournament, while Ellisville is ranked third. The Eagles have met Ellisville twice this season and have suffered defeat on both occasions — once by one point and again by four points.

Those who will make the trip Thursday include Coach Arliss Ricks, Benton Fortenberry, Tom Poe, Howard McKissack, Charlie Roberts, Bob Ellis, Grady Gill, Wilfred Bailey, Billy Weeks, Sonny Oliphart, Joe Brown, and Manager Edwin Cobb.

In the bracketing Holmes, Itawamba, East Mississippi, and Jones were seeded in that order.

News Competition
As Papers Merge

For the past five years an unusual newspaper situation has existed at Smith College, Mass. Two papers, the Current and the Scan, weekly compete with each other for circulation and news beats.

Last week, on the Current's fifth anniversary, a merger of the two papers was announced. According to the college treasurer, there just wasn't room enough on campus for both papers. It was not "financially feasible."

Said the Current, "Perhaps if the student body, the alumnae, the friends of the college believe as we do, that two paper's are a unique and vital contribution . . . comething may yet be done . . We have tried our best to serve Smith College."

A LEVELING OFF? . . .

The Daily Kansan, University of Kansas, recently published some figures which may be considered fairly typical of the enrollment history of American universities.

University of Kansas got started in 1866 with 55 students. It hit 5,000 in 1934, then slumped to about 3,700 during the war. The post-war boom skyrocketed the enrollment to almost 11,000.

Now there is a new slump; the figure is back to 6,000. Other universities are in similar shape. At the University of Virginia, 527 men dropped Now is the time for men have dropped out for second semester. That means a financial loss of about \$100,000.

A Lament For Liberal Arts . . . (By Robert Griffin, Jr., Florida Flambeau, Florida State University.)

With a bitter but true chuckle, a tament! This university once had an outstanding reputation for the finest liberal arts curriculum. It ranked among the top colleges as a college for women.

Alas, came the male, with his mind set on making money, not getting married. With the male came vocational training and such courses as rubber band procurement 245, and stapling methods 311.

And the whole curriculum has been revamped. Now "sciences" have appeared to teach baking and driver training. Then there are millions of courses to train teachers. Freshmen have this outlook:

Hinds Girl Cagers Lose to Booneville In Semi-Final Tilt

The season came to an abrupt end for the Hinds Eaglettes Saturday night as they fell before the strong Booneville sextette in the semi-finals of the Mississippi Junior College Girls' Tournament. The Eaglettes had gained a semi-final berth by virtue of victories over teams from Northwest and Sunmit

Hinds began tourney competition Wednesday night as they rolled over the Northwest Langerettes 39-23.

The Eaglettes got off to a bad start and found themselves trailing 18-17 at halftime. However, they gained the lead early in the third period and went on to win easily.

June Mobley led Hinds with 18 points while Lavelle Nutt had 11 and Dot Gerrard 10. Tinsie Dariel made 12 points for Scnatobia.

The following night Hinds met Summit and walked off with a 32-15 victory, after having led 18-5 at intermission. Mobley's 15 points alone was enough to top the entire Summit team, which the tight Hinds defense held to a total of five field goals.

The two victories moved the Eaglettes into the semi-finals and a match against the Booneville lassies, who turned the tables on them to the tune of 34-20.

Booneville made only 10 field goals on the Hinds guards, but the Eaglette forwards were never able to find the range. Booneville made good all of their 16 tries at the free throw lane.

Mobley and Gerrard garnered eight points apiece for Hinds, while Mary Robbins topoed the winners with 15 markers.

The Eaglettes finished with an overall season's record of 18 wins, four defeats and one tie.

Boys Tennis Team Begins Light Training; Seeks More Recruits

Practice for the boys tennis team is now underway, Mr E. E. Morris, tennis coach, reports. However, only a few light workouts have been held thus far, and any one who would like to try out for the team is asked to do so.

Those working out now are:

Ronald Walsh, Roy Arnold, John Lawrence, Billy Irby, and Billy Hugh Montgomery.

BOONEVILLE COPS BASKETBALL TITLE IN STATE TOURNEY

Northeast Junior College of Booneville successfully defended its title in the Mississippi Junior College Girls Tournament, Monday night by defeating Holmes' girls 28-27.

Northeast led throughout the game and had a 17-11 halftime lead. The defense of both teams was superior to their offense in the championship battle.

Northeast led 9-5 at the end of the first quarter; 17-11 at the half; 2219 at the third; and 28-27 at the end of the fourth.

FIVE EAGLETTES SEE FINAL ACTION WHILE LOSING IN TOURNEY SATURDAY

When Hinds lost to Booneville Saturday night it marked the collegiate cage finale for five Hinds players.

Forwards June Mobley, Lavelle Nutt, and Billie Burt and guards Mary Ann Pressley and Frances Putman have all finished their eligibility at Hinds.

June Mobley, who hails from Utica, was a starting forward for two years. She led the Eaglettes in scoring this season with 403 points.

Lavelle Nutt, a resident of Pelahatchie, was a substitute last year but won a berth on the starting line-up this season.

Jackson's Billie Burt was an able forward and replacement her two years at Hinds.

Frances Putman, a native of Calhoun City, was a regular guard here for two seasons. She won a

Renfroe Requests Pitchers, Catchers To Begin Practice

Pitchers and catchers are urged to report for diamond duty Monday, March 3, according to Coach Joe Renfroe.

Coach Renfroe said that the date when official baseball practice will begin is "in the hands of the Almighty," but he would like for the pitchers and catchers to report early in order to work the stiffness out of their arms and get ready for the coming campaign.

Mary Ann Pressley, who played at Forest Hill, was a starting defender last year and served as first substitute this year.

So, what about a little applause? They've dore a fine job?

Hinds Thinclads To Hold Initial Track Practice

Official track practice will begin Monday, March 10, according to Coach L. C. DeVall, track mentor; and all boys who are interested in that sport are invited to make their appearance at that time.

The Hinds track team finished second in the state track meet last year, and Coach DeVall stated that he has high hopes of upping that one notch this year.

He listed the following as a prospective group of thinclads for the coming season: Distance — Larry Wheat and Ralph Faulkinverry; dash — Billy Juenke; hurdles — Charlie Roberts; weights — Tom Poe. Benton Fortenberry, and Charlie Dees; high jump — Bob Ellis; broad jump — Bill Graham and Roberts.

Coach DeVall added that he has no pole vaulter in mind, and that event is open to anyone who wishes to try for it.

Ludlow, Forest Win District Tourney; Pinola, Puckett Lose Games in Finals

The Lud'ow boys and the Forest girls emerged victorious in the finals of the District Six basketball tournament hald in the Hinds gymnasium Saturday night. To win their championships, the Ludlow quintet thumped the Pinola crew into submission while the Forest lassies edged the Puckett sextette in a thriller.

A number of people worked to help make last week's tourney a success. Coach Joe Renfioe was the tournament manager; Coach Louis Boteler, ticket taker; Miss Lurline Stewart, scorer; Miss Mary Sue McNair and Miss Lola Allen, salesmen; Ralph Faulkenberry and Bob Harleston, timekeepers; and Charlie Bennett, host to boys teams.

Hostesses for the girls teams were; Mary E. Mills, Ethel Cook, Sylvia Scott, Lawana Stewart, Grace Pickett. Bertie Mae Brown, Doris Hedgepeth, Emma Patrick, and Peggy Rosser, Mrs. Kathleen Mathews had charge of serving food to the teams.

Coaches of the teams participating in the tournament were: W. G. Hemphill, and W. H. Cochran Byram, who attended Ole Miss.; Sharp W. Bishop, Jr., Redwood, who attended Ole Miss.; and J. P. Walker, Utica, who attended Ole

The Holmes Bulldogs won the Mississippi Junior College Boys' Championship Monday night, defeating East Mississippi of Scooba

Millard Davis paced the Holmes team with 18 points, while Jackie Barrett had 13 counters for Scooba. Holmes led 38-28 at halftime.

The top-seeded Bulldogs defeated CoLin, Decatur, and Hinds to reach the finals while third-ranked Scooba downed Northwest, Summt, and Itawamba.

Hinds Band Performs On Radio Thursday

The Hinds Junior College Band, under the direction of Miss Jean Lancaster, will present two programs this week.

On Thursday night it will present by transcription the radio program, "Hinds Junior College on the Air," and on Friday morning it will present an assembly program at Forest Hill High School.

150 Pledges Received For Blood Donations, Lions Club Announces

Approximately 150 students and Raymond residents have pledged a pint of blood each for use by the Armed Forces overseas, according to a report from the Raymond Lions Club, which is sponsoring the local blood drive for the Red

Of the approximately 150 pledges secured, about 100 are from Hinds Junior College students, the Lions reported.

All pledge cards issued to the junior college have been taken by interested students.

Miss Thelma Prassel, president's secretary, and Joe Terry, president of Student-Faculty Council, spearheaded the drive on the Hinds campus. Members of the council solicited pledges from students and teachers.

The blood donations will be made Friday at the Raymond Consolidated School.

Applications to Take Qualification Test Will Be Due Midnight Thursday

Applications to take the College Qualification Test must be postmarked not later than midnight Thursday, according to Selective Service Headquarters, Washington, D. C.

The tests will be given on April 24. The early deadline is necessary to allow the administrators of the test, the Educational Testing Service at Princeton, N. J., time to process the applications and assign

each applicant to the testing cen-

This will be the last test given during the current academic year, and Selective Service estimates that over 100,000 will make appplications to take the test.

Of the 19,571 students who took the December 13, 1951 tests, 61.3 per cent made a score of 70 or better.

The present basis for consideration for deferment as a student is either a score of 70 or better on the test or standing among the male members in the upper half of the freshman class, upper two thirds of the sophomore class, or upper three fourths of the junfor class.

The standards are only guides for the local boards. The boards are under no compulsion to follow them, but any local board classification is subject to appeal.

The appeal must be filed in writing with the local board within 10 days of the date the board mails the notice of classification.

Of the 1,258,735 students enrolled in colleges now, 891,000 are deferred or exempt as the result of the tests and other bases. This leaves a total of 367,735 students eligible for the draft.

Many of these cannot be inducted because they are members of some reserve or National Guard unit, while approximately 40 per cent of the remainder will probably fail to meet the minimum physical and mental standards.

Four Students Earn Special Honors For Fourth Six Weeks Work at Hinds Four students, two in high school and two in college, earned "special

Education Is Big Factor in Future

Lynette Collins, Bill Lamkin, Garth Guy, and Joe Lee.

Education seems to be taking a bigger part than ever in the future of American boys and girls. Several years ago a dispirited college boy wrote these lines:

There'll come graduation,.

I'll find occupation,

Existence that's meager and lean;

While he who digs ditches

Has cash in his breeches

And rides in a big limousine.

This was probably written as a rather bitter satire, but that was several years ago. Today this verse would not even be a good satire. Although more than half of all young people finish high school today, compared to six per cent 50 years ago, and ten per cent finish college — the old figure was two per cent — the business and industrial demand for educated workers apparently is growing even faster.

Today in fields where a high school diploma used to be good enough, a college education is required. In other cases five or six years of college is not required in the place of a standard four-year education.

Therefore it appears that today, more than ever before, a college education is needed by the ambitious youth of America. Even though we are faced by the possibility of being taken across the waters to "direct traffic" in the "police action" in Korea, we are going to need our schooling. After we return home, we'll need all the education that we can get so that we can find a position in civilian life

Education is not only important to the prospective soldiers. It is important to all of America's youth. If we educate our youth, our country will develop into a country run by wise statesmen instead of uneducated mobsters. At least there'll be a good chance that it will.

Techniques in Reading Courses Open. To High School, College Students

Are you interested in doubling or tripling your present reading speed while improving your comprehension? Or, are you planning to take the Selective Service College Qualification Test?

Courses in techniques of reading, for both high school and college students, are now open to those students interested in improving their present reading skills, according to Mr. Harold Turnage, reading instructor.

According to Mr. Turnage the majority of students in college to-day are not reading at their full-est limits of ability. The majority of them are reading and studying at approximately 250-300 words per minute, while they are capable of studying at approximately 450 words per minute and reading

ordinary books and magazines at twice that speed.

Much of the College Qualification Test given by the Selective Service System is based on the ability to read with speed and comprehension, according to information bulletins on the test.

During the course program last year, nine students attained reading speeds of over 1000 words a minute, although they were reading less than 280 words per minute then they began.

The college classes are offered on Tuesday and Thursday at the 6th period and on Monday-Wednesday-Friday at the 3rd period. High school classes are offered at the 2nd period on Tuesday-Thursday-Friday; and 7th period Monday-Wednesday-Friday. With permis-

FERGY'S FIKSHUN

By ROBERT FERGUSON

The Hinds Student Council is going to throw a big surprise party this Saturday night. If you like surprise parties, we guarantee that you'll like this one. As is witnessed elsewhere in this issue, the "clambake" will take place in the recreation hall from seven 'till ten o'clock. Don't you dare miss it!

The Hinds Eagles did a right nice job for themselves in the state basketball tournament at Fulton last weekend. The Eagles, who were rated eighth in the conference, were defeated in the semifinals of the tournament by the top seeded Holmes Bulldogs. The Bulldogs were given a scare before trimming the Eagles wings by a 66-62 count.

The Junior College Athletic Association seems to have a hard time making up its mind these days. After barring a school last year from all athletic competition within the conference, the school was allowed to compete in the conference with its football team. When basketball season rolled around, the school in question was allowed to enter its girls basketball team in conference competi-

College Attendance Doubles in 20 Years

The number of white Americans attending college, in proportion to the total population, has just about doubled in the past 20 years, according to College and University, the journal of the American Association of Collegiate Registrars and Admission officers.

In 1930-31, the ratio was one in 123; in 1938 it was one in 108; and in 1949-50, one out of every 61 was enrolled in college.

HINDS JUNIOR SAYS:

sion, college students may enroll in the high school classes for a different program of training than offered high school students.

tion. (They won the championship). Then after barring the boys' team from league play throughout the season, the team was allowed to enter the tournament to compete for the championship just as if it had been eligible all season. The Athletic Association changed its mind so late that the tournament had to be re-bracketed. Now, when one stops to think about it, there seems to be just a little bit of confusion about the whole affair. Possibly, there is more to the matter. At least I can't quite understand it, can you?

According to statistics, our standard of education in Mississippi and all over the country is steadily improving. Probably by 1954 the state will require five years of training beyond high school to obtain a permanent 'teacher's certificate. But education is still taking a backseat to other activities. Gambling, for instance, takes about four times as much of the American people's money as education does each year. Of course some people consider education a gamble.

Australian Artist Will Perform Here

Johnny Regan, world-famous cowboy, will be presented at Hinds Junior College at assembly Monday, March 17, as one of the year's lyceum programs.

Regan's act consists of trick roping and stunts in which he used the famous "Texas Wagon Wheel," an origination of the late Will Rogers. He says, "Will taught me the stunt while we were together in London." During the stunt Regan twirls a huge lasso sideways and jumps back and forth through the loop.

When Regan was a youth his father, a member of the English King's Royal Horse Guard at Windsor Castle, sent him to live with an uncle, who was a cattle rancher, in Queensland, Australia. At the age of 14, the famous rope and whp artst began learning how to be a cowboy. He specialized in whips, horsemanship and bronc riding, touring Africa, New Zealand, and South America.

Hinds Student Recalls Old War Jokes For Re-Use in Present 'Police Action'

Remember the "Up Front" cartoons of Bill Mauldin? The humorous quips of World War II, the jokes with an infantry or rationing slant? There's a war on now, too, but very little has been seen or heard of a humorous nature, yet, so far as this war is concerned.

With an increase in the fighting forecast for the spring and an upping of the draft foretold for the summer, we believe that Amercans will once more turn to humor to alleviate the bitterness of war. More than likely, they'll be the same jokes told in the last war which were the same jokes told during the war before, which were the same jokes, ad infinitum.

For the benefit of HINDSON-JAN readers we're repeating a few of these jokes so you can say, "Stop!" or given the familiar opening, "Stop me if you've heard this one before."

The jokes repeated below are from a collection belonging to Mr. S. F. Lee.

A Marine down on Gauadalcanal became hopelessly lost in the jungle and in order to rest his feet, sat down and started to play a game of solitaire. In five minutes there were three more Marines at his back, telling him which card to play.

Just given a Distinguished Service Medal, a soldier was asked what his wife thought of the decoration. "She doesn't know I got it," was the reply. "It isn't my turn to write."

Did you hear about the proud rooster who watched a Colonel as he devoured two chickens at a small farmhouse? "What are you so happy about?" asked an old hen of the strutting rooster. "He just ate two of my little babies."

"Don't be so pessimistic, dear," replied the rooster. "The way I look at it we now have two sons in the Army!'

Among the people filing into an air raid shelter was an old man. In one hand he carried a longhandled shovel to deal with incendiaries and under the other arm he had an old fashioned harp.

"My word," said one inhabitant, "there's a fellow who's ready to go either way."

Just give me a man With a million or two Or one that is handsome Will happily do. A dashing young fellow Is swell any day, Or one that is famous Would suit me okay. But if the man shortage Should get any worse Go back to the very First line of this verse!

There are two kinds of people in the Army - Enlisted men and the people with clothes that fit.

The students at Perkinston Junior College had a clever way in announcing the college and high school who's who winners. Each year a annual ball is held with a king and queen and a royal court. The theme of the ball this year was "Come To The Mardi Gras." At this big event the winners of the popularity contest are announced. Some of the titles they include in the contest are "Girl and Boy Most Likely to Succeed," "Most Talented Boy and Girl," "Most Dignified Boy and Girl," and "Best Dancers."

It's getting more and more difficult to sit quietly in the stands while the fat little men in the striped shirts turn one of the fastest, most exciting games in the world into a contest of chance and free throw accuracy.

When it gets to the point that hardly a game goes by without 50 or more fouls and five or six players fouling out, it must be concluded that the referees and not the players are at fault.

We have no complaint with the ref who calls it close and is quick to crack down on any deliberate fouls or obvious attempts at roughing. But this business of calling fouls when there is obviously no attempt at illegal action is ridic-

Intra-Squad Game To Be Held Friday At Eagle Stadium

Spring football practice for the Hinds Junior College Eagles will be climaxed Friday night with an intrasquad game, Coach L. C. De-Vall reports.

The Reds will oppose the Whites in this annual spring battle. Coach DeVall will coach one team while Backfield Coach Joe Renfroe will head the other.

The game wil begin at 7:30 and students and faculty are invited.

The spring practice has been underway for four weeks with 17 returning squad members and 15 newcomers dressing out each afternoon.

Returning squad members include Leonard Williams and J. B. Middleton, ends; Reynold Ledet, John Brantley, and Earl Leggett, tackles; Gus Vallas and Donald Soileau, guards; Chatt McGonagill, Billy Ricketts, and Bob Harleston, centers; Tony Truitt, Bob Smith, Dickie Craddock, Byron O'Quinn, and Freddie Knight, backs.

Coaches DeVall and Renfroe both expressed themselves as quite pleased with the showing that several of the newcomers have made, and declared that one or two of them had possibilities of being outstanding players.

The squad as a whole, they said, has displayed a great deal of hustle and spirit during the month's workouts.

Two Hinds Players Receive All-State Mention This Week

Two Hinds basketball players received mention on the Mississippi Junior College All-State Boys' team, picked by the conference coaches.

Benton Fortenberry, fleet Eagle forward, was named on the first team for the second year in a row. Fortenberry, a high school senior, from Lake Providence, La., was the lone Hinds cager to be named to the ten man first team.

Howard McKissack, freshman from Bolton, received honorable mention for the year's play. Howard played with Hinds High School for the past two seasons.

The complete all-state team:

Student Council To Sponsor Party Saturday Night

The Hinds Junior College student council will sponsor a "get-together" in the recreation room Saturday night from 7:00 'till' 10:00 p. m.

Just what kind of party is in the making is still a secret, but the council members 'guarantee that all who come will be in for a big surprise.

Besides the council members, several of the student body and faculty will be asked to help with the proceedings. Those that will be asked to assist are: Billy Hugh Montgomery, Betsy Milner, Edwin Cobb, Quay Stribling, Miss Betty Smith, and Coach Louis Boteler.

ty Jo Stillman, Scooba (4); Addie Thompson, Southwest (3); Margaret Johnston, Hinds (3).

Eagles Beat Ellisville Quintet 70-53; Lose Close Game to Holmes Bulldogs

After drawing a bye in the opening round of the Mississippi Junior College Boys' Tournament, the Hinds Eagles downed the Ellisville Bobcats 70-53 and moved into the semifinals where they lost to the top-seeded Holmes quintet 66-62.

The Friday afternoon affair with Ellisville was a hotly contested game which saw Hinds grab a slim lead in the second quarter and hold

it until the final minutes when they pulled away to win by 17 points. The Eagles led 36-30 at halftime.

Scrappy "Weasel" Ellis paced the Hinds team, dropping in seven field goals and six free throws for a total of 20 points. Benton Fortenberry was next with 17 points although he fouled out in the third quarter. Grady Gill amassed 10 markers. Randal Boone was high for Ellisville with 25 points.

With one victory under their belts, the Raymond team moved into the semi-finals for an encounter with the Holmes Bulldogs, seeded first in the tournament.

In that contest, the charges of Coach Arliss Ricks enjoyed a short-lived lead in the early moments of the game, but were quickly overcome by the Holmes team, which led the rest of the way. However, the Eagles kept the game close until the final whistle, never trailing by more than 10 points.

Charlie Roberts paced the Hinds team with 15 counters. In addition to that, he held the Bulldogs' highly-touted Mel Gipson to one field goal. Fortenberry was next for the Eagles with 14 points while Ellis had 13 and Howard McKissack 11. Fred Bigby made 8 field buckets and 11 charity tosses for 27 points to lead the Bulldogs.

The Eagles ended cage competition with an overall record of eight victories and 14 defeats.

Dr. Bogue Accepts Invitation to Serve By Large scores On Criteria Group

DR. JESSE P. BOGUE

Dr. Jesse P. Bogue, executive secretary of the American Association of Junior Colleges, Washington, D. C., has accepted an invitation from Hinds Junior College to serve as its out-of-state consultant for the evaluation of the school through the evaluative criteria on March 23-26, according to Mr. Knox M. Broom, guidance director.

A native of Alabama, Doctor Bogue has been a college teacher, high school superintendent and principal, and for 16 years was the president of Green Mountain Junior College, Poultney, Vt. In 1946 he was unanimously named as executive secretary of the American Association of Junior Colleges. He is the author of The Community College; editor of American Junior Colleges, second and third editions; editor of the Washington Newsletter; and a regular contributor to the Junior College Journal.

HEALTH BOARD LISTS **EXAMINATION DATES** FOR OPEN POSITIONS

Examinations are being given by the Mississippi State Board of Health Merit System for secretarial-typist-clerk positions in the County Health Departments and the Central Office in Jackson.

Applicants for these positions must be at least 17 years of age, and graduates of an accredited high school (Seniors in high school may take the examination, and verification of graduation may be given at a later date.)

A special examination may be given at Hinds if there are a sufficient number of applicants. If an examination is not held at Hinds, a routine examination will be conducted at the Health Department in Raymond.

The Board of Health Merit System is in search of applicants who want permanent employment and not just summer work.

HJC DEBATERS WIN IN TWO CONTESTS

The Hinds debate team was victorious over two schools in contests this week.

The HJC affirmative team, composed of Bonne Shackleford and Joe Boyd, won a unanimous 5-9 decision over East Central's negative team in a debate staged at Wesson Wednesday.

Bill Davis and Pat Nowell, Hinds' negative team, gained a 4-1 verdict over Co-Lin's affirmative team at Decatur Thursday.

Alternate debaters who made the trip were: Bobby-Allen, Bobbie Davis Jack Mullins, and Robert E. Lee. The debate team will appear in chapel on March 18.

Roy White Elected President of Chorus For Rest of Year

Officers for the Hinds Junior College chorus have been elected for the remainder of the year, according to Mr. Lavann Robinson, director. They are as follows:

Roy White, president; Alice Raney, vice-president; Nona Brummett. secretary and treasurer; and Vivian Wadsworth, reporter. Jack Chapman, who was appointed earlier, is librarian.

Hinds Completes Evaluation Plans: Educational Leaders Due March 23-26 Hinds Junior College will complete its evaluation here March 23-26

with the application of the Evaluative Criteria to the school by approximately 30 outstanding state educational leaders and Dr. Jesse P. Bogue, executive secretary of the American Association of Junior Colleges.

The Evaluative Criteria is a tool for measuring the effectiveness of a school in eight areas, by comparing their facilities and services in these areas with criteria, or standards, set up for the purpose. It is being done by all schools in the Southern Association.

The eight phases being measured are the pupil population and school community, the educational needs of youth, the program of studies, the pupil activities program, library services, guidance services, the school plant, and the school staff and administration.

During the past two years Hinds has been in the process of evaluating its services and plant in terms of the criteria, and the visiting com mittee will check the findings of faculty committees. "The program is designed to discover the school's strong points and its weaker areas, so that these latter may be improved," according to Dean M. F. Herring.

In its work this year on the program, Hinds has had the services

JOHN REGAN

Johnny Regan, world-famous cowboy from England's Windsor Castle, will appear here Monday, March 17, as another in the year's lyceum numbers. Trained in Australia, he is a former friend of the late Will Rogers and "completed" his education in cattle while staying at Abilene, Texas, after joining the famous University Cowboy Band on tour in Europe. Just prior to World War II he was a member of Gene Autrey's troupe, but resigned to enter service. After serving in Europe and the Near-Eastern theatres he was discharged with the fall of Berlin and headed back to Dallas.

Bulletin Board Offers Opportunities

With only nine more weeks of school left, have you given it much consideration as to what the summer holds for you? Many of you will continue school, and some of you will apply for jobs for the summer or for keeps. How can you find out about some jobs besides looking in the advertisements in the daily papers? Simply by keeping up with the notices on the bulletin board in the Administration building. Every week there are new advertisements about job opportunities for the high school and college graduates. The Civil Service has numerous openings for persons in many fields, including busisess, medicine, mechanics, and engineering.

The Mississippi Health Board has employment for typists, clerks, and stenographers. A notice is posted on the board for those intrested in further information.

Excellent opportunities are awaiting young men and women who are interested in the armed services as a career.

If you can't decide what occupation will be best, why not consuit the "Handbook of Occupations" on display in the library. It tells what to expect in almost every field.

There are many fields at your fingertips if you will keep up with the notices on the bulletin board and in the library. Read them, they are there for your profit and what a profit it can be!

Marines to Outline Officer Training

College men may stay in school and become commissioned officers in the United States Marine Corps Reserve, according to a representative of the Corps, who will be on the campus Thursday to talk to boys over 17 about two officer training programs for college

The two programs include a program for undergraduate students and a program for college graduates leading to a commission in the

The undergraduate program, for training platoon leaders, includes two summer periods of six weeks each. At the completion of that training and upon graduation students may be commissioned as an officer in the reserve.

If selected for the Platoon Leaders Class, students will be enlisted as privates; then immediately receive a temporary promotion to corporal. Upon earning a baccalaureate degree and successfully completing the summer training courses, they become eligible for a second lieutenasts commission in the Marine Corps Reserve.

In order to be deferred from draft induction, applicants for the Platoon Leaders Class agree in writing to accept a commission, if offered, and to serve two years on active duty if ordered by the Secretary of the Navy; and to remain a member of a regular or reserve component until the eighth anniversary of a commission. Failure to qualify for a commission makes them eligible for discharge.

College graduates may become officers through enrolling in the Officer Candidate Course and attending a ten-week training course as a private. When the course of training is successfully completed, they become second lieutenants.

10TH GRADE HOLDS WEIGHTLIFT MATCH

A "weight lifting" contest was held in the regular tenth grade class meeting Monday. Carolyn Farish competed with Durwood Graham in sucking paper onto straws and walking to a goal. Graham got to the goal with the most paper and was declared the winner. Martha Gillespie and Mavis McNeill told fortunes for the remaining part of the meeting.

FERGY'S FIKSHUN

By ROBERT FERGUSON

That was quite a little bluster we had here Monday. It proceeded to rip doors off hinges and do other minor damage. And, oh yes, the laugh for the moment, is on the architect who designed those new underwater sidewalks. They're really nice if you happen to have a boat handy. We understand, though, that sodding will correct most of that.

Take a look around the campus and you won't have much troubie seeing who donated blood to the Red Cross last week. Yes, a few of the patriots are still a little pale, but it was worthwhile, don't you think? I'll wager that nine of ten donors would still contribute if they had it to do over.

The gridiron prospects looked very bright for next year's edition of the Hinds Eagles, as the "eleven" went through its annual spring Red-White game. The squad showed balance and scoring punch as the Whites topped the Reds 21-20.

The winners of the District Six Basketball Tournament, which was held at Hinds, didn't win the state championship, but the District Six girls champs, Forest, went to the finals in the state tournament. Ludlow, the boys winners, were defeated by Hickory in the South Mississippi Tournament. The Forest lassies had a scrappy sextette and it was no surprise that they were finalists in the state tourna-

We all enjoy the privilege of dancing on the campus this year, since this is the first year that the activity has been allowed. But we should remember especially one rule that the student council and administration has set up for the best interest of the school and all concerned. That rule is that only presently enrolled students at Hinds Junior College or guests of the school (not personal guests) shall be allowed to dance on the Hinds campus. Let's try to follow this. There has to be a limitation somewhere.

STUDENT COUNCIL ENTERTAINS WITH WEEKEND PARTY

The Hinds Junior College Student-Faculty Council entertained the student body Saturday night with a floor show, dance, and refreshments. A large number of Hinds students and faculty members enjoyed the evening's festivities.

The Hinds Rythmaires furnished the music for the occasion. Taking part in the band and floor show were Bobby Holcomb, Bobby French, Cecil Yarbrough, Joe Terry, George Hicks, Thomas Rowlett, Mr. Donald Christmas, Miss Betty Smith, Bonne Shackleford, Fannie Mae Blalock, Mary Francis Johnson, Norma Joyce Owen, June Liss, and Byron O'Quinn.

Spanish Tunes Heard on Thursday Are Products of Hinds Circulo Espanol

By VIVIAN WADSWORTH

"De la Sierra Morena, cielito lindo—" are the strains of a Spanish tune that have been heard on Thursdays in the Ad Building when a group of students meet together for El Circulo Espanol — better known as the Spanish Club.

Since the first of the year, when the club was organized, the members, composed of high school and college students enrolled in Spanish, have been introduced to Central America in many of its aspects. By taking an imaginary trip down the Pan-American Highway, they have stopped at various places, attending fiestas and touring many of the cities so famous in history.

December 13 marked the highlight of the year when the club celebrated Christmas in the same fashion as the Latins. The banquet room was decorated in the colors of the countries and everything was Spanish — from games to food!

At each weekly meeting, the members learn something new about their Southern neighbors.

Survey of Philosophy Offered in Humanities

Offered as one of the four phases of the humanities course, a survey of philosophy will begin Tuesday at th period under Miss Ruth Boyd.

Students may enroll for the course, which meets on Tuesdays and Thursdays, 6th period, for one semester hour of credit.

Classes Visit Capitol

Government classes of Mr. E. E. Morris and Political Science classes of Mr. J. R. Harris visited both houses of the legislature today and the offices in the Woolfolk Building in Jackson as part of their regular class work.

Recently, a spelling bee was held, with members of the club competing for a prize.

Also in the club are boys from Honduras, El Salvador, and Cuba, who help the students with their speaking and conduct the singing of the native songs such as "Alla En El Rancho Grande," "Cielito Lindo," and "Adelita."

El Circulo Espanol presented a program on the radio as part of the "Hinds On the Air" series at the first of the year. The Honduran boys were featured each giving a brief biography of his life in his native country.

In the weeks that follow, the group will become more familiar with the Latin American countries through correspondence with foreign pen pals and through the programs.

If you happen to run into one of the members immediately following one of their meetings, and they are mumbling some words in a foreign tongue, don't be alarmed, they are trying desperately to sing that Spanish tune.

Hi-Steppers Enter Talent Competition In 26-Show Contest

Members of the Hinds Junior College Hi-Steppers, precision drill and dance corps, are competing in an amateur contest at Pearl High school.

The 26-show contest is offering cash prizes for the best show and for the organization sponsoring the show. Judging for the contest is being done by Jackson radio announcers. The first contest was staged Tuesday night; the second is being held tonight.

Home Ec. Students See Motion Pictures At Meeting Tuesday

Miss Opal Loper of the Mississippi Power and Light Company discussed each film briefly and distributed copies of the booklet "Recipes for Better Lighting" to each girl present.

Faculty, Students Among 72 Donors To Blood Program

Forty-three students and faculty members were among 72 per sons of the Raymond area contributing blood to the American Red Cross for use overseas in the Armed Forces, while a large number of other students, faculty, and townspeople volunteered to donate but were "turned down" for various reasons.

Blood donors were required to be in perfect health before their blood was accepted. However, the Red Cross will return in two months so that students who were unable to contribute last week may do so then.

Hinds personnel who contributed include Kathryn Ferguson, Margaret Holliday, Elsie Evans, Kenneth Teeter, Walter Shurden, Alica Jean Breeden, Miss Lurline Stewart, Bettye Jean Stubbs, Miss Mildred H. Herrin, Beatrice White, Mrs. L. K Clark,

Bobby Holcomb, Cecil Yarbrough, Mr. John C. Hamilton, Richard Smith, James M. Mable, Benton Fortenberry, Gus Allen, Milton Berryhill, George Robert Ferguson, Wilburn M. Stephenson.

Phi Theta Kappa is the national scholarship society for junior colleges. The purpose of this non-secret organization is to promote scholarship, to develop character, and to cultivate fellowship among the students of the junior colleges of America.

Membership in the organization depends on the following qualifications: At the time of election the student must be within the upper ten per cent scholastically of the regularly enrolled student body of the college division with a grade point ratio of 2.4 or above for the freshman and 2 or above for the sophomore for all his college work prior to election. He must be of good moral character and possess recognized qualities of citizenship as judged by the faculty committee and all active members of the local chapter.

Diamond Hopefuls Begin Work Outs For Eagle Team

Since the weather has prevented outside work, the Hinds diamond aspirants have been limbering up in the gymnasium, according to Joe Renfroe, baseball coach.

One light workout was held Saturday morning but this drill consisted mainly of whipping the diamond into shape for the coming

Coach Renfroe states, "We've made a beginning at least, and as soon as the weather clears up we will really get down to business. All positions are definitely open to the man who can prove to me that he is the best for the job, and ! would like for every boy interested in baseball to report for prac tice. Only 17 boys reported Saturday morning but I'm expecting more later on."

The season schedule has not been determined as yet but that news to that effect will be forthcoming in the near future, Coach Renfroe

Whites Win Over Reds in Spring Game; Smith Scores Two TD's for Victors

Spring football practice for the Hinds Eagles was climaxed Friday night when the Whites of Coach DeVall topped the Reds of Coach Renfroe 21-20 in the annual intra-squad game.

The Reds got the scoring underway early in the game as Leonard Williams grabbed a pass from James Dean and crossed the double stripe. Bill Graham booted the extra point.

The Whites retaliated a moment later as Dickie Craddock scored on a ten-yard jaunt and Benton Fortenberry added the conversion to tie the game at 7-7.

The Whites took the lead in the second period as Bob Smith went over on a quickie and Fortenberry converted again. Later, a short plunge through the middle by Durwood Graham of the Reds was good for six points but Bill Graham missed the try for point and the Whites led at halftime 14

Both teams failed to hit paydirt in the third quarter, but the final stanza saw the lead change hands again as Williams grabbed another touchdown toss from Dean and Fortenberry quickly changed jerseys to add the extra point that put the Reds out front 20-14.

But the lead was short-lived as Smith of the Whites skirted end for a game-tying six-pointer. For tenberry changed teams again and kicked the final point which gave the Whites a 21-20 victory.

The White roster:

J. B. Middleton, A. C. May, Reynold Ledet, Earl Legget, Joel Soileau, Gus Vallas, Boh Harleston, Billy Rickets, Byron O'Quinn, Bob Smith, Dickie Craddock, Freddie Knight, Bill Graham, and Benton Fortenberry.

At the University of Princeton a student finished his exam in 45 minutes, sauntered out with it to the corner saloon, had a few beers, watched a telivision program, ambled back to his dormitory room for awhile, finally handed in the exam. His grade? One of the highest in the class.

At Oregon State College 10 girls from Kappa Kappa Gamma had a confusing date problem. Seems a fellow named Don Fletcher had called them all asking them for a date on the same night. Five or them had accepted.

Fletcher never showed up; in fact, he never even called. The whole affair was carried out as a joke by some of Fletcher's "friends."

3rd Period Team Captures Crown In Intramural Play

The third period T-T class of Joe Renfroe captured the championship in the intra-mural volleyball tournament as they downed the first period T-T class of Coach Boteler in two straight games 15-11 and 15-10.

Due to a shortage in players the championship game in the girls' division has been postponed indefinitely.

The winning team included:

Ronald Walsh, Bobbie French, Bobby Trotter, Jimmy Hardy, Robert Sainz and Bill Moore.

The runners-up were:

Bobby Allen, Alfred Handel, Roy Arnold, Vito Patti, Billy Turnage, and Bobby Bailey.

The tournament was sponsored by the recreational leadership class.

Argentine Gaucho To Appear Here In Chapel Program

Efrain Viderick, known as the "Argentine William Tell," a gaucho shooting expert, will present a demonstration of marksmanship here Wednesday, April 9, as one of the lyceum programs from Southern School Assemblies, according to Miss Thelma Prassel, chairman of the chapel committee.

Born in Billinghurst, state of Buenos Aires, Republic of Argentina, Viderick learned shooting from his father and practiced by hunting on their farm in El Chaco.

He is an expert not only with guns, but also with whips and ropes and has won various medals. During the war he and his wife entertained at U. S. O. Clubs in Brazil and Africa and at various army bases. They came to America six years ago to appear in a New York City theatre and have made their home in the United States since that time.

ence.

Other visiting schools will be Clinton, Byram, Utica, Terry, Edwards, Forest Hill, Central High, and the schools of Madison and Yazoo counties.

Committees include:

Registration: Miss Jean Lancaster, Mr. and Mrs. J. R. Harris. Program: Mr. Knox Broom and Mr. M. R. Herring.

Afternoon tea: Miss Fleta Whitaker and Miss Ruth Boyd.

Campus tours: Mr. W. M. Mc-Kenzie and Mr. J. C. Treloar.

VISITING COMMITEE COMMENDS HJC

Praising the school highly and agreeing with faculty and staff findings for recommended improvements, a corps of 30 outstanding educators, led by Dr. F. W. Murphy of the University of Mississippi and Dr. Jesse P. Bogue, executive secretary of the American Association of Junior Colleges, evaluated Hinds Junior College here last week.

Gathering on the campus Sunday afternoon on the invitation of

Hinds Thinclad Team To Begin Competition With Three-Way Meet

Track candidates will have their first inter-collegiate competitions here Friday, April 18, according to Coach Renfroe, who has scheduled a three-way track meet between Perkinston, Ellisvile, and Hinds here for that date.

In addition home baseball and tennis matches are scheduled for the date with the Eagle squads meeting Decatur diamond and net squads.

GRADUATES

All graduating seniors and sophomores are requested to report to Miss Fleta Whitaker for measurements for caps and gowns.

HJC, the committee of visiting educators organized into sub-committees to probe every phase of the school from teacher co-operation to the underlying philosophy of the institution. The groups were co-ordinated in their work by Dr. Murphy.

Following the four day study, a report of the committees' findings was made public at a meeting of students, staff, and patrons of the school.

Drawing particular commendation in almost every sub-committee report was the faculty-student relationship, "which is most excellent in every way and is conductive to good work." The educational qualifications of the school staff also drew commendation from the committee in every case, as did the school facilities, which have been expanded with the addition of three new buildings this year.

Most often repeated recommendation of the visiting group was that follow-up studies be made of school graduates, and that the guidance work, which was found (Continued on Page 2)

NAMES OF SEVEN DONORS ADDED TO PREVIOUS LIST

Through error names of seven, Hinds Junior College contributors to the recent Red Cross blood drive here were omitted from the list of donors published in the last issue of the HINDSONIAN.

The seven included:

Thomas H. Trevillion, Mrs. L. A. Beasley, Joy Carolyn Hall, Mrs. Fred Houpt, Zula Greenlee, Miss Frances Smith, and Joe Groover.

The total number of HJC'ers contributing was 45 out of the 72 donors.

"ARGENTINE WILLIAM TELL" HERE APRIL 9

Efrain Viderick, the "Argentine William Tell" will be featured on the next lyceum program this season. He will appear Wednesday, April 9, in a demonstration of markmanship that includes a blindfold shot made backward over his shoulder, hitting a cup from the head of his partner.

THOUGHT FOR THE WEEK - - G. M. McLendon

One of the ways in which we can show appreciation for the fine physical plant that has been provided by the tax payers is to use same in an appreciative way by taking care of it at all times.

We will soon be having visitation days from our neighboring senior high school classes. Will you please cooperate in making the visitors feel at home and understand the good spirit of our school while with us?

commendable in many ways, be
further correlated and itegrated.
Reports of the sub-committees

said in part:

Pupil Population, School Community and Educational Needs of Youth

The committee commends the faculty for the broad, comprehensive statement of aims and objectives; its attitude concerning self-discipline for students; its recognition of the college as the center of community life; the excellent remedial program to meet needs of youths and adults in learning skilled trades; the encouragement of students to continue their education; and the flexible curriculum.

The group also praised the institution for its excellent work in meeting social problems caused by mixing high school and college age groups.

School Staff and Administration The committee declared that the staff was well selected as to com-

staff was well selected as to competency, academic and professional training and is numerically ade-

quate to administer the program.

It commended the board of trustees of the institution; the president of the college, G. M. McLendon, whom the committee declared to be "one of the leading junior college administrators in Mississippi and in the United States;" the school's cafeteria, cold storage plant, and airport.

Among its suggestions for study were preparation of an organizational chart; the hiring of a purchasing agent and superintendent of buildings and grounds; hiring of a college nurse; a study of salary schedule and teaching loads; and acceleration and continuance of the present "excellent" in-service education program of staff.

School Plant

The committee praised the site of the college and its physical characteristics, the recently constructed buildings, the adequacy of laboratory and shop facilities, and the renovation of physical facilities.

Among its recommendations for study were the establishment of permanent quarters for home economics, building of a campus warehouse, elimination of out-dated buildings, and the enlargement of the president's home.

Course of Study

The college was highly commended for the variety of course offerings to meet student needs. The college offers seventeen differentiated preparatory courses in addition to the intensive one-year secretarial science program and the vocational trades training program.

The committee recommended continuous study of the place of general education in respect to such student needs as health, family living, citizenship responsibilities, driver and safety education, purchasing wisely, family relationships, etc.

Guidance

The guidance needs are well-recognized at the school by administration and faculty. Through the co-operation of various departments and individuals in the school the program is being implemented. The study of local, state, and national labor market surveys; and placements through business education and industrial vocational departments are especially worthy of commendation.

The committee recommended an extension of the present cumulative record system, a study of the student attendance, an expansion of the orientation program, the orientation of students in nearby schools, expansion of counseling service so each student may be interviewed once or twice a semester, identification of potential drop-outs, more active participation in school affairs by bus students, an active campaign to make students of all departments feel equal, the co-ordination of placement services, and a follow-up of students.

Library

The Hinds library and its librarian, Miss Gertrude Rowzee, drew praise from the group, which de-(Continued on Page 3)

Around The

Collegiate Loop

By VIVIAN WADSWORTH

For this issue, the news has been gathered around the Hinds campus alone to let readers know of some of the activities at the alma mater.

With the cool weather still in our midst, handholding is more popular than ever. Mr. Patrick and Miss Fowler can verify that statement. Also some of the couples around the campus such as Joe Lee and Clara Clement, Bonne Shackleford and Lawrence Cheatham, Leisa McNeely and Joe Gearhart, and some others lee, a diamond ring — Green's

and Joe Gearhart, and some others who do not wish to have their names in print.

Thoughts of Love . . .

Spring is in the air and the male sex are turning their thoughts to love, slowly but surely. One guy, Ed Cobb, has finally gotten up the courage to buy his girl, Zula Greenlee, a diamond ring — Green's special! Don Walker is seen often whispering sweet nothings in the ear of his sweetheart, Doris Hedgepeth, in the romantic French language.

The tears are flowing like wine since four guys received their call to work for their uncle — Sam,

that is. These fellows, Billy Juenke, Mervin Comfort, Pat Nowell, and Robert Lee, are having some difficulty in convincing their gals, Beatrice White, Jean Breeden, Pinky Evans, and Carolyn Hall, respectively, that it is their "dooty."

Don't forget that the last two pages of this issue is all loof lirpa. Have a good time reading it.

Margaret Johnston Victorious in Tennis Intra-mural Tourney

Margaret Johnston won the girls tennis intra-mural champion-ship last Monday night, defeating Ann McGuffee 6-0 in the final one-set match.

Evaluation . . .

(Continued From Page 2) clared that the library is "well organized, inviting in appointments and appearance, and books are easily accessible to all users."

The group recommended for study the hiring of additional library personnel, the use of the library at night by "female students," more use of the library by some of the school staff, increasing popular recreational reading, the addition of a music-listening department, establishment of an audio-visual file, and guiding of students to the library by all staff members.

Industrial Training Education

Graduates of the department are successful in business; the plant and school organization is of the highest type; the department is ably and competently staffed; shop instruction is professional; the program has the respect of employers and of labor; and staff members are respected craftsmen in their respective trades.

The committee recommended expansion of the program for high school and after-high-school students, additional classes in industrial arts for girls, the extension of facilities to the entire student body, and exploratory courses for students to acquaint them with the vocational arts fields.

Pupil Activities

Facilities, competent faculty advisors, democratic practices, the well-planned entertainment programs, the wholesome attitude, and time provisions of the "sound, functioning" pupil activities program were praised.

The committee suggested for study the fact that a number of students do not participate in any activities and the fact that some few students participate in too many, the possible addition of other clubs and activities, required attendance at assembly and home room programs, creation of a student-faculty planning committee, the bringing of more vocational students into activities, and a study of motivation methods in other schools.

In specific fields of teaching—art, science, foreign languages, music, agriculture, social studies, business education, mathematics, health, physical education and recreation, home economics, and English—committees were highly complimentary.

In all these departments they praised faculty preparation for teaching and the democratic teacher-student relationship. The committees in some fields recommended purchasing additional equipment to complement the "above average" equipment already in use.

Commenting on the findings of the committee, Dr. Bogue declared, that "this is the story I'm going to spread throughout the nation. Never before have I seen any school willing to call in other members of the profession to evaluate methods and facilities.

"I believe I have received more from the evaluation than I have given This evaluation is the kind of thing that should be done in every state of the nation."

He told of visiting the rich plants and new facilities of Texas junior colleges recently, then added, "But I saw more than the fine buildings and plant; I saw the internal workings of the schools, and those schools are not doing any better job than is being done in Mississippi.

He prophesied that the Raymond junior college would be one of the real beauty spots of the nation in a few years, in addition to everything else it has to boast of.

"When I began my education one was lucky to have an education consisting of a few months of schooling each year through high school. Now everyone has the opportunity of free education through the 14th grade — and at Hinds, for only \$28.50 a month — I don't see how you do it — but you're fortunate."

Other educators taking part in the evaluation included S. A. Brasfield, department of education; B. L. Hill, state junior college commissioner; W. B. Hortin, Sunflower; S. C. Wallace, Jones; H. T. Huddleston, Copiah-Lincoln; R. C. Roberts, East Central; Mrs. Eva Ferguson, Forest Hill; Miss Lula Webb, Pearl River;

Hinds Tennis Teams Score Easy Victory Over Co-Lin Squads

The Hinds tennis teams scored a decisive victory over the net squads from Co-Lin here Tuesday aftermoon. Hinds won the first five matches and the last match, insignificant to the ultimate outcome, was called midway because of approaching darkness.

In the girls' singles match, Margaret Johnston blasted Jane Spiers in straight sets, 6-0 and 6-1. Roy Arnold took laurels in the boys' singles in a like manner, 6-2, 6-2, besting Charlie Gilbert.

In girls' doubles play, Lavell Nutt and Ann McGuffee topped Ruth Batton and Monzelle Wooten 62, 6-3, in the first match, while Johnston and Billie Burt won over Ruth Batton and Barbara Voskas 6-0, 6-1, in the second match.

The most hotly contested match of the series saw Runt Walsh and Billy Montgomery defeat Clayton Lingle and Mac Edwards. The Hinds team won the first set 6-4 and came very close to winning the second, finally succumbing 10-8, However, they rallied to take the match-deciding set 6-4.

The Hinds tennis team will play the Summit teams at Summit Friday afternoon.

High School Cindermen Play Second Fiddle In Triangular Meet

The Raymond High School track team placed second in the triangular meet held at Clinton Friday. Host team, Clinton, won the meet with the Mississippi Deaf School coming third.

Coach Louis Boteler was wellpleased with the showing of his thinclads and stated that he considered their performance excellent in view of the fact that this is the first time in four years that Raymond has fielded a track squad.

Those participating for Raymond were:

Girls: Peggy Rosser, Peggy Robinson, Peggy Holliday, Ann Shelton, Lou Kendricks, Margie Wooten, Alice McKinley, Jackie Andrews, Martha Gillespie, Mary McKenzie, Fay Buckman, Mary Nail, Bebe Epperson, and Nancy Arnold.

Boys: Ralph Butts, Wesley Mc-Farland, Dan Brewer, Gerald Mullins, Edward Adcock, Eddie Beasley, Perrin White, Tom Keith, Terry Worrel, Benjamin Banes, Jerry Smith, Ray Boyd, Julius Russell, John Broome, Carlos Zacarias, Harry Puryear, Cameron Ferguson, Billy Conlee, Gerald Chapman, Durwood Graham, Billy Weaver, George Oberhausen, Frank Boyd, Tommy Shirley, Raymond Tomlinson, Marion Aiken, and Billy Giardina.

Hinds Eagles Win Over Co-Lin In Season Opener

The Hinds Eagles scored in clusters to hand the Co-Lin Wolves a 15-6 shellacking in the Eagles' first conference game here Tuesday afternoon.

Southpaw Jimmy Hardy toiled the first seven innings to gain credit for the victory. The curveballing lefty limited the Wolves to seven hits in gaining his second successive victory. Ray Heard finished up and gave up one hit and no runs.

Mayes slapped a two-run homer to give Co-Lin the lead in the second inning but Hinds immediately tied the score as they bunched singles by Hardy and Fortenberry and two walks. The Eagles took the lead in the third on singles by Poe and Dubose and Ellis' double, good for three runs.

Hinds added four more runs in the next frame as Fortenberry walked, Knight singled, Cooper reached first on an error, and Graham singled.

The final blow came in the seventh stanza when Hinds counted five times. Ellis opened with a double and Hardy contributed to his own cause with a tremendous circuit clout to left-center. Brown and Knight followed with base blows and Cooper blasted one down the right field line for four bases.

Hinds will oppose the Millsaps Majors here Thursday afternoon and then will journey to Summit Friday for a clash there.

Eagles Rally Late To Down Millsaps

The Hinds Eagles shoved across ten runs in the last two innngs to down the Millsaps Majors 11-6 Thursday afternoon. It was the first game of the year for the Eagles.

Righthander Ray Heard hurled the first six innings for the Eagles and gave up all the Major runs on eight hits. Millsaps scored twice in the opening frame on a single, double, and triple and then put together four safties and a three bagger in the fifth for four more tallies.

The Eagles counted once in the fourth frame on Bob Smith's single and a triple by Freddie Knight. Then in the eighth, they exploded with a six-run rally to take the lead. Benton Fortenberry opened the rally with a triple after Joe Brown had grounded out. Smith singled him home and then Freddie Knight, Jaffa McCraney, Barney DeLaughter, and J. B. Middleton all drew walks to force in two runs. Jimmy Hardy singled in a brace of runs to tie the score and Brown followed with a double to score the tie-breaking marker.

Hinds iced the game in the ninth as they sandwiched three singles around a trio of walks for four more runs.

THE HENSONIAN

Eagle Star Wins Baseball Contract With Boston Team

Benton Fortenberry, an outstanding Hinds athlete for the past two years, has a baseball contract awaiting him as soon as he receives his diploma in May.

Fortenberry came to terms with Boston Braves' scout Robert Comstock late Monday afternoon and both parties seemed pleased with the agreement. However, contract terms were undisclosed.

Fortenberry was recently declared unfit for military duty because of a knee injury sustained in the past football season. However, the injury is not of the nature that would prevent his playing baseball.

The slugging outfielder will report to the Hartford, Conn., chiefs of the Class A Eastern League immediately upon graduation.

Campus Paper Wins Nobel Prize Award; Editors Off to Paris

Vivian Wadsworth and Robert Ferguson, co-editors of the HIND-SONIAN, campus newspaper, will travel to Paris, France on May 7 to receive the Nobel Prize in the field of journalism from Alfred Nobel, originator.

This is the first time a junior college has received such a recognition, and expenses for the two students will be paid by the State of Mississippi. They will be in France for two weeks for publicity reasons and make speeches concerning journalism and Hinds Junior College. Accompanying them will be Mr. Walter Winchell, famous news commentator of New York.

Various Vacation Interests Uncovered In Poll of Students' Summer Plans

By Vivian Wadsworth and Loof Lirpa

At the mention of "summer" everybody immediately thinks about vacations, and with this thought, I made a visit around the Hinds campus to discover the plans of the students for the summer months.

In the grill I ran into four guys who have just received word from Annapolis that they have been accepted and would enter the academy in June. The lucky boys are BILLY DUNGAN, HARRY FRANKLIN, CHARLIE BENNETT, and ROBERT SPARKMAN. What a vacation for them.

Sitting in an adjoining booth were ROY WHITE, ALICE RAN-EY, BOBBY HOLCOMB, and CATHERINE BROWN excitedly talking about their plans to go to Mexico in June. ROY, the spokesman of the group, said they were taking one of the Greyhound Bus tours and would spend two weeks in colorful Mexico.

In the Music Hall I heard music (naturally) from the band room and found J. B. HORN, BENTON FORTENBERRY, RACHEL EPPERSON, ALICE PICKETT, and LARRY WHEAT practicing on their instruments. When I asked them why they were so earnest in their work, one of them spoke up and told me they were going to a music school in Maryland for two months and have been invited to play for the state governor.

Because the music was a bit hard on my ears, I sauntered on to the library. Halfway over I spied two girls who were talking in low voices and turning my ear I heard them discussing their wedding plans. It was none other than JEAN HART and QUAY STRIB-LING. They have been secretely engaged for several months to two Hinds boys, JAFFA McCRANEY and FREDDY KNIGHT, respectively. Because this is all secret, don't repeat what you have just read. They are both planning to "get hitched" in June, at a double wedding. Their time will be spent over hot stoves and washing tubs.

Ambling on to the library I ran into one happy boy, TOMMY KING who had just received a letter from his girl in China, and he told me he was invited to spend a month in her country to work in her father's rice fields. Happy hunting to you!

Once inside the library I went to a table full of students who were trying to study but not too successful. When I asked them what their summer plans were, DAN MASH-BURN declared he was going on a European trip in his jalopy and, his two pals, RICHARD SMITH and GUS ALLEN would accompany him. Because the old car is amphibious, they are traveling to New York and then cross the Atlantic Ocean and will stop at France first. They plan to attend all the gay places in old "Paree" before passing on to Switzerland. The boys hardly expect to come back to America if they find a suitable job with a profitable income.

Perhaps the one person who will not enjoy the summer will be BIL-LY STENNETT, who plans to go to the hospital to have his tonsils, appendix, and adenois removed.

Controversial Hinds-Poplarville Clash Will Be Re-Contested in Charity Game

The 1951 contested clash between the Poplarville Wildcats and the Hinds Eagles will be replayed, according to Coach L. C. DeVall, Hinds football coach.

The game was played last fall and was questioned by practically all observers at that time. However, Coach DeVall made no protest until the recent meeting of

WRESTLER JOINS COLLEGE FACULTY

Miss Fredrica Bouncer Upgrate, professor of jiu jitsu and weight-lifting, will be on the Hinds campus for the last six weeks of school, according to Mr. M. F. Herring, dean of instruction. She will have classes in judo and weight-lifting for both boys and girls of the college division only.

According to Mr. Herring, Miss Upgrate, better known as Bouncer, will be "an excellent addition to the faculty."

Coach Renfroe Tells Baseball Schedule

For Coming Campaign

Kicking off the season with their game against Wesson Tuesday afternoon, the Hinds Eagles have taken to the diamond for a 10-game season in the southern half of the state, with the southern loop-leader to meet the northern leader for championship honors

The schedule has been announced by Coach Joe Renfroe as follows:

April 4, Friday, Summit, there; April 8, Ellisville, here; April 11, Summit, here; April 12, Pearl River, here; April 15, Ellisville, there; April 18, Perkinston, here; April 22, Wesson, there; April 24, Perkinston, there; April 25, Pearl River, there. the junior college presidents when he submitted his reasons for desiring a replay of the disputed match. After serious consideration, the presidents finally decided in favor of the Hinds mentor.

The protests were concerned with certain events occuring in the closing minutes of last year's game which was won by Poplarville 29-14. The timekeeper's stopwatch had broken earlier in the game and the last quarter time was being kept on a wristwatch. Hinds was in possession of the ball when the referee announced that there were four minutes of game time remaining. The Eagles ran only THREE plays and had moved the ball to the Poplarville one-yard line when the whistle sounded, ending the game. How four minutes could have passed so swiftly was something no one could figure out. But despite the groans of dismay the decision stood. Poplarville went on to win the JC crown.

The game will be played over as a charity game on November 11. "Nothing will be at stake but pride and nothing will be won except an argument," the presidents declared.

Diamond Men Get New Style Outfits

In keeping with modern trends, the Hinds baseball team will adopt a number of new features this year, Coach Joe Renfroe states.

The old long pants, always worn heretofore, will be discarded this year in favor of shorts which have been found to be lighter and cooler by a host of professional teams around the country. The Hollywood stars of the Pacific Coast League and the Mobile Bears of the Southern Association are teams that have worn the shorts and reported them favorably.

Also, the new baseball caps will be of lighter material with a large white "H" on the front. In addition they will be equipped with detachable sun-glasses for sunny days and an elastic strip in the back to help hold the cap in place when a player is running.

The new shirts will also be lighter and the long socks will be replaced by short ones with red tops. The standard shoes will be kept.

Coach Renfroe said that he had already ordered the new uniforms and that they should be here near April 10.

Hinds Girl Named To All-State Band; Will go to Mexico

Carolyn Milton, Hinds High school senior, has been selected as one of six state majorettes named to lead the Lions Club All-State Band, which is being sent to Mexico City this summer.

The majorette group includes 12 girls, six of them honorary majorettes from last year's group of majorettes and six selected this year from approximately 40 applicants.

The girls were selected on the basis of try-outs in Jackson on Saturday, March 29.

Carolyn, daughter of Mr. and Mrs. Jack Milton of Morton, enrolled at Hinds this year. At Morton she had been assistant editor of the Morton High paper, president of the band, and band reporter.

In drum majorette competitions held in connection with the state band contests she had twice won superior ratings in drum majoring. She was head drum majorette for the Morton band and holds the same position with the Hinds band. She also plays flute in the concert band and performs with the Hinds High Steppers.

TAYLOR, GILLESPIE WIN 4-H HONORS IN COUNTY MEET

Rosa Taylor and MarthaGillespie have won a trip to State College in the 4-H Club county competition, which was held at the Hinds county courthouse in Raymond,

Rosa was the winner of the canning projects and Martha took honors in the home improvement division.

Other entrants from the high school and their projects were:

Mary Will McKenzie, electricity; Mary Smith, foods; and Barbara Brummett, clothing.

Mrs. W. M. McKenzie is the sponsor of the local club.

TWO STATE GIRLS WIN PTK OFFICES

Two Mississippi girls were elected national officers of the Phi Theta Kappa Fraternity at the convention which was held at Gulfpark College on April 3-5.

The girls, Barbara Hutchins of Copiah-Lincoln Junior College, was named historian, and Ann Richards of Gulfpark College, was named as one of the vice-presidents.

La Junta Students Visitors on Campus After P. K. T. Meeting

Nine students from La Junta Junior College, Colo., were overnight visitors on the campus April 6. The group, members of Phi Theta Kappa, had just returned from the national convention in Gulfport, April 3-5.

They include Ted Dunning, president; Beatrice White, vice-president and program chairman; Lynette Collins, secretary; James Marble, treasurer; and Dot Brewer and Margie Wooten, house committee.

Hinds' Plans to Offer Flight Training Progress With Purchase of Trainer

Plans to make flight training available for Hinds Junior College students moved toward completion last week with the purchase of a three-passenger Piper Super-Cruiser, according to Mr. Kennis Bryant, airplane instructor in the vocational training department.

I. R. C. to Have Party Thursday in Jackson

The International Relations Club will have its annual second semester party tomorrow night. They will go to a movie in Jackson and have a picnic at Riverside Park. Accompanying the group will be Miss Lula Mae Fowler and Mr. J. R. Harris, sponsors.

Band, High Steppers Invited to Memphis

Members of the Hinds Junior College Band and the Hinds High Steppers have been invited to take part in the Cotton Carnival in Memphis, according to Miss Jean Lancaster, Hinds band director. The carnival will be staged the week of May 11-17.

The plane was purchased on acceptance of a bid from the Madison Aircraft Corporation, Madison, Miss. It will be used in flight instruction and in transportation of school personnel, Mr. Bryant said. The instruction courses will be set up in approximately 30 days, he

A cabin-type, single motor, high wing monoplane, the plane has a cruising speed of 110 miles per hour with a six-hour cruising range. It is equipped with two-way radio for communication and navigation.

The proposed flight-training will be under the instruction of Mr. Bryant, a licensed instructor in airplane and engine mechanics and pilot. Cost of the course has not yet been determined. It will be open to anyone over 16 years of age and meeting CAA requirements, which provide that anyone under 21 must have the written consent of his parents.

Students may earn a solo license after 10 hours of instruction, a private license after 40 hours of instruction, and a commercial license after 200 hours of instruction. The training includes navigation and meteorology as well as flight training and other CAA approved instruction.

Training will be offered at the John Bell Williams Airport, located four miles from the school campus. One may reach the airport by driving north from the Raymond town square or south from Clinton on the Clinton-Raymond Road and following signs designating the route.

Band Performance Slated Monday

School and town people are being invited to attend the annual Hinds Junior College Band Concert, scheduled Monday night in the college auditorium at 7:30 o'clock, according to Miss Jean Lancaster, band director.

The program of varied types of music opens with "March Emblem of Unity" by Richards, followed by the "Eroica Overture," which includes themes from Beethovens Third Symphony.

Two students who began band work this year will be presented in a novelty number, "The Cricket and the Bullfrog." The two are Rose Persons and Theresa Cox, playing the bassoon and the flute.

Other concert number include "Cabins, An American Rhapsody," by Gillette; "Das Pensionat" by Von Suppe; "Pavane' by Morton Gould; "Carniva of Venice," a concert solo arranged by Saigers, played by Joe Terry; and Sousa's

Easter is Time for Serious Thinking

In this Easter season our thoughts should be turned to the spiritual meaning of the holiday. We should forget about the bunnies, eggs, and great fun we are expecting during the time, and remember the great significance - that Christ died for us.

The Resurrection story is one of the most beautiful in the Bible. It tells how Mary Magdalene went to the sepulchre on the first day of the week, only to find that the stone was rolled away and the Lord had gone. What an empty feeling she must have had! When, she met Jesus she did not immediately recognize him, but after she was given something to do, that was satisfying evidence to her. Jesus showed many signs to his disciples, as recorded in John 20. Great were his words to Thomas, when the disciple stated that he would believe Christ had risen only when he had seen the nail prints. He said: "Thomas, because thou hast seen me, thou hast believed: blessed are they that have not seen, and yet have believed."

Jesus' resurrection was the rising up of His body out of death. His body was changed to one that was lifted to a higher plane of life. It became superior to what it had been. We have been assured that ours will be changed and we will be like him.

In his "Easter Message," Charles Hesselgrave has said, "Easter proclaims that man shall overcome all his foes, including death itself. His pathway may lead him through the sorrows of Gethsemane, the pain and darkness of Calvary, nevertheless his winter of distress will yet turn to the spring of delight, defeat will be forgotten in the joy of final victory, and the life of the spirit will rise in glory from the shadows of the grave."

-Wadsworth.

THOUGHT FOR THE WEEK . . . G. M. McLendon

As we approach the Easter season, the ladies are giving thought to their new finery. But a fine pair of nylon hose will run and be ruined if a single thread of silk breaks. We can carry this figure of speech into our everyday life. Let us be careful that we are not the single thread that breaks and ruins something fine.

DATES ANNOUNCED FOR ANNUAL CAMP

The second annual Hinds Junior College Band Camp is being announced this week, with dates set from July 6-20, according to Miss Jean Lancaster, band director.

With a much larger faculty and an expanded recreational and instructional program, the camp will offer training in three bands of sixty members each.

The first band will be made up of students who have played one year; and the second and third bands will include advanced students, who will be placed by tryouts, Miss Lancaster said.

Students must be recommended for the camp, as they were in the first band camp. However, applicants will be limited on the basis of instrumentation on a first applied-first accepted basis, Hinds director said.

The training program includes section rehearsals and drills for all instrument sections: courses in music appreciation, in theory, in conducting, in twirling, in dance band routines, and ensembles.

The recreational program will be expanded to include almost any recreation in demand.

FERGY'S FIKSHUN

By ROBERT FERGUSON

Coach Joe Renfroe's baseball machine has been clicking right along so far this spring. As things look now, the Eagles will have power to spare at the plate this year and probably have the best balanced pitching staff seen here in many seasons. Several of the hurlers have been throwing the ball exceptionally well this spring. The team lacks one ingredient toward becoming a pennant winner and that is experience. The Eagles may have picked up enough experience this spring to dispose of those costly errors. With the hope that the team will become a smooth working fielding unit, I'm going to stick my neck out and predict that the Eagles will capture the state junior college championship this

The Dayton University Flyers recently picked an all-opponent team for the year. Former Hinds athlete and present-day Mississippi Southern star performer, Nick Revon, was named on the first five. This was one of the greatest honors that any basketball player in the country could gain since Dayton was a finalist in the National Invitational Tournament. Some of the nation's top all-Americans performed against the Flyers during the course of the year I guess that shows just how good little Nick is.

Two Students Enroll For Trades Training

Two new students have enrolled in the Hinds vocational trades training department, according to Mrs. C. M. Burleson, co-ordinator's secretary. They are Willard Parker, from McHenry, Miss., in barbering school; and Clyde D. Holt, from Bolton, in the auto mechanics night class.

Y-Teen, Hi-Y Discuss **Boy-Girl Relations**

"Boy and Girl Relationships" was the topic of discussion, when, the Y-Teens and Hi-Y met together on Wednesday, April 2, at activity period. Mrs. Albert Mashburn, Raymond, spoke on the mothers point of view, and Janie Mashburn and Tom Shirley took the girl and boy points of view. The students attempted to settle problems between the boys and girls.

Hinds Band Presents Two School Concerts

Under the direction of Miss Jean Lancaster, band director, the Hinds Junior College Band presented concerts at Raymond Consolidated School and at Bolton School Wed-

Spring is here again and young students' minds seem to wander from thoughts of study and gaining intellect. The baseball field, track, and tennis courts seem to be much more popular hangouts for the students than the classrooms or the library. Well! I wonder why?

It was good to see James Ratcliff on the campus a few days ago. "Rat", as he was known to most Hinds students, was an outstanding student at Hinds during the first semester. He was sophomore class president and president of the student council. He also did a fine job of quarterbacking the Eagle gridiron machine this past season. Hes now enrolled at Delta State and will be wearing the Greenies colors to the gridiron wars next fall.

We are glad to see visiting high school seniors on the campus this week and we hope that they will like Hinds as well as we do. You'd better get used to all those new faces because they may make up the Hinds student body next year. Let us say, if we haven't said it before, welcome visitors!

Seeing Prof. T. T. (Buggsy) Beemon pass the door reminds me that I have to go out and pay my \$2.00 down payment on this year's annual. All you chillun had better go and do likewise because that's going to be a real good annual this year. Hurry! Hurry! Don't wait too long.

P. T. K. MEMBERS ATTEND MEETING HELD AT GULFPORT

Twelve members of the Hinds chapter of the Phi Theta Kappa attended the national convention at Gulfport, April 3-5, according to Miss Gertrude Davis, sponsor.

Besides attending various business meetings and a student forum the group had supper on the sands of the Gulf, toured Ship Island, and were entertained with a banquet and formal dance.

Making the trip besides Miss Davis were Kyrous Gunter, Larry Philyaw, Bobby Trotter, Miss Mildred Herrin, Charles Brown, Alice Raney, Juanita Holliday, Sylvia Scott, Mary Ann Presley, Rachel Epperson, and Rose Parsons.

Next year's convention will be held at San Antonio, Texas, during the "Fiesta Week" in April.

10TH GRADE PANEL TALKS ETIQUETTE

A panel discussion on etiquette was the program for the tenth grade at the regular class meeting on Monday, April 7. Lead by Mavis McNeill, the panel consisted of Bebe Epperson, Cameron Ferguson, and Rosa Taylor.

Plans for a party at the Raymond lodge was also discussed at the meeting.

Pre-Christian Pagans Gave Parade, Bunnies to Today's Easter Customs

Where does the word "Easter" come from? Why has the bunny become Easter's symbol? What started the Easter egg custom? Why do people send Easter cards? What started the Easter parade?

It all goes back hundreds of years. Americans, on Easter Sunday, just four days from now, will be continuing customs — aside from religious worship — which to some extent had their beginnings with pagan habits.

Our modern Easter parade goes back to the annual spring processions of ancient China, when richly gowned manderins haughtily displayed their best robes. The American Indians also donned new moccasins and buck-skin ensembles for their springtime ceremonies

Primarily, however, the Easter parade probably is an outgrowth

Clinton Professor Talks on Elections

Dr. W. M. Caskey, professor of social science at Mississippi College and author of several books, was guest speaker in Mr. E. E. Morris' American government class here Monday.

His subject was "Nomination and Election of the President."

Prior to entering the field of education, Dr. Caskey served as mayor of his city and president of his home town bank in Louisiana. He received his B. A. from Tulane University, his M. A. from George Peabody College for Teachers, and his Ph. D. from Vanderbilt University.

Mr. J. B. Patrick's U. S. history class also attended Dr. Caskey's lecture

of the universal desire to "spruce up" at a time when all nature blooms with new life.

As for the word, "Easter," Christian converts in northern Europe found it hard to give up their belief in Eostre, beautiful pagan goddess of spring — whose name survives.

And the Easter bunny? According to ancient legend, Eoster was especially fond of children. Knowing that a rabbit is one animal youngsters are not afraid of, she magically changed her pet bird into our familiar Easter bunny. Thats why Mr. Hippety-Hop still fills nests with colored eggs — as birds do.

High School Players To Present Comedy, 'The Adorable Imp'

"The Adorable Imp," a three act comedy, will be presented by the high school dramatics club on April 29 in the college auditorium.

The ten characters in the second high school production are:

Hortense Hostetter — the maid who "sees all' "hears all," and "tells all"—Barbara Brummett.

Betty Lou Gordon — who nurses an aching heart — Nancy Arnold.

Mrs. Abby Simpkins — her maternal grandmother — Joann Burkett.

Brian Barclay — the widower who lives next door — Raymond Tomlinson.

It's been said that the younger generation is more intelligent than ever before, but since some students at the University of Oregon were given a general information test, one wonders if the above statement is true. Here are some of the amusing answers given:

Hmmmmmm ...

Students at the University of Miami are being pressured to stop humming the Alma Mater and start singing it.

Somebody set up the CEAMH, short for committee of Elimination of Alma Mater Humming. The aim is to teach students the words to the school song.

The senior class of Carr Central, Vicksburg, is presenting its senior production on April 25. The comedy they have chosen is the outstanding "Father of the Bride." If any of you are up that way that Friday night (eight-fifteen, to be exact), drop by the school and see the play. It will be good, I'll bet!

Boys Town has won two titles recently, according to the Boys Town Times, which includes winning the state (Neb.) title in swimming and running second in the wrestling championship.

Freshmen to Elect New Class Officers

Monday, April 14, all freshmen are requested to meet in the auditorium to elect the president of the sophomore class for next year. In addition, three council members will be elected, according to Miss Mildred Herrin, sponsor.

Raymond High School To Have Guests Soon

Ninth graders of Raymond and tenth graders of Bolton will be guests of the tenth and eleventh grades of Hinds High school at a play day on April 16.

Hinds Debate Team Gleaning Knowledge of Wages and Prices

Hinds Junior College debaters, under the direction of Miss Ruth Boyd, debate coach, won decisive victories in two junior college conference debate competitions. Shown working on their speeches are (left to right) Pat Nowell, Robert Lee, Joe Boyd, Miss Ruth Boyd, William Davis, Jack Mullens, Melvin Bishop, Bonne Shackleford, and Bobbie Davis.

Eagle 9 Wins Over Millsaps, Summit; To Face Summit, Perkinston this Week

After downing the Co - Lin Wolves Tuesday afternoon the Hinds Eagles went on to take two more diamond contests last week, downing the Millsaps Majors in a return match, 11-9, and topping the Summit Bears 12-6.

In Thursday's contest with Millsaps, an abbreviated seven-inning affair, the Eagles jumped into a three-run lead in the first inning on four walks and three base blows. However, in the third inning, Millsaps capitalized on five Eagle miscues to score six runs on Hinds starter, Joe Brown. Hinds immediately retailated in the fourth as they pushed over six runs on three walks, three hits, and an error to gain a lead they never relinquished.

Joe Brown worked the first four innings for Hinds and was the winning pitcher. Billy Cooper led the Eagles at the plate with three hits in four times at bat.

Against Summit Friday, the Eagles coasted to victory behind the six-hit hurling of righthander Bill Graham. Graham recovered from a three-run outburst in the first inning and solenced the Bear bats the rest of the way, thus becoming the first Eagle moundsman to go the distance this season.

Hinds iced the game in the third frame as they blasted Summit Southpaw Sherley Poole for nine runs. The Eagles collected a total of twelve hits off Summit pitching. Bob Ellis led with three bingles in five trips to the plate

After a game with Ellisville Tuesday, the Hinds squad will meet Summit again on Friday and then will oppose the Perkinstonnine Saturday.

Tennis Matches

Two tennis matches have been scheduled for the Hinds courts in the near future, according to Mr. Eddie Morris and Miss Betty Smith, tennis coaches. The Hinds netters will oppose Summit here on April 11 and Perkinston here on April 18.

Slugging Eagles

At this writing, the Hinds Eagles have averaged a little better than 12 runs per diamond contest, which is pretty fair scoring in any league. In four games Eagles runners have crossed the plate 49 times while opposing players have dented the platter only 27 times.

Roses Department

A brief word of commendation goes to Coach Louis Boteler on his efforts both as an athletic mentor and as a physical education instructor. The likable coach is somewhat of an oddity in this world of winners, since he places stress more on youth participation than on victories. In addition, his physical education classes have given many students an insight into a number of different sports. Coach Boteler's agenda thus far has included volleyball, badminton, basketball playing and officiating, boxing, and tumbing.

Prospective Students

Jack White and Ray Robertson, two recent graduates from Crossroads High School, have joined the Hinds campus. The two boys are at present working on the campus but they are planning to enter summer school here. A cordial welcome is extended to them

Patrick Attends Meet

Mr. J. B. Patrick, Hinds instructor and high school athletic director, dismissed his classes Friday afternoon in order to attend the track meet at Clinton in which Raymond was competing. "Mr. Patrick's interest served as a real inspiration to the track team, but

they still wondered how he found time since he seemingly has become such a great lover of late," Mr. Boteler says.

Incredible As It Seems

A word of appreciation might be extended to Billy Juenke, Reynold Ledet, and Ralph Faulkinberry who spent the weekend rolling the track and getting it in shape for the coming meets here. They really worked hard.

Hinds Baby Eagles Lose to Redwood In First Game of Year

After suffering a 15-0 defeat at the hands of Redwood in their opening diamond engagement, the Raymond baseball team will play two games at home this week. They meet Utica Wednesday afternoon and Edwards on the following day. The games, played on the Hinds field, will begin at 1:30.

In the Redwood game, Wesley McFarland started on the mound for Raymond and took the loss, although he gave way to Billy Giardina in the fifth. The two combined gave up only six hits, but the Redwood pitching held Raymond to one hit, a single by Billy Conlee.

Coach Boteler declares that his team is still green and a little under par in hustle, but that they will improve.

The Raymond players are:

Pitchers — Wesley McFarland and Billy Giardina, catcher—Doug Brewer, first base—Bill Weaver and Edward Adcock, second base—Billy Conlee, third base — Ralph Butts, shortstop—Jerry Smith, —left field—Gerald Chapman, center field — George Oberhausen, right field—Perrin White.

Others working out daily are Tommy Keith, Harry Puryear, Eddie Beasley, Benjamin Banes, Cameron erguson, Marion Akin, and Manager Tommy Shirley.

Jones Tennis Teams Drop Meet to Hinds

The Hinds tennis teams took their third straight win here yesterday as they downed Ellisville in six out of eight matches.

The scorecard showed:

Margaret Johnston dlefeated Peggy Herrington in singles 6-0, 6-1; Billie Burt and Lavelle Nutt topped Doris Simmons and Alecia Landrum 6-1, 61, in a doubles match; Ann McGuffee downed Myra Shoemaker 4-6, 6-1, 6-1; Roy Arnold triumphed over Charles Stafford 6-3, 6-2; Runt Walsh and Billy Hugh Montgomery vanquished James Huff and L. D. Ready 6-4, 6-4; Montgomery beat Stafford in another singles affair 6-3, 6-4.

The only Hinds losses were by Billy Irby who fell to A. D. Red dock in singles 6-1, 6-3, and John Lawrence and Bobby Bailey who lost a doubles match to Billy Murphy and Kent Gordon 4-6, 8-6, and 6-4.

The Hinds net team is thus far undefeated.

Hinds Tennis Teams Best Summit Squad

The Hinds tennis squads took their second team victory in a row Friday afternoon as they bested the netters from Summit. The Hinds team took five of the eight matches to gain the decision.

Margaret Johnston took the girls' singles match, defeating Addie Thompson in straight sets 6-3, 6-3. Ann McGuffee and Billie Burt dropped the girls' first doubles match to Mary Rhed and Mickey Delaney, 3-6, 2-6; but McGuffee and Lavelle Nutt came back in the second doubles match to down Sue Smith and Sally Burrough, 6-1, 6-1.

Margaret Johnston and Roy Arnold also took the mixed doubles match, as they won over Mary Rhed and Overlar King,

The boys singles saw Roy Arnold lose to Overlar King, and Billy Irby suffer defeat also. Runt Walsh and Billy Hugh Montgomery defeated the Summit doubles team, and Walsh also won a singles match.

HJC Thinclads To Have Entries In District Meet

With two track meets under their belts the Raymond High track team will enter the district track meet this week at Clinton, according to Mr. Louis Boteler, high school coach.

Both the Raymond boys and girls placed second in a recent triangular meet and last Friday they both placed fourth in a six-team meet.

Despite the fact that many of his performers are on a track for the first time, Coach Boteler states that he is well pleased with the showing they have made so far and that he expects to give someone some real competition in the district meet

Those competing for Raymond will be:

50-yard dash—Martha Gillespie and Lou Kendricks.

75-yard dash—Mary McKenzie and Peggy Holliday.

Broad jump—Kendricks and Mc-Kenzie.

Baseball throw—Kendricks and Jackie Andrews.

Peggy Rosser, Bebe Epperson, Nancy Arnold, and Ann Shelton will also be on hand. Boys:

100-yard dash — Jerry Smith, Gerald Chapman, and Perrin White.

220-yard dash—Smith, Chapman, and White.

440-yard dash—Billy Conlee. Half-mile—John Broome.

Mile run—Billy Giardina.

880 relay — Chapman, Smith, White, Conlee, and Ray Boyd.
Mile relay—White, Conlee, Boyd, and Smith.

Low hurdles-White.

High hurdles—Edward Adcock. High jump—Julius Russell.

Broad jump—Russell and Boyd. Pole vault—Russell and Marion Aiken.

Discus—Butts.

Hinds Baseballers Top Ellisville Team In Long Battle to Remain Undefeated

The Hinds Eagles pulled the fat out of the fire three times here yesterday to outlast the Ellisville Bobcats 8-7 in a fourteen-inning marathon.

The Eagles blasted across three runs in the fatal fourteenth frame to give Walter Waldrup, the last of four Hinds hurlers, his first victory of the year. Waldrup succeeded starter Bill Graham, Jimmy Hardy, and Robert Sainz.

Hinds scored once in the second stanza on singles by Ellis, Hardy, and Knight to gain a lead they held until the sixth when Ellisville took advantage of Eagle errors to score twice. The Bogcats added two more runs the next inning and led 4-1 going into the last of the

eighth. In that inning two tallies crossed the plate as the Ellisville third-sacker booted Poe's grounder. Hardy then singles Poe across.

Ellisville scored again in the tenth but in the bottom half of that same frame Benton Fortenberry slapped a four-bagger over the left-fielder's head to again knot the count.

The Bobcats counted twice more in the fourteenth and seemingly had the game won until Poe singled across Brown and Smith to tie the game again. Then after Ellis walked, Waldrup grounded to shortstop and when the latter attempted to get Ellis Poe scored the winning run.

It was the fifth straight victory for Coach Joe Renfroe's nine.

HERRING ATTENDS MEETING TO STUDY SCHOOL PROBLEMS

Mr. M. F. Herring, dean of instruction, left today on the City of New Orleans for Chirago, Ill., to represent Hinds Junior College at the seventh annual National Conference on Higher Education.

He will participate in two panel discussions at the conference, "Correcting the Imbalance in the Supply of Elementary and Secondary Teachers," on Thursday, April 17, and on the following Friday, "The Impact of Student Organizations and Activities Upon the Moral and Spiritual Climate of the Campus."

Sophomores Sponsor Picture Show Tonight

Seeking to raise funds for their class party, the sophomore class is presenting a motion picture show, "Sahara," starring Humphrey Bogart, in the college auditorium tonight

Admission will be 25 cents.

HJC Staff Members To Evaluate Perk

Three Hinds Junior College staff members will leave next week to participate in the evaluation at Perkinston Junior College. Those making the trip are Mr. G. M. Mc-Lendon, president; Mr. M. F. Herring, Dean of Instruction; and Mrs. Gertrude Rowzee, college librarian.

State Junior College Press Meeting Scheduled On Campus This Weekend

Hinds Junior College will be host Friday and Saturday to the annual spring meeting of the Mississippi Junior College Press Association, when approximately 50 staff members and sponsors of Mississippi junior college newspapers gather on the campus for

two days of entertainment and an evaluation of their year's work.

Highlight of the convention will be judging of the junior college newspapers for the year, and the awarding of the M. J. C. P. A. Trophy to the winning paper.

Robert Ferguson, coeditor of the HINDSONIAN, and president of the state press group, has secured three outstanding judges for the event, he reports. These include Mr. Kenneth Toler, Mississippi representative of the Commercial Appeal; Professor Leo Muller, head of the journalism department at Mississippi Southern; and Van Cavett, student editor of the Millsaps College Purple and White.

Delegates will also have a guided tour of the Jackson Clarion Ledger plant Friday afternoon, a general assembly program that night, and a party in the Eagles' Nest.

Earle Johnston, editor of the Scott County Times, will deliver the principal address at the Friday night meeting; while Mr. Muller of Mississippi Southern will deliver the featured address Saturday morning.

Mr. Johnston is past president of the Mississippi Press Association, served during the war as state (Continued on Page 3)

Six Students Maintain "A" Average; Sixty-Nine Make Largest Honor Roll

Sixty-nine students, the largest group this year, earned special honors or honors at Hinds Junior College for the six weeks term just completed, as students began preparations for final examinations, now only 17 school days away.

County 4-H Rally to Draw 500 Friday

Approximately 500 Hinds County 4-H Club members will gather on the Hinds Junior College campus here Friday for their 1952 Club Rally Program, according to county 4-H leaders.

Arriving at Raymond at 9:30 that morning, the 4-H groups will parade at 9:45, with bands from Hinds Junior College, Clinton, Forest Hill, and Byram invited to join the parade.

At 10:15 that morning the groups will assemble in the Hinds Junior College Auditorium with Dave Montgomery, president of the Hinds County 4-H Council, presiding.

The assembly program will include a welcome address from

President G. M. McLendon of Hinds, a response by Amos Jack Gray, vice-president of the 4-H Council; a devotional, led by Karlene Stafford, vice-president of the 4-H Council; and a roll call by Mary Jo Newsome, secretary of the 4-H Council.

Following the roll call Mr. Edward A. Khayat, banker of Pascagoula, will deliver the inspirational address. A picture show at 11:10 and announcements will conclude the morning session.

Club members will assemble for lunch at 11:45, and Mr. Crymos Pittman, chairman of the Hinds County 4-H Advisory Council, will present awards. The program will conclude at 12:30.

Youth Should Study Democracy

On April 24, thousands of young men across the nation will be taxing their brains on the Selective Service College Qualification Test. Students at Hinds, too, will be taking the examination. Some will pass, and then, too, a great number will not.

We do not question the fact that the country is now in a serious condition; but we also do not question the fact that the situation will continue to be serious so long as the country is filled with officials who have their own selfish interests at heart and do not hesitate to bring us to this condition — even to throwing away with reckless abandon the lives of boys who do not know what they are fighting for.

Just what is the situation? We can't honestly say. The President says we are not in a state of war. This is a "police action." Yet the President has taken steps to seize private industry just as would be done in time of bitterest war. He has attempted censorship of America's freedom of speech and freedom of press — a censorship that is succeeding more effectively than one realizes. It is a censorship at the source of news. We can still say and print what we will; but if one cannot discover the facts, then nothing critical or thoughtful can be said or written on controversial issues.

These boys taking the College Qualification Test, those who are only postponing their service in the Armed Forces if they pass, and those who may be going into the Army sooner if they fail and their grades fall, deserve to know the truth about the situation.

These boys and the rest of America's citizens want a chance to lead a normal life in the line of work they choose. This can never be done with the shadow of a war hanging over their heads — a war whose cause, conduct, and outcome apparently cannot be told them, since it might embarrass some present or future political figure.

America still has most of its basic freedoms. Yet, although we still have the best government in the world today, our freedom can slip from our grasp as we unwittingly elect corrupt government officials to office.

Why is all this written to students, most of whom cannot even vote? It is written because we young people will have to fight to preserve our rights if necessary and we should surely be aware that we can lose them even without a war.

If every young person in America would learn, through observation, and study how to preserve our basic freedoms, our country would rise quickly over the threats of Socialism and Communism and the youth would not have to give their lives because of the whims of a chosen few.

Freshmen, Go To Polls!

by Robert Ferguson ----

We'll welcome visitors from some ten junior colleges throughout the state this week end when the Mississippi Junior College Press Association convenes on the Hinds campus. Besides working toward a better standard of newspapers in the junior colleges, the M. J. C. P. A. promotes a feeling of friendship among the schools. We just know that you'll show these visiting students and newspaper men that Hinds Junior College is the friendliest school in the state.

Yes sir! Hinds Junior College is really getting on the map. A post office is being put in the front of the recreation hall. Some day your letters might even be addressed to Hinds Junior College, Hinds Junior College, Mississippi, instead of Hinds Junior College, Raymond, Mississippi.

Emmett Anderson was a visitor on the campus Monday. He was graduated last spring and later attended Millsaps College. He has recently been called to active duty for the Naval Reserve, and is now on his way to his assignment. It was nice to see Emmett again and we wish him luck with his career sailing the seas.

Let me urge that every member of the freshman class go to the polls and vote for his student council members and class president. You will be notified as to the time and place of the voting, so watch for notices. The only way that the true student sentiment can be expressed is at the polls, where every person has an equal voice. This is probably the most important election in which the freshmen will vote.

Remember, when you cast your vote, have a great deal of conscientious thinking behind it. If you do this, the whole school will profit by it, because these officers will be able to assist in the progress of the college.

Although we have television to some degree of success on the Hinds campus now, next year we should be able to get much better reception due to the fact that the freeze has been lifted on television channels. Jackson will get three channels. Who knows? Next year all dormitory rooms may be equipped with TV sets. Seriously, though, we understand that the new inter-com system in the new buildings can be converted to T. V. if it ever becomes advisable.

HJC Pupils Like "Ike" for President; Doug Mac Arthur Runs Near-Second

If HJC students could vote in the coming national elections, General Dwight Eisenhower would be our next president, with General Douglas MacArthur a close second, according to a straw vote conducted by Babs Denton for the HIND-SONIAN.

Like their elders, Hinds students, too, had a favorite son candidate. He was Billy Price, college sophomore from Utica, who tied with Senator Estes Kefauver of the coonskin cap and TV fame for fourth place.

Bell Representative To Interview Students Seeking Employment

Beginning salaries ($7\frac{1}{2}$ hours per day for five days a week) seem to be \$154 a month, Miss Herrin said. Salary increases apparently make it possible for one to earn a maximum, after promotions, of \$245 to \$291 per month.

placed third in the balloting; while the Dixiecrat candidate, Russell, who now leads in the national campaign on the number of pledged delegates, placed fifth in the Hinds voting.

The incumbent, President Harry S. Truman, received write-in votes to hold sixth place in the poll. Governor Adelai Stevenson received no votes.

The poll included 10 per cent of the student body at Hinds, with the number of students voting based on college, high school, and vocational enrollments in proportion to the total enrollment.

A number of students, apparently without political beliefs, cast write-in votes for friends. These writeins named Joe Boyd, Richard Newkirk, deCelle Anderson, Tommy King, and Bob Harleston.

Percentages of votes were as follows: Eisenhower, 26 per cent; MacArthur, 19; Robert Taft, 13; Kefauver and Price, 10.5 per cent each; Russell, 9 per cent; Truman, and others 12 per cent.

Rankin County Seniors Visit Campus In Most Eventful Visitation Day Yet

Hinds Junior College welcomed 67 Rankin County high school seniors Monday in one of the most eventful visitation days held so far this year. Students were present from Brandon, Pearl, and Florence High Schools.

A cross section of the students that toured the Hinds campus, showed that only 30 of the 67 knew definitely that they would attend college next year. Of the remaining 37, 28 were undecided as to whether or not they would attend college next year.

Of the students who intend to go to college next year most seem to prefer Hinds. Of 25 students who expressed a preference in colleges, 17 named Hinds, four Millsaps, two Mississippi College, two Mississippi Southern, and one the University of Mississippi.

Visiting students from Brandon were: Charles Aldridge, Jimmy Corley, Tommy Price, Jerry Terry, Shirley Patrick, Rita Sowell, Charles St. John, Etoile Sharpe, Marvin Wynn, Pat Beech, Martha Collum, Sadie McKay, Glenn

The casual handshake has replaced the goodnight kiss at the door of the women's dormitory at the South Dakota State College, according to a new ruling.

"It isn't the idea to completely prohibit the traditional good-night kiss," says the dean of women, "but to curb prolonged half-hour demonstrations at the door."

The Maryland Diamondback, University of Maryland, thinks there is subtle analogy between women and tobacco. It declares:

"Sophomores want their women to be like cigarettes, slender and trim, all in a row, to be selected at will, set aflame, and when the flame has subsided, discarded only to select another.

"A junior wants his woman to be like a cigar. They're more expensive, make a better appearance and last longer.

"A senior wants his girl to be like his pipe, something he becomes attached to, knocks gently but lovingly and takes great care of at all times.

"A man will give you a cigarette, offer you a cigar, but will never share his pipe."

Summit Bears Hand Eagles First Loss; Sherley Poole Gains Credit For Win

Summit Southpaw Sherley Poole survived a shaky start here Friday afternoon and went on to hand the Hinds Eagles their first defeat of the season 10-5.

Poole was touched for five hits and three runs in the first four innings, but he got stronger as the game progressed and held the Eagles to two singles in the remaining stanzas.

Meanwhile Hinds hurlers were the victims of miscues and bad luck as two big blows paved the way for the Bruin victory. One came in the fifth inning when Freddie Knight let Treadwell's fly ball drop through his hands with the bases loaded allowing three runs to score. The other was in the eighth when Jimmy Hardy grooved one to Tiffie, and the big catcher blasted it deep into leftcenter for a three-run circuit

Summit began the scoring in the opening frame as errors by Poe and Middleton gave them two runs. Hinds scored once in the second as Poe singled and came around on two wild throws. They tied the count in the third as Sainz tripled and scored on a wild pitch, and went ahead the next inning when Poe tripled and Knight singled him home.

However, Summit rallied for four runs in the fifth to take a lead they held the rest of the way. They added another run in the seventh, and Treadwell clinched it in the eighth with his roundtripper. Hinds added single tallies in the seventh and eighth.

Robert Sainz started on the mound for the Eagles and took the loss. He was succeeded by Jimmy Hardy in the fifth and Bill Graham in the eighth. Tom Poe led Hinds at the plate with three safeties, including two triples.

Nimble Netter

For our money, Margaret Johnston is a good bet to take top honors in the girls' singles at the state tournament this year. The talented tennis player, who hails from Clinton, has bowled over all opposition thus far with none of the scores too close. While at Clinton Margaret teamed with Melvie Landrum to win the state championship in girls' doubles, but she is playing singles this year and will probably perform in that capacity at the state tournament. Let's hope this doesn't jinx her. The tournament will be held May 2-3 at Perkinston.

Last week's HINDSONIAN carried an article (written by some idiot) which stated that the Hinds baseball team would play Perkinston last Saturday. Well, it wasn't Perk at all; it was Poplarville. But it's all straight now. Hinds will play Perkinston this Friday afternoon here at Raymond. Apologies for the slip are extended.

HJC Tennis Team Wins Over Summit; Remains Undefeated

The Hinds Tennis teams remained in the undefeated bracket Friday afternoon as they defeated the Summit netters in a return meet. The charges of Mr. Eddie Morris and Miss Betty Smith took four out of five matches to gain the decision.

The summary:

Margaret Johnston of Hinds defeated Addie Thompson, 7-5, 6-1. Lavell Nutt and Ann McGuffee of Hinds downed Mickey Delaney and Mary Rhed, 0-6, 8-6, 6-4, in a hotly-contested match.

Roy Arnold and Margaret Johnston of Hinds topped Addie Thompson and George Knox, 6-4, 7-5, in a mixed match.

Billy Hugh Montgomery and Runt Walsh defeated Frank Foster and Ashley Ingram of Summit,

Roy Arnold of Hinds lost to Ovelar King, 8-6, 6-1.

Reader's Digest relates the following story about brainy athletes:

It seems there was a football player in a large university who knew so little English that his teacher refused to pass him anymore. But the instructor finally consented to give him consideration if he would spell one word Correctly. The student moaned at this harsh test so it was finally agreed that he would get by if he got just one letter right. They decided "coffee" would be the word. On the appointed day, the boy stood up and confidently began to spell K A U P H Y. He flunked the course.

Hinds Paper Takes First Place

HINDSONIAN, weekly newspaper published by students of Hinds Junior College and edited by Vivian Wadsworth of Jackson and Robert Ferguson of Learned, was selected as the best-all-round junior college newspaper of the Mississippi Junior College Press Association Saturday as the association concluded its two day meeting here.

Second honors went to the BULLDOG BARKS of Perkinston and third place to the TOM-TOM of East Central, Decatur.

Shirley Upton of East Central, Decatur, was named as president of the association for the coming year; along with Wally Sherwood, Holmes, vice-president; and Celeste Broome, Pearl River, secre-

Opera to Headline **Musical Program**

An opera and choral program has been scheduled at Hinds for Sunday, May 4, at 3:30 o'clock, according to Mr. LaVann Robinson, music instructor at Hinds.

Highlight of the afternoon's program will be the presentation of "The Telephone" by Minotte, a short humorous opera starring Norma Owens and George Hicks. Running approximately 25 minutes, the opera relates the attempts of a young man to propose, as the telephone's ringing continually interrupts.

Preceding the opera the Hinds Chorus will sing "Oh Sacred Head" Bach; "Beautiful Savior" -Christiansen; and "Sit Down Servant"-Waring.

Ann Smith, vocal soloist will sing "If Thou Be Near"-Bach; "Gretchen Am Spinnerade" -Schubert; and "Un bel di" - Puc-

The chorus will return to sing "Deep In My Heart" - Romberg; "Sanctus" - from the Requiem Mass; "Adoramus Te" - Palestrina; "Oklahoma" and "You'll Never Walk Alone" - Rodger and Hammerstein II.

The concluding number will be the opera.

Suggestions for Semester Exams

With semester examinations less than three weeks away, we have a few suggestions to make on those delightful devices to determine knowledge and devastate students.

The suggestions are those made by a special committee at the University of Wisconsin, which uncovered some weaknesses in that chool's examination system.

The committee reports that "Student dishonesty during examinations is more prevalent than the faculty believes," and that "The students are less satisfied than the instructors with the examinations used in some courses.

Here are some of the recommendations the committee made that we'd like to pass on.

Definite dishonesty-punishment codes publicized before examinations.

Shorter examinations.

The essay type of exam, or types requiring each student to formulate his own ideas.

Passing out two sets of exams alternately, or presenting the same questions in different orders on exam papers.

Supplying all writing materials except pencils to students at the time of exams.

CREED OF THE MISSISSIPPI JUNIOR COLLEGE PRESS ASSOCIATION

We the members of the Mississippi Junior College Press Association believe that the college paper should strive at all times to serve the school in the following ways: 1. By keeping the entire student body and faculty informed of the activities of all departments; 2. by giving recognition to outstanding achievements; 3. by offering constructive criticism and suggestions for improvement in the school; 4. by offering opportunity for individual developments through journalistic work.

We believe that the association should encourage each staff in carrying on the work of the college paper, to adhere to the highest level of journalistic principles in a free and democratic society as upheld by recognized authorities.

We believe that the association should strive always to lead the various staffs in attaining higher levels of journalistic development each year. We believe further that each individual staff, as a member of the association, should feel a definite responsibility in seeking to attain the ideals set forth by the association.

THOUGHT FOR THE WEEK G. M. McLendon

Spring is here—a time when hearts are light and people are gay. Let it lend itself to make us more fully appreciate the many opportunities which are ours for the mere asking. Let us apply ourselves more diligently these last few weeks of the current school year and strive to make this one of the most successful years of our educational career.

Finger Painting --- ART?

by Robert Ferguson ---

Of course the first thing that I'm going to say anything about is the press convention that was held on the Hinds campus last week end. The meeting went over as an overwhelming success and thanks are due to all the Hinds people who helped us with the entertainment of our visitors. We are deeply grateful.

Miss Boyd's verse choir gave some readings during assembly period Tuesday. The story of Jesse James was the big hit of the program. According to the poem, ole Jesse was quite a man.

* * *

* * *

The boys around Hinds had better look out now! This is leap year and we have some fast-running girls on the campus. Especially those high school girls who won the first-place trophy at the District Six Track meet at Clinton Friday.

A new form of art is now the rage at HJC. Mrs. A. L. Denton, art instructor, is teaching some of her students the art of finger painting. This little form of art is great fun. The first step in the process is wetting the paper and

smoothing it out (in the middle of the floor is the best place) so as to eliminate all wrinkles. The next step is to sling a wad of mud-like paint onto the paper. (You may mix colors if you like). Then, equipped with an old rag to wipe paint off your hands, get down and start smearing paint into the paper with hands, arms, elbows, etc. It'll probably surprise you when you look at the paper and find that you've created a beautiful design. It'll also surprise you when you find out that you can't get that paint off! It's fun though.

We don't want to seem over confident, but here we go sticking our neck out again and probably jinxing our poor track team. But we'd like to predict that the Hinds Junior College track team will emerge victorious in the State Track meet this year and renew their grip on the championship that they held for seven years in succession and lost last year.

If you haven't gotten over the Easter spirit and would like to see some delightful Easter egg colors, skip over to the English Building and take a look at the repainted walls.

What Price Matrimony? Girls, Boys Hold Varying Views, Reporter Finds

"How much money do you think a man should be making before he gets married?" Babs Denton, HINDSONIAN reporter, questioned 23 Hinds students to find their views on this matter, and found, a variety of replys from "who cares" to "\$10,000."

Liz Williams' reply to the question was, "Just enough to buy the marriage license, and if he doesn't have that I'll loan it to him."

Virginia Farr wants to know, "Who needs money?" and nodding their heads in approval were Rose Manton, Betty Jo Givens, and Peggy Rosser.

Coming down to earth a little were Ann Forman, Carolyn Farish, Ann Carsley, Lynette Collins, and Bill Burkett when they agreed on the sum of \$300 a month. Joan Geiger will be satisfied if he has a fat bank account, and Pat O'-

Brian said, "At least a lieutenant's pay."

When the question was pointed to Tom Poe, he chuckled, "More than I make." Don Walker wants to earn enough to take care of himself and a wife. Lulu Cooper said, "Oh, about a \$1,000 a month."

Kenneth Teeter and Joe Terry both agreed on \$250 a month, while Vito Patti and Jerry Smith would be satisfied with just \$100 to \$150.

"Enough to buy a '52 model car," was the answer Cameron Ferguson gave, and Billy Irby settled with \$500.

Tommy Shirley wants just enough to elope on, and Billy Weeks, less concerned about marriage, desires a sufficient sum for his cigarettes.

Oh well, who wants to get married anyway?

History Classes Hear Latin American Music

History classes of Miss Lula Mae Fowler were guests of Mr. Donald Christmas last Wednesday for a program of representative Latin American music.

The program was offered in connection with recent study by the class on Latin American history. The program included selections by a number of Latin American composers and other selections sung by the Latin American vocalist, Ima Sumae.

GENE WALKER HEADS 1952-53 SOPHOMORES

Gene Walker, son of N. J. Walker of Vicksburg, was named president of the incoming sophomore class, in elections conducted Thursday: while Bob Harleston of Franklinton, La., and Billy Dungan of Port Gibson were named as Student-Faculty Council members for the class.

Other candidates for the post of president were Ted Dunning, Bettye Jean Stubbs, Bobby Trotter, Vivian Wadsworth, and Elizabeth Williams.

Job-Seekers Need Social Security

"People planning to take temporary jobs in stores and other business places during the summer will need Social Security cards," M. B. White, manager of the Jackson Social Security office reminded today.

"Whether the job is full-time or part-time makes no difference," he explained. "Neither does it matter whether the employer has only one, or a hundred or more people on his payroll. If the place of business is covered by Social Security each employee needs a Social Security card."

"Benefits under the Old-Age and Survivors Insurance system are based on individual accounts identified by the Social Security number, Employers must show the number of each employee on quarterly tax returns in order for the employees to get the proper credit toward benefits. The new law increased the benefits substantially and the proper use of Social Security cards is now even more important than before.

The Jackson office is located at 519 Yazoo street. Social Security cards may be obtained by calling there in person, or by mailing to that address an application which can be obtained from any post office.

HINDS PAPER . . .

. (Continued From Page 1) experiences. He concluded: "We do have freedom of the press — but we can't abuse it. I am sure that none of you in your own careers will ever so conduct yourselves that attempts will be made to curb some of that freedom we now enjoy."

At the party Friday night delegates and sponsors took part in games, saw a floor show, and square and round danced. Miss Betty Smith, girls recreation leader, directed the square dancing and assisted with the evening's program Edwin Cobb, sports editor of the HINDSONIAN, was master of ceremonies for the night.

Floor show performers included the boys' quartet — Bobby Trotter, Bobby Holcomb, Bobby Bailey, and Cecil Yarbrough; June Liss and Norma Joyce Owen; Mike Safie; Mary Jo Laird; and Beatrice White.

During the latter part of the evening the Rhythmaires played for the round dancing. Members are Joe Terry, George Hicks, Cecil Yarbrough, Bobby Holcomb, Thomas Rowlett, and Bobby French.

At Saturday's business session the association adopted a creed and approved minutes of the past meeting, elected officers, and selected their convention sites for next year.

Mr. Leo Muller, head of the Mississippi Southern journalism department, discussed various phases of newspaper work for the delegates, taking as the keynote of his speech "Specialization and Generalization" in preparation for

Hinds Graduate Named Delta State College Homecoming Queen

Gloria McNeill, Hinds Junior College graduate of 1950, served as homecoming queen at Delta State Teachers College this past weekend, according to Coach Arlis Ricks, who attended the festivities.

A native of Anguilla, Gloria was secretary of the Y. W. C. A., officer of the Baptist Student Union, and an officer of the International Relations Club while at Hinds. In high school she had been secretary and treasurer of her class.

She is the daughter of Mrs. Alyne B. McNeill.

Hinds Piano Recital Scheduled for Sunday; Includes Solos, Duets

Four Hinds piano students will be presented in a recital here on April 27, 3:30 p. m., which will include solos and two piano numbers, according to Mr. Don Christmas, piano instructor at Hinds Junior College.

The program will be as follows:
"Les Reverence Nuptials" —
Boismortier; "Jesu, Joy of Man's
Desiring" — J. S. Bach, played by
Bettye Jean Stubbs and Beatrice
White;

"Bourree" (from the 2nd Violing Partita) — Bach; and "Etude in C minor, Op. 10, No. 12" (Revolutionary) — Chopin, played by Theresa Cox; "Variations on a Theme of Beethoven" — C. Saint-Saens, played by Miss White and Miss Stubbs;

The "Engulfed Cathedral"—Debussy; and "Polka" — Shostokovitch, played by Rose Parsons.

"Mother Goose Suite" (five parts) — M. Ravel; and "Jamaican Rhumba" — Benjamin.

North Texas College Bans Wearing Letters

When the student senate at North Texas State College passed a resolution banning all "foreign" letter sweaters from the campus, a lot of students were anything but pleased

The paper there, The Student Chat, found in a poll of 310 students that more than 70 per cent are against the ruling.

careers in journalism.

Robert Ferguson, coeditor of the HINDSONIAN, served as president of the organization this year and acted as chairman of the various meetings. Bobbie Davis, Vivian Wadsworth, and Lynette Collins were in charge of registration; while Richard Newkirk, Don Walker, Babs Denton, Bill Lamkin, Garth Guy, Bobby Trotter, Joe Lee, and Doris Hedgepeth assisted.

Mrs. Kathleen Matthews, Mrs. Lena Gates, and Miss Bessie Bornman were in charge of the banquet and breakfast. Geneva Whittington designed the duplicated programs for visitors, and Bonne Shackleford painted the welcome signs.

Around The

Collegiate Loop

By VIVIAN WADSWORTH

Congratulations to Perkinston JC and East Central JC for winning the second and third place in the Mississippi Junior College Press Association judging of the campus papers. And, of course, you know who received first place — we did! If you haven't seen the trophy, go by the HINDSONIAN office and take a peek. But those other papers had us plenty worried, they're good.

I'm A Southerner, Suh . .

The students at Miss. Southern have voted to call themselves "Southerners." Other names in the running were "Confederates," "Raiders," "Southern Cavaliers," and "Southern Travelers."

Perkinston has a fire department that is ready for action now. A set of fire regulations and directions for evacuation have been set up, and all students will follow these rules when they begin fire drils.

White House Aspirants Lack Speaking Ability

A speech professor at Fenn College, Ohio, thinks the nation's Presidential candidates have a lot to learn about public speaking.

George B. Simon declares, "Taft lacks courtesy when excited, because of his concern for issues. During question periods he is apt to give speeches instead of answers.

"MacArthur becomes too dramatic at times," says Simon, "as with his 'old soldiers never die, they just fade away." He didn't fade away. If he had, his talk might have rivaled Lincoln's Gettysburg address."

As for Truman, Simon has only this to say, "He could announce all income taxes will be abolished first of next month and make it sound humdrum."

The Kappa Sigmas of Millsaps were very fortunate in having their annual house party this past weekend on the coast, in Pass Christian. Sure wish we could have something like that.

Manners and Morals . . .

Is petting immoral? Is it proper to kiss on the first date? These were some of the questions asked in polls by seniors at Dartmouth College and University of Pennsylvania.

On kissing on the first date, one co-ed remarked, "If its inevitable, why delay it? But another student snapped, "Petting is immature collegiate nonsense.."

Many of the co-eds believed that a girl's date book would be empty if she acted too cold and aloof.

Money, Money, Money . . .

Since some of the junior colleges have been given \$100,000 students have put their heads together and decided what was needed on their respective campuses. At East Central, building a library-auditorium, renovating some of the buildings, and constructing a swimming pool were a few of ideas. We got the same amount, but with the new buildings and such, what will we do with all that dough?

Don't forget that you are now reading Mississippi's best allaround junior college paper.

Carroll Sophomores Break Slapping Record

That slapping contest at Harvard niversity is apparently no flash in the pan. This was the contest between two students who sat around slapping each other every 10 seconds for 48 hours, for a total of 17,280 slaps.

Two sophomores at John Carroll University last week endured a slapathon for 20,001 slaps.

Michigan Males Set Girls Straight; Say Femmes Must 'Get Out of Igloos'

(Letter from five male students at Michigan State College to the Michigan State News)

In reference to the many editor ials which have recently appeared in the various campus publications regarding the dating situation, we men would like to set the girls straight, once and for all.

They say, "Whats wrong with the men on the campus? Are they afraid of us girls?" Most certainly we are not afraid of you, and we're sure that you'll find that nine out of 10 of us are as anxious to get acquainted with you girls as you are with us. Just how to accomplish our mutual desire for dating seems to be the issue.

You girls suggest "calling up that chick sitting next to us in class." What's her name? How are we to get acquainted without appearing overly bold? In the grill or the lousge do you expect us to just walk up and sit down without having any previous contact?

It isn't the easiest thing in the world for all men to call up relatively strasge girls and many times requires some bolstering of confidence. When you are busy the night that a new man has expressed a desire for a date, why not convey to him a friesdly desire for another time, or a possible Coke date, instead of a flat, ego-knocking refusal?

Before the men can fulfill their part and meet you half way, you girls must bet out of your igloos. An all-out campaign like friendship week actually draws resentment as would someone's telling you to "love your mother."

Eagle Thinclads Beat Four Schools In First Home Appearance of Year

The Hinds Junior College Eagles made their first appearance of the season here Friday night and walked away with top honors in a fiveway track meet. The Eagles amassed 90½ points to best secondplace Perkinston, which had 70½. Other point winners were Ellisville 44, Moorhead 7, and Summit 5. Hinds took eight first places in the fourteen-event meet.

Results:

Raymond Lassies Win First Trophy In District Meet

Raymond High School won its first track trophy Friday as the Raymond lassies took top honors in the girls' division of the Middle-Mississippi Track Meet, District VI Jackson won in the boys' bracket, while Clinton was the overall winner.

Raymond placed second in every girls' event except the baseball throw. Those competing were Martha Gillespie in the 50 yard dash; Mary Will McKenzie in the 75-yard dash; Mary Will McKenzie in the broad jump; and the relay team composed of Martha Gillespie, Mary Will McKenzie, Peggy Holliday, and Peggy Rosser.

Although the Raymond boys failed to win they nevertheless showed up well, according to Coach Boteler. Those who placed were Ralph Butts in the discus; Julius Russell in the high jump; and the mile relay team of Ray Boyd, Billy Conlee, Edward Adcock, and John Broome.

The victory for the Raymond lassies earned them a trip to the South Mississippi meet which will be staged in Brookhaven on May

DOZING . . .

Working Up A Lather

The rowing team at Cornell University was stopped cold last week by a whirl of suds. A prankster had poured some Vel soap into the practice tank, and the harder the team rowed, the more suds they churned up.

Raymond Team Loses In Diamond Matches By One-Run Margins

The Raymond Baby Eagles dropped a pair of diamond contests this wee, and both of the setbacks were lost by one run. Raymond fell to Utica last Thursday afternoon 7-6 and then lost to Edwards 1-0 Tuesday.

In the Utica game Wesley Mc-Farland started off for Raymond, but gave way to Billy Giardina in the sixth. The latter was the victim of a four-run Utica outburst, which ised the game and tagged him with the loss. Hines was the winning pitcher.

In the Edwards affair, Giardina and Shakelford matched curves all the way with the lone Edwards run coming in the opening stanza. Raymond collected two hits while the Edwards aggregatio had six.

Coach Boteler's nine will play Edwards again Thursday and Jett Friday. Both games are on the road.

HINDS JR. SAYS:

You wouldn't worry what people think of you if you realized how seldom they do.

Hinds Tennis Teams Suffer First Losses To Perk Racqueteers

The Hinds tennis teams suffered their first loss of the season Friday afternoon as they fell to the net squads from Perkinston. The Bulldogs captured four out of the six matches to take the meet.

The only matches which Hinds won were the girls' doubles match in which Lavelle Nutt and Billie Burt defeated Kathryn Gangloff and Joyce Saucier 6-4, 6-3, and the girls singles event which saw Margaret Johnston keep her perfect record intact by downing Perks highly-touted Joan Tarzetti 11-9, 4-6, 6-3.

In the other matches Roy Arneld of Hinds lost to Bill Scoper 6-2, 6-0; Runt Walsh and Billy Hugh Montgomery fell before Clinton, Gale and Jerry Perry 6-3, 7-5; Walsh dropped a singles match to Perry 6-1, 60; and Montgomery and John Lawrence lost a doubles match.

The team loss came on the heels of a victory over Ellisville Tuesday which stretched the Hinds victory string to five straight.

After meeting Co-Lin Tuesday, the Eagle netters will journey to Perkinston Friday for a rematch with the Bulldogs.

POLL TAX ...

Students at Michigan State College one day last week were surprised to see a student government official swinging a ballot box over his head.

An over-naxious voter had dropped a quarter instead of a ballot through the slot. And it's still there, last we heard.

Hinds Beats Perk In 10-3 Slug Fest After Losing Two

The Hinds Eagles bested the Perkinson Bulldogs 10-3 Friday afternoon to climb back into the win column after two straight losses. The Raymond nine had suffered their second loss of the season at Ellisville Tuesday 6-5.

The Ellisville game saw Bill Graham go the distance to take the loss. Graham gave up only eight hits, but was hard hit by costly errors. The contest went ten innings before it was finally decided when the Bobcats sandwiched two singles around an infield out to produce the winning marker.

Meanwhile Hinds batters got to the Bobcat moundsmen for seven safeties, but failed to hit in the clutch. Tom Poe and Bob Smith each had two hits for the Eagles.

In the Perkinston game Hinds scored five runs in the last two frames to lick the Bulldogs going away. Jimmy Hardy hurled the first five stanzas to post his third victory of the year. He was succeeded by Robert Sainz and Bill Graham. Hardy also aided his own cause with a pair of one-base blows. Benton Fortenberry hit for the circuit in the first inning with one man aboard.

Now boasting a conference record of four victories and two defeats the Eagles will play four games this week which could decide the winner in the southern division. After meeting Co-Lin on Tuesday, the Renfroemen will journey to Poplarville for a double-header Thursday and then will face Perkinston again Friday.

Robertson Drops Contest

Quite A Record

Aside from the tennis meet, about the only contest which Hinds lost this week end was a game of horseshoes which Mr. Cecil V. Robertson dropped to a gentleman from Perkinston.

Big Help

We can all breathe easier now that the Press Convention is over. (Especially since the HINDSONIAN won.) Yours truly was in charge of the party Friday night and it turned out fairly well. Much of that can be attributed to the efforts of Miss Betty Smith, who was an invaluable assistant in my behalf. The little lady is really talented at recreational leadership.

New Track Team

Feeling that the thinclads of Coach DeVall are not living up to expectations Dean A. L. Denton is starting a track squad of his own. The new cinder team is holding daily workouts in the early hours of the morning. Coach Denton said that anyone who wished to be on this track team need only report to the dormitory after ten o'clock.

Still Hope

--- by Edwin Cobb ----

Despite the two losses which his nine has suffered, Coach Joe Renfroe still feels that his men have the ability to win the state crown. Hinds has four games remaining on the slate, two with Poplarville and one with Perkinston and Co-Lin. Hinds has already beaten the last two teams once and should take the measure of the Pearl River nine. If Ellisville loses another game that would put the Eagles in the playoffs.

SELF KNOWLEDGE

The Hurricane, at the University of Miami, attempted last week to explain its function and its limitations to the readers, It declared:

"The Hurricane is a student newspaper; it is designed to appeal to the greatest possible number of students. It is not the ultimate in English prose because, like any newspaper, it is not aimed at the literary elite . . . It is not chiefly motivated by the desire to educate the massed but merely to inform on matters of general interest."

Hinds Announces Graduation Plans; Speaker Chosen

Commencement plans for the 34th annual graduation services at Hinds Junior College have been announced by college administrators, with the Rev. Alexander W. Whitaker, Edwards Presbyterian minister, and Congressman John Bell Williams of Raymond as the featured speakers.

Baccalaureate services will be held Sunday, May 11, at 11 o'clock. The Rev. Murray Cox, Raymond Methodist pastor, will deliver the invocation; the Hinds Music Department will supply special music; and the Reverend Whitaker will deliver the baccalaureate sermon.

Graduation exercises are scheduled for Friday, May 16, at 11 o'clock. The Hinds Junior College Band, under the direction of Miss Jean Lancaster, will play the processional and recessional; the music department will present special music; and The Rev. R. E. Hough, pastor of the Raymond Presbyterian Church, will deliver the invocation.

Representative John Bell Williams, who will deliver the principal address, is a graduate of Hinds Junior College.

After Congressman Williams' speech, diplomas will be presented to graduating seniors and sophomres by President G. M. McLendon.

Four Hinds Students To Attend Session Of Science Group

Four Hinds students will attend a meeting of the Mississippi Academy of Science at the Gulf Coast Research Laboratory, in Ocean Springs on May 2-3.

The students, Bobby Allen, Joe Terry, Gene Walker, and Charles Brown, will be accompanied by Mr. T. T. Beemon, science instructor. Papers will be distributed to the students by several state scientists on various projects.

The boys will go as junior members of the academy and will attend a banquet Friday night.

HJC Summer School To Open June Second Registrar Announces

Summer school at Hinds Junior College will open June 2 and close August 8, according to the new summer school bulletin now available from the registrar's office

A full program of studies will be offered in the high school, academic, and vocational departments; and work done during the summer session equals in quality that done in the regular school term, which means that it will meet accredited standards and be recognized wherever it is transferred.

Expenses for the ten-weeks summer term for a student living in the dormitory will be \$84 for (Continued on Page 3)

Schedule Announced for Last Exams; First College Tests to Begin Friday

College and high school schedules for the final examinations of the school session have been announced by Miss Mildred Herrin, Hinds registrar. College tests begin Friday, May 9, while high school tests begin Monday, May 13, according to the schedule.

Two high school examinations are scheduled each day Monday through Wednesday, and one test is scheduled Thursday, May 15

Application Blanks Available for May Qualification Test

Students who failed to take the College Qualification Test offered by the Selective Service System on December 13, 1951, or April 24 are being given a chance to take the test on May 22, according to Maj. Gen. Lewis B. Hershey, director of Selective Service.

Students who have an admission ticket for either the December 13 or April 24 test which they failed to use must submit a new application if they wish to take the May 22 test. The old admission ticket will NOT admit a student to the May 22 test. He must make application for and receive a new admission ticket.

Application blanks for the May 22 test may be obtained by students from the nearest local board. They do not have to return home to their local board. Applications postmarked later than midnight May 10 will not be accepted.

HINDS REGISTRAR ATTENDS MEETING; SEES WHITE HOUSE

Miss Mildred Herrin, Hinds Junior College Registrar, attended the 38th annual convention of the National Association of Collegiate Registrars, held in Washington, D. C., April 20-24.

At the convention Miss Herrin participated in a workshop conducted by the registrar of the University of Michigan, and assisted by the Washington State College Registrar. The theme of the program was "College-High School Relations."

One of the highlights of the trip was the reception at the White House on the opening day, when Miss Herrin shook hands with Mrs. Harry Truman. Time and Life magazines held a reception for the guests in the American Suite of the Statler Hotel. The group was given a personal copy of "They Went to College," a book based on a survey made by Time magazine on what happens to the graduate after he finishes college. The copy is available in the registrar's office for any student who wishes to read the book, according to Miss

Three college tests are scheduled daily Friday through Wednesday and two tests on Thursday.

Graduating seniors and sophomores are eligible for exemption from the examination in subjects in which they have not made below a "B" as a six-weeks average this semester. High school seniors, however, are eligible for exemption from high school subjects only.

The schedule will be as follows:

Southern Singers Perform Monday

Mississippi Southern's famed Vesper Choir will appear in concert here Monday, May 5, at 10:10 a. m. in the Hinds Junior College auditorium, according to an announcement from President G. M. McLendon of Hinds.

The choir of approximately 60 persons includes several former Hinds students now enrolled at Southern.

The five-part program will be as follows:

"Sing We and Chant It" — Morley; "The Silver Swan" — Gibbons; "My Heart Doth Beg You'll Not Forget" — diLasso, sung by the Mississippi Southern Madrigalians

"Americana"—Benoit and "Tarantella" — Fitzgerald, by the Mississippi Southern Brass Quartet;

"With a Song in My Heart" — Rodgers; "So in Love" — Porter; and "Play Gypsies — Dance Gypsies" — Kalman, by the Mississippi Southern Singers;

"March of the Little Tin Soldiers" — Pierne; and "Rondo" — Haydn, the Mississippi Southern Woodwind Quintet;

"A tribute to Romberg" (a choral adaptation of the favorite melodies from the operettas of the late Sigmund Romberg) — arranged by Douglas MacLean, the Mississippi Southern Vesper Choir and the Sinfonietta.

Sophomores Named as Dual Speakers For Commencement Services May 16

Two college sophomores, for the first time in history, will deliver commencement addresses at graduation exercises here on May 16, according to the registrar's office.

The two are Kyrous Gunter and Charles Brown. The high school speaker will be Billy Lancaster of Bolton. The three have maintained the highest scholastic averages in their respective graduating classes. Ordinarily, one sophomore and one senior are chosen; but this year there were two contenders for the sophomore representative's position, Miss Mildred Herrin, registrar, said.

Kyrous, who represented the 1950 high school seniors here, was named "most intellectual" in the high school who's who elections for 1948-49, and was chosen again as both a freshman and a sophomore during the succeeding years.

She has served as president of Phi Theta Kappa, president of the 1950-51 freshman class, and a member of the Student-Fcaulty Council. This year she was elected to the highest post awarded by student votes, "Miss H. J. C." Majoring in secretarial sciences,

she has been serving as secretary in the registrar's office for the past two years. She plans to seek employment after completing her work at Hinds this spring.

Charles Brown, Utica, has been a member of Phi Theta Kappa, national scholastic honorary, and is majoring in science. He intends to go to Mississippi College next year to earn a degree in chemistry.

Hinds I. R. C. Selects

Seven New Members

For 1952-53 Session

Seven new members have been voted into membership of the Hinds chapter of the International Relations Club, according to club minutes

The seven include Bob Harleston, Cecil Hudson, Cecil Yarbrough, Lynette Collins, Billy Dungan, Billy Stennett, and Thomas King.

Think Carefully About Future Plans

With graduation day fast approaching, many are trying to decide what senior college to attend. Others are in search of jobs and still others are readying to enter the armed forces. This is a time when many decisions will be made that will have an influence upon lives of individuals for many years to come.

When choosing an institution of higher learning, there are several factors to consider. First one must consider the standards of the school and how high it rates in the particular field in which he intends to major. Then, of course, he must consider the expenses at the school and whether or not he can afford to attend that particular college. Then, too, one must consider whether he would find attending the institution an enjoyable thing.

Nothing is worse than going to a college in which there is not a friendly atmosphere among the students. Another point, which the prospective student should think about, is the qualification of the instructors. In most of the better known school, however, capable instructors are to be had.

Those people in search of jobs usually know what type work they are best suited to do. A careful consideration of the working conditions, employer, and salary should be made before taking a job.

Those going into the armed services don't have quite as much choice as the students who are going to find civilian jobs. There is, however, a wide range of jobs in the Army, Navy, and Marines. Many learn trades in the service that help them for the rest of their livs. Occupations such as mechanics, welding, radio, radar, photography and many others can be learned while serving time with linele Sam.

Intelligent Review, Preparation Keys To Better Grades on Examinations

With examination schedules already posted and graduating class members already asking, "Am I exempt?" most Hinds students are considering preparing for their final examinators.

Suggestions have been compiled by the score in psychology and textbooks on "How to Study and Prepare for Examinations." Some schools include the suggestions in an orientation course. But most students have never seen them.

Some of the rules usually found helpful are given here:

1. Begin your review early. The majority of forgetting in a subject is done within 30 minutes. The part that will stay with you will stay several days or weeks. (It's a little late now, but...)

2. Observe the rules of simple hygiene during the week and don't burn the midnight oil. Sleep and eat regularly.

3. If you can discover what type of examination the teacher will give, prepare for that. No need of preparing for a discussion of the causes of World War II if the teacher is going to give an objective test. If the examination is objective (most final exams are to allow speed in grading) concentrate on facts. This is not an ideal preparation, but it helps on an objective test.

If the examination is to be a discussion one, concentrate on main ideas and principles — picking up enough of the facts to assist in tying your answer together in a "non-bull" fashion.

4. By all means, read the direc-

tions carefully before you begin. Some teachers are understanding if you've taken the entire two hours to discuss something she didn't ask, but then some aren't.

5. Read over the entire examination before you attempt to answer any questions. You are entitled to clear, understandable questions. You have the right to ask questions before the actual examination begins, if you don't understand. This will take about five minutes of your examnation time, but, it will save time and points in the final tally. One of the surest signs of the failing student is his beginning to write as soon as he gets the examination.

6. If the questions are discussion ones, make a skeleton outline on scratch paper before you begin answering. Regardless of how students feel on the subject, very few of them are capable of writing a comprehensive answer without a plan of writing.

Well — better luck next year, maybe!

Herring Attends Chicago Conference On Problems of American Education

"College students of today are apathetic and immature," William T. Dentzer, president of the National Student Association, told delegates to the National Conference on Higher Education, attended by Dean M. F. Herring, April 17-19, in Chicago.

Garth Guy, and Joe Lee.

The statement was made at a general session which officers of the National Student Association took part in a panel and audience discussion on "The Student Looks at Higher Education."

Other national student office reactions included a plea for closer and more personal contact between faculty and students and a deemphasis of athletics on college campuses.

In two panel discussions in which Dean Herring participated, one discussed the imbalance in students preparing to enter high school and elementary school teaching.

There are two students training for high school teaching now for every opening; while there are five openings for every one student being trained in elementary school teaching, the group pointed out.

Demonstrating the importance of the field by requiring more preparation was one of the methods suggested as a remedy.

"Mississippi by 1955 will require of elementary teachers more training in general education, more professional field education, and specialized education in subject fields," Dean Herring commented. These requirements have been set for several years now, he added.

The second group discussed the moral and spiritual values to be found in extra-curricular activities.

The Hinds Junior College base-ball team terminated a successful campaign last week with one-sided wins over Pearl River and Perkinston Junior Colleges. If Jones Junior College is defeated in any of its remaining four games, the Eagles will be in a playoff for the championship of the southern division of the junior college loop. Of course, if Jones should drop more than one contest, the Eagles will become southern champions. We'll just have to wait and see what happens.

Aubrey Anderson, now Pvt. Aubrey Anderson of the U. S. Army, has completed basic training at Camp Gordon, Ga. Aubrey, who was an honor student while at Hinds, is also making a fine record in the service. He is now enrolled in a radio operator course.

The school has a new vacuum cleaner, but this one is a little different from the conventional type. It vacuums water as well as dust and dirt. It'll be used to scrub the floors of the buildings so

as to leave them dry when they are finished.

If you think kids buckle down on final examinations, you ain't seen nothing yet. I never saw a group of more diligent workers who slaved over an examination, than at Mississippi College last Thursday when the Selective Service College Qualification Test was given. Yours truly was right in there sweating, and believe me, it was no breeze. From a group of boys where you'd expect a little hum of conversation, everyone was as quiet as a church-mouse. After sitting through one hour of instructions and three hours of toil, everyone's brain was as foggy as a California smog. It was worth it though. (If we passed).

Wadsworth, White Named Officers At State Y. W.-Y. M. C. A. Meeting

Vivian Wadsworth and Roy White, Hinds Junior College freshmen, were elected second vice-president and first vice-president, respectively, of the state Y. M.-Y. W. C. A. for 1952-534 at th spring conference, which was held at Castalian Springs, near Durant, the past weekend.

The three-day conference, which brought outstanding state personalities, was attended by ten Mississippi junior colleges and colleges.

Dr. Bernard Boyd was the platform speaker for the weekend, taking as his theme "The Gods of the Campus." Mrs. Paul H. Dunn, Rev. John E. Sutphin, and Mr. R. R. Pearce, served on the panel discussion Saturday evening. Other leaders of the conference were Mr. Willie Phillips, Mr. Jack Gleason, and Mr. Edward Driscoll.

The Hinds group and other students participated in the program workshops, which dealt with the problems of the local "Y" organizations, and in the student roundtable

New Y. M. officers for next year, besides Roy, include Billy Champion, State College, a former Hinds student, president; Thomas Sawyer, Perkinston, second vicepresident; and Del Beumer, University of Mississippi, secretarytreasurer.

Y. W. officers for 1952-53 are composed of Barbara Thompson, University of Mississippi, president; Mim Carpenter, Millsaps, first vice-president; and B. J. Runnells, M. S. C. W., secretary-treasurer.

Members of the Hinds Y. M.-Y. W. C. A. who attended the state meeting were Alice Raney, Roy White, Doris Wilson, Shirley Beadle, Cecil Yarbrough, Betty May, Vivian Wadsworth, Bob Harleston, Doris Hedgepeth, Grace Pickett, Bertie Brown, and Miss Gertrude Davis, sponsor.

Seven Groups Invited To Choral Program At Hinds on Sunday

Invitations were in the mail this week to seven special groups to attend the opera and choral program here Sunday afternoon, while a general invitation is being extended to the public through the press.

The seven groups invited include the Jackson Opera Guild; the faculty and music students of Belhaven College, Millsaps College, and Mississippi College; and music patrons from Utica, Forest Hil, and Byram.

The program will begin at 3:30 and will include:

"The Telephone," a 25 minute opera in English — Gian Carlo Menotti; Ann Smith, vocal soloist will sing "If Thou Be Near" — Beach; "Grechen Am Spinnerade" — Schubert; and "Un bel di" — Puccini.

The Hinds a cappella choir will sing "Adoramus Te" — Palestrina; "O Sacred Head Now Wounded"— Hassler-Bach; and "Beautiful Savior" — Christiansen.

Ten members of the chorus will sing "Santus," from the Requiem Mass Faure; and a vocal solo by Jerry Franciskato, "Pilgrim Song" — Tahaikousky.

Concluding the program will be three songs by the chorus: "Oklahoma" — Rodgers; "Deep In My Heart Dear" Romberg; "Set Down Servant' — Waring; and "You'll Never Walk Alone" — Rodgers-Hammerstein.

Reading the Terrebonne Mirror, Houmer, La., I ran upon an item that I must explain to the students of the school. They received our April Fool's issue which stated that one of their former students, now attending Hinds, had been called to duty by Uncle Sam. Possibly Juenke has some friends that were surprised to hear of the fact and I must take the space to say to you, students of Terrebonne High School—it was all a joke.

It is surprising to still hear some of the Hinds students bring up some questions about the stories in the first issue of the paper, and if any of you still think we editors are going to France, just destroy the thought.

It's always fun to know your fortune, whether it is true or not. The Terrebonne Mirror printed a cute feature entitled "Wheel of Fortune" and I'd like to reprint it here and let you folks find out who you are.

Not quite what you thought of yourself, is it? It's amusing to say the least.

HINDS HIGH GIRLS WILL SEND TEAM TO BROOKHAVEN

The Raymond girls track team, winners in the District VI track meet, will go to Brookhaven Saturday to compete in the South Mississippi Track Meet, according to Coach Louis Boteler.

Mary Will McKenzie will be the leading contender for the Raymond lassies. She will enter the 50 and 75 yard dashes and the running broad jump. Martha Gillespie, Peggy Rosser, Peggy Holliday, and McKenzie will compete in the 300-yard relay.

Jackie Andrews will go as an alternate while Bebe Epperson will act as manager.

Hinds Net Squads Complete Season With 7 Victories

The Hinds tennis squads rounded out their regular net seasons last week as they won two meets and dropped one. The netters topped Co-Lin and Poplarville but lost to Perkinston for the second time this year.

In the Wesson clash, Hinds took every match except the boys' singles and doubles. Roy Arnold lost in the former while Runt Walsh and Billy Hugh Montgomery were defeated in the latter. In the other matches, Margaret Johnston, Ann McGuffee, and Walsh won singles matches and Billie Burt and Lavelle Nutt won a doubles match.

At Poplarville, the Raymond netters took every event except one, a doubles match while Lavelle Nutt and Dan Dubose lost. In the others, Johnston and Arnold won in singles while Walsh ad Montgomery and Burt and McGuffee won in doubles.

However, at Perkinston Hinds was dealt with rather rudely. The only Hinds victories were by Burt in singles and Nutt and McGuffee in doubles. All the other Hinds performers lost, including Margaret Johnston who lost her first match of the year at the hands of Joan Tarzetti.

The net squads of Mr. Eddie Morris and Miss Betty Smith closed out the regular season with a record of seven triumphs in nine tries. They dumped Ellisville, Summit, and Wesson, twice, and Poplarville once. Their only losses were to Perkinston.

Hinds Eagles Finish 1952 Season With Wins Over Perk, Pearl River

The Hinds Eagles wound up their current campaign in big league style last week as they took a trio of victories from South Mississippi teams. The Eagles downed Wesson 19-3 on Tuesday, Poplarville on Friday 18-3, and Perkinston 7-0 on Saturday.

Bill Graham was the man of the hour for the Raymond team. The big righthander started off all three games and got credit for victory in all three, although he went to distance in none of them.

The Wesson Wolves got only three hits off Hinds' hurling, while the Eagle batsmen battered opposing pitchers for 17 safeties. Bob Smith led Hinds at the plate as he collected five hits on seven trips to the platter. Two of his blows were for the circuit. Tom Poe also had four hits in six attempts.

Hinds had little trouble in the Poplarville game, which was an abbreviated seven-inning affair. The Renfroemen scored seven times in the opening stanza and costed to victory. The second game of the planned double-bill was cancelled.

The Perkinston game was a little closer, but Graham turned in a stering two-hit performance to blank the coast team. His mates were in the meantime pounding Perk pitching for eight hits and seven runs.

The three victories gave Coach Renfroe's charges a season's conference record of seven wins and two losses. Hinds downed Wesson

Bob Smith Top Hitter For Hinds Diamondmen, According to Statistics

Bob Smith was the top hitter for the Hinds Eagles in the past season according to averages recently compiled by Diamond Mentor Joe Renfroe.

The stocky Smith, a native of Florence, went to the plate 46 times and banged out 19 hits for a .413 average, tops for the Eagle regulars. Smiths 19 safeties was also high in the "most hits" department while Benton Fortenberry led in runs scored with 19, closely followed by Smith with 18

The averages:

and Perkinston twice, Poplarville once, and split a pair with Ellisville and Summit.

The status of the Hinds team depends on the outcome of Ellisville's remaining ball games. If Ellisville loses one, they will have to meet Hinds to decide who enters the playoffs against the northern champions. If they win the rest of their games they will be crowned southern champions. "It will be decided this week whether or not Hinds is through with baseball for the season," Coach Renfroe said.

Raymond Baby Eagles Drop Jett Game 10-9

The Raymond Baby Eagles dropped a fourteen-inning marathon to Jett Monday afternoon 10-9 on the Hinds field.

Raymond collected a total of 10 hits off Jett tossing while Jett had 11 safeties. Wesley McFarland started on the hill for the Baby Eagles but gave way to Billy Giardina in the eighth. The latter took the loss. Scallion went the distance for Jett to gain the victory.

Ralph Butts had a home run for Raymond in the fifth with two men aboard, while Goza hit for the circuit for Jett in the eighth with the sacks empty.

Raymond will play Redwood at 2:00 Friday afternoon on the Hinds diamond.

HINDS THINCLADS WIN SECOND MEET 80-40 OVER PERK

The Hinds cindermen took their second straight track meet this weekend as they downed Perkinston 80-40 in a dual meet at the southern school.

Coach DeVall's men took first place in every event except two and won second in those.

Results: (First place winners), 100-yard dash—Smith, Hinds; 220yard dash—Juenke, Hinds; 440yard dash—Rinschmidt, Perkinston; 880-yard run—Faulkinberry, Hinds; mile run—Wheat, Hinds;

Low hurdles—Roberts, Hinds; high hurdles—Ellis, Hinds; broad jump—Roberts, Hinds; high jump—Ellis, Hinds; pole vault—Walsh, Hinds; shot-put—Trehan, Perkinston; discus—Poe, Hinds; javelin—Juenke, Hinds; mile relay—Hinds (Wheat, Juenke, Fortenberry, Faulkinberry).

The Hinds team will compete in the State Track meet to be held Saturday afternoon at Perkinston.

Two To Be Graduated In Auto Mechanics

Two students, Clyde Hancock and Eric D. Madison, will be graduated from the auto mechanics training program in May, according to Mr. D. W. Ware.

The two are night students who recently transferred from Trades Training Institute, Prairie.

DeVall Has High Hopes

~ by Edwin Cobb ~~~

Coach L. C. DeVall squinted thoughtfully at the track where Ellis, Juenke and Oliphant were practicing starts. On the grass Fortenberry was limbering up for a 300-yard dash and Wheat was preparing to pace off a half-mile.

"Well," mumbled the mentor as he squatted in the shadow of the stands," we'll give someone some trouble at the track meet this week. We really should win cause the boys are really getting into shape now. They're ready to hit their peak. I guess Perkinston will give us the most trouble but Ellisville, Summit, Wesson, Moorhead, and Holmes will all be in there pitching with some individual performers if not an entire team."

About that time, Bob Smith, the Hinds sprinter, hobbled up with the news that he had hurt his leg crawling through a fence. That was great news with the State Track Meet scheduled for Saturday afternoon at 1:00. However, Coach DeVall seemed not the least bit perturbed. I guess you learn to take things in stride when you're a coach.

Tennis Tourney

The Junior College Tennis Tournament will be held in Perkinston this weekend. The matches will begin Friday at 9:00 and will continue through Saturday afternoon with teams from Wesson, Perkinston, Hinds, Summit, Ellisville, Holmes, Meridian (girls) and probably Poplarville represented.

According to Miss Betty Smith, those performing for Hinds in the tournament will be: Margaret Johnston in girls' singles; Lavelle Nutt and Billie Burt in girls' doubles; Roy Arnold in boys' singles; and Runt Walsh and Billy Montgomery in boys' doubles.

Of Junior College Vocational Training ROSE MANTON offerings, the committee discover-

Meeting at Hinds this past week end, Mississippi's junior college presidents and vocational co-ordinators mapped plans for an expansion of vocational-technical education to meet the total needs of Mississippians.

Approximately 30 representatives of state junior colleges, the state department of education, and Mississippi State College were present. Dividing into study groups, the conference considered six major fields in the problem, on which the group of assembled educators voted to take concerted ac-

Some of the plans they adopted were the development of a state wide program based on allocation of functions and local justification, and a continuous survey to establish local and state needs of the program; the establishment and maintenance of a continuous public relations program; and the establishment of a permanent committee to carry through state-wide planning programs

The educators pointed out that the junior colleges of the state provide training on a vocationaltechnical level, which is open to all students regardless of their previous educational attainment or future academic plans.

Analyzing the present course

ed that there are 35 vocationaltechnical courses being offered in Mississippi Junior Colleges now; and recommended 27 additional areas in which need may exist for training programs.

These potential fields include auctioneering, baking, butchering, embalming, cosmotology, dietitian, cleaning and dyeing, dairy manufacturing, dental technicians, dental hygienists, service station operation, plumbing technicians, furniture repair, health department workers,

Highway department workers, nursing, hardware employees, photography, piano tuning, printing arts, shoe repair, telephone and telegraph workers, tile setters, social welfare, landscaping, optical mechanics, and electro-plating.

The steering committee of the conference consisted of Dr. L. O. Todd, East Central Junior College, chairman: J. M. Ewing, Copiah-Lincoln; G. M. McLendon, Hinds; P A. Sheffield, Itawamaba; and J. B. Young, Jones.

Others attending the conference were E. A. Parker, Jackson; W. L. Newton, Meridian; W. H. Gibbes, Hinds; E. F Mitchell, State College; R. N. Cowart, Co-Lin; R. D. McLendon, Pearl River.

And So... "30"

This issue of the HINDSONIAN marks the end of a relatively successful year for the staff. For 26 weeks we have tried to keep you informed of the activities on the campus or affecting campus people; we have attempted to publish a paper that would reflect the superiority of Hinds; and we've added a trophy to the list of awards that HJC has acquired in the present and past years.

Yet all that could not be possible without your co-operation. Your co-operation and the co-operation of a number of other people. You have been kind to the editors in giving them recognition, but that recognition belongs to many people other than the editors.

Without Edwin Cobb, many of our sports events would not have been covered; William Davis, news editor, did a fine job; the club editor, Thomas Shirley, kept us informed of the activities of the organizations; Barbara McRae, circulation manager, handled the mailing list and distribution the first semester and Bobby Trotter, her assistant, distributed the copies on the campus the second semester.

Bobbie Crechale faithfully checked our galley proofs; and our news and feature staff — Bobbie Davis, Lynette Collins, Bill Lamkin, Garth Guy, and Joe Lee — haunted the campus for news to fill up that yawning emptiness on Tuesday nights.

Our first semester staff members helped us pull through those first 18 weeks of struggle. They were Jean Richardson, John Newman, Patricia Williams, Mary Ellen Williamson, Thomas Lofton, Jean Reeves, deCelle Anderson, Virginia Farr, and Carolyn Hall.

The faculty and administration were co-operative in every way, quite often taking a great deal of trouble to help us.

Keith Press we especially appreciate, not only for giving us such a fair price on the printing that it makes an advertising-free weekly paper possible, but also for their other kindnesses. They have been unusually patient in accepting stories past deadline, and then having our papers ready for distribution on Wednesday nights.

We have fulminated a bit from time to time about conditions and circumstances we thought needed correcting. We have stepped on a few toes — mostly by accident — and we have patted a few backs during the year. We have grown to see the problems of the administration and regret the necessity of some of the rules and regulations, but, having seen the actions of some few irresponsible students, we can admit the necessity of those rules.

We have watched Hinds grow this year, and that growth has been spectacular. We feel that the growth will be continued, and we hope that we, too, can grow also.

The HINDSONIAN has completed another eventful year, and next fall, it will once again record the events that will be long remembered. And so . . . '30'.

Handing Out Bouquets

by Robert Ferguson -

That was quite a ball game that the Eagles and the Ellisville Bobcats had last Friday as they competed for the South Mississippi Junior College baseball championship. The tilt wasn't played under exactly ideal conditions. But, nevertheless, I watched the game through rain and hail. It was a real slugfest. (On Ellisville's part) The Hinds batters couldn't quite seem to reach the curve-ball offerings of the Bobcat right-hander.

The Eagles finally managed to push over a run in the latter stages of the game, but the Bobcats sent 13 men across home plate. It all goes to show that the Bobcats from Jones County Junior College are still a jinx to the Hinds Fagles

Previously this year the two teams had played two extra-inning games with each school getting a win. It was a little different in that final game, however, when the blue chips were down. Anyone should have known that the poor Eagles didn't have a chance to win since yours truly had officially put the hex on them by predicting them to emerge as state champions.

I'm batting .500 though. The Hinds track and field team came through and resumed their role as perennial state champs on the junior college cinder paths. (As I prognosticated). Both the baseball team of Coach Joe Renfroe and the track team of Coach L. C. DeVall had successful seasons and we'd like to congratulate them.

While we're passing out the roses, we'd better hand a bouquet to the girl's track team of Hinds High School. They captured second place in the South Mississippi high school track meet. The fastmoving fillies will journey to Clinton Friday for participation in the state high school track meet. We wish them luck.

One of the better musical programs of the year was held at Hinds Monday morning when the Mississippi Southern Choir and Sinfonietta presented a program to an assembly of students and faculty. We were happy to see former Hinds students in the Southern Choir. Binnie Measells, Betty Lou Prassell, Alvyn Moore, and Bobby Measells were all back at Hinds as members of the choir.

The Air Force moved in Monday. Six Hinds sophomores decided to take cadet training.

This will probably be the last that you will see of an unclever little column, known jestingly as "Fergy's Fikshun." I can only say that if you have stood the strain of reading this bit of philosophy for the whole year, you deserve a nice long rest. Seriously, I have enjoyed communicating with you very much. I hope that I have made more friends than enemies as I talked to you with the press as the medium and it's been loads of fun.

HJC College Graduates Plan to Work, Attend School, Enter Armed Forces

Hinds Junior College graduates will be scattered to the four winds, while Hinds High graduates for the most part will be back in school here next year, according to surveys conducted by Miss Mildred Herrin, registrar, on future plans of seniors and sophomores.

A large number of the junior college girls — 21 of them — will seek employment after next Friday. These include Grace Pickett, Barbara McRae, Mildred Hodge, Doris Hedgepeth, Martha Ann Hale, Kyrous Gunter, Zula Greenlee, Bertie Mae Brown, Fannie Blaylock, Juanita Holliday, June Mobley, Mary Ann Carr, Mary Edith Mills, Marilyn Sandifer, Bobbie Crechale, Wilma Ryan, Ann Rees, Bonnie Shackleford, Lawannn Stewart, Joanne Taylor, Nona Brummett, and Grace Shurden.

Three boys — J. B. Horne, Billy Price, and John Crechale — will work after graduation; while six will enter service. The six are Lynn Field, Bobby Bailey, Sidney Ellis, Bill Weeks, Mitchell Sullivan, and Robert Sparkman.

Of those planning to go to senior colleges, nine plan to attend Southern. These are Billie Burt, Pat McNatt, Thomas Trevillion, James Sylvester, Rose Parsons, Lavelle Nutt, Ed McCain, Mary Jane Horn, and Ellawees Ferrell.

Mississippi College and Mississippi State will draw the second largest numbers. Seven students plan to attend each of these schools.

Planning to attend Mississippi College are Joe Terry, Jean Price, Larry Philyaw, Theresa Cox, Charlie Brown, Roy Arnold, and Ray Heard.

Attending Mississippi State will be Thomas Rowlett, Earl Palmer, Tip Lewis, Saunders Clement, Alden McNair, Bill Davis, and Walter Shurden.

Four students will attend Ole Miss. They are Raul Pascual, Frances Putman, Roberto Sainz, and Jaffa McCranev.

Millsaps College will draw three. They are Fay Taylor, Alice Raney, and George Whisenant; while another Jackson college, Belhaven, has been selected by Jo Millican.

Jean Hart, Carolyn Paxton, Sylvia Scott, Betty Milner, and Ed Cobb plan to attend Delta State Teachers College

HINDS INSTRUCTOR SUFFERS INJURY ON WOOD LATHE

Mr. W H. Gibbes, Hinds vocational co-ordinator, lost one of his fingers and injured two others in an accident in the woodworking department Saturday, according to Mr. D. W. Lewis.

The mishap occurred while Mr. Gibbes was working on the wood lathe. He was cutting out a section of a box when his hand got caught in the blade. The ring finger of his left hand was completely severed and the two adjoining fingers were badly cut.

Following the accident Mr. Gibbes was taken to Dr. Ainsworth's office in Raymond for first aid, then was taken to Dr. Russell in Jackson

Mr. Lewis carried him to the doctor. Mr. Gibbes is reported doing fine, now, and will be back at work soon, Mr Lewis said.

Guynes Completes Auto-Body Training

Cecil G. Guynes, Crystal Springs, will complete an 18-months course in body and fender work this month He will be the only student to graduate this May, according to Mr. D. C. Ware, instructor in the body and fender shop.

TO TAKE PART IN MEMPHIS COTTON CARNIVAL

Members of the Hinds Junior College Band and the Hinds Hi- Steppers have been invited to take part in the Memphis Cotton Carnival in Memphis on Saturday, May 17, the day after graduation. They financed their trip by presentation of a minstrel here Tuesday night, which drew a capacity crowd.

Hinds Thinclads Take Top Honors in State Track Meet at Perkinston

The Hinds Junior College Eagles captured 11 first places and three second places to take top honors in the Mississippi Junior College track meet, held before a sparse crowd at sun-baked Perkinston Saturday.

Hinds collected a total of 71½ points to far outdistance the sixteam field Home team Perkinston was second with 51½ markers, while Ellisville had 37½ points for third place. Other point-winners were Wesson, 18; Summit (last year's champion) 16½; and Moorhead, 16.

All told, the Eagles won ten medals and two trophies. Individual high-scorers for the Raymond team were Billy Juenke with 17½ points and Benton Fortenberry with 16. Juenke, the Houma, La., speedster, won the 100 and 220 yard dashes, the javelin throw, and ran a lap on the relay team. Fortenberry took laurels in the broad jump and shot put, tied for second in the high jump and also ran on the winning relay team.

It was the seventh state championship in the last eight years for the thinclads of Coach L. C. De-Vall.

Results:

100-yard dash — Juenke, Hinds; Gentry, Perk; Lowery, Ellisville; time 99

220-yard dash — Juenke, Hinds; Gentry, Perk; Lowery, Ellisville; time: 22.2

440-yard dash — Reinschmidt, Perk; Roberts, Hinds; Taylor, Ellisville; time: 51.4.

880-yard run — Faulkinberry, Hinds; Tyler, Perk; Collins, Wesson; time: 2:03.

Mile run — Wheat, Hinds; Collins, Wesson; Clay, Ellisville; time: 4:43.4.

Low hurdles — Roberts, Hinds; Dickey, Sunflower; Melton, Ellisville; time: 25.8.

High hurdles — Ellis, Hinds; Wortham, Summit; Robertson, Elllisville; time: 16.1.

Broad jump — Fortenberry, Hinds; Anderson, Perk; Melton, Ellisville; distance: 21 feet, 2 in. High jump — Hubley, Perk; Mantesi, Summit, and Fortenberry, Hinds (tie); distance: 5 feet, 6 inches.

Pole vault — Johnson, Summit; Walsh, Hinds; Tyler, Perk; distance: 10 feet, 6 inches.

Shot put — Fortenberry, Hinds; Trahan, Perk; Green, Wesson; distance: 43 feet, 9 inches.

Javelin throw — Juenke, Hinds; Evans, Perk; Grenn, Wesson; distance: 149 feet, 9 inches.

Mile relay — Hinds (Juenke, Hheat, Fortenberry, Faulkinberry); Perk, Ellisville; time: 3:35.2.

Jones Beats Hinds For Baseball Title Of Southern Loop

The baseball season came to an abrupt end for the Hinds Eagles Friday afternoon as they lost to the Ellisville Bobcats 13-1 on a rain-swept Millsaps diamond.

The victory gave the Bobcats the championship in the southern division of the conference and the right to meet the winners in the northern division for the state championship.

Righthander Bill Graham started on the hill for the Renfroemen and was touched for seven runs before being derricked in the fourth in favor of Robert Sainz. Five of the runs came on two-circuit clouts—one by Barton with one man on and another by Jack Parker with two mates aboard. Sainz hurled the remaining stanzas for the Eagles and surrendered the other six runs.

The lone Hinds tally came in the eighth as Bill Cooper singled, took third as the Ellisville outfielder juggled the ball, and scored as Benton Fortenberry beat out an infield roller.

"Pop" Windham limited the Eagles to five hits in gaining the victory while Graham was charged with the loss.

We Came, We Saw, We Conquered by Edwin Cobb

The crowd was small at Perkinston Saturday, but the few fans who did brave the summery weather witnessed one of the most one-sided track meets in recent years. Except for a few second-place lapses it was all Hinds from the high hurdles to the mile relay as the Eagles turned the Mississippi Junior College track meet into a Hinds workout.

Your truly was stationed at the scoring table in the center of the sun-filled stadium and from there it looked as if Hinds had little trouble in taking the state crown. Eight Eagle athletes entered the meet and seven of them carted off medals. Runt Walsh, who took second in the pole vault, was the lone Hinds performer to go winless.

Coach L. C. DeVall leaned languidly over the rail of the stands with a pleased look on his face and watched his boys sweep to victory in seven out of eight track events and four out of six field contests.

The Hinds team really showed its superiority. They came, they saw, they conquered — and I do mean conquered!

Home Team Wins

Perkinston, the host team, won the state tennis tournament. The Perk netters won the girls' and boys' singles, the boys' doubles, and were runners-up in the girls' doubles.

The results of the tourney were somewhat disappointing to those loyal fans who expected a Hinds victory, but Billie Burt and Lavelle Nutt salvaged some consolation as they won the championship trophy in girls' doubles play.

And So To Sleep Again

So the curtain falls on another athletic year at Hinds — and it has been a good year as five new trophies were added to the trophy case. Of course, one of those trophies was awarded to the HIND-SONIAN but, then, newspapers do play some part in athletics.

Hinds won one trophy when the

football team won the Oleander Bowl game on New Year's Day, took one for winning the state track meet and another for the mile relay, and received the fourth when the girls' doubles team won in their division at the tennis tournament.

In every sport, Hinds was a team to be reckoned with. The football team finished third in the state and so did the boys and girls basketball teams. The baseball team was runner-up in the southern division, the tennis team had a season's record of seven wins and two defeats, and, of course, the track team won the state championship.

The high school teams fared rather well. The football and basketball team were green but growing and Raymond fielded a baseball and track team for the first time in many years.

Much of the sports success at HJC was due to the efforts of a splendid coaching staff composed of Coaches DeVall, Renfroe, Ricks, Boteler, Smith, and Morris.

So as diploma day approaches and another school year ends, I guess I'll go home, doctor these typewriter blisters on my fingers, throw away my pad and pencil, and catch up on some much-needed sleep.

Hinds Tennis Duo Are Net Champs After Win At Perk

Lavelle Nutt and Billie Burt defeated Joyce Saucier and Kathryn Ganglott of Perkinston 6-2, 6-2, in the finals to win the championship in the girls' doubles division of the Mississippi Junior College tennis tournament, staged at Perkinston this weekend.

The Hinds duo reached the finals by defeating Peggy Herrington and Alecia Landrum of Ellisville 6-3, 8-6, in the first round and gaining credit for a forfeit win when Holmes and Meridian

High School Girls Get Second Place In Southern Meet

The Raymond High girls won second place in the girls' division of the South Mississippi track meet at Brookhaven this past weekend and earned a berth in the state high school meet to be staged at Clinton this Friday. Brookhaven was tops with 20 points while Raymond followed closely with 15.

Top performer for the Raymond lassies in the state meet will be Mary Will McKenzie who will enter the 75-yard dash, the broad jump, and run the last lap on the relay team. Martha Gillespie will enter the 50-yard dash while Peggy Holliday and Peggy Rosser will complete the relay team, Jackie Andrews, Bebe Epperson, and Rosa Taylor will go as alternates, Coach Boteler said.

The meet will begin at 1:30.

dropped out of the tournament.

In the girls' singles, Margaret

Johnston fought her way to the finals before losing to Joan Taretti of Perkinston 3-6, 6-8. Margaret had previously beaten Jan Ratcliff of Wesson and Addie Thompson of Summit.

In boys' play, Hinds lost the first match in both singles and doubles. In singles, Roy Arnold lost to A. B. Reddock of Ellisville, and in doubles, Runt Walsh and Billy Hugh Montgomery fell before MacEdwards and Charlie Gilbert of Wesson.

The netters of Miss Betty Smith and Mr. Eddie Morris carried a season's record of seven wins and two defeats into the tournament.

Two Lectures Given Before History Classes

Two lectures on the Far East were presented to the 7th period European history class of Miss Lula Mae Fowler. Mr. C. H. Battle, father of Cleo Battle, spoke on Indian; and Capt. C. S. Brooks, grandfather of Ann Foreman, spoke on China.
